PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established six (6) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting, Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis), Plumbing and Electrical.

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>

00224Y0203-UCCI SOLE SOURCE FY24-25 - Request for Information - PIN# 00224Y0203 - Due 4-1-24 at 2:00 P.M.

Pursuant to Section 3.05 of the PPB rules, the Mayor's Office of Criminal Justice is requesting a Sole Source Contract with University of Cincinnati Research Institute (hereinafter "UCRI") through its authorized subcontractor, the University of Cincinnati Corrections Institute (hereinafter "UCCI"), for the Supervised Release Program (hereinafter "SRP") for the contract term of July 1, 2023 through June 30, 2025 for a total contract value of \$94,575.00. The Mayor's Office of Criminal Justice (MOCJ) intends to enter into a sole source contract with UCCI to conduct Effective Practices in Community Supervision (hereinafter "EPICS") trainings in furtherance of SRP's upcoming Intensive Case Management Pilot Program (hereinafter the "ICM Pilot Program"). One core component of the ICM Pilot Program is UCCI's EPICS training. Using the EPICS model, UCCI teaches case managers how to apply the principles of effective intervention and core correctional practices to community supervision practices and client sessions. In doing so, the EPICS model helps people such as parole and probation officers improve their targeting of criminogenic needs of medium to high-risk clients using cognitive-behavioral interventions. With this knowledge, case managers will be better equipped to handle the high needs of the ICM Pilot Program participants so that these participants can better work through their behaviors and choose healthier ones that lead to long-term change.

This is a Sole Source Contract because vendor is the sole owner and proprietor of the copyright in the EPICS model, UC's associated manuals, trainings, and E-learning programs. INDUSTRIAL BUSINESS SERVICES PROVIDER (IBSP)

BROOKLYN EAST - Negotiated Acquisition - Other - PIN# 80124N0002001 - AMT: \$170,000.00 - TO: Business Outreach Center Network Inc., 85 South Oxford St., 2nd Fl, Brooklyn, NY 11217-1607.

Recognizing the importance of the industrial sector to New York City's economy, the City created a program to deliver services to Industrial Businesses operating in the City's Industrial Business Zones ("IBZs"). Since inception in October 2006, the program has served thousands of Industrial Businesses. The NYC Department of Small Business Services ("Agency") will be extending the existing services for Industrial Business Services Provider (IBSP) in Brooklyn East section of the borough of Brooklyn. These services will reinforce the City's efforts to support the industrial and manufacturing sector by responding to current and evolving needs while providing the conditions and resources to enable the sector to further grow and advance.

The negotiated acquisition extension will allow the agency adequate time to release a new solicitation for this program and enable the current IBSP provider to continue to deliver a suite of business services not limited to boro-wide technical consultant services, accessing incentive programs, providing information regarding City, State and Federal programs, financing and accessing capital, navigating government, and identifying employee and workforce services. In addition to increasing awareness and access to available City programs. This is all part of the agency's and city's economic development mission.

A negotiated acquisition extension allows the agency to continue services with the existing service provider who has the capability and knowledge of the services to be provided while the current RFP request is being processed.
