Such plan may provide for the outdoor plaza described in Section 93-71, paragraph (b), to be constructed in phases. The completion of the Cultural Facility Plaza shall be deemed integral only to an #ERY Culture, Festival and Exhibit Facility# and to no other #use# or #development# in the Eastern Rail Yard Subarea A1. Where the public use and enjoyment of a public access area is contingent upon #development# on an adjacent #zoning lot# that has not yet occurred, the Chairperson may allow for the future development of such public access area at the time that the adjacent #zoning lot# is #developed#.

For any portion of any #development# or #enlargement# other than an #ERY Culture, Festival and Exhibit Facility#, $\underline{\mathbf{N}}\underline{\mathbf{n}}$ o temporary certificate of occupancy from the Department of Buildings may be issued for any portion of any #development# or #enlargement# with a #floor area ratio# of 10.0 or more until the Chairperson certifies to the Department of Buildings that the public access area is substantially complete, and the public access area is open to and useable by the public. No permanent certificate of occupancy from the Department of Buildings may be issued for any portion of such #development# or #enlargement# with a #floor area ratio# of 10.0 or more until the Chairperson certifies to the Department of Buildings that the public access area is complete and that all public access requirements of this Section have been met in accordance with the plans for such public access areas. Notwithstanding the foregoing, for #zoning lots# with multiple #buildings# for which the Chairperson has certified that a plan has been submitted that provides for the phased development of public access areas through completion of any public access area that is integral to the #development# of a #building# or

#buildings# within each phase, such certifications shall be made with respect to substantial completion or completion of the public access areas integral to each such phase, except as provided in Section 93-71, paragraph (h). <u>Issuance of a temporary or permanent certificate of occupancy for any #building# or portion of a #building# not occupied by an #ERY Culture, Festival and Exhibit facility# shall not be conditioned upon the completion, substantial completion or improvement of the Culture Facility Plaza.</u>

For an #ERY Culture, Festival and Exhibit Facility#, no temporary certificate of occupancy from the Department of Buildings may be issued for such #ERY Culture, Festival and Exhibit Facility# until the Chairperson certifies to the Department of Buildings that the Culture Facility Plaza described in paragraph (i) of Section 93-71 is substantially complete and open to and useable by the public and no permanent certificate of occupancy from the Department of Buildings may be issued for the #ERY Culture, Festival and Exhibit Facility# until the Chairperson certifies to the Department of Buildings that the Culture Facility Plaza is complete. If a moveable portion of the #ERY Culture, Festival and Exhibit Facility# is not initially constructed as part of the #ERY Culture, Festival and Exhibit Facility# but is constructed at a later date, any closure of the Culture Facility Plaza necessary for such construction shall not affect the validity of any certificate of occupancy previously issued for the #ERY Culture, Festival and Exhibit Facility#. No temporary certificate of occupancy for the moveable portion that is thereafter constructed, or an amended temporary certificate of occupancy for the #ERY Culture, Festival and Exhibit Facility# that includes the moveable portion, may be issued by the Department of Buildings until the Chairperson certifies to the Department of Buildings that the reconstructed Culture Facility Plaza is substantially complete and open to and useable by the public and no permanent certificate of occupancy for the moveable portion that is thereafter constructed, or an amended permanent certificate of occupancy for the #ERY Culture, Festival and Exhibit Facility# that includes the moveable portion, may be issued by the Department of Buildings until the Chairperson certifies to the Department of Buildings that the reconstructed Culture Facility Plaza is complete.

The design professional must file a report as described in subdivision d of this section with the department within thirty days after the date of the inspection. (2) Periodic inspections. After the initial inspection and filing of the report, structural condition inspections must be performed and reports as described in subdivision d of this section must be filed annually, unless otherwise specified by the department. The periodic inspections must continue until a certification is filed with the department by $\underline{\text{the registered design professional stating that the}}$ building or structure is no longer potentially compromised and the department has audited the certification to ensure its accuracy.
- (c) Notifications to the department.

 (1) Department notification by owner. An owner of a building or structure must notify the department in writing that such building or structure has become potentially compromised immediately after such owner knows or should have known of the condition.

- (d) Report. The registered design professional must sign, seal, and submit to the department the report of the inspection required by section 28-216.12.1 of the Administrative Code and subdivision b of this section. The registered design professional must also submit a filing fee as specified in section 101-03 of the department's rules, and must send a copy of the report to the owner. READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

OLB/c recycled preference

OLB/d other: (specify)

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
