#### Approval of Minutes (Cal. No. 1).

The minutes of meeting held February 21, 1918, were approved as printed in the CITY RECORD March 6, 1918.

#### PUBLIC HEARINGS.

##### On Areas of Assessment for Benefit in Condemnation Proceedings.

##### Borough of Queens.

Hearing on the Proposed Area of Assessment and Reapportionment of Cost in the Matter of Amending the Proceeding for Acquiring Title to Seneca Avenue, from the Brooklyn Borough Line to DeKalb Avenue, and from Summerfield Street to St. Felix Avenue, Borough of Queens (Cal. No. 2).

(The hearing in this matter was fixed for March 1, 1918, by resolution adopted January 25, 1918 (Cal. No. 136). On March 1, 1918 (Cal. No. 14), the hearing was continued to this meeting.)

The Secretary presented affidavit of publication showing that the matter had been duly advertised.

No one appearing in opposition to or in favor of the proposed area of assessment, the hearing was closed.

The papers were ordered filed.

The President of the Borough of Queens then offered the following:

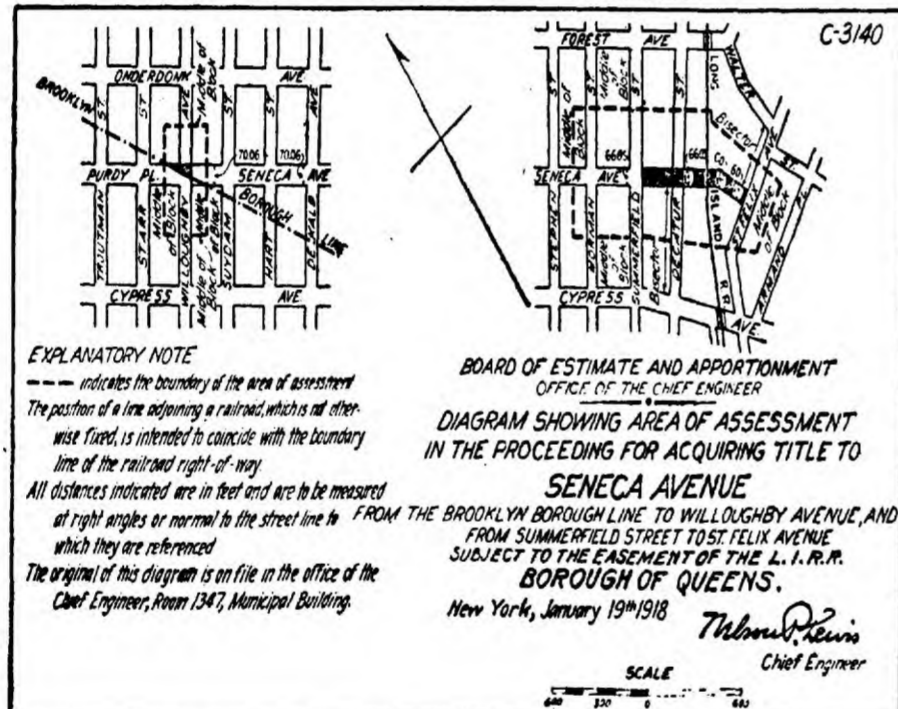

Whereas, the Board of Estimate and Apportionment, by resolution adopted on October 1, 1915, authorized a proceeding to acquire title to the real property required for the opening and extending of Seneca avenue, from the Brooklyn Borough line to DeKalb avenue, and from Summerfield street to St. Felix avenue, Borough of Queens, in which it was determined that the entire cost and expense of the proceeding be borne by the property deemed to be benefited; and

Whereas, at the meeting of the Board held on April 27, 1917, a communication was presented from the Corporation Counsel, advising that the motion for the appointment of Commissioners in the proceeding had been opposed by the Coney Island and Brooklyn Railroad Company, which owned all of the real property to be acquired in the three blocks between Willoughby avenue and DeKalb avenue, and that a decision had been rendered by the Court, sustaining the position taken by the Railroad Company; and

Whereas, since the date when the proceeding was authorized by the Board, a bridge has been constructed by the Long Island Railroad Company across its lands in the block between Decatur street and St. Felix avenue, and the street has here been incorporated upon the City map; and

Whereas, the Board of Estimate and Apportionment proposes to request the Corporation Counsel to apply to the Supreme Court to have the proceeding herein amended so as to relate to the sections of Seneca avenue between the Borough line and Willoughby avenue, and between Summerfield street and St. Felix avenue, subject to the rights, if any, of the Long Island Railroad Company.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of the Greater New York Charter, as amended, hereby gives notice that the area of assessment shown on the following diagram is a proposed area of assessment for benefit for the proceeding as proposed to be amended:

Resolved, That this Board consider the proposed modified area of assessment at a meeting of the Board to be held in the City of New York, Borough of Manhattan, in the City Hall, on Friday, March 1, 1918, at 10.30 o'clock a. m., and that at the same time and place a public hearing thereon will then and there be had; and

Whereas, this Board, in the resolution adopted on October 1, 1915, authorizing this proceeding, determined that the entire cost and expense thereof be borne by the property deemed to be benefited.

Resolved, That this Board, pursuant to the provisions of the Greater New York Charter, as amended, deeming it for the public interest so to do, proposes to reconsider its resolution adopted on October 1, 1915, whereby it determined that the entire cost and expense of the proceeding to acquire title to Seneca avenue, from the Brooklyn Borough line to DeKalb avenue, and from Summerfield street to St. Felix avenue, in the Borough of Queens, be borne and paid by the property deemed to be benefited, and proposes to make a new determination concerning the distribution of the cost and expense of the proceeding so as to provide that the sum of \$403.21, being the cost and expense incurred in the proceeding chargeable to the sections of Seneca avenue omitted from the proceeding, be borne and paid by The City of New York and that the remainder of the cost and expense of the Bureau of Street Openings, the cost and expense incurred by the President of the Borough of Queens in the preparation of rule, damage, benefit and profile maps for the use thereof, and of awards, if any, for damages caused by intended regulation, and all other expenses and disbursements authorized by the Greater New York Charter, as amended, be borne and paid by the property within the proposed area of assessment for benefit as shown on the foregoing diagram.

Resolved, That this Board consider the proposed determination at a meeting of the Board to be held in the City Hall, Borough of Manhattan, City of New York, on Friday, April 5, 1918, at 10.30 o'clock a. m., and that at the same time and place a hearing thereon will then and there be had.

Resolved, That the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD for ten days, exclusive of Sundays and legal holidays, prior to Friday, April 5, 1918.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

#### On Franchises.

##### Fifth Avenue Coach Company (Cal. No. 3).

Hearing on the form of contract for the grant of a franchise to the Fifth Avenue Coach Company to establish, maintain and operate additional omnibus lines for public use in the Boroughs of Manhattan and The Bronx, in connection with an extension of the Company's present operation upon various streets and avenues.

(By resolution adopted November 30, 1917 (Cal. No. 1), the hearing was fixed for December 28, 1917 (Cal. No. 1), on which date it was continued until January 25, 1918 (Cal. No. 3), when it was continued until February 8, 1918, and on the latter date (Cal. No. 10) the hearing was continued until this day and the matter was referred to the Committee on Franchises.)

An affidavit of publication of the notice of continued hearing was received from the City Record.

No one appeared in opposition to the proposed grant.

William H. Page, Counsel for the Company, and Reginald Pelham Bolton, representing the Washington Heights Taxpayers' Association, appeared in favor.

The hearing was then continued to April 5, 1918.

#### Rapid Transit Railway—Modification of Southern Boulevard and Whitlock Avenue Route, Borough of The Bronx (Cal. No. 4).

Consideration of the communication from the Public Service Commission for the First District, transmitting for approval resolutions adopted by said Commission, modifying and amending the route and general plan of construction of the Southern Boulevard and Whitlock Avenue Route, Borough of The Bronx, so as to provide for a subsurface passageway, connecting the Hunts Point Road Station of the Southern Boulevard and Whitlock Avenue Route with the Hunts Point Road Station of the New York, New Haven and Hartford Railroad and the New York, Westchester and Boston Railway Company.

(This communication was presented to the Board at the meeting of December 21, 1917 (Cal. No. 183), when, by resolution, duly adopted, December 28, 1917, was fixed as the day for consideration and the matter also referred to the Committee on Transit and the Comptroller for report.)

(On December 28, 1917 (Cal. No. 2), the consideration was continued until January 18, 1918, and on that day (Cal. No. 4) was continued until February 1, 1918, and the matter referred to the Committee on Franchises.)

(At the meeting of February 1, 1918 (Cal. No. 2), the consideration was continued until February 15, 1918 (Cal. No. 2), when it was continued until this day. By resolution, adopted by the Public Service Commission February 13, 1918, and by resolution, adopted by this Board February 15, 1918 (Cal. No. 2), the time within which this Board shall make its determination, whether of consent or refusal, was extended 60 days from February 19, 1918.)

An affidavit of publication of the notice of continued consideration was received from the City Record.

No one appeared in opposition to or in favor of the proposed route.

The consideration was continued until March 22, 1918.

#### REPORTS.

##### From Standing Committees.

##### Committee on Franchises.

##### New York Ice Company of Maine, Inc. (Cal. No. 5).

Application of the New York Ice Company of Maine, Inc., for a modification of consent to install, maintain and operate a pipe from a point in the Company's plant 52 feet south of Globe Square, along Washington Street and Globe Square to the Hudson River, Borough of Manhattan.

(At the meeting of January 25, 1918 (Cal. No. 60), a report of the Bureau of Franchises was presented and the matter referred to the Committee on Franchises.)

The Secretary presented the following:

Committee on Franchises, Board of Estimate and Apportionment, City of New York, February 11, 1918.

To the Board of Estimate and Apportionment:

Gentlemen—Under date of January 4, 1918, the New York Ice Company of Maine, Inc., presented a petition to the Board for a modification of a revocable consent granted by resolution adopted by the Board April 20, 1917, and approved by the Mayor April 27, 1917.

A report of the Bureau of Franchises was presented at the meeting held January 25, at which time the matter was referred to the Committee on Franchises.

Your Committee has examined the matter and finds the original authorization was for a pipe ten inches in diameter running from a point in the Company's artificial ice plant 52 feet south of Globe Square, northerly along Washington Street and westerly along Globe Square to the Hudson River, Borough of Manhattan, for the purpose of obtaining salt water for condensing. The Bureau of Franchises reports that upon opening the street the Company found it impossible, owing to the mass of existing substructures at or near the intersection of Globe Square and Washington Street, to install about 75 feet of the pipe at the precise location authorized. Consequently, that portion of the pipe was installed on the opposite side of Washington Street from that originally authorized, but without any increased occupation of street area. The proposed action is to modify the original consent so that it will confirm the existing location.

The Bureau of Franchises has conferred with the Offices of the Borough President and the Commissioner of Water Supply, Gas and Electricity, and in communications dated, respectively, January 18 and 15, 1918, those departments advised there are no objections to the change.

In view of the facts, your Committee recommends the adoption of the resolution authorizing the modification requested.

ALFRED E. SMITH, Acting Mayor; CHARLES L. CRAIG, Comptroller; President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; MAURICE E. CONNOLLY, President, Borough of Queens; Committee on Franchises.

The following resolution was offered:

Whereas, By resolution adopted by the Board of Estimate and Apportionment April 20, 1917, and approved by the Mayor April 27, 1917, consent was granted to the New York Ice Company of Maine, Inc., to install, maintain and use a ten-inch pipe from its artificial ice plant on the easterly side of Washington Street, Borough of Manhattan, at a point 52 feet south of Globe Square, northerly to Globe Square and thence westerly to the Hudson River, in order to obtain salt water for condensing purposes, and the grantee duly accepted the said consent and complied with the terms and conditions thereof and installed the pipe; and

Whereas, The New York Ice Company of Maine, Inc., presented a petition dated January 4, 1918, to the Board of Estimate and Apportionment reciting that upon opening the street it was found impossible to install the said pipe at the precise location authorized in Washington Street and at the intersection of said street with Globe Square, and requesting the said Board to legalize the pipe in the position in which it was actually laid, as shown upon a plan accompanying the said petition; now therefore be it

Resolved, That the said resolution adopted by the Board of Estimate and Apportionment April 20, 1917, and approved by the Mayor April 27, 1917, be and it hereby is amended so as to authorize the maintenance of the said pipe in the position in which it was actually installed, all as shown on a plan entitled:

"Plan showing location of proposed salt water suction pipe to be constructed in Washington St., Globe Sq., and crossing West St., Borough of Manhattan. To accompany application dated March 26th, 1917, New York Ice Co. Board of Estimate and Apportionment, City of New York."

"Revised—Change of location due to obstructions at Washington St. and Globe Square. Jan. 4, 1918."

—and signed Chas. C. Upham, Prest., a copy of which is attached hereto and made a part hereof; and be it further

Resolved, That this resolution shall become null and void unless the New York Ice Company of Maine, Inc., shall execute an instrument in writing to the satisfaction of the Board of Estimate and Apportionment and file the same in the office of the said Board within thirty (30) days after the approval of this resolution by the Mayor, wherein said grantee shall accept this consent and promise, covenant and agree that the consent of the Board of Estimate and Apportionment so given to the alteration of location of the said pipe shall in no wise change, alter or amend any of the terms, conditions or requirements in the original consent fixed and contained, and which said consent shall remain in full force and effect, as hereby expressly amended, and be it further

Resolved, That this resolution shall not become effective unless and until the said New York Ice Company of Maine, Inc., shall pay into the treasury of The City of New York the sum of twenty-five dollars (\$25), to cover the cost of examination, printing and publication in connection with this amendment.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

*Committee on City Plan and Public Improvements.***West 27th Street, Between 8th and 9th Avenues, Borough of Manhattan—Amendment of Building Zone Resolution (Cal. No. 6).**

(At the conclusion of the public hearing on February 8, 1918 (Cal. No. 13), on this proposed amendment the matter was referred to the Committee on City Plan and Public Improvements.)

The Secretary presented a report, dated February 20, 1918, of the Committee on City Plan and Public Improvements recommending denial of the petition herein, no evidence having been submitted that conditions in this block have changed since the adoption of the zoning plan, and a communication, dated February 28, 1918, from Charles F. Noyes, stating that the present business restriction on West 27th street, between Eighth and Ninth avenues, is impractical and unworkable because it prevents the development of the property in this block for mercantile buildings and is unjust because it reduces the value of the lots by fifty per cent.

E. P. Doyle appeared in support of the proposed amendment.

The matter was laid over four weeks (April 5, 1918).

**Seventh Avenue Extension, Waverly Place and West 11th Street, Borough of Manhattan—Laying Out Public Park in Territory Bounded by (Cal. No. 7).**

(On January 11, 1918 (Cal. No. 66), the map showing a public park within the above territory was presented to the Board by the President of the Borough of Manhattan, in pursuance of resolution adopted December 7, 1917 (Cal. No. 12).

(On January 25, 1918 (Cal. No. 71), a communication from the West Side Taxpayers' Association was referred to the Committee on City Plan and Public Improvements.)

The Secretary presented a communication, dated January 16, 1918, from the West Side Tax Payers' Association, objecting to the laying out of a public park at Seventh avenue extension, Waverly place and West 11th street, Manhattan; and the following report of the Committee on City Plan and Public Improvements:

February 20, 1918.

*Board of Estimate and Apportionment:*

Gentlemen—At the meeting of the Board of Estimate and Apportionment held on January 25, 1918 (Calendar No. 71), the matter of laying out a public park bounded by Seventh Avenue Extension, Waverly Place and West 11th Street, Borough of Manhattan, was referred to the Committee on City Plan and Public Improvements.

Your Committee considered this matter at a meeting held on January 29th and, at a request submitted to it at that meeting by the Executive Secretary of the Parks and Playgrounds Association, it was decided to give a hearing on February 19, 1918. At this hearing no one appeared in favor of the project, but a representative of the Park Department stated that it was the opinion of that Department that the money which might be expended for the acquisition of this triangle could be used to better advantage elsewhere.

The proposed park has an assessed value of \$115,000 and, assuming that it could be acquired for a sum not exceeding \$125,000, and this cost were met by a local assessment so graded as to impose not more than 10 per cent. of its land value on the property fronting the new park, this assessment would amount to about \$1,000 a lot, while a properly graded assessment would involve an area of benefit extending about 1,200 feet from the park with an average assessment for the entire area of about \$100 a lot and of \$40 a lot at the outer boundary of the assessment district.

In view of the apparent lack of interest in the project and the statement of the representative of the Park Department, your Committee recommends that the plan be disapproved. Respectfully submitted,

FRANK L. DOWLING, President, Borough of Manhattan, Chairman; CHARLES L. CRAIG, Comptroller; EDWARD RIEGELMANN, President, Borough of Brooklyn; HENRY BRUCKNER, President, Borough of The Bronx; MAURICE E. CONNOLLY, President, Borough of Queens; CALVIN D. VAN NAME, President, Borough of Richmond; Committee on City Plan and Public Improvements.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, in accordance with the recommendation in the report of the Committee on City Plan and Public Improvements, dated February 20, 1918, hereby *disapproves* the plan showing a proposed layout of a public park bounded by Seventh Avenue Extension, Waverly place and West 11th street, Borough of Manhattan.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**West 97th Street, North Side, Between West End Avenue and Broadway, Borough of Manhattan—Amendment of Building Zone Resolution (Cal. No. 8).**

(On January 4, 1918 (Cal. No. 8), the petition herein was referred to the Committee on City Plan and Public Improvements.)

The Secretary presented a communication dated December 24, 1917, from Kenneth Mygatt, requesting the amendment of the Building Zone Resolution by changing from a residence to a business district West 97th Street, north side, between West End Avenue and Broadway, Borough of Manhattan; and the following report of the Committee on City Plan and Public Improvements:

February 20, 1918.

*Board of Estimate and Apportionment:*

Gentlemen—At the meeting of the Board of Estimate and Apportionment held on January 4, 1918 (Calendar No. 8), the petition of Kenneth Mygatt, requesting an amendment to Use District Map, Section No. 5, so as to change from a residence to a business district West 97th Street, between West End Avenue and Broadway, Borough of Manhattan, was referred to the Committee on City Plan and Public Improvements.

Your Committee in turn referred this matter to the President of the Borough of Manhattan, in order that he might give a public hearing to those interested. The Borough President has reported that he gave such a hearing on February 13, 1918, at his office. No one appeared in favor of the request, although a letter approving the change was received from a representative of Nos. 2571-2579 Broadway, which property is located on the westerly side of Broadway, between West 96th and West 97th Streets. Objections, however, were filed from a representative of 760 West End Avenue, which has a frontage of over 20 per cent. of the north side of this block of West 97th Street, as well as from owners of other West End Avenue property.

Between West 70th Street and Manhattan Street, and from Broadway westwardly to Riverside Drive, all of the intervening streets are restricted to residential purposes, with the single exception of West 96th Street. Broadway is recognized as a business street between the limits named, while West End Avenue is also restricted to residences north of 70th Street.

In the judgment of the Committee no good reason has been shown why business should be permitted on this block of West 97th Street, except within the 100 feet of Broadway, allowed by reason of the fact that Broadway is itself a business street. A business invasion on 97th Street would undoubtedly cause serious damage to existing property devoted to high class apartments and private dwellings, the development of which has undoubtedly been due to the fact that this street is entirely devoted to residences.

In view of these facts, your Committee recommends that the petition be denied. Respectfully submitted, FRANK L. DOWLING, President, Borough of Manhattan, Chairman; CHARLES L. CRAIG, Comptroller; EDWARD RIEGELMANN, President, Borough of Brooklyn; HENRY BRUCKNER, President, Borough of The Bronx; MAURICE E. CONNOLLY, President, Borough of Queens; CALVIN D. VAN NAME, President, Borough of Richmond; Committee on City Plan and Public Improvements.

The following resolution was offered:

Resolved, that the Board of Estimate and Apportionment, in accordance with the recommendation in the report of the Committee on City Plan and Public Improvements, dated February 20, 1918, hereby *denies* the petition of Kenneth Mygatt for an amendment to Use District Map, Section No. 5, so as to change from a residence to a business district West 97th street, between West End avenue and Broadway, Borough of Manhattan.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Viaduct to Extend from Park Terrace East to a Point About 115 Feet North of West 215th Street to a Point on Broadway at the Intersection of West 215th Street, as Laid Out Easterly Therefrom, and Thence to the West 215th Street Railroad Station of the Interborough Rapid Transit Company, Borough of Manhattan—Laying Out (Cal. No. 9).**

(At the close of the public hearing on March 16, 1917 (Cal. No. 1), this matter was referred to the Committee on the City Plan.)

(A further hearing in this matter was fixed for December 21, 1917, by resolution adopted December 7, 1917 (Cal. No. 160). On December 21, 1917 (Cal. No. 2), the hearing was closed and the matter laid over until January 11, 1918. The report of the Committee on the City Plan is printed in the Minutes of said meeting (December 21, 1917).

(On January 11, 1918 (Cal. No. 113), this matter was referred to the Committee on City Plan and Public Improvements.)

The Secretary presented the following report of the Committee on City Plan and Public Improvements:

February 20, 1918.

*Board of Estimate and Apportionment:*

Gentlemen—At the meeting of the Board of Estimate and Apportionment held on January 11, 1918 (Calendar No. 113) there was referred to the Committee on City Plan and Public Improvements the proposed laying out of a viaduct to extend from Park Terrace East at a point 115 feet north of West 215th Street to a point on Broadway where it is intersected by West 215th Street as laid out easterly therefrom and thence to the West 215th Street station of the elevated railroad of the Interborough Rapid Transit Company, Borough of Manhattan.

This matter has been the subject of hearings both before the Board of Estimate and Apportionment and your Committee. The plan has been strongly urged by a number of those owning property along Park Terrace East and the other streets on the hill between Isham Park and West 218th Street on the ground that more convenient access to the elevated station at West 215th Street would result in the development of their holdings and a great increase in taxable values from which the City would benefit. The plan has been opposed by a number of owners of property along Broadway and West 215th Street for the frankly expressed reason that direct access between this elevated station and the property on the hill would make the business property along Broadway less valuable. The plan has also been opposed on the ground that the construction of a viaduct over Broadway at this point would be a disfigurement, although it is pointed out that, inasmuch as Broadway, from 218th Street northward, is occupied by the elevated structure of the Interborough Rapid Transit Company, the additional disfigurement caused by the building of a viaduct across the street would not be a serious matter.

Your Committee is not convinced that the carrying out of such an improvement, which must be financed in the first instance by the City of New York, will bring either to the petitioners or to the City the advantages due to enhanced values which they appear to anticipate and, inasmuch as it will be necessary for the Board to limit the authorization of improvements in the immediate future to those which are pressing necessary, the Committee recommends that the plan be disapproved.

Respectfully submitted, FRANK L. DOWLING, President, Borough of Manhattan, Chairman; CHARLES L. CRAIG, Comptroller; EDWARD RIEGELMANN, President, Borough of Brooklyn; HENRY BRUCKNER, President, Borough of The Bronx; MAURICE E. CONNOLLY, President, Borough of Queens; CALVIN D. VAN NAME, President, Borough of Richmond; Committee on City Plan and Public Improvements.

J. Bowie Dash appeared in opposition; Walter E. Warner and Michael Dwyer appeared in favor.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, in accordance with the recommendation in the report of the Committee on City Plan and Public Improvements, dated February 20, 1918, hereby *disapproves* the plan bearing the signature of the President of the Borough of Manhattan and dated November 29, 1916, showing a proposed change in the map or plan of The City of New York, by laying out a Viaduct to extend from Park Terrace East at a point about 115 feet north of West 215th Street to a point on Broadway where it is intersected by West 215th Street as laid out easterly therefrom; and thence along West 215th Street to the West 215th Street railroad station of the Interborough Rapid Transit Company, Borough of Manhattan.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Ditmas Avenue, Both Sides, Between Gravesend Avenue and West Street, Borough of Brooklyn—Amendment of Building Zone Resolution (Cal. No. 10).**

(On February 1, 1918 (Cal. No. 33), the petition herein was referred to the Committee on City Plan and Public Improvements.)

The Secretary presented a petition, dated January 23, 1918, from J. Buys, for the property owners, requesting the Board to reconsider its action of December 7, 1917 (Cal. No. 20), denying the petition of Elizabeth Buys and other property owners for amendment of Use District Map, Section 22, so as to change from a residential district to a business district property on both sides of Ditmas avenue from within 100 feet of Gravesend avenue to the easterly side of West street, Borough of Brooklyn; and the following report of the Committee on City Plan and Public Improvements:

February 23, 1918.

*Board of Estimate and Apportionment:*

Gentlemen—At the meeting of the Board of Estimate and Apportionment held on February 1, 1918 (Calendar No. 33), the petition of J. Buys on behalf of certain property owners, requesting the Board to reconsider the action of December 7, 1917 (Calendar No. 20), denying the petition of Elizabeth Buys and other property owners for an amendment of Use District Map, Section No. 22, so as to change from a residence to a business district the property on both sides of Ditmas avenue from within 100 feet of Gravesend avenue to the easterly side of West street, Borough of Brooklyn, was referred to the Committee on City Plan and Public Improvements.

The action of the Board on December 7, 1917, denying this petition was taken upon the recommendation of the Committee on the City Plan of the former Board. The report of this Committee stated that while there appeared to be no opposition to the change at the hearing held by the President of the Borough of Brooklyn, it was believed to be undesirable to extend the business district into what is at present and will probably continue to be a residence district, especially in view of the fact that the zone plan for this section makes adequate provision for business development within convenient distance from the residence districts.

Your Committee has already stated that it believes that such changes should not be favored until it shall have been shown that there has been a change in the conditions which would make a modification of the district desirable in the interest not only of the owners of the property immediately affected but in the interest of other property in the vicinity.

Your Committee therefore recommends that the petition for reconsideration of the action taken on December 7, 1917, be denied. Respectfully submitted,

FRANK L. DOWLING, President, Borough of Manhattan, Chairman; CHARLES L. CRAIG, Comptroller; EDWARD RIEGELMANN, President, Borough of Brooklyn; HENRY BRUCKNER, President, Borough of The Bronx; MAURICE E. CONNOLLY, President, Borough of Queens; CALVIN D. VAN NAME, President, Borough of Richmond; Committee on City Plan and Public Improvements.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, in accordance with the recommendation in the report of the Committee on City Plan and Public Improvements, dated February 23, 1918, hereby *denies* the petition of J. Buys, on behalf of certain property owners, for a reconsideration of the action taken by the Board on December 7, 1917, denying the petition of Elizabeth Buys and other property owners for an amendment to Use District Map, Section No. 22, so as to change from a residence to a business district the property on both sides of Ditmas avenue from within 100 feet of Gravesend avenue to the easterly side of West street, Borough of Brooklyn.

Which was adopted by the following vote:  
Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

Committee on Finance and Budget.

**Department of Correction—Approval of Contracts (Cal. No. 11).**  
(On February 1, 1918 (Cal. No. 68), the request herein was referred to the Committee on Finance and Budget.)

The Secretary presented a communication dated January 26, 1918, from the Commissioner of Correction, transmitting for approval form of contract for shoe and brush supplies for Manufacturing Industry of the Department; and the following report of the Committee on Finance and Budget:

March 2, 1918.

Board of Estimate and Apportionment:

Gentlemen—On February 1, 1918 (Calendar No. 68), your Board referred to its Committee on Finance and Budget a communication from the Commissioner of Correction, dated January 26, 1918, requesting approval of form of proposed contracts for shoe and brush supplies for Manufacturing Industry of such Department.

At a meeting of this Committee on February 11, 1918, a representative of the Department of Correction appeared in support of such application, and after hearing him your Committee determined to recommend the approval thereof.

Respectfully submitted, CHARLES L. CRAIG, Chairman, Committee on Finance and Budget.

The Secretary was directed to notify the Department of Correction that no further action is necessary, for the reason that the request is not for approval of the form of contract, but for verification of the specifications, which verifications are made in the Secretary's office.

Committee on Salaries and Grades.

City Clerk—Authority to Fill Vacancy (Cal. No. 12).

(The request herein was referred direct by the Secretary of the Board to the Committee on Salaries and Grades.)

The Secretary presented a communication dated February 18, 1918, from the City Clerk, requesting permission to fill a vacancy of Clerk; and the following report of the Committee on Salaries and Grades recommending approval thereof:

February 28, 1918.

To the Board of Estimate and Apportionment:

Gentlemen—The Committee on Salaries and Grades recommends approval of a request made by the City Clerk for permission to fill a vacant position as follows:  
Vacancy.

| Direct Reference Code No. | Proposed Action.   |
|---------------------------|--|
| 97 3                      | Clerk, at \$1,800, to be filled by appointment (exempt), at \$1,800, of Frank D. Ryan. |

The Committee on Salaries and Grades recommends the adoption of the attached resolution granting the request. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:  
Resolved, That the Board of Estimate and Apportionment hereby approves the request of the City Clerk for permission to fill a vacancy as follows:

| Code. | Position and Manner of Filling.   |
|-------|---|
| 3     | Clerk, at \$1,800, by appointment (exempt), at \$1,800, of Frank D. Ryan. |

Which was adopted by the following vote:  
Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Board of Estimate and Apportionment—Modification of Schedule (Cal. No. 13).**  
(The request herein was referred direct by the Secretary of the Board to the Committee on Salaries and Grades.)

The Secretary presented a communication dated February 26, 1918, requesting modification of schedule; and the following report of the Committee on Salaries and Grades recommending approval thereof:

March 1, 1918.

To the Board of Estimate and Apportionment:

Gentlemen—The Committee on Salaries and Grades recommends approval of a request made by the Secretary of the Board of Estimate and Apportionment for modification of a salary schedule for 1918, as follows:

A request to fill a vacant position of Junior Chemist at \$1,020 was orally modified to provide for modification of salary schedule as follows:

| Code No.              | Proposed Action.   |
|-----------------------|--|
| Direct reference 4 20 | To eliminate a position of Engineering Chemist at \$1,620 and add a position of Junior Chemist at \$1,020, scheduling \$600 in Balance Unassigned, in order to pay Frank H. Biele for services in the Laboratory from January 1, 1918, to February 28, 1918. Mr. Biele was transferred to the Department of Health on March 1, 1918. |

The Committee on Salaries and Grades recommends the adoption of the attached resolution modifying the schedule.

Respectfully, ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn, Committee on Salaries and Grades.

The following resolution was offered:  
Resolved, That the Board of Estimate and Apportionment hereby approves of the schedule, as revised, for the Board of Estimate and Apportionment for the year 1918, to be effective as of January 1, 1918, as follows:

**Police and Other City Departments—Compensation of Harnessmaker and Establishment of Additional Grade of Position (Cal. No. 25).**  
(On February 15, 1918 (Cal. No. 40), the request herein was referred to the Committee on Salaries and Grades.)  
The Secretary presented a communication dated February 7, 1918, from the Police Commissioner requesting that the rate of compensation of Harnessmaker in the Police Department be increased from \$4.50 to \$5 per diem; and the following report of the Committee on Salaries and Grades relative thereto:  
February 28, 1918.

**To the Board of Estimate and Apportionment:**  
Gentlemen—The Police Commissioner on February 7, 1918, presented a request from the Harnessmaker employed in that department for increase in wages from \$4.50 to \$5 per diem. This was referred to the Committee on Salaries and Grades, Item 40, Calendar of February 15, 1918. The Harnessmakers employed in the Department of Street Cleaning have also requested increase of wages from \$4.50 to \$5 per diem. The Committee reports as follows:

"The 1918 budget provides for the employment of harnessmakers at \$4.50 per diem, as follows:  
"Police Department, 1 for 277½ days; Department of Parks, Manhattan, 1 for 277 days; Brooklyn, 1 for 270 days; Fire Department, 1 for 277½ days; Street Cleaning Department, 17 for 277½ days, and \$688.50 for temporary work, 153 days. There are 21 harnessmakers regularly employed by the City. The total increased annual cost involved amounts to \$2,985.25.  
"The prevailing rate for skilled all around harnessmakers has been \$5 per diem since January 1, 1918. This rate was fixed by agreement between firms and individuals employing first class harnessmakers and Local Union No. 95 of the United Leather Workers. Owing to the scarcity of harnessmakers who are skilled workmen, many private employers have been paying a higher rate than \$5 per diem to retain the services of experienced and competent men.  
"The following firms and individuals employing a large majority of the skilled harness makers in the Greater City are paying the \$5.00 rate:  
"Manhattan—F. R. Horn, 468-470 Hudson Street; Owen J. Dever, 65 Gouverneur Street; H. Kaufman & Son, 206 Division Street; J. Shairman, 65 Willett Street; Theodore Lutz, 613 Eleventh Avenue; J. Leonard, 446 West 13th Street; S. Zwanger, 78 Mangin Street; M. Miller, 524 First Avenue; Henry Solomon, 554 West Broadway; Frederick Dahlker, 548 West Broadway; W. Margolios, 1963 First Avenue; William Byne, 115 Manhattan Street; Michael Knoud, 506 Park Avenue; Mills and Mortimer, 15 Lexington Avenue.  
"Bronx—Herman Mayer, 1075 Tremont Avenue; M. R. Baxter Sons, 58 Westchester Avenue; H. J. Kohn, 146 Willis Avenue.  
"Brooklyn—J. G. Taylor, 934 Gates Avenue; G. H. Ward, 381 Flushing Avenue; Jacob Meyer, 523 Flushing Avenue; Nicholas Schaefer, 900 Broadway.  
"Hundreds of first-class harnessmakers have given up their trade and are now employed at upholstering automobiles, for which they receive a higher compensation than they received as harnessmakers. The result is that first-class workmen are in demand at \$5 and at higher rates. The harnessmakers employed by private firms at a rate less than \$5 per diem are not skilled workmen. They are chiefly employed on rough work and are simply repairers and stitchers. Many of them are leather workers who know little about harness making.  
"The harnessmakers employed by the City are all around skillful workmen and are competent to do the finest kind of work. They had to pass a rigid and practical Civil Service examination in all branches of the trade.  
"It is freely admitted in the harness-making trade that the City employs the highest type of harnessmakers.  
"It would appear that the harnessmakers employed by the City are entitled to receive the rate of \$5.00 per diem from January 1, 1918.  
"Authority to establish a new rate for harnessmakers is vested in the Board of Aldermen under section 56 of the Greater New York Charter."  
Recommendation—The Committee recommends that the rate for Harnessmakers

in City departments be fixed at \$5.00 per day, effective as of January 1, 1918, by adoption of the attached resolution. Respectfully,  
ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.  
The following resolution was offered:  
Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in City departments, in addition to those heretofore established, as follows:

| Title.             | Rate Per Diem. | Number of Incumbents. |
|--------------------|----------------|-----------------------|
| Harnessmaker ..... | \$5 00         | Unlimited             |

Which was adopted by the following vote:  
Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

The following resolution was offered:  
Resolved, That the Board of Estimate and Apportionment hereby requests the heads of City departments in which Harnessmakers are employed, to provide for the compensation of such employees at the rate of five dollars (\$5.00) per diem, by the transfer of funds or by application for an authorization of special revenue bonds in the necessary amount, said rate to be effective as of January 1, 1918.

Which was adopted by the following vote:  
Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Department of Public Charities; Department of Correction—Transfer of Appropriation and Modification of Schedules (Cal. No. 29).**

(On February 1, 1918 (Cal. No. 82-E-2), the request therein was referred to the Committee on Salaries and Grades.)

The Secretary presented a communication, dated January 23, 1918, from the Commissioner of Public Charities, requesting modification of schedules involving transfer of funds; and the following report of the Committee on Salaries and Grades recommending approval thereof:

March 1, 1918.

*To the Board of Estimate and Apportionment:*

Gentlemen—The Committee on Salaries and Grades recommends approval of the request made by the Commissioner of Public Charities for modification of personal service schedules as follows:

| Calendar of: | Item No. | Code No. | Proposed Action.   |
|--------------|----------|----------|--|
| February 1   | 82E2     | 1886     | To drop eight vacant positions of Social Investigator, at \$1,080 per annum, and three vacant positions of Senior Social Investigator, at \$1,380 per annum, with salaries totalling \$12,780, scheduling \$300 of this amount as balance unassigned and transferring to Code 2640TS (Department of Correction), \$12,480. |
|              | 2640TS   |          | To increase the allowance of Prison Keepers for use of the Department of Public Charities from 24 months at \$960 per annum, \$1,920, to 180 months at \$960 per annum, \$14,400.  |

This proposed transfer of funds is in violation of budget rules and requires 12 votes for approval.

The Committee on Salaries and Grades recommends the adoption of the attached resolution granting the requests, and waiving the provisions of First (a) of the terms and conditions of the Budget. Respectfully,

ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; EDWARD RIEGELMANN, President, Borough of Brooklyn; Committee on Salaries and Grades.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 237 of the Greater New York Charter, hereby approves of the transfer of funds as follows:

**Commissioner of Accounts—Retirement of Frank P. White, Examiner of Accounts (Cal. No. 37).**

(On February 15, 1918 (Cal. No. 66), the request herein was referred to the Comptroller.)

The Secretary presented a communication dated February 5, 1918, from the Commissioner of Accounts transmitting application of Frank P. White, Examiner of Accounts, for retirement; and the following report of the Comptroller recommending approval thereof:

March 4, 1918.

**To the Board of Estimate and Apportionment, The City of New York:**

Gentlemen—At a meeting of your Board held February 15, 1918 (Cal. No. 66), there was submitted a communication from the Commissioner of Accounts dated February 5, 1918, recommending the retirement of Frank P. White, an Examiner of Accounts in the office of the Commissioner of Accounts.

The Commissioner's communication was as follows:

"I transmit herewith, with my approval, application of Mr. Frank P. White, 2519 Creston Avenue, The Bronx, an Examiner of Accounts in this office, for retirement on half pay, pursuant to the provisions of chapter 669, Laws of 1911, as amended.

"According to the records on file in this office Mr. White's original appointment and changes of compensation were as follows:

"February 13, 1890, appointed Title 'Examiner,' salary \$166.66 monthly.

"May 1, 1902, salary fixed at \$3,000 per annum.

"May 28, 1902, title changed to 'Chief Examiner of Accounts,' salary, \$3,000 per annum.

"August 1, 1913, title changed to 'Examiner,' salary \$3,000 per annum.

"November 1, 1913, title changed to 'Examiner of Accounts,' salary \$3,000 per annum.

"Mr. White is 76 years of age, a veteran of the Civil War, and has been in the employ of this office for 28 years.

"A certificate presented by Mr. White from the office of the Adjutant General of Pennsylvania, dated 1907, certifies that Mr. White was a member of Commonwealth Artillery Regiment, Pennsylvania Volunteers, and was mustered out August 5, 1861."

On February 28, 1918, Mr. White was examined by the Board of Medical Examiners. The report of the said Board is attached hereto and states in conclusion:

"In our opinion applicant is permanently unfit for duty and we therefore suggest that you recommend his retirement."

Mr. White is a veteran of the Civil War. A certified copy of the records of the Adjutant General's office, Harrisburg, Pa., in relation to Frank P. White, shows that he was enrolled as a Sergeant in the Commonwealth Artillery, Pennsylvania Volunteers on April 24, 1861, was mustered into the service of the United States as such for the period of three months, and was mustered out with his company on August 5, 1861.

A copy of said certificate is attached hereto.

Mr. White's original appointment and subsequent changes in title and rate of compensation are as follows:

February 13, 1890, appointed Temporary Examiner, Commissioner of Accounts, at \$1,200 per annum.

October 1, 1890, compensation changed to \$1,500 per annum.

January 1, 1892, title changed to Examiner at \$1,800 per annum.

June 1, 1895, compensation changed to \$2,000 per annum.

January 1, 1898, compensation changed to \$2,500 per annum.

March 20, 1898, compensation changed to \$2,600 per annum.

May 1, 1902, title changed to Chief Examiner of Accounts at \$3,000 per annum.

August 1, 1913, title changed to Examiner.

November 1, 1913, title changed to Examiner of Accounts.

The total service established by an examination of the payrolls and time records is as follows:

|  | Yrs. | Mos. |
|--|------|------|
| February 13 to December 31, 1890.....      | ..   | 10½  |
| January 1, 1891, to December 31, 1917..... | 27   | ..   |
| January 1 to February 28, 1918.....        | ..   | 2    |
|  | 27   | 12½  |

—aggregating a total service of more than 28 years.

In an affidavit dated March 1, 1918, Mr. White stated that he had never filed a claim or brought suit against The City of New York for the payment of salary or wages or for any other claim.

A search of the records in the Law Department shows that no actions were brought against the City of New York by Frank P. White.

An examination of the Register of Claims in the Bureau of Law and Adjustment of the Department of Finance shows that he has filed no claim against the City.

For the period from March 1, 1915, to February 28, 1918, Mr. White's compensation, as provided for in the budget and the compensation which he actually received, was at the rate of \$3,000 per annum.

I recommend the adoption of the accompanying resolution retiring Frank P. White from active service and awarding and granting him an annuity of \$1,050, being less than 50 per centum of his average annual rate of compensation for the past three years. Respectfully submitted,

CHARLES L. CRAIG, Comptroller.

The following was offered:

Whereas, Frank P. White, employed as an Examiner of Accounts in the office of the Commissioner of Accounts, is an honorably discharged soldier, who served as such in the Union Army during the War of the Rebellion, has been in the employ of the City of New York or of one of the municipalities, counties or parts thereof which have been incorporated into The City of New York, for a period of twenty years and upward, and is physically incapacitated for the further performance of the duties of his position, therefore be it

Resolved, That the interest of the public service requires his retirement, and that the Board of Estimate and Apportionment, pursuant to the provisions of sections 165, 166 and 167 of the Greater New York Charter, as amended by chapter 669 of the Laws of 1911 and chapter 479 of the Laws of 1912, hereby does retire from active service Frank P. White, employed as an Examiner of Accounts in the office of the Commissioner of Accounts, and hereby awards and grants to said Frank P. White an annual sum or annuity of ten hundred and fifty dollars (\$1,050), being less than fifty per centum of his average annual rate of compensation for the three years immediately preceding the taking effect of this resolution; this resolution to take effect upon the first day of the month following its adoption, subject to the execution by the annuitant of a general release; and be it further

Resolved, That the Comptroller of The City of New York be and he is hereby directed to pay said annuity to said Frank P. White during his lifetime in equal monthly installments out of the receipts of excise moneys or liquor taxes belonging to The City of New York.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Commissioner of Accounts—Transfer of Appropriation (Cal. No. 38).**

(On February 15, 1918 (Cal. No. 65), the request herein was referred to the Comptroller.)

The Secretary presented a communication dated February 5, 1918, from the Commissioner of Accounts requesting transfer of funds within appropriation for 1917; and the following report of the Comptroller recommending approval thereof:

February 25, 1918.

*To the Board of Estimate and Apportionment, The City of New York:*

Gentlemen—The Commissioner of Accounts, in a communication to your Board dated February 5, 1918, requested transfer of \$91.16 from 1917 Account No. 221, Contingencies, to Account No. 219, Telephone Service (Calendar No. 65, February 15, 1918).

The necessity for the transfer lies in the fact that the December unpaid telephone bills amount to \$141.58, while the balance in the telephone appropriation is but \$50.42, leaving liabilities in excess of available funds of \$91.16. The 1917 telephone appropriation, as contained in the tax budget, was \$858, this allowance being the full amount requested in the departmental estimate. Three telephone contracts were entered into for 1917, one calling for 12,000 calls, one for 1,800 calls and one for 6,000 calls. It was found, however, toward the latter part of the year that each of these contracts called for an inadequate number of local calls, especially the main office 'phone, 4315 Worth, the contract for which was for 12,000 calls. These calls were exhausted in October and among other items now unpaid are charges for extra calls, numbering 1,364 for November and 1,702 for December, for which a charge of 2½c. each is made, totaling \$76.65. Interborough calls and other toll charges for December amount to \$6.60 for one 'phone and \$10.34 for another. It is stated that some of the investigations conducted in 1917 caused an unusual use of the telephone, notably in the Cruger police case and the milk investigation.

The amount requested to be transferred is from a 1917 appropriation made to the Commissioner of Accounts which has a sufficient unencumbered balance to permit of the transfer. The adoption of the attached resolution will provide the funds necessary to meet the bills referred to. Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to section 237 of the Greater New York Charter, hereby approves the transfer of funds within appropriations made to the Commissioner of Accounts for 1917, as follows:

| FROM                        |         |
|-----------------------------|---------|
| 221 Contingencies .....     | \$91 16 |
| TO                          |         |
| 219 Telephone Service ..... | \$91 16 |

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Alder-

men and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Department of Finance—Issue of Special Revenue Bonds (Cal. No. 39).**

The Secretary presented a report of the Comptroller recommending an issue of \$30,000 special revenue bonds for the purpose of providing additional funds for the continuance of the audit of the Collector of Assessments and Arrears of the Department of Finance, and stating that the necessity for this appropriation is set forth in the several documents forming part of the report.

(On February 21, 1918 (Cal. No. 49), the resolution of the Board of Aldermen, in this matter, was referred to the Comptroller.)

The matter was laid over one week (March 15, 1918), under Rule 19.

**Department of Finance; General Fund for Reduction of Taxation—Transfer of Funds (Cal. No. 40).**

The Secretary presented the following report of the Comptroller:

February 28, 1918.

*The Board of Estimate and Apportionment, The City of New York:*

Gentlemen—On the fund ledger of this department in account S-113, Unclaimed Bank Balance, City Paymaster, there is a credit balance of \$1,058.23.

This balance, shown in detail in the attached statement, represents the sum of the checks issued to various persons for salaries, witness fees and Jurors' fees for services rendered prior to January, 1912.

As all of these checks have been outstanding for more than six years and thirty days, payment of them is barred by the statute of limitation. It is proposed that this balance shall be transferred to the General Fund of the City for the reduction of taxation. The adoption of the accompanying resolution effecting this transfer is therefore recommended. Very truly yours,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to section 216 of the Greater New York Charter, hereby approves of the following transfer:

| FROM  |            |
|---|------------|
| S-113 Unclaimed Bank Balance, City Paymaster.....   | \$1,058 23 |
| TO  |            |

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**President, Borough of Manhattan—Transfer of Appropriation (Cal. No. 41).**

(On February 15, 1918 (Cal. No. 24), the request herein was referred to the Comptroller.)

The Secretary presented a communication dated February 6, 1918, from the President, Borough of Manhattan, requesting transfer of funds within appropriation for 1917; and the following report of the Comptroller recommending approval thereof:

February 25, 1918.

*To the Board of Estimate and Apportionment:*

Gentlemen—On February 15, 1918 (Cal. No. 24), your Board referred to the Comptroller a communication dated February 6, 1918, from the President, Borough of Manhattan, requesting a transfer of \$3,300 from the appropriation accounts, Contract or Open Order Service, Transportation, to Purchase of Motor Vehicles and Equipment, to provide additional funds for the adjustment of charges to the equipment appropriation of last year.

An examination disclosed that the Borough President had issued open market orders during 1917 for the purchase of 1 tractor, 1 auto chassis and 1 trailer, and had charged such orders against "S-100, Restoring and Repaving Special Fund, Borough of Manhattan." Subsequent to the issuance of these orders and the receipt of the motor equipment, the Borough President decided that these items were not a proper charge against the restoring and repaving fund, but should be charged to appropriation accounts. No funds being available in the appropriation accounts, the request for the transfer includes approximately \$2,300 for the payment of the above mentioned items. When the orders were issued it was the intention to use this equipment exclusively on restoring and repaving work only. Subsequently, however, it developed that the equipment would be used in part for other kinds of work.

The request also includes a transfer of \$700 to provide for the payment for auto parts for which orders were not issued during 1917, the items having been obtained for emergency purposes, and for the payment of which there are no funds available.

The balance of the request is for the transfer of \$300 to provide for the payment of auto parts, the cost of which was underestimated at the time the order was issued. There are sufficient funds in the accounts from which the transfers are requested and the attached resolution will give effect to the transfer requested.

Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to section 237 of the Greater New York Charter, hereby approves the transfer of funds within appropriations made to the President, Borough of Manhattan, for the year 1917, as follows:

| FROM  |            |
|---|------------|
| Contract or Open Order Service, Transportation, Hire of Horses and Vehicles with Drivers, Care of Highways..... |            |

**Tax and Appropriation Surplus and Deficiency Account; President, Borough of Manhattan; Department of Health—Transfer of Appropriation (Cal. No. 42).**

The Secretary presented the following report of the Comptroller:

March 5, 1918.

*The Board of Estimate and Apportionment, The City of New York:*

Gentlemen—On December 21, 1917, there was transferred by your Board to the account entitled "Tax and Appropriation Surplus and Deficiency Account" the sum of \$468.47, as follows:

PRESIDENT, BOROUGH OF MANHATTAN.

Contract or Open Order Service, General Repairs.

|                                |          |
|--------------------------------|----------|
| 424H—1916 Care of Sewers ..... | \$277 61 |
|--------------------------------|----------|

DEPARTMENT OF HEALTH.

Contract or Open Order Service.

|                                       |        |
|---------------------------------------|--------|
| 1879—1916 General Plant Service ..... | 190 86 |
|---------------------------------------|--------|

These balances were assumed to be unencumbered, but vouchers there-against aggregating \$966.05 have since been submitted for payment.

The President, Borough of Manhattan, submits voucher No. 68 in the sum of \$887.45, properly chargeable to account No. 424H—1916.

The order on which this voucher is based was set up as an encumbrance to the account in the sum of \$856. The deficit of \$31.45 is caused by the excess of the voucher over the estimated cost of the order.

The Department of Health submits voucher No. 14 for \$78.60, properly chargeable to account 1879—1916. As nothing was retained to cover this voucher at the time of the general transfer in 1917, full provision must now be made for it.

Inasmuch as the amounts transferred from the foregoing accounts to the "Tax and Appropriation Surplus and Deficiency Account" were greater than they should have been, a resolution is submitted herewith providing for retransfers from the latter account to liquidate the charges above referred. Very truly yours,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the pro-

visions of section 237 of the Greater New York Charter, hereby approves the transfer of funds appropriated for the year 1916, as follows:

| FROM   |          |

**College of the City of New York—Transfer of Appropriation (Cal. No. 43).**

(On February 21, 1918 (Cal. No. 61), the request herein was referred to the Comptroller.)

The Secretary presented a communication dated February 14, 1917, from the Curator, College of The City of New York, requesting transfer of funds within appropriation for 1917; and the following report of the Comptroller recommending approval thereof:

February 27, 1918.

**Board of Estimate and Apportionment, New York City:**

Gentlemen—At the meeting of your board on February 21, 1918, a request from the College of the City of New York (Calendar No. 61), for a transfer of funds within its 1917 appropriations was referred to the Comptroller.

The transfer requested is from personal to impersonal service and to budgetary classes in which estimates made a year in advance are likely to prove somewhat inaccurate. As the 1918 appropriations, under all but one of the heads concerned, show an increase, and as the account from which the transfer is sought to be made contains a sufficient unencumbered balance, the adoption of the attached resolution is recommended. Respectfully submitted, CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to section 237 of the Charter, hereby approves of the transfer of funds appropriated to the College of the City of New York for the year 1917, as follows:

| FROM  |          |
|---|----------|
| 1025 Salaries, Regular Employees, Instruction .....       | \$400 00 |
| TO  |          |
| 1032 Supplies, Office Supplies .....                      | \$100 00 |
| 1040 Equipment, General Plant Equipment .....             | 115 00   |
| 1044 Contract or Open Order Service, Transportation ..... | 60 00    |

|   | \$400 00 |

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Department of Parks, Boroughs of Manhattan and Richmond—Transfer of Appropriation (Cal. No. 44).**

(On February 15, 1918 (Cal. No. 37), the request herein was referred to the Comptroller.)

The Secretary presented a communication dated February 6, 1918, from the Commissioner of Parks, Boroughs of Manhattan and Richmond, requesting transfer of funds within appropriation for 1917; and the following report of the Comptroller relative thereto:

February 25, 1918.

**To the Board of Estimate and Apportionment, The City of New York:**

Gentlemen—In a communication to your Board dated February 6, 1918 (Calendar No. 37—February 15, 1918), the Commissioner of Parks, Boroughs of Manhattan and Richmond, requested the transfer of \$293 within the appropriations to his department for 1917.

The transfers proposed are:

| FROM   |         |
|--|---------|
| 1132 Office Supplies .....                             | \$17 56 |
| 1133 Medical and Surgical Supplies .....               | 46      |
| 1135 Laundry, Cleaning and Disinfecting Supplies ..... | 14 66   |
| 1136 Educational and Recreational Supplies .....       | 5 74    |
| 1141 Motorless Vehicles and Equipment .....            | 4 50    |
| 1143 Educational and Recreational Equipment .....      | 20 84   |
| 1145 Highway Materials .....                           | 229 24  |
| TO   |         |
| 1153 Carfare .....                                     | 6 00    |
| 1154 Telephone Service .....                           | 280 00  |
| 1158 Contingencies .....                               | 7 00    |

Following is a statement showing the amount required to meet the deficit in each account and the charges for which provision is necessary:

Code No. 1153, Carfare.

The sum of \$1.13 to supplement a balance of \$5.92 for the payment of employees' bills for carfare expenses amounting to \$7.05.

Code No. 1154, Telephone Service.

The sum of \$203.70 to supplement a balance of \$76.82 to meet outstanding bills for telephone service rendered during the latter part of 1917.

Code No. 1158, Contingencies.

The sum of \$5.87 to supplement a balance of \$20.38 for the payment of employees' bills, amounting to \$26.25, for supper expenses due to overtime work during the month of December, 1917.

The available balances in the accounts from which the transfers are requested are sufficient to permit of the transfers.

In view of the foregoing the adoption of the attached resolution, providing for the necessary transfers, is recommended. Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

**Department of Parks, Borough of Brooklyn—Transfer of Appropriation (Cal. No. 45).**

(On February 21, 1918 (Cal. No. 62), the request herein was referred to the Comptroller.)

The Secretary presented a communication dated February 15, 1918, from the Commissioner of Parks, Borough of Brooklyn, requesting transfer of funds within appropriation for 1917; and the following report of the Comptroller relative thereto:

March 1, 1918.

**To the Board of Estimate and Apportionment, The City of New York:**

Gentlemen—In a communication to your Board, dated February 15, 1918 (Cal. No. 62, February 21, 1918), the Commissioner of Parks, Borough of Brooklyn, requested the transfer of \$164.23 within the appropriations made to the Brooklyn Botanic Garden and Arboretum for 1917.

The request proposes the following transfers:

| FROM                             |          |
|----------------------------------|----------|
| 1363 Materials .....             | \$44 11  |
| 1366 Transportation .....        | 43 37    |
| 1368 Telephone Service .....     | 60 51    |
| 1369 General Plant Service ..... | 16 24    |
| TO                               |          |
| 1361 Supplies .....              | \$107 17 |
| 1362 Equipment .....             | 10 63    |
| 1365 Light, Heat and Power ..... | 46 43    |

A detailed examination of the various accounts involved shows that funds are necessary to liquidate several outstanding liabilities and that the available balances in the accounts from which the transfers are requested are sufficient to permit of the transfers.

Following is a statement showing the amount required to meet the deficit in each account and the charges for which provision is necessary:

Code 1361, Supplies.

The sum of \$100.03 to supplement a balance of \$17.21 to meet outstanding bills amounting to \$117.24 for supplies furnished during 1917.

Code 1362, Equipment.

The sum of \$10.63 to supplement a balance of \$7.37 for the payment of bills amounting to \$18 for minor equipment purchased during 1917.

Code 1365, Light, Heat and Power.

The sum of \$46.95 to supplement a balance of \$4.28 to meet 1917 bills amounting to \$51.23 for electricity, gas, and boiler inspection.

In view of the foregoing, the adoption of the attached resolution, providing for the necessary transfers, is recommended. Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

**Fund for Salary and Wage Accruals; Department of Parks, Borough of Queens—Transfer of Appropriation (Cal. No. 46).**

(On February 15, 1918 (Cal. No. 38), the request herein was referred to the Comptroller.)

The Secretary presented a communication dated January 31, 1918, from the Commissioner of Parks, Borough of Queens, requesting transfer from Fund for Salary and Wage Accruals for 1917; and the following report of the Comptroller relative thereto:

February 25, 1918.

**To the Board of Estimate and Apportionment, The City of New York:**

Gentlemen—In a communication to your Board dated January 31, 1918 (Calendar No. 38—February 15, 1918), the Commissioner of Parks, Borough of Queens, requested that the sum of \$792.51 be transferred from the fund for salary and wage accruals to the following 1917 appropriation accounts of his department:

|  |        |
|--|--------|
| 1398 Repairs and Replacements .....      | \$1 73 |
| 1403 Carfare .....                       | 94 50  |
| 1404 Telephone Service .....             | 133 32 |
| 1406 General Plant Service—General ..... | 24 99  |
| 1408 Water .....                         | 537 97 |

A detailed examination of the various accounts involved shows several outstanding liabilities for which funds will have to be provided.

Following is a statement showing the amount required to meet the deficit in each account and the charges for which provision is necessary:

Code No. 1398, Repairs and Replacements.

The sum of \$1.73 to supplement an available balance of \$0.75 for the payment of a bill amounting to \$2.48 for the cost of repairing one lamp-post in Forest Park.

Code No. 1403, Carfare.

The sum of \$94.50 to supplement a balance of \$3.80 for the payment of employees' bills amounting to \$98.30 for carfare during the latter part of 1917.

Code No. 1404, Telephone Service.

The sum of \$133.32 to supplement a balance of \$55.77 to meet outstanding bills for telephone service rendered during the latter part of 1917.

Code No. 1406, General Plant Service—General.

The sum of \$24.99 to provide for the payment of a bill for repairs to auto-trucks during December, 1917.

Code No. 1408, Water.

The sum of \$537.97 is requested to supplement a balance of \$137.94 to provide for the payment of 1917 bills for water supplied to various parks in the Borough of Queens. The outstanding bills for water amount to \$692.58, and \$554.64 will, therefore, be required in addition to the balance now in the account.

The balance in the 1917 accrual account, 3039—City Fund for Salary and Wage Accruals, is sufficient to permit of the transfer requested from that account.

In view of the foregoing the adoption of the attached resolution providing for the necessary transfers, is recommended. Respectfully,

CHARLES L. CRAIG, Comptroller.

**Police Department—Transfer of Appropriation (Cal. No. 47).**

(On February 21, 1918 (Cal. No. 63), the request herein was referred to the Comptroller.)

The Secretary presented a communication, dated February 14, 1917, from the Police Commissioner, requesting transfer of funds within appropriation for 1916; and the following report of the Comptroller recommending approval thereof:

March 2, 1918.

*To the Board of Estimate and Apportionment:*

Gentlemen—The Police Commissioner, in a communication dated February 14, 1918 (Calendar No. 63, February 21, 1918), applied for the transfer of \$71.27 between 1916 appropriations as follows: From "Code 1617, Office Equipment" to "Code 1611, Fuel." This transfer is necessary to provide funds for the payment of two invoices for coal delivered to the Police Department during 1916.

The reason for the delay in the payment of the bills and the facts relating to the necessity of the transfer are as follows: On February 24, 1916, and March 11, 1916, Wm. Farrell and Sons delivered to the station house in the fourth precinct 11,200 pounds (receipt No. 8929) and 6,720 pounds (receipt No. 5323), respectively, of egg coal at \$6.19 per gross ton, at a cost for the two deliveries of \$49.52. Bills for these deliveries were in due course received. In the meantime, however, it had been learned that in a previous contract order (No. 42 of 1916) to this firm there had been an error resulting in an overpayment to them of \$10. It was thought best to correct the error by deducting \$10 from the claim above referred to. Considerable time naturally passed before the matter was satisfactorily explained to the interested parties and this method of adjustment adopted.

On February 15, 1916, M. L. Bird & Co. made a delivery of 11,200 pounds of egg coal to the 31st precinct for a coal contractor named Harris. This coal, at \$6.36 per gross ton, cost \$31.75. The purchasing agent of the Police Department states this coal was intended to be delivered to the Fire Department at engine house No. 39 on East 67th Street, which building adjoins the police station. By error the coal was dumped in the chute of the Police Department and Fire Department receipt No. 64 was signed by Police Lieutenant Henry Gardner, in charge of the station house. While the coal was ordered by the Fire Department, it was received and used by the Police Department. The result was a misunderstanding and conflict in the records and considerable time elapsed before the matter was straightened out.

It is proper for the Police Department to make payment for these coal deliveries. Inasmuch as there are no funds available for that purpose in the proper appropriation it is desired to obtain the required amount by transfer from the equipment appropriation, in which account there is an unencumbered balance in the required amount. The adoption of the attached resolution will provide the funds necessary to liquidate the obligations referred to. Respectfully,  
CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to section 237 of the Greater New York Charter, hereby approves the transfer of funds within the appropriations made to the Police Department for 1916, as follows:

|                             |         |

**Department of Water Supply, Gas and Electricity—Transfers of Appropriations (Cal. No. 48).**

(On February 15, 1918 (Cal. No. 50), the request herein was referred to the Comptroller.)

The Secretary presented a communication, dated February 6, 1918, from the Commissioner of Water Supply, Gas and Electricity, requesting transfers of funds within appropriation for 1917; and the following report of the Comptroller relative thereto:

February 25, 1918.

*To the Board of Estimate and Apportionment:*

Gentlemen—On February 15, 1918 (Cal. No. 50), your Board referred to the Comptroller a communication from the Commissioner of the Department of Water Supply, Gas and Electricity requesting that transfers of funds be made between various appropriation accounts of 1917 so that the department could pay certain invoices for 1917.

An examination disclosed a number of unpaid invoices chargeable against each of the tax levy appropriation and water revenue allowance accounts to which the transfers are requested. Deficits in these accounts were in most cases caused by underestimating the cost of open market orders. As there are sufficient funds in the accounts from which the transfers are requested, it is recommended that the transfers be approved, notwithstanding the fact that the terms and conditions attached to the 1917 budget prohibit transfers of funds between Wages Temporary Employees and other than Personal Service accounts, as, the year being past, the purpose of these terms and conditions has been served.

The adoption of the attached resolutions will give effect to the transfers requested. Respectfully,  
CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

**City Magistrates' Courts—Issue of Special Revenue Bonds and Modification of Schedule (Cal. No. 49).**

The Secretary presented a report of the Comptroller recommending an issue of \$1,166.66 special revenue bonds, pursuant to section 114 of the Inferior Criminal Courts Act, and modification of salary schedule accordingly, to provide for the payment of salaries of two temporary City Magistrates for a period of thirty days, beginning January 31, 1918.

(On February 21, 1918 (Cal. No. 73), the request of the Chief City Magistrate for the above appropriation was referred to the Comptroller.)

The matter was laid over one week (March 15, 1918), under rule 19.

**County Clerk, New York County—Transfer of Appropriation (Cal. No. 50).**

(On February 21, 1918 (Cal. No. 75), the request herein was referred to the Comptroller.)

The Secretary presented a communication, dated February 14, 1918, from the County Clerk, New York County, requesting transfer of funds within appropriation for 1917; and the following report of the Comptroller recommending approval thereof:

February 27, 1918.

*To the Board of Estimate and Apportionment:*

Gentlemen—In a communication to your Board, dated February 14, 1918 (No. 75, Calendar of February 21, 1918, referred to the Comptroller), the County Clerk of New York County requested the transfer of funds within the appropriations made to that office for 1917, as follows:

| 3071 Telephone Service ..... | \$90 49 |
|------------------------------|---------|

The 1917 appropriation for Code 3071, Telephone Service, was \$360, and it is estimated that claims for Telephone Service will amount to \$450.49, leaving a deficit of \$90.49 to be provided for.

There are sufficient funds in the accounts from which the transfer is requested, and the adoption of the attached resolution approving the transfer is recommended.

Respectfully,

CHARLES L. CRAIG, Comptroller.

**County Clerk, Queens County—Transfer of Appropriation (Cal. No. 51).**

(On February 15, 1918 (Cal. No. 60), the request herein was referred to the Comptroller.)

The Secretary presented a communication dated February 5, 1918, from the County Clerk, Queens County, requesting transfer of funds within appropriation for 1917; and the following report of the Comptroller relative thereto:

February 25, 1918.

*To the Board of Estimate and Apportionment, City of New York:*

Gentlemen—In a communication to your Board dated February 5, 1918, No. 60 Calendar of February 15, 1918, referred to the Comptroller, the County Clerk of Queens County requested transfer of \$40.83 within his appropriation for the year 1917 in order that he might liquidate certain outstanding liabilities.

The outstanding liabilities against Code No. 3527-1917, Office Supplies, amount to \$27.50, comprising a bill for \$2.50 for supplies obtained from the Burroughs Adding Machine Company during December, and a bill for \$25 for water supplied by the Great Bear Spring Water Company during November and December, 1917. The unexpended balance in this account is \$9.80. The deficiency therefore is \$17.70.

There is an outstanding liability against Code 3533-1917, Telephone Service, amounting to \$51.02 for telephone service during December, 1917. The unexpended balance in this account is \$40.02. The amount of the deficiency is \$10.95.

There is an outstanding liability against Code 3534—1917, Contingencies, amounting to \$12, for clock regulation service supplied by the Western Union Telegraph Company, during the six months ending December 3, 1917. The unexpended balance in this account is \$7.62, and the amount of the deficiency is \$4.38.

There is a sufficient balance in Code 3528-1917, General Plant Supplies, to effect the transfers requested.

The adoption of the attached resolution is therefore recommended.

Respectfully,

CHARLES L. CRAIG, Comptroller.

#### Norcross Brothers Company—Claim of (Cal. No. 52).

The Secretary presented the following certificate of the Comptroller:

March 2nd, 1918.

To the Honorable Board of Estimate and Apportionment:

I, Charles L. Craig, Comptroller of The City of New York, do hereby certify, pursuant to section 246 of the Greater New York Charter, that The Norcross Bros. Company has filed a claim in the Finance Department (No. 85,188) for \$1,812.84 for alleged additional work and materials furnished to the City between November, 1915, and February, 1916, in connection with contract No. 24,125, dated November 5, 1908, with the Department of Parks, Manhattan, for the approach work exterior to the building of the New York Public Library, 5th Avenue, 40th and 42nd Streets, which I find is an invalid claim, not legally enforceable against the City, but which, notwithstanding, in my judgment, it is equitable and proper for the City to pay in the said sum of \$1,812.84; and

I do further certify that, in my opinion, the City has received a benefit and is justly and equitably obligated to pay said claim in the amount of \$1,812.84, and that the interests of the City will be subserved best by the payment thereof; and

I do further certify that I have investigated the facts upon which said claim is based and I find that on or about November 5, 1908, a contract was duly entered into by the Department of Parks, Manhattan, with The Norcross Bros. Company "for work and materials for the execution of the approach work exterior to the building of the New York Public Library, Astor, Lenox and Tilden Foundations," 5th Avenue, 40th and 42nd Streets, for the lump sum of \$523,000; the said contract contains a provision to the effect that no claim for additional work and materials shall be made unless first authorized and ordered in writing by the Commissioner, the aggregate price of which shall not exceed 5 per cent. of the contract amount of \$523,000; that the total amount of additional work so ordered and paid for is \$17,788.69, leaving \$8,361.31 unexpended within the 5 per cent. limit; that after the said contract was entered into the Board of Estimate and Apportionment, by resolution of June 5, 1913, reduced the authorized issuance of corporate stock by the sum of \$92,233.30, from \$925,000 to \$832,766.70; that at the time of performance of the additional work embraced by this claim there was only \$19.97 available of the contract fund. That the general contractor for the building proper completed his work according to design, leaving places for six statues to be set on the cornice of the attic over the main front entrance; at this time the statues had not been made; the Norcross contract merely required these statues, when finished, to be put in position at the places provided for them; when the statues had been carved they were much larger than had been expected, some of them over 12 feet high; it was found the statues could not be set in the places provided for them without leaving unsatisfactory structural conditions, exposing the statues to action of the elements, loosening the fastenings and making the main entrance unsafe; it therefore became necessary to alter the pilasters of the attic of the building, cut recesses or chases therein, properly trim the statues and set them in these recesses, which was not covered by the contract No. 24,125. Claimant objected to doing this additional work without extra compensation, but upon a promise to secure funds to pay for same they furnished the necessary labor and material under oral direction and without the requisite written order prescribed by their contract; and thereafter the Commissioner, in writing, certified to the necessity of the work, the performance thereof by claimant and the reasonableness of the charge made for same, and by petition requested the Board of Estimate and Apportionment to amend its resolution of June 5, 1913, so as to supply the needed funds, but the Board of Estimate and Apportionment has not finally acted thereon; and

I do further certify that the actual cost of such additional work and materials, without overhead charge or profit of any kind added, is the sum of \$1,812.84, which is the reasonable value thereof and the benefit to the City equals that amount; that this claim has not been included in any contract payment and has not been included in any other claim and has not been paid or otherwise disposed of; that an action on the claim is not barred by the Statute of Limitations, and no action has been commenced thereon; that the City should not seek to enrich itself at the expense of claimant and should pay The Norcross Bros. Company \$1,812.84, without interest, in full satisfaction of said claim, upon delivery of a properly executed release in favor of the City to extinguish only said claim, inasmuch as claimant will be entitled to further payment under its contract (No. 24,125) for performance of work prescribed thereby. Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 246 of the Greater New York Charter, being chapter 601 of the Laws of 1907, as amended, hereby determines that The City of New York has received a benefit from the Norcross Brothers Company and is justly and equitably obligated to pay said concern the sum of one thousand eight hundred and twelve dollars and eight-four cents (\$1,812.84), without interest, for furnishing and delivering between November, 1915, and February, 1916, additional labor and material in connection with their contract No. 24,125, dated November 5, 1908, for the execution of the approach work exterior to the building of the New York Public Library, 5th Avenue, 40th and 42d Streets, Manhattan, without a written order therefor, as prescribed by said contract, and which work and material were not embraced by their said contract but necessary in altering the pilasters of the attic of said building and cutting recesses or chases therein for setting six statues over the front entrance; that the actual cost of such additional work and material, without overhead charge or profit of any kind added, is the sum of one thousand eight hundred and twelve dollars and eighty-four cents (\$1,812.84), and has not been paid for by the City; that the said sum of one thousand eight hundred and twelve dollars and eighty-four cents (\$1,812.84) should be paid, and the interests of the City will be subserved best by payment thereof to the Norcross Brothers Company in full satisfaction of their claim filed in the Finance Department (No. 85188) upon the due execution and delivery of a release to the City to extinguish only said claim, and in such form as may be approved by the Corporation Counsel, and that the Comptroller be and he is hereby authorized and directed to pay said claim in the sum of one thousand eight hundred and twelve dollars and eighty-four cents (\$1,812.84), out of the fund entitled "Moneys available for permanent improvements for which corporate stock may lawfully be issued, C. F. No. 24," and that for such purpose said sum be transferred to the account entitled "New York Public Library Fund C. L. P. 8."

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

#### Joseph E. Brady—Claim of (Cal. No. 53).

The Secretary presented the following certificate of the Comptroller:

March 2, 1918.

To the Honorable Board of Estimate and Apportionment:

Gentlemen—Under and pursuant to the provisions of section 246 of the Greater New York Charter, as amended, I hereby certify that a claim has been presented against The City of New York by Joseph E. Brady for payment of money alleged to be due for services rendered as a Patrolman in the Police Department for the period from October 1, 1912, to June 11, 1913, at the rate of \$1,400 per annum; that claimant, while a Patrolman in the Police Department, was dismissed therefrom after charges were preferred against him; that he was subsequently reinstated, and he continued on duty as a Patrolman until June 11, 1913; that in October, 1912, a taxpayers' action was instituted to restrain payment of salary to him on the ground that the reinstatement was illegal, which view was upheld by the court, a decision rendered to that effect and affirmed by the Appellate Division, Second Department; that the claim herein for unpaid salary is therefore deemed illegal, and, in accordance

with the Corporation Counsel's opinion, rendered to the Comptroller, claimant's restoration to duty was only in contravention of section 1543-A of the Greater New York Charter, but not within the inhibition of section 246 thereof; that in a subsequent opinion rendered by the Corporation Counsel the Comptroller is advised that the certification and payment of this claim are not barred by the restraining provisions of the judgment entered in the Supreme Court on July 22, 1913, in the taxpayers' action previously referred to; that, notwithstanding such illegality, it is, in my judgment, equitable and proper for the City to pay the money value of the benefit which it has derived by reason of the rendition of the services aforesaid, which value is deemed to be in the sum of \$938.77, computed to be the amount that would have actually been paid to claimant for the period previously stated; that said sum, less \$57.20, the amount of a judgment for costs taxed on January 25, 1915, in favor of The City of New York against said claimant as the result of the dismissal of a writ and the further deduction of \$100 as counsel fees for services of an assistant in the office of the Corporation Counsel, who appeared for the Police Commissioner in said proceedings, which deductions, in accordance with the Corporation Counsel's opinion to the Comptroller, are deemed proper, now reduced to \$781.57, should, without interest, be paid to Joseph E. Brady in full satisfaction of his claim out of an appropriate fund, on the execution of a full release in favor of The City of New York, in such form as shall be approved by the Corporation Counsel.

Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 246 of the Greater New York Charter, being chapter 601 of the Laws of 1907, as amended, hereby determines that The City of New York has received a benefit from and is justly and equitably obligated to pay to Joseph E. Brady, without interest, the sum of seven hundred and eighty-one dollars and fifty-seven cents (\$781.57), representing nine hundred and thirty-eight dollars and seventy-seven cents (\$938.77), as salary deemed to have been earned by said Joseph E. Brady for services rendered as Patrolman in the Police Department from October 1, 1912, to June 11, 1913, at the rate of fourteen hundred dollars (\$1,400) per annum, less deductions for the payment and satisfaction of a judgment amounting to fifty-seven dollars and twenty cents (\$57.20) entered in favor of The City of New York against said Brady and one hundred dollars (\$100) counsel fees for services of an Assistant Corporation Counsel who appeared in behalf of the Police Commissioner in proceedings instituted by said Brady, which deductions are proper in accordance with the Corporation Counsel's advice to the Comptroller; that the interests of the City will be best subserved by the adjustment of this claim through payment of such sum, viz.: seven hundred and eighty-one dollars and fifty-seven cents (\$781.57), which should be paid only upon the execution by said claimant of a full release in favor of the City, said release to be in such form as shall be approved by the Corporation Counsel, and the Comptroller is hereby authorized to pay said sum without interest from an appropriate fund.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

#### A. Pearson's Sons—Claim of (Cal. No. 54).

The Secretary presented the following certificate of the Comptroller:

March 2nd, 1918.

To the Honorable Board of Estimate and Apportionment:

Sirs—Under and pursuant to the provisions of section 246 of the Charter, I hereby certify that a claim was filed in the Department of Finance by A. Pearson's Sons for \$213, alleged to be due them for labor and furniture supplied to the Armory Board during the year 1915, itemized as follows:

|               |  |         |
|---------------|--|---------|
| Jan. 12, 1915 | 1 oak roll-top desk .....                              | \$37 50 |
| Aug. 5, 1915  | Repairing and reupholstering armchair in leather ..... | 18 00   |
| Nov. 1, 1915  | 3 oak cupboard bare units .....                        | 45 00   |
|               | 1 oak 18-drawer 3x5 C. I. units .....                  | 25 50   |
|               | 6 oak 14-drawer L. B. units .....                      | 87 00   |

That the labor and supplies were furnished in good faith and were actually received and used by the Armory Board, and that no action has been instituted to recover the amount claimed for the same. That the same were ordered by employees of the Armory Board and no written orders were issued for them and no certificate showing the necessity thereof was on file with the head of the department, nor did the State Commission of Prisons certify that the same cannot be furnished by the prisons, reformatories or penitentiaries, as is required by section 182 of the Prison Law, and, therefore, the claim is illegal and invalid as against The City of New York, but, notwithstanding, in my judgment, it is equitable and proper for the city to pay said claim in the sum of \$175.29, the actual cost price to claimants for the labor and supplies furnished, inasmuch as the city has received a benefit, which in money value is equal to said sum, and that \$175.29 is the amount which should be paid in full satisfaction of said claim out of the appropriate fund available for the purpose. Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 246 of the Charter of The City of New York, hereby determines that the City has received a benefit from A. Pearson's Sons and is justly and equitably obligated to pay them, without interest, the sum of one hundred and seventy-five dollars and twenty-nine cents (\$175.29) for certain labor and supplies furnished the Armory Board on January 12, 1915, on August 5, 1915, and on November 1, 1915; that said sum shall be paid in full satisfaction of the claim presented by A. Pearson's Sons for two hundred and thirteen dollars (\$213), alleged to be due them for the same; that the interests of the City will be best subserved by the payment of the said claim in that amount, and that such sum shall be paid only upon the execution by said A. Pearson's Sons of a full release in favor of the City in such form as may be approved by the Corporation Counsel, and the Comptroller is hereby authorized to pay said claim in the sum of one hundred and seventy-five dollars and twenty-nine cents (\$175.29) from the appropriate fund available for the purpose.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

#### Frances S. Broadhead et al.—Claims of (Cal. No. 55).

(On July 27, 1916 (Cal. No. 154), a report of the Comptroller certifying these claims for payment was presented and laid over until September 15, 1916. On September 15, 1916 (Cal. No. 226), the matter was laid over. Report of Comptroller printed in minutes of that date. On January 25, 1918 (Cal. No. 82), this matter was again presented and referred to the Comptroller.)

The Secretary presented the following certificate of the Comptroller:

March 2, 1918.

To the Honorable Board of Estimate and Apportionment:

Sirs—At a meeting of your Honorable Board on January 25, 1918, the matter represented as No. 82 on the calendar was referred to me. It relates to an application filed in this department on November 16, 1915, for the payment, pursuant to the provisions of section 246 of the Charter of \$157.50 each, alleged to be due Frances S. Broadhead, Mary E. Moore, Henrietta L. Smith, Julia Coleman and Jennie M. Shannon for their services as probation officers in the City Magistrates' Courts of the City of New York for the period from January 1, to March 10, 1914.

This application was the subject of a report of the Bureau of Law and Adjustment of this department dated May 3, 1916, which was approved by former Deputy and Acting Comptroller Alexander Brough, and under date of July 6, 1916, he certified to your Honorable Board in part that the claims of the applicants are illegal and invalid as against the City, but notwithstanding in his judgment it is equitable and proper for the City to pay them at the rate of \$900 per annum, inasmuch as the City has received a benefit and derived an advantage; and at a meeting of your Board held on September 15, 1916, the report was presented and laid over.

It appears that the applicants were duly appointed as probation officers in the Magistrates' Courts of the City of New York in compliance with the Civil Service law and rules of the Civil Service Commission; that they, respectively, rendered services for the period from January 1 to March 10, 1914, and could not be paid for their services for that period because the budget allowance for the Magistrates' Courts for the year 1914 provided for the salaries of five women probation officers less than did the budget for 1913, and the names of the applicants herein were not designated by the Board of City Magistrates as those to remain on the payrolls. Designations,

however, were not made until the 9th day of March, 1914, none of the women probation officers being certified on the payrolls between January 1 and March 9; that the applicants reported regularly up to the 9th day of March, 1914; that in 1913 they were paid at the rate of \$900 per annum; that one of them, Mary E. Moore, brought suit for her salary, but her action was dismissed in the Supreme Court by Mr. Justice Delehanty, and on September 1, 1915, a judgment against her in favor of the City of New York in the sum of \$57.35 was entered and that \$22.50 is a fair and reasonable amount to deduct from the sum otherwise payable to Mary E. Moore as the cost of litigation for the services of the City's different officials and employees and for its disbursements in defense of her action; that these claims do not arise out of any appointment in violation of the Civil Service law; that the applicants cannot recover in an action at law for their services because of section 1542 of the Charter, as there was no appropriation made for their compensation, but the City has received a benefit and is justly and equitably obligated to pay the applicants, respectively, for their services at the rate to which they would have been entitled, in sums as follows:

Frances S. Broadhead, \$157.50; Henrietta L. Smith, \$157.50; Julia Coleman, \$157.50; Jennie M. Shannon, \$157.50, and Mary E. Moore, \$157.50, less the sum of \$57.35, with interest thereon from September 1, 1915, to the date of Payment and \$22.50, thus leaving \$77.65, from which should be deducted such interest as shall have accrued on \$57.35, from September 1, 1915, the date of the entry of the judgment, to the date of payment of her claim.

I am of the opinion that the applicants should be paid for their services in the sums set forth pursuant to the provisions of section 246 of the Charter, and respectfully recommend that the resolution now before your Honorable Board for consideration as to such disposition of the claims be adopted. Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:  
Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 246 of the Greater New York Charter, being chapter 601 of the Laws of 1907, as amended, hereby determines that the City has received a benefit from Frances S. Broadhead, Mary E. Moore, Henrietta L. Smith, Julia Coleman and Jennie M. Shannon, and is justly and equitably obligated to pay them, without interest, the sums as follows:

|  |          |
|--|----------|
| Frances S. Broadhead.....  | \$157 50 |
| Henrietta L. Smith .....   | 157 50   |
| Julia Coleman .....  | 157 50   |
| Jennie M. Shannon .....  | 157 50   |
| Mary E. Moore, less interest on \$57.35 from September 1, 1915, to date of payment ..... | 77 65    |

—for their services as Probation Officers in the City Magistrates' Courts of The City of New York during the period from January 1 to March 10, 1914; that said sums shall be paid in full satisfaction of their respective claims for service during this period; that the interests of the City will be best subserved by the payment of these claims in said amounts; that said claims shall be paid only upon the execution by said claimants of full releases in favor of the City in such form as may be approved by the Corporation Counsel, and the Comptroller is hereby authorized to pay said claims in the sums set forth above, from the appropriate fund available for the purpose.

Which was adopted by the following vote:  
Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**The Fairbanks Company—Claim of (Cal. No. 56).**

The Secretary presented the following certificate of the Comptroller:

March 2, 1918.

To the Honorable the Board of Estimate and Apportionment:

Sirs—Under and pursuant to the provisions of section 246 of the Greater New York Charter, as amended, I hereby certify that the following claims have been presented against The City of New York for merchandise furnished to the Department of Public Charities during the year 1914, upon orders issued in accordance with requisitions therefor, duly approved by a Deputy Commissioner of the Department of Public Charities; that at the time the orders for said merchandise were issued and deliveries made thereunder, no previous appropriation therefor had been made by the Board of Estimate and Apportionment and the amounts of said orders were in excess of the unexpended balances or sums appropriated for such purposes for the year 1914; that said claims are therefore illegal and invalid against the City; that notwithstanding the said illegality, it is, in my opinion, equitable and proper for the City to pay the money value of the benefit which it has received by reason of the furnishing of said merchandise; that the amounts claimed, the nature of the merchandise furnished and the actual cost thereof, without interest or profit, are as follows:

| Application No. | Applicant.               | Amount Claimed. | Actual Cost. | Merchandise. |
|-----------------|--------------------------|-----------------|--------------|--------------|
| B-85640         | The Fairbanks Company... | \$8 20          | \$6 75       | Scale.       |
| B-85817         | The Fairbanks Company... | 12 40           | 12 40        | Scale.       |

—that the value of the benefit which the City has derived by reason of the furnishing of said merchandise is the sum stated to be the actual cost thereof, and that the aforesaid sum should be paid from the appropriate fund to The Fairbanks Company in full satisfaction of the claims presented, upon the execution of a full release in favor of The City of New York, in such form as shall be approved by the Corporation Counsel. Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:  
Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 246 of the Greater New York Charter, being chapter 601 of the Laws of 1907, as amended, hereby determines that The City of New York has received a benefit from and is justly and equitably obligated to pay to The Fairbanks Company the sums hereinafter set forth, without interest or profit, for merchandise furnished to the Department of Public Charities during the year 1914:

| Application. | Applicant.                  | Actual Cost. | Merchandise. |
|--------------|-----------------------------|--------------|--------------|
| B-85640      | The Fairbanks Company ..... | \$6 75       | Scale.       |
| B-85817      | The Fairbanks Company ..... | 12 40        | Scale.       |

—that the aforesaid sums shall be paid in full satisfaction of the claims which have been presented by said applicant; that the interests of the City will be best subserved by the adjustment of said claims in said sums; that payment thereof shall only be paid upon the execution by claimants of a full release in favor of the City, in such form as shall be approved by the Corporation Counsel, and the Comptroller is hereby authorized to pay said sums from the appropriate fund.

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Wappler Electric Company, Inc.—Claim of (Cal. No. 57).**

The Secretary presented the following certificate of the Comptroller:

March 2nd, 1918.

To the Honorable the Board of Estimate and Apportionment:

Gentlemen—Under and pursuant to the provisions of section 246 of the Greater New York Charter, I hereby certify that a claim has been presented by the Wappler Electric Company, Inc., for the sum of \$528.79, alleged to be due for extra work and material furnished, which were necessary to install a trolley system in the new Radiographic Department of Bellevue Hospital; that no action has been instituted on this claim; that an investigation of the facts on which said claim is based reveals that on October 13, 1916, the City, through the Trustees of Bellevue and Allied Hospitals, issued an open market order to claimant, wherein it was required to furnish all labor and material necessary to install a new Radiographic Department in Pavilions I and K, Rooms 10-11, 13-15, 22, for the sum of \$538.45; that, while work was being installed, it was discovered that certain necessary overhead wiring to complete the laboratory system was not provided for in the original order, and Dr. Hirsch, who at that time took charge of the work on behalf of the City, re-

quested claimant company to proceed with the extra work, which required the extension of the aerial system through Room 14, connecting Rooms 13 and 15, and necessitated the furnishing of wall insulators, high tension switches, including labor and material, amounting to \$528.79; that the actual price could not have been originally stipulated; that the usual delay in procuring the necessary formal authority would have greatly interfered with the work, and claimant company, by proceeding therewith, rendered a benefit to the City; that the claim has no legal status, because the work performed and materials furnished were without any written authorization by the Trustees of Bellevue and Allied Hospitals; that a summary of the cost, taken from the examination herein, discloses that the labor and material furnished herein amounted to the sum of \$528.79; that an examination of the work shows that it has been satisfactorily performed and that the amount charged was fair and reasonable; that the actual cost of the work performed and material furnished, after deducting the profit, amounts to \$332.09; that, while the claim is illegal and invalid as against the City of New York, it is, notwithstanding, in my judgment, equitable and proper for the City to pay the claim in the sum of \$332.09, the actual cost to claimant for the labor and material furnished, inasmuch as the City has received a benefit and derived an advantage, which in money value is equal to said sum; that the sum of \$332.09 is the amount that should be paid in full satisfaction of said claim from the appropriate fund. Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:  
Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 246 of the Greater New York Charter, being chapter 601 of the Laws of 1907, as amended, hereby determines that the City has received a benefit from the Wappler Electric Company, Inc., and is justly and equitably obligated to pay said company, without interest, the sum of three hundred and thirty-two dollars and nine cents (\$332.09), for certain labor and materials furnished to the Trustees of Bellevue and Allied Hospitals during October, 1916; that the said sum should be paid in full satisfaction of the claim which has been presented in the sum of five hundred and twenty-eight dollars and seventy-nine cents (\$528.79); that the interests of the City will be best subserved by the compromise of said claim in the sum of three hundred and thirty-two dollars and nine cents (\$332.09), and that the last mentioned sum shall be paid upon execution by the Wappler Electric Company, Inc., of a full release in favor of the City in such form as may be approved by the Corporation Counsel, and the Comptroller is hereby authorized to pay said claim in the sum of three hundred and thirty-two dollars and nine cents (\$332.09) from an appropriate fund.

Which was adopted by the following vote:  
Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**William H. Moyer; and Merck & Company—Claims of (Cal. No. 58).**

The Secretary presented the following certificate of the Comptroller:

March 2, 1918.

To the Honorable Board of Estimate and Apportionment:

Gentlemen—Under and pursuant to the provisions of section 246 of the Greater New York Charter, being chapter 601 of the Laws of 1907 of the State of New York, as amended, entitled "An Act to amend the Greater New York Charter in relation to the powers of the Board of Estimate and Apportionment," I hereby certify that claims have been presented by William H. Moyer, as Agent and Warden of Sing Sing Prison, and Merck & Co. for the sums of \$142.30 and \$5.40, respectively; that the claim of William H. Moyer is for merchandise furnished Bellevue Hospital during the years 1914 and 1915, as follows:

|  |         |
|--|---------|
| 1. 50 pairs of slippers, No. 39, at 85 cents per pair, shipped July 3, 1914 .....      | \$42 50 |
| 2. 50 pairs of slippers, No. 34, at 95 cents per pair, shipped November 18, 1914 ..... | 47 50   |
| 3. 50 pairs of slippers, No. 34, at 95 cents per pair, shipped November 30, 1914 ..... | 47 50   |
| 4. 1 hair mattress, shipped October 22, 1915 .....                                     | 4 80    |

—that the claim of Merck & Co. is for 12 vials of digipuratin solution furnished the Department of Health in September, 1915; that no actions have been instituted on these claims; that an investigation of the facts upon which the claim of the Agent and Warden of Sing Sing Prison is based discloses that on July 11, 1914, 50 pairs of slippers, No. 39, at 85 cents per pair were received at Bellevue Hospital as an overshipment on open market order No. 4224, which called for 150 pairs; that on November 24, 1914, 50 pairs of slippers, No. 34, at 95 cents per pair were received; that on December 2, 1914, a further shipment of 50 pairs of similar slippers was received; that on December 7, 1914, an additional consignment of 80 pairs of slippers was likewise received; that the last three shipments, totalling 180 pairs, were forwarded pursuant to open market order No. 6859, which called for 100 pairs, thus making an excess delivery of 80 pairs; that the hair mattress referred to was received October 26, 1915, and sent to Pavilion A and B; that said matters were forwarded on a verbal request from the Purchasing Agent of Bellevue and Allied Hospitals; that said Purchasing Agent states the merchandise in question proved satisfactory and that he neglected to cause a formal order and certificate of necessity to be issued; that in connection with the overshipment of the slippers it appears that it is not an uncommon occurrence for Sing Sing Prison to ship a larger quantity of goods than has been ordered and that the mistake usually occurs through the hospital authorities telephoning that the institution is in urgent need of certain articles after the prison has already received a formal order therefor; that the telephone request is usually complied with and frequently, on account of convict labor, the quantity requested is delivered and not deducted from the amount specified in the order, which is subsequently shipped in full; that it is customary in cases of overshipment from the Prison Department of the State of New York to issue an order for the excess quantity received; that a like investigation of the Merck & Co. claim reveals that the solution for which payment is sought was delivered to the drug laboratory of the Department of Health at the foot of East 16th Street, Borough of Manhattan, on September 17, 1915, pursuant to a telephone request from the Director of said laboratory; that said request was never confirmed by a written order; that the drug laboratory used the drug in question but neglected to cause a certificate of necessity to be placed on file; that owing to the drug laboratory of the hospital going out of existence January 1, 1918, payment has never been made for the solution in question; that through the failure to issue certificates of necessity for the merchandise aforesaid, these claims are illegal and invalid against The City of New York, but, notwithstanding, in my judgment, it is equitable and proper for the City to pay the same, inasmuch as it has received value and a benefit from the goods furnished, and that the sum of \$123.30 is the value of the benefit received in connection with the claim of the Agent and Warden of Sing Sing Prison; that the sum of \$4.86 is the value and benefit received in connection with the claim of Merck & Co.; that the aforesaid amounts should be paid from an appropriate fund in full satisfaction of the respective claims. Respectfully,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:  
Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 246 of the Greater New York Charter, being chapter 601 of the Laws of 1907 of the State of New York, as amended, hereby determines that the City has received a benefit from William H. Moyer, as Agent and Warden of Sing Sing Prison, and Merck & Co., and is justly and equitably obligated to pay to the said William H. Moyer, as Agent and Warden of Sing Sing Prison, the sum of one hundred and twenty-three dollars and thirty cents (\$123.30), without interest, and to the said Merck & Co. the sum of four dollars and eighty-six cents (\$4.86), without interest for certain merchandise furnished Bellevue Hospital and to the Department of Health, respectively, during the years 1914 and 1915; that the said sums shall be paid in full satisfaction of the claims which have been presented on behalf of William H. Moyer, as Agent and Warden of Sing Sing Prison, and Merck & Co., for the merchandise above mentioned; that the interest of the City will be best subserved by the payment of said sums, and that the same shall be paid only upon the execution by the aforesaid claimants of a full release in favor of the City in such form as may be approved by the Corporation Counsel, and the Comptroller is hereby authorized to pay said claims from an appropriate fund.

Which was adopted by the following vote:  
Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**H. B. Claflin Company; Mercantile Stores Corporation (Cal. No. 59).**

Cancellation of annual charge and refund of security deposited for the faithful performance of the terms and conditions of consent granted H. B. Claflin Company to maintain and use a pipe under and across Worth Street east of Broadway, Borough of Manhattan.

The Secretary presented the following:

Bureau of Franchises, March 4, 1918.

Hon. JOHN F. HYLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—By resolution adopted by the Board of Estimate and Apportionment September 15, 1916, and approved by the Mayor September 22, 1916, revoking a consent formerly granted to the H. B. Claflin Company to maintain and use a six-inch pipe under and across Worth Street at a point about 134 feet 3 inches east of the easterly line of West Broadway, in the Borough of Manhattan, the said Company was required to file a quit-claim with the Board of Estimate and Apportionment before the resolution should become effective. The resolution authorized the Comptroller to cancel the charge for the privilege as of November 1, 1916, and to return the security of five hundred dollars (\$500) deposited in his office for the faithful performance of the terms and conditions of the consent, the pipe having been removed and the street restored to the satisfaction of the administrative departments of the City.

The Company went into the hands of receivers on June 25, 1914. The requirement for the quit-claim was included in the resolution only upon assurance from the Company's attorneys that the corporate life of the Company had not been extinguished and the quit-claim could be executed by its officials.

A communication, dated January 28, 1918, was received by the Finance Department and transmitted to this Bureau for attention reciting that the Mercantile Stores Corporation, which took over all of the assets held by the receivers of the H. B. Claflin Company, has been unable to obtain the execution of the quit-claim due to the impossibility of securing a meeting of the old Board of Directors of the Claflin Company and requesting the return of the security.

In view of such claim and request, and as the pipe has been removed and the street satisfactorily restored, I believe the customary quit-claim might be waived in this case and, in consequence, two resolutions are herewith submitted for adoption, one revoking the resolution of revocation and the other similar in all respects to the original resolution of revocation, but not containing the provision for the filing of the quit-claim. Respectfully, JOHN A. McCOLLUM, Acting Chief of Bureau.

The matter was referred to the Comptroller.

**United Electric Light and Power Company (Cal. No. 60).**

Maintenance and operation without proper authority of intake tunnel by the United Electric Light and Power Company under and across Academy Street between West 201st Street and the Harlem River, Borough of Manhattan.

The Secretary presented the following:

Bureau of Franchises, March 5, 1918.

Hon. JOHN F. HYLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—Under date of November 15, 1917, the Assistant Commissioner of Public Works, Borough of Manhattan, called attention to the fact that the United Electric Light & Power Company was installing an intake tunnel under and across Academy Street, between West 201st Street and the Harlem River, without permit from his department.

Communications were addressed to the Commissioner of Docks and Ferries requesting copies of any permits issued for the structures, together with a statement as to under what authority they were issued, and to the Company requesting plans showing all of the said structures, accompanied by a statement as to the authority for and purpose of the same. In a reply dated January 4, 1918, from the Department of Docks and Ferries I was informed that a permit had been issued on May 10, 1917, for a screen well and intake tunnel, and under date of January 21 the Company advised that the said structures were being erected under the said Dock Department permit. The Company did not submit the requested plan, but from information obtained from the Office of the Borough President and judging from the necessities of the situation, it is believed that the Company must also maintain an outlet tunnel.

The Corporation Counsel was requested to advise whether Academy Street is legally open as a public street and if the Dock Department's permit is sufficient and proper legal authority for the structure. It was found that Academy Street is legally open as a public street. Title vested in the City on June 29, 1894. In an opinion of the Corporation Counsel, dated February 4, 1918, it is stated that the permit is not sufficient legal authority for the construction or maintenance of any such structure in, upon, over or under Academy Street, as the right to construct and maintain such structures can be granted only by resolution of the Board of Estimate and Apportionment, under section 242 of the City Charter.

In view of the opinion of the Corporation Counsel, it is suggested that the Board adopt a resolution requesting the United Electric Light & Power Company to petition the Board, on or before April 8, 1918, for consent to construct, maintain and use the structures in question. In adopting such resolution the Board would be following the procedure which has heretofore been followed in similar cases.

On March 4, 1918, the Commissioner of Docks and Ferries was fully informed as to the facts hereinabove set forth and he has no objection to the procedure suggested. Respectfully, JOHN A. McCOLLUM, Acting Chief of Bureau.

The following resolution was offered:

Whereas, It appears that the United Light & Power Company is constructing intake and outlet tunnels under and across Academy Street, between West 201st Street and the Harlem River, in the Borough of Manhattan, under the authority of a permit issued on May 10, 1917, by the Department of Docks and Ferries, all as more fully recited in a report from the Bureau of Franchises presented to the Board of Estimate and Apportionment at the meeting held this day; and

Whereas, The Corporation Counsel, in an opinion dated February 4, 1918, has held that the said permit is not sufficient legal authority for the construction or maintenance of such structures in or under Academy Street, and the right to construct and maintain such structures can be granted only by resolution of the Board of Estimate and Apportionment under section 242 of the City Charter; now, therefore, be it

Resolved, That the United Electric Light & Power Company be and it hereby is requested to present a petition to this Board, on or before April 8, 1918, for permission to construct, maintain and use such structures as it may desire in or under said Academy Street.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Holmes Electric Protective Company (Cal. No. 61).**

Annual report and financial statement of the Holmes Electric Protective Company for the year ending December 31, 1917, under and pursuant to contract dated October 14, 1914, granting said Company a franchise; also verified schedule of rates charged for or class of service under its franchise and the wires in use December 31, 1917, and those placed in operation during the year.

(These reports were presented to the Board at the meeting of February 8, 1918 (Cal. Nos. 75 to 77), and were referred to the Bureau of Franchises.)

The Secretary presented the following:

Bureau of Franchises, March 1, 1918.

Hon. JOHN F. HYLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—At the meeting of February 8, 1918, there was presented to the Board the following from the Holmes Electric Protective Company:

- (1) Annual report of the Company for the year ending December 31, 1917, under its franchise contract of October 14, 1914.
- (2) A verified schedule of rates charged for each class of service under its franchise.

- (3) A map showing the wires in use on December 31, 1917, and indicating those placed in operation during the year.

These instruments were referred to this Bureau on the date named.

From an examination of the annual report it appears that the Company's capital stock remains at \$1,000,000, as reported in the previous year. It has no funded debt. Its floating debt is given as \$156,665, an increase of about \$66,000 over that previously reported. Four quarterly dividends of 2½ per cent. each were paid on the capital stock during the year. The Company now serves the following number of subscribers: In Manhattan, 3,211; in Bronx, 1; in Brooklyn, 66, a total of 3,278 subscribers. This is an increase of 463 subscribers over the number reported for 1916. These subscribers are served through 12 central stations, 11 in the Borough of Manhattan and 1 in Brooklyn.

The total receipts of the Company for 1917, under the operations authorized by the franchise, amounted to \$834,695.80, an increase of \$113,257.19 over the year 1916. The total expenses of operation, including salaries, amounted to \$717,808.92, an increase of \$140,888.57 over the expenses for 1916.

I am informed by the Finance Department that the Company has paid to the City three per cent. of its gross receipts for the year, amounting to \$25,040.88.

The verified schedule of rates submitted by the Company has also been examined and the rates have been found to be within the limits fixed by the franchise contract.

The map submitted by the Company shows all the conductors maintained by it in the Borough of Manhattan. Attached to it is a list showing the circuits leased from the New York Telephone Company.

It seems the reports and map filed by the Company fully comply with the franchise contract of October 14, 1914, and I would suggest that the same be accepted and filed. Respectfully, JOHN A. McCOLLUM, Acting Chief of Bureau.

**Flatbush Gas Company (Cal. No. 62).**

Annual report and financial statement of the Flatbush Gas Company for the year ending December 31, 1917, under and pursuant to contract dated December 28, 1909, granting said Company a franchise to install, maintain and operate conductors in the Ocean Parkway and adjacent territory in the Thirty-first Ward, Borough of Brooklyn. (This report was presented to the Board at the meeting of February 8, 1918 (Cal. No. 78), and referred to the Bureau of Franchises.)

The Secretary presented the following:

Bureau of Franchises, March 1, 1918.

Hon. JOHN F. HYLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—At the meeting of February 8, 1918, there was presented to the Board, and by it referred to this Bureau, the annual report of the Flatbush Gas Company, filed under its contract of December 28, 1909. This franchise covers a system of conductors in the Ocean Parkway and adjacent territory in the 31st Ward, Borough of Brooklyn.

I have examined this report and the map submitted therewith (also filed in compliance with the franchise contract) and find that the Company, during the year 1917, laid three miles and 1,726 feet of additional conductors, at a cost of about \$4,400. Its system maintained under this franchise now comprises 43.98 miles of electrical conductors, the value of which, based on cost and depreciation, is estimated at a little over \$92,000. The Company's capital stock has not been increased above the \$200,000 reported last year as being outstanding. There was no funded debt, and the floating debt is now \$3,391,465, an increase of about \$120,000 over December 31, 1916. The amount of electricity furnished to consumers, other than the City, was 65,659 k.w., the sales from this class of business being \$7,194.30. The amount furnished to the City under contract for lighting the Ocean Parkway was 200,566 k.w., the amount of sales being \$14,467.69. The total receipts from operations under the franchise were \$21,661.99, and the expenses attributed to this operation \$20,685.68, leaving the net earnings \$976.31. I am informed by the Finance Department that the Company paid, pursuant to its franchise, 3 per cent. of the gross receipts above named, to wit, \$649.86.

The annual report seems to comply with the franchise contract and I would suggest that the same be filed. Respectfully,

JOHN A. McCOLLUM, Acting Chief of Bureau.

Which was ordered filed.

**Degnon Realty and Terminal Improvement Company (Cal. No. 63).**

Filing of release by the Degnon Realty and Terminal Improvement Company under resolution rescinding consent to install, maintain and use three twenty-inch pipes under and across Jackson Avenue, Borough of Queens, and authorizing the Comptroller to refund the security deposit.

(This resolution was adopted at the meeting of January 11, 1918 (Cal. No. 24).)

The Secretary presented the following:

Bureau of Franchises, March 4, 1918.

Hon. JOHN F. HYLAN, Mayor, Chairman of the Board of Estimate and Apportionment:

Sir—By resolution adopted by the Board of Estimate and Apportionment January 11, 1918, approved by the Mayor January 25, 1918, the consent granted Degnon Realty and Terminal Improvement Company by resolution adopted by the Board of Estimate and Apportionment November 19, 1915, approved by the Acting Mayor November 29, 1915, to install, maintain and use three twenty-inch pipes under and across Jackson Avenue, Borough of Queens, was rescinded, and the Comptroller authorized to cancel the annual charge and refund the security deposit.

The resolution provides in part as follows:

"That this resolution shall not become effective unless and until the said Degnon Realty and Terminal Improvement Company shall execute an instrument, in writing, releasing The City of New York from any and all claims of any kind, character or description whatsoever, held or claimed to be held under the terms and conditions of the aforesaid consent, and agreeing to quit-claim, waive and surrender to The City of New York any and all rights and privileges in and upon said street in the Borough of Queens, held or claimed to be held under or by virtue of the said consent, and file said instrument with the Board of Estimate and Apportionment of The City of New York."

Under and pursuant to the above quoted provision, the Company presented an agreement, dated February 8, 1918. The agreement has been approved by the Corporation Counsel.

Certified copies of the approved resolution have been forwarded to the Company and to the officials interested.

It is recommended that the papers be filed. Respectfully,

JOHN A. McCOLLUM, Acting Chief of Bureau.

Which was ordered filed.

Miller to \$1,440; to reduce the vacant position of Bookbinder from \$1,320 to \$1,260, and change the salary of Chief Clerk from \$2,580 to \$2,340, the rate now paid.

Which were referred to the Committee on Salaries and Grades.

#### MATTERS LAID OVER FROM PREVIOUS MEETINGS.

**Public Service Commission for the First District—Approval of Contract with the New York, New Haven and Hartford Railroad Company for Necessary Material and Performance of Work to Raise the Power and Other Wires of Said Railroad Where the Same Crosses the Railroad Company's Right of Way; and Issue of Corporate Stock Therefor (Cal. No. 107).**

The Secretary presented a report of the Comptroller recommending that the Public Service Commission for the First District be authorized to enter into a contract with the New York, New Haven and Hartford Railroad Company for the supply of necessary materials and the performance of work required to raise the power wires and other wires of the railroad company in order to permit of the construction of section No. 2, routes Nos. 19 and 22, of the Seventh Avenue-Lexington Avenue Rapid Transit Railroad where said railroad crosses the right of way of the New York, New Haven and Hartford Railroad Company in the Borough of The Bronx, at an estimated cost of \$6,871, provided that it be stipulated and agreed upon by and between the commission and the railroad company that the latter shall abide by the decision of the Corporation Counsel in the matter and shall carry out the contract in all of its essential requirements without cost to the City should the Corporation Counsel's opinion so determine.

Pending the receipt of this opinion, the Comptroller recommends an issue of \$6,871 in corporate stock to carry out the City's obligations in the performance of the work, and reports that the cost of the work provided for in the proposed agreement was included in the contract for the construction of this section of the rapid transit railroad and will therefore be a charge against the remainder of the total amount authorized for the work.

The Comptroller states that from his Engineer's report it would appear that there is some question as to whether the cost of moving and relocating these wires should not be borne by the railroad company, and it is suggested meanwhile that this question be submitted to the Corporation Counsel for an opinion as to where the cost properly lies.

(On January 25, 1918 (Cal. No. 74), the request of the Public Service Commission for the First District for the consent of the Board to this proposed contract and for an appropriation of \$6,871 for the purpose of providing means to meet the City's obligations thereunder was referred to the Comptroller.)

(On February 8, 1918 (Cal. No. 57), the matter was laid over until February 15, 1918, under rule 19, and referred to the Corporation Counsel for an opinion.)

(On February 15, 1918 (Cal. No. 70), a communication dated February 8, 1918, from the Public Service Commission for the First District, requesting that there be set aside from the unexpended balance of the appropriation for the construction of section 2, Routes 19 and 22 of the Seventh Avenue-Lexington Avenue Rapid Transit Railroad, the sum of \$6,871 for the purpose of carrying out this agreement was presented and the matter laid over to February 21, 1918.)

(On February 21, 1918 (Cal. No. 83), the matter was laid over until March 1, 1918.)

(On March 1, 1918 (Cal. No. 152), the matter was laid over until March 8, 1918, and the Secretary was directed to request the Corporation Counsel to submit his opinion in time for presentation at this meeting.)

The matter was laid over one week (March 15, 1918).

**5th Street, from Smith Street to the Bulkhead Line of Gowanus Canal, Borough of Brooklyn—Closing, Discontinuing and Changing Grade (Cal. No. 108).**

(On April 13, 1917 (Cal. No. 4), the Board adopted a resolution making provision for decreasing the width of 5th street from 60 feet to 55 feet in the block from Smith street to Hoyt street, and for discontinuing the street between Hoyt street and the canal. The effect of the plan will be to release to the Brooklyn Union Gas Company, the abutting owner, a strip five feet wide, located on the southerly side of the street between Smith street and a line about 233 feet easterly therefrom.)

(On February 15, 1918 (Cal. No. 20), the communication from the Corporation Counsel, dated February 7, 1918, was presented and the matter laid over until February 21, 1918; on the latter date (Cal. No. 85) it was laid over until this meeting.)

The Secretary presented the following communication from the Acting Corporation Counsel:

February 7, 1918.

JOSEPH HAAG, Esq., Secretary, Board of Estimate and Apportionment:

Sir—I transmit herewith, in conformity with the provisions of the resolution of the Board of Estimate and Apportionment adopted on the 13th day of April, 1917, in the matter of the changing of the map or plan of The City of New York, by closing, discontinuing and changing the grade of Fifth Street, from Smith Street to the bulkhead line of Gowanus Canal, in the Borough of Brooklyn, the following instruments:

Deed dated the 17th day of January, 1918, between the Brooklyn Union Gas Company, party of the first part, and The City of New York, party of the second part, duly acknowledged the 17th day of January, 1918.

Release, dated the 17th day of January, 1918, executed by the Brooklyn Union Gas Company, releasing and discharging The City of New York from any and all claims whatsoever, which it might have by the discontinuance of the proceeding for the purpose of acquiring title to Fifth Street, from Smith Street to Hoyt Street, in the Borough of Brooklyn, pursuant to the provisions of section 1000 of the Greater New York Charter.

Copy of a release of mortgage, dated the 20th day of September, 1917, between the Central Trust Company of New York, as Trustee, and the Brooklyn Union Gas Company, recorded in the office of the Register of the County of Kings on the 11th day of January, 1918, in liber 3696 of Conveyances, page 381.

Copy of a release of mortgage, dated the 10th day of October, 1917, between the Guaranty Trust Company of New York, as successors to the New York Guaranty & Indemnity Company, as trustee, and the Brooklyn Union Gas Company, recorded in the office of the Register of the County of Kings on the 11th day of January, 1918, in liber 3696 of Conveyances, page 383.

Affidavit of title, duly verified the 29th day of January, 1918, by James H. Jourdan, President of the Brooklyn Union Gas Company.

Check of the Brooklyn Union Gas Company, payable to The City of New York, for the sum of \$511.72.

The resolution referred to, adopted by the Board of Estimate and Apportionment on the 13th day of April, 1917, contained a request that his Honor, the Mayor, withhold his signature to said resolution until the Brooklyn Union Gas Company had carried out the requirements suggested in the report of the Chief Engineer, presented to the Board of March 16, 1917 (Calendar No. 146).

The report of Nelson P. Lewis, Chief Engineer, referred to in the resolution of April 13, 1917, and dated March 8, 1917, recommended the adoption of the map referred to in said report, after a public hearing, but with the understanding that his Honor, the Mayor, be asked to withhold his independent approval until such time as the gas company (1) had made payment to the City of the sum of \$511.72, (2) had executed a release of all claims which might be presented by reason of the discontinuance of the opening proceeding, pursuant to the provisions of section 1000 of the Charter, and (3) had presented a deed, in form satisfactory to the Corporation Counsel, ceding to the City all right, title and interest which it might have to land within the lines of Fifth Street, in the block between Smith Street and Hoyt Street.

The Chief Engineer, in his report, also stated that, after these conditions had all been complied with, the opening proceeding might be properly discontinued and the carrying out of that course would then be made the subject of further report to the Board, as would also the matter of fixing the roadway and sidewalk widths.

The deed of the Brooklyn Union Gas Company, transmitted herewith, is satisfactory in form to the Corporation Counsel.

The Brooklyn Union Gas Company has, by the filing with the City of New York of the above instruments, complied with all the requirements of the resolution of the Board of Estimate and Apportionment adopted on the 13th day of April, 1917, and his Honor, the Mayor, may now properly affix his signature to said resolution, and the matter should then be referred to the Commissioners of the Sinking Fund,

as it is necessary for said commissioners, under the provisions of section 205 of the Greater New York Charter, to adopt a resolution determining that the property contained within the discontinued part of Fifth Street is not needed for public use, and authorizing the sale and conveyance of the same to the Brooklyn Union Gas Company upon such terms and conditions as the Commissioners of the Sinking Fund may impose.

After the Commissioners of the Sinking Fund have adopted such resolution, proper instruments will be prepared by this office for execution by The City of New York for the purpose of carrying out the proposed exchange of land.

Respectfully yours,

GEORGE P. NICHOLSON, Acting Corporation Counsel.

The Secretary was directed to forward the resolution adopted April 13, 1917 (Cal. No. 4), and above referred to to his Honor, the Mayor, for approval.

The following was then offered:

Whereas, the Brooklyn Union Gas Company has submitted to the Board of Estimate and Apportionment a deed dated the 17th day of January, 1918, ceding to The City of New York all the Company's right, title and interest to real property within the lines of Fifth street in the block between Smith street and Hoyt street, Borough of Brooklyn, together with copy of release of mortgage dated the 20th day of September, 1917, between the Central Trust Company of New York, as Trustee, and the Brooklyn Union Gas Company, and copy of release of mortgage, dated the 10th day of October, 1917, between the Guaranty Trust Company of New York, as successors to the New York Guaranty & Indemnity Company, as Trustee, and the Brooklyn Union Gas Company; release dated the 17th day of January, 1918, executed by the Brooklyn Union Gas Company, releasing and discharging The City of New York from any and all claims whatsoever which it might have by the discontinuance of the proceeding for the purpose of acquiring title to Fifth street, from Smith street to Hoyt street, in the Borough of Brooklyn, pursuant to the provisions of section 1000 of the Greater New York Charter, and a check of the Brooklyn Union Gas Company, payable to The City of New York for the sum of \$511.72; and

Whereas, the Brooklyn Union Gas Company, by the presentation of these instruments, has complied with all the requirements in connection with the resolution adopted by the Board of Estimate and Apportionment on the 13th day of April, 1917, changing the map or plan of the City of New York by closing and discontinuing a strip 5 feet wide on the southerly side of Fifth street, between the easterly line of Smith street and the easterly line of Hoyt street, by closing and discontinuing that portion of Fifth street, between the easterly line of Hoyt street and the bulkhead line of Gowanus Canal, and by changing the grade of Fifth street, between Smith street and Hoyt street, in the Borough of Brooklyn, as shown upon a map or plan bearing the signature of the President of the Borough and dated February 6, 1917; be it

Resolved, that the Board of Estimate and Apportionment, subject to the concurrence of the Board of Commissioners of the Sinking Fund, hereby authorizes the Corporation Counsel to accept, unconditionally, the aforesaid deed of cession, provided that the title to be conveyed is, in his judgment, adequate for the purposes, and, if satisfactory, to cause the instrument to be registered and filed in the proper offices.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

The question of the disposition of the property contained within the discontinued portion of 5th street was referred to the Commissioners of the Sinking Fund.

#### MATTERS CONSIDERED BY UNANIMOUS CONSENT.

The following matters not on the calendar for this day were considered by unanimous consent:

**Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—Appropriation for Repaving (Cal. No. 109).**

(On January 11, 1918 (Cal. Nos. 63, 151 and 152), January 18, 1918 (Cal. No. 33), and March 8, 1918 (Cal. No. 79), requests from the various Borough Presidents for appropriations for repaving were referred to the Committee on Finance and Budget.)

The Secretary presented the following report of the Committee on Finance and Budget:

March 7, 1918.

To the Board of Estimate and Apportionment:

Gentlemen—Requests for appropriations for repaving in 1918 have been referred by your Board to this Committee, as follows:

On January 11 (Cal. No. 63) Request of the President of the Borough of Manhattan for \$2,800,000.

(Cal. No. 151) Request of the President of the Borough of Queens for \$575,000.

(Cal. No. 152) Request of the President of the Borough of Richmond for \$368,636.

On January 18 (Cal. No. 33) Request of the President of the Borough of The Bronx for \$460,000.

—and, until thereafter submitted directly to the Committee, a copy of a request theretofore submitted to your Board (March 8, Cal. No. 79) from the President of the Borough of Brooklyn for \$1,149,100.

Each of these requests was accompanied by specifications of the particular streets and parts of streets to be repaved, with the corresponding estimated cost.

Your Committee, in the consideration of this subject at the outset, determined that no appropriation should be made for any work that could be safely postponed until next year or until after the war. This was for the reason that every dollar of money and every ounce of energy now expended for other than war purposes was a diversion to that extent of money, material and energy from war purposes, the necessary tendency of which is to prolong the war. Your Committee was unanimous in its conclusion, not only in regard to this but other public improvements and expenditures, that none should be undertaken that could reasonably be postponed, having regard for the protection of the public health and such state of preservation of the highways and other public property as is indispensable to the proper protection of the public interests and the functioning of the municipal government so as to contribute in every way to a successful and energetic prosecution of the war.

Before action was taken upon the requests of the several Borough Presidents, the Committee determined upon a personal examination of the various streets in question with the view of the elimination of any that were doubtful. This necessarily involved some delay because at the time the requests were referred to your Committee the streets of the greater part of the City were covered with snow and ice and it was impossible to obtain any view of the surface. As speedily as this condition changed the examinations were made.

Taking the Borough of Manhattan as an illustration, it was found in the tour of that borough covering over 225 miles of streets that many of the streets subjected to heavy use in the handling of merchandise traffic were in a condition of decay which made them little, if any, better than mountain roads. It was very evident that but two courses were open to the city with respect to such streets, namely, they must either be closed to traffic until after the war or be repaved. If such streets were closed to traffic and a conflagration should occur, the loss in life and property might easily equal or exceed the total amount of the appropriations now sought.

The condition of the pavement not only affects the use of the street for traffic purposes but also has a material bearing upon sanitary conditions. In numerous instances great holes and depressions were found in which the water collects after rainfall or melting snow and remains there because of the impossibility of drainage. Rubbish and refuse are blown or cast into such pools and they become a menace to the health and well-being of the people in the neighborhood. Some such streets were found alongside public schools, where they were used not so much for traffic as for play space by the school children. It is manifestly impossible to permit such conditions to be continued. The holes, depressions and inequalities in the surface of these streets are also an especial peril to the Fire Department, the engines and trucks of which may at any time be overturned or wrecked in the desire of the firemen to perform their duties. Not only may injury to the men and equipment result, but fire damage may be increased by the consequent delay in blocking of the street. To a lesser degree the streets are in like manner a peril to the heavier motor trucks and wagons of the mercantile community, and exposes them to damage and personal injury.

The total authorizations for repaving streets and avenues in the various boroughs comprising the entire city, for the last four years, have been as follows:

|            |                |
|------------|----------------|
| 1914 ..... | \$1,910,000 00 |
| 1915 ..... | 1,345,000 00   |
| 1916 ..... | 2,989,000 00   |
| 1917 ..... | 2,252,930 00   |

—making a total of \$8,496,930 for the five boroughs for the last four years.

That such appropriations were wholly inadequate is indicated by the fact that the various Borough Presidents requested for the year 1917 appropriations for repaving aggregating \$8,094,580, or only slightly less than were actually authorized during the entire period of four years. The requests of the Borough Presidents for that year were granted only to the extent of \$2,000,000, or nearly \$6,500,000 less than they demanded. The inevitable consequence of such inadequacy in appropriation is that many of the streets are now in a condition where it is impossible to avoid repaving or closing them.

Under the circumstances your Committee recommends that appropriations aggregating \$3,500,000 be made for the purpose of repaving in the various boroughs, to be allotted as follows:

|                            |                |
|----------------------------|----------------|
| Borough of Manhattan ..... | \$2,000,000 00 |
| Borough of The Bronx ..... | 350,000 00     |
| Borough of Brooklyn .....  | 650,000 00     |
| Borough of Queens .....    | 300,000 00     |
| Borough of Richmond .....  | 200,000 00     |

The previous administration, in the latter part of 1916, made the appropriations for repaving for the year 1917 so as to minimize the operation of the pay-as-you-go act. By making such appropriations in December of 1916 only one-half of the expense of repaving became a budget charge; whereas, had the appropriations been made early in 1917 for that year three-quarters of the amount would have been a budget charge. Although the previous administration by taking action any time prior to December 31, 1917, could have limited the effect of the pay-as-you-go act to three-quarters of the requirements for the year 1918, no action whatever was taken. The result is that under the operation and effect of the pay-as-you-go act the whole amount of the foregoing appropriations for repaving in 1918 must come out of the budget; and inasmuch as no provision whatever was made therefor in the 1918 budget, it must of necessity come out of that for 1919.

The only possible escape from this is that the pay-as-you-go act may cease to apply, in which event it may be found desirable to provide for all or some part of these appropriations by short term corporate stock or serial bonds running not to exceed ten years. About \$58,000,000 of long term corporate stock has heretofore been issued for repaving and is now outstanding, the greater part of which runs for fifty years.

The adoption of the annexed resolution is recommended, pursuant to which special revenue bonds redeemable in 1919 are authorized, and in case the law should be changed this authorization may be modified in whole or in part so as to provide for serial bonds or corporate stock running not to exceed ten years.

Annexed hereto are the lists of streets submitted by the respective Borough Presidents for repaving. Inasmuch as the actual condition of some of these streets cannot be clearly determined until weather conditions have materially changed, and the full appropriations asked for have not been granted, it is not deemed expedient to limit the use of the funds appropriated to any particular streets but to leave the responsibility for the proper use of the money appropriated upon the President of each of the respective Boroughs. Respectfully submitted,

CHARLES L. CRAIG, Comptroller and Chairman; JOHN F. HYLAN, Mayor; ALFRED E. SMITH, President, Board of Aldermen; FRANK L. DOWLING, President, Borough of Manhattan; HENRY BRUCKNER, President, Borough of The Bronx; EDWARD RIEGELMANN, President, Borough of Brooklyn; MAURICE E. CONNOLLY, President, Borough of Queens; CALVIN D. VAN NAME, President, Borough of Richmond; Committee on Finance and Budget.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of the Greater New York Charter, as amended, hereby appropriates and authorizes the expenditure of the sum of three million five hundred thousand dollars (\$3,500,000) for the purpose of repaving streets and avenues in the City of New York, to be apportioned as follows:

|                            |                |
|----------------------------|----------------|
| Borough of Manhattan ..... | \$2,000,000 00 |
| Borough of Brooklyn .....  | 650,000 00     |
| Borough of The Bronx ..... | 350,000 00     |
| Borough of Queens .....    | 300,000 00     |
| Borough of Richmond .....  | 200,000 00     |

—and, to provide the means therefor, the Comptroller is hereby authorized and requested to issue from time to time, as may be required, special revenue bonds as authorized by subdivision 7, of section 188 of the Greater New York Charter, or corporate stock or serial bonds, if such be hereafter authorized to be issued for said purpose; provided, however, that the Borough Presidents file with the Comptroller schedules showing the streets or avenues intended to be repaved hereunder in their respective boroughs, and that no contract shall be made for repaving any street or avenue unless the President of the Borough having jurisdiction submits to the Comptroller with such contract evidence showing that the original pavement on such street or avenue was laid at the expense of the abutting property owners or by local taxation or by bond issues paid by the locality before consolidation, unless the Board of Estimate and Apportionment shall otherwise determine upon presentation of the facts and circumstances affecting such street or avenue.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

#### President, Borough of Manhattan—Issue of Special Revenue Bonds (Cal. No. 110).

(On March 1, 1918 (Cal. No. 99), the resolution of the Board of Aldermen in this matter was referred to the Committee on Finance and Budget.)

The Secretary presented a resolution adopted February 13, 1918, by the Board of Aldermen, requesting the issue of \$10,000 special revenue bonds, to be used by the President of the Borough of Manhattan to replenish account 32-A, Repaving Street Pavements; and the following report of the Committee on Finance and Budget recommending approval thereof:

March 5, 1918.

#### To the Board of Estimate and Apportionment:

The Committee on Finance and Budget, to which on March 1, 1918 (Cal. No. 99), was referred a resolution adopted by the Board of Aldermen February 13, 1918, approved by the Mayor February 25, 1918, requesting an issue of \$10,000 special revenue bonds, the proceeds to be used by the President of the Borough of Manhattan for replenishing account for repaving street pavements between railroad tracks, reports thereon as follows:

The President of the Borough of Manhattan in a communication dated January 16, 1918, addressed to the Board of Aldermen, states that this fund was established several years ago for the purpose of making repairs to street pavements within railroad area for which railroad companies are responsible, and that the amounts expended for such repairs are recoverable by actions brought by the Corporation Counsel and the fund reimbursed by the moneys collected. He further states that the fund at the present time is practically exhausted and that there are many repairs which are urgent and necessary.

From a report made to the Chairman of the Finance Committee of the Board of Aldermen under date of January 28, 1918, by the Bureau of Contract Supervision, it appears that in 1909 and in 1912 special revenue bonds were authorized to be issued for the purpose of establishing and replenishing a fund from which the expense of repaving street pavements between railroad tracks and within the area for which railroad companies are responsible in the Borough of Manhattan could be met, the purpose being to enable the Borough President to at once make these repairs to the pavements whenever railroad companies were delinquent or refused when called upon to do so by the Bureau of Highways. The amounts expended for this purpose are recoverable in actions brought by the City, as stated by the Borough President.

The necessity for further replenishment of the fund is due to uncollected bills and because certain sums have been charged off as uncollectible upon advice of the Law Department in cases where settlements have been made with railroads at reduced sums.

It is therefore recommended that the special revenue bonds be authorized as requested by the Board of Aldermen. A resolution for that purpose is submitted.

Respectfully, CHARLES L. CRAIG, Comptroller, Chairman, Committee on Finance and Budget.

On motion, Rule 19 was waived in this matter and the following resolution was offered:

Resolved, That the resolution adopted by the Board of Aldermen on February 13, 1918, and approved by the Mayor February 25, 1918, requesting an issue of special revenue bonds in the sum of ten thousand dollars (\$10,000), the proceeds whereof to be used by the President of the Borough of Manhattan for the purpose of replenishing Account 32A, Repaving Street Pavements, be and the same is hereby approved

of and concurred in by the Board of Estimate and Apportionment, and for the purpose of providing means therefor the Comptroller be and is hereby authorized, pursuant to the provisions of subdivision 8 of section 188 of the Greater New York Charter, to issue special revenue bonds of The City of New York to an amount not exceeding ten thousand dollars (\$10,000) redeemable from the tax levy of the year succeeding the year of their issue, all obligations contracted for hereunder to be incurred on or before December 31, 1918.

Which was adopted by the following vote:  
Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

**Public Service Commission for the First District—Approval of Contract with Walter Farrington for Construction of Station Finish, Parts of the Broadway-Fourth Avenue and Seventh Avenue-Lexington Avenue Rapid Transit Railroads (Route 33, Sections 1, 2 and 3, and Route No. 48, Section 3), and Issue of Corporate Stock Therefor (Cal. No. 111).**

The Secretary presented a report of the Comptroller, recommending that the Board consent to the award of contract to Walter Farrington for the construction of station finish for parts of the Broadway-Fourth Avenue and Seventh Avenue-Lexington Avenue Railroads (Route No. 33, Sections 1, 2 and 3, and Route No. 48, Section 3), at an estimated cost of \$217,655.15; also recommending an issue of corporate stock in said amount to meet the City's obligations under said contract.

(On February 8, 1918 (Cal. No. 68), the requisition of the Public Service Commission for the First District for approval of this contract and for an issue of corporate stock to meet the City's obligations thereunder, was referred to the Comptroller.)

The matter was laid over one week (March 15, 1918), under rule 19.

**Public Service Commission for the First District—Approval of Contract with John B. Roberts for Completion of Station Finish for Passageway, Stairways and Other Portions of New Grand Central Station, and Issue of Corporate Stock Therefor (Cal. No. 112).**

The Secretary presented a report of the Comptroller, recommending that the Board consent to the award of contract with John B. Roberts for the construction of station finish at the Grand Central Station (joint station of the Seventh Avenue-Lexington Avenue Line, Queensboro Line and the Manhattan-Bronx Rapid Transit Railroad), at a total estimated cost of \$129,145.50; also recommending an issue of corporate stock in said amount to meet the City's obligations under said contract.

(On February 8, 1918 (Cal. No. 67), the requisition of the Public Service Commission for the First District for approval of this contract and for an issue of corporate stock to meet the City's obligations thereunder was referred to the Comptroller.)

The matter was laid over one week (March 15, 1918), under rule 19.

**President, Borough of Queens—Authority to Fill Vacancy (Cal. No. 113).**

(The request herein was referred direct by the Secretary of the Board to the Committee on Salaries and Grades.)

The Secretary presented a communication, dated February 23, 1918, from the President, Borough of Queens, requesting permission to fill a vacancy of Topographical Draughtsman; and the following report of the Committee on Salaries and Grades recommending approval thereof:

The Secretary presented five communications dated March 8, 1918, from the President of the Borough of Richmond, submitting statements of the preliminary work performed in the matter of the following local improvements:

(a) Construction of a system of temporary sanitary sewers, with the necessary appurtenances, in Simonson Avenue, from a point about 350 feet south of Division Avenue to a point about 100 feet north of Washington Avenue, etc.

(b) Construction of a temporary sanitary sewer, with the necessary appurtenances in Union Avenue, from a point about 70 feet south of the Staten Island Rapid Transit Railroad to a point about 100 feet north of Washington Avenue, etc.

(c) Construction of a temporary sanitary sewer, with the necessary appurtenances in South Avenue, from the Staten Island Rapid Transit Railroad to an easement, etc.

(d) Construction of a temporary sanitary sewer in Harbor Road, from the Staten Island Rapid Transit Railroad to Zeluff Street, in the Third Ward.

(e) Construction of a temporary sanitary sewer, with the necessary appurtenances in Maple Parkway (formerly Maple Avenue), from the Staten Island Rapid Transit Railroad to its southerly end, etc., all in the Borough of Richmond.

Which were referred to the Committee on Finance and Budget, and the Secretary directed to request the Chief Engineer to report to said Committee.

**John DeWitt Warner—Claim of (Cal. No. 116).**

(On December 28, 1917 (Cal. No. 47), the Board adopted a resolution authorizing the payment of this claim.)

The Secretary presented the following report of the Comptroller:

March 7, 1918.

To the Board of Estimate and Apportionment:

Gentlemen—On December 28, 1917, your predecessor Board passed a resolution that, pursuant to section 246 of the Charter, the sum of \$6,023.39 should be paid to John De Witt Warner for services as special counsel to the Dock Department, rendered between December 28, 1911, and December 31, 1912, in connection with freight terminal development of the Port of New York; and that revenue bonds be issued for such purpose from the account "Revenue Bond Fund for Claims, Miscellaneous, R.C.L.-11."

This claim was not paid prior to the 1st of January, 1918. On January 16, 1918, the Chief Auditor of Accounts of the Department of Finance reported that the claim was not properly payable from the above account, but that any payment should be made from code "R.C.L.-7, Revenue Bond Fund for Claims for Legal Services."

Your attention is called to the fact that, while such a resolution was adopted, no provision whatever was made in the 1918 budget to take up any revenue bonds that might be required to meet such payment; and that necessarily if the claim be paid provision will have to be included in the 1919 budget to take up the required amount of special revenue bonds.

Generally speaking, the services were rendered in connection with port and terminal development, legislation and proposals resulting from the passage of certain bills by the Legislature in 1911. The claimant had been retained as special counsel to the Dock Department, among other things, for the purpose of aiding and drafting new legislation affecting such matters. For such purposes, between February 1, 1911, and September 25, 1911, Mr. Warner was paid by the City \$6,480.97; and for services rendered between December 26, 1911, and December 28, 1911, after the passage of the legislation in question, he was paid the further sum of \$1,240.63.

There was conflict of assertion between the former Corporation Counsel and the former Dock Commissioner as to whether Mr. Warner's services had been discontinued. In any event, the Corporation Counsel had no appropriation from which to pay for such purpose and any employment by him without such appropriation was concededly illegal.

The claim in question was presented at the end of 1911 and remained undisposed of until the 28th of December, 1917.

In view of the fact that the taxpayers of 1919 will have to bear the burden of several millions of necessary expenditures that should have been provided for and included in the 1918 budget, it seems to me most unfair and improper to burden them further with a charge for services alleged to have been rendered in the year 1911. Many public spirited citizens rendered just as much service to the City of New York as did Mr. Warner, and they have never presented any claim to the City of New York for compensation for such services.

Under the circumstances and upon all the facts contained in the record upon which the resolution of December 28, 1917, was adopted, the matter is submitted to the Board for such action and consideration as it deems proper.

Respectfully submitted,

CHARLES L. CRAIG, Comptroller.

The following resolution was offered:

Resolved, That the resolution adopted by the Board of Estimate and Apportionment on December 28, 1917, which reads as follows:

"Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 246 of the Greater New York Charter, being chapter 601 of the Laws of 1907, as amended, hereby determines that the City has received a benefit from and is justly and equitably obligated to pay to John DeWitt Warner, without interest, the sum of six thousand and twenty-three dollars and thirty-nine cents (\$6,023.39), for services as Special Counsel to the Dock Department of the City, rendered between December 28, 1911, and December 31, 1912, in connection with the Freight Terminal Development of the Port of New York; that the said sum shall be paid in full satisfaction of the claim which has been presented by said John DeWitt Warner; that the interests of the City will be best subserved by the adjustment of said claim in said sum, and that payment shall only be made upon the execution by the said John DeWitt Warner of a full release in favor of the City, in such form as may be approved by the Corporation Counsel, and that the Comptroller is hereby authorized to pay said claim from the account 'Revenue Bond Fund for Claims, Miscellaneous, R. C. L.—11.'"

—be and the same is hereby rescinded.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Brooklyn, The Bronx, Queens and Richmond—14.

Present and Not Voting—The President of the Borough of Manhattan.

**Territory Bounded by Grand Street, Van Kleeck Place, Godwise Place (Dewey Street), Queens Boulevard, St. James Street, Poyer Street, Maurice Avenue, Reeder Place and Queens Boulevard, Elmhurst, Borough of Queens—Approval of Map Showing Proposed Subdivision of Private Property (Cal. No. 117).**

(On March 1, 1918 (Cal. No. 110), the request of the President, Borough of Queens, for approval of this map was referred to the Committee on City Plan and Public Improvements.)

The Secretary presented a communication, dated February 20, 1918, from the Secretary to the President, Borough of Queens, transmitting for approval map showing proposed subdivision of property; and the following report of the Committee on City Plan and Public Improvements:

March 6, 1918.

Board of Estimate and Apportionment:

Gentlemen—At the meeting of the Board of Estimate and Apportionment on March 1, 1918, a communication from the Secretary of the Borough of Queens submitting on behalf of the Borough President a map showing the proposed subdivision of property within the territory bounded by Grand Street, Van Kleeck Place, Godwise Place (Dewey Street), Queens Boulevard, St. James Street, Poyer Street, Maurice Avenue, Reeder Place and Queens Boulevard, in the Elmhurst section of the Borough of Queens, was referred to the Committee on City Plan and Public Improvements (Calendar No. 110).

This plan was submitted in accordance with the provisions of section 1540 of the Charter, as amended by chapter 513 of the Laws of 1916.

The Committee has carefully examined the plan and finds that it agrees with the present final plan of this part of the Borough, except for certain modifications in the lines of Grand Street, between Van Kleeck Place and Goldsmith Place, and between Seabury Street and Queens Boulevard, where modifications are proposed which would decrease the area now believed to be unnecessarily large which is devoted to street purposes. It is also proposed to eliminate the short block of Goldsmith Place, between Queens Boulevard and Maurice Avenue, which now subdivides a triangular block which is not unduly large, resulting at present in an unnecessary area to be devoted to street purposes.

Your Committee is informed that the modifications above referred to are entirely consistent with plans now being prepared by the President of the Borough of Queens which will be submitted to the Board for its adoption in the near future, and that the plan now under consideration has been prepared only after conference with the Borough authorities and in strict accordance with their proposed modified plan.

Inasmuch as the changes appear to be in the interest of economy and will result in avoiding the acquisition of unnecessary street area in a district abundantly provided with streets, your Committee recommends that the plan be approved.

Owing to the fact that action upon this plan must be taken by or before March 14, 1918, your Committee will ask unanimous consent for the consideration of this report at the meeting to be held on March 8, 1918. Respectfully submitted,

FRANK L. DOWLING, President, Borough of Manhattan, Chairman;  
CHARLES L. CRAIG, Comptroller; EDWARD RIEGELMANN, President, Borough of Brooklyn; HENRY BRUCKNER, President, Borough of The Bronx;  
MAURICE E. CONNOLLY, President, Borough of Queens; CALVIN D. VAN NAME, President, Borough of Richmond; Committee on City Plan and Public Improvements.

The following resolution was offered:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 1540 of the Greater New York Charter, as amended by chapter 513 of the Laws of 1916, hereby approves the map showing the subdivision into lots of private property bounded by Van Kleeck place, Godwise place, St. James street, Broadway and Grand street, Borough of Queens, and designated as "Map of Property at Elmhurst, in the Second Ward, Borough of Queens, City of New York, belonging to Simonson Realty Co.," said map having been approved in quadruplicate by the Acting President of the Borough of Queens on February 14, 1918, and having been transmitted by the Borough President to and received in the office of the Secretary of said Board on February 21, 1918.

Which was adopted by the following vote:

Affirmative—The Mayor, the Comptroller, the President of the Board of Aldermen and the Presidents of the Boroughs of Manhattan, Brooklyn, The Bronx, Queens and Richmond—16.

On motion, the Board adjourned to meet on Friday, March 15, 1918, at 10.30 o'clock A. M.

## DEPARTMENT OF FINANCE.

### WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE TUESDAY, MARCH 19, 1918.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that, when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice date.

Where the word "final" is shown after the name of the payee, payment will not be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

In making a written or verbal inquiry at this office for any of the above mentioned warrants, it is requested that reference be made by the Department of Finance voucher number.

CHARLES L. CRAIG, Comptroller.

**DEPARTMENT OF PLANT AND STRUCTURES.**

#### Proposals.

SEALED BIDS WILL BE RECEIVED BY the Commissioner of Plant and Structures at his office, Municipal Building, Manhattan, until

**THURSDAY, MARCH 28, 1918.**

FOR THE LEASE OF A STAND APPROXIMATELY FIVE FEET BY THIRTEEN FEET, FOR THE SALE OF ORANGEADE, FRUIT, CONFECTIONERY, STATIONERY, PAPERS, PERIODICALS, MAGAZINES, CIGARS, CIGARETTES AND TOBACCO, LOCATED ON THE EAST SIDE OF BEDFORD AVE. NEAR THE ENTRANCE OF THE BEDFORD AVE. STATION, UNDER THE BROOKLYN APPROACH TO THE WILLIAMSBURG BRIDGE, FOR A PERIOD OF ONE YEAR FROM APRIL 1, 1918.

The price bid shall be a certain sum per month, payable in advance.

Each bidder will be required to deposit with his bid the sum of \$200 in cash or a certified check drawn on a State or National Bank of the City of New York. Such cash or certified check shall not be enclosed in the envelope with the proposed bid, but must be handed to the official who receives the bid, for examination and approval, before accepting the bid.

All such deposits, except that of the successful bidder, will be returned after the award of the privilege. The amount deposited by the

thereof is granted. In case the successful bidder does not execute the agreement for maintaining the stand when so directed, then such deposit shall be forfeited to the City.

No bid shall be received from any one who is a delinquent on any lease from the City, and no bid shall be accepted from any person who is in arrears to the City upon debt or contract or is a defaulter as surety or otherwise on any obligation to the City, as provided by law. The City will install the necessary shelving and furnish electric wiring and equipment for lighting purposes.

The lessee shall maintain the stand in good repair, but no alterations or improvements shall be made to the stand without the written consent and approval of the Commissioner of Plant and Structures.

In the event of the failure of the lessee to comply with all the requirements of the agreement, any moneys deposited by him with the City shall be forfeited.

The lessee shall comply with the rules and regulations of the City and State Departments having jurisdiction over the premises.

The Commissioner of Plant and Structures reserves the right to reject any and all bids if he deems it to the interest of the City so to do.

JOHN H. DELANEY, Commissioner.  
Dated, March 8, 1918. m12,28

#### DEPARTMENT OF CORRECTION.

##### Auction Sale.

SEALED BIDS WILL BE RECEIVED BY the Commissioner of Correction, Municipal Building, Manhattan, until 11 a. m., on **MONDAY, APRIL 1, 1918.**

##### Notice to File Claims.

In the Matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments required for the opening and extending of the PUBLIC PLAYGROUND AND PARK comprising the block bounded by Lorimer street, Johnson avenue, Leonard street and Boerum street, as laid out by the Board of Estimate and Apportionment on September 21, 1917, in the Borough of Brooklyn, City of New York.

NOTICE IS HEREBY GIVEN THAT AN order of the Supreme Court, Second Judicial District, dated March 11, 1918, and duly entered and filed in the office of the Clerk of the County of Kings on March 12, 1918, to have the compensation which should justly be made to the respective owners of the real property proposed to be taken in the above entitled proceeding ascertained and determined by the Supreme Court without a jury, and the cost of such improvement assessed by the Court in accordance with the resolution adopted by the Board of Estimate and Apportionment on the 28th day of September, 1917, was granted.

NOTICE IS HEREBY FURTHER GIVEN that, pursuant to Section 1000 of the Greater New York Charter, amended by Chapter 606 of the Laws of 1915, the map or survey of the land to be acquired in this proceeding has been duly filed in the office of the Clerk of the County of Kings, and each and every party and person interested in the real property to be taken for the purpose of opening and extending of the Public Playground and Park, comprising the block bounded by Lorimer street, Johnson avenue, Leonard street and Boerum street, as laid out by the Board of Estimate and Apportionment on September 21, 1917, in the Borough of Brooklyn, City of New York, having any claim or demand on account thereof, is hereby required to file his claim, duly verified, describing the real property which the claimant owns or in which he is interested, and his postoffice address, with the Clerk of the County of Kings on or before the 30th day of March, 1918, and to serve the Corporation Counsel of The City of New York at his office, Room 83, No. 166 Montague street, Borough of Brooklyn, City of New York, on or before the 30th day of March, 1918, a copy of such verified claim.

Dated, New York, March 18, 1918.

WILLIAM P. BURR, Corporation Counsel, 166 Montague street, Borough of Brooklyn, City of New York. m18,28

##### Application to Amend Proceedings.

In the Matter of the Application of The City of New York, relative to amending its application heretofore made in the Matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired for the same purpose in fee, to the lands, tenements and hereditaments required for the opening and extending of NAGY STREET, between Metropolitan avenue and Grand street, in the Second Ward, Borough of Queens, City of New York, so as to conform to the map or plan of The City of New York, as changed by the map or plan adopted by the Board of Estimate and Apportionment on April 28, 1916, and approved by the Mayor on May 17, 1916, by which change Nagy street, as originally laid out between Jansen avenue and Nassau avenue (North Hempstead Plank road), was omitted, and in this section was deflected eastwardly along radically different lines, and by including within the scope of the proceeding a small public park bounded by Grand street, Nagy street and Nassau avenue.

NOTICE IS HEREBY GIVEN THAT AN application will be made to the Supreme Court of the State of New York, Second Judicial District, at a Special Term for the hearing of motions, held at Trial Term, Part 1, in and for the County of Queens, in the County Court House, in the Borough of Queens, City of New York, on the 27th day of March, 1918, at the opening of the Court on that day, or as soon thereafter as counsel can be heard thereon, for an order amending the proceeding entitled "In the Matter of the Application of The City of New York, relative to acquiring title wherever the same has not been heretofore acquired for the same purpose in fee, to the lands, tenements

to be acquired in this amended proceeding, is more particularly bounded and described as follows, to wit:

**Parcel "A."**  
Beginning at a point formed by the intersection of the westerly line of Nagy street with the northerly line of Jansen avenue; running thence easterly for 133.41 feet along the northerly line of Jansen avenue to the easterly line of Nagy street; thence southerly, deflecting to the right 120° 21' 17" for 145.28 feet along the easterly line of Nagy street; thence southerly, deflecting to the left 30° 21' 17" for 4,642.72 feet along the easterly line of Nagy street to the old northerly line of Metropolitan avenue; thence westerly, deflecting to the right 113° 33' 06" for 65.45 feet along the old northerly line of Metropolitan avenue to the westerly line of Nagy street; thence northerly for 4,741.93 feet along the westerly line of Nagy street to the northerly line of Jansen avenue, the point or place of beginning.

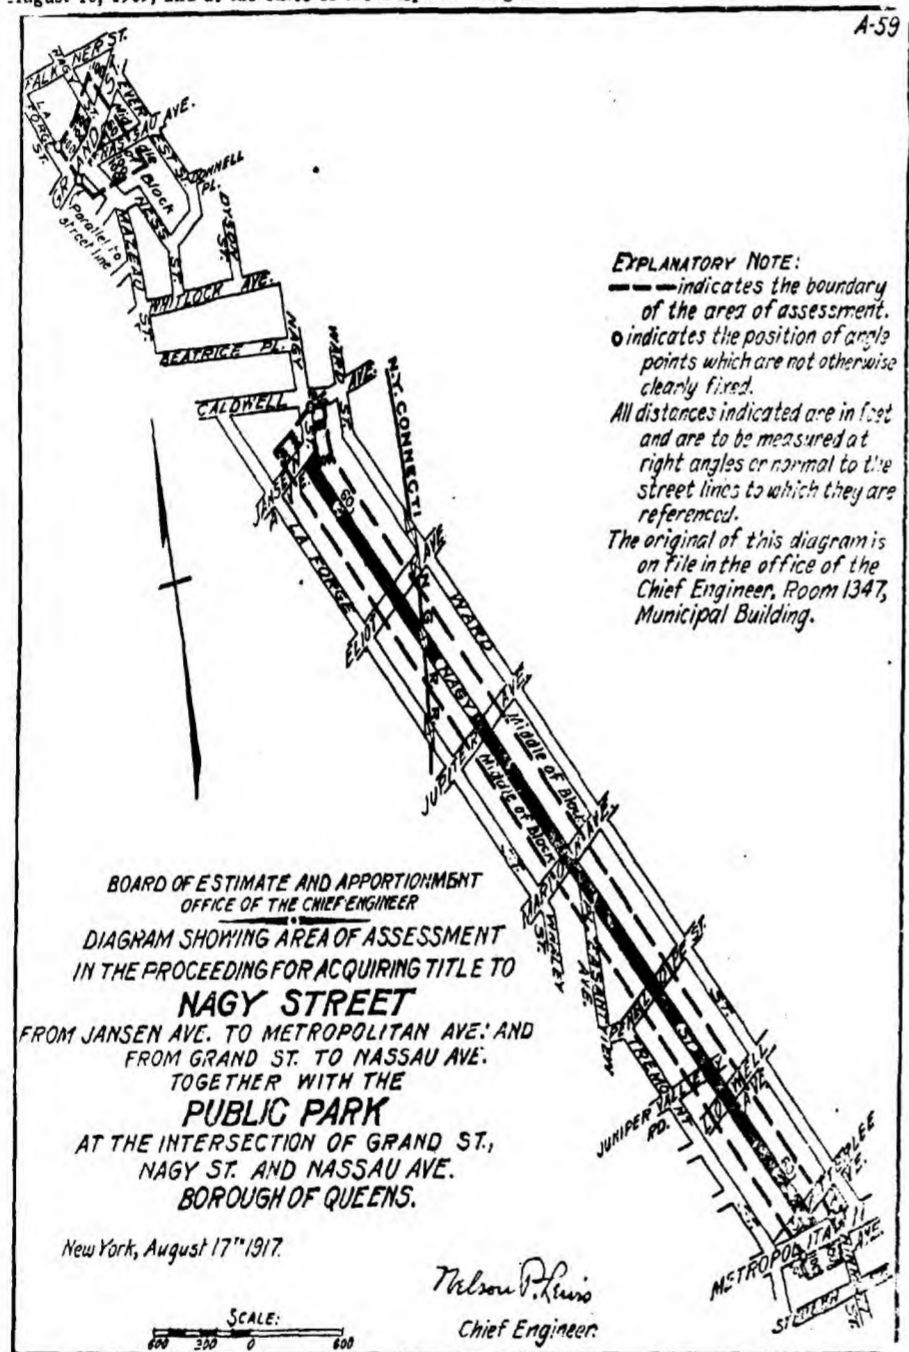

**Parcel "B."**  
Beginning at a point formed by the intersection of the southerly line of Grand street with the northerly line of Nassau avenue (North Hempstead Plank road); running thence easterly for 97.48 feet along the southerly line of Grand street to the easterly line of Nagy street; thence southerly, deflecting to the right 111° 33' 00" for 72.37 feet along the easterly line of Nagy street to the northerly line of Nassau avenue; thence westerly for 97.80 feet along the northerly line of Nassau avenue to the southerly line of Grand street, the point or place of beginning.

The property affected by the above proceeding is located in Blocks No. 2904, 2905, 2849, 2850, 2839, 2840, 2800, 2801, 2790, 2791, 2755, 2756, 2745, 2746, 2719, 2720, 2966 and 2967 of the Land Map of The City of New York, Borough of Queens.

Nagy street, extending from Metropolitan avenue to Jansen avenue, and from Nassau avenue to Grand street, together with the Public place bounded by Grand street, Nagy street and Nassau avenue, in the Second Ward, Borough of Queens, City of New York, are laid down upon Section 28 of the Final Maps of the Borough of Queens, approved by the Board of Estimate and Apportionment January 15, 1909, by the Mayor January 21, 1909, copies of which were filed at the Office of the President of the Borough of Queens, August 13, 1909, at the office of the County Clerk of Queens County at Jamaica August 10, 1909, and at the office of the Corpora-

tion Counsel of The City of New York August 9, 1909, and upon Section 35 of Final Maps of the Borough of Queens, approved by the Board of Estimate and Apportionment July 1, 1910, by the Mayor July 13, 1910, copies of which were filed at the office of the President of the Borough of Queens April 7, 1911, at the office of the County Clerk of Queens County at Jamaica April 6, 1911, at the office of the Corporation Counsel of The City of New York April 5, 1911, as extended by and amended by Alteration Map No. 453 of the territory bounded by Grand street, Calamus avenue, Division avenue, Homans avenue, etc., approved by the Board of Estimate and Apportionment July 1, 1915, by the Mayor July 1, 1915, copies of which were filed at the office of the County Clerk of Queens County at Jamaica October 21, 1915, at the office of the Corporation Counsel of The City of New York October 20, 1915, and at the office of the President of the Borough of Queens October 22, 1915, and Alteration Map No. 581 of the territory bounded by Grand street, Nagy street, Nassau avenue, Greiffenberg street, etc., approved by the Board of Estimate and Apportionment April 28, 1916, by the Mayor May 17, 1916, copies of which were filed at the office of the County Clerk of Queens County at Jamaica September 18, 1916, at the office of the Corporation Counsel of The City of New York September 18, 1916, and at the office of the President of the Borough of Queens September 19, 1916.

The Board of Estimate and Apportionment, by a resolution adopted on the 19th day of October, 1917, determined that the sum of \$2,283.31, being the cost and expense incurred in the proceeding chargeable to the portion of the street omitted from the final map or plan of The City by the map adopted by the resolution of the Board of Estimate and Apportionment April 28, 1916, and approved by the Mayor May 17, 1916, be borne and paid by The City of New York, and that the remainder of the cost and expense of the proceeding, including the expense of the Bureau of Street Openings, the cost and expense incurred by the President of the Borough of Queens in the preparation of rule, damage, benefit and profile maps, for the use thereof; and of the awards, if any, for damages caused by intended regulation, and all other expenses and disbursements authorized by the Greater New York Charter, as amended, be borne and paid by the property within the proposed area of assessment for benefit shown on the following diagram:

### NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from the demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture

of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be relocated or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be relocated or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and be it further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

### NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS ON WORK TO BE DONE FOR, OR SUPPLIES TO BE FURNISHED TO THE CITY OF NEW YORK.

The person or persons making a bid for any service, work, materials or supplies for The City of New York, or for any of its departments, bureaus or officers, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the bids will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid shall contain the name and place of residence of the person making the same, and the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making a bid for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer or employee of The City of New York is, shall be, or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid must be verified by the oath, in writing, or the party or parties making the bid, that the several matters stated therein are in all respects true.

No bid will be considered unless as a condition precedent to the reception or consideration of such bid it be accompanied by a certified check upon one of the State or National banks or trust companies of The City of New York, or a check of such bank or trust company signed by a duly authorized officer thereof, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required as provided in section 420 of the Greater New York Charter.

All bids for supplies must be submitted in duplicate.

The certified check or money should not be inclosed in the envelope containing the bid, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid.

For particulars as to the quantity or quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation of the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids in addition to inserting the same in figures.

Bidders are requested to make their bids upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done or the supplies are to be furnished. Plans and drawings of construction work may be seen there.
