IAMES MATTHEWS, Treasurer.

The Board then went into executive session. The communication from the Civil Service Supervisory and Examining Boards submitting eligible list of watchmen was, On motion, laid on the table until the next executive session. The communication from the First Assistant Engineer, reporting that he had suspended Dock Builder Patrick Ryan and recommending that the suspension be approved, to continue one week,

Builder Patrick Ryan and recommending that the suspension be approved, to continue one week, was On motion, ordered to be placed on file, his action approved, and recommendation adopted. The report of the Engineer-in-Chief on Secretary's Order No. 7946 as to the dredging required in the slips adjoining Pier, new 55. North river, was On motion, ordered to be placed on file and the Secretary directed to notify Pim, Forwood & Company, lessees of Pier, new 55. North river, to dredge in the half slips adjoining the northerly and southerly sides of said pier, to a depth of twenty-five feet at mean low water ; and the Secretary was also directed to notify Sanderson & Son, lessees of Pier, new 54. North river, and Simpson & Spense, lessees of Pier, new 55. North river, to dredge to a depth of twenty-five feet at mean low water in the slips adjoining the northerly and southerly halves of said piers, respectively, at the same time that the dredging is done at Pier, new 55. North river, by Pim, Forwood & Company. Commissioners Matthew sand Post, to whom was referred the communication from the Board of Assessors, enclosing protest received from Edmund H. Schermerhorn and others, part owners of Piers 12, 13 and 14, East river, respecting the dredging done thereat, reported that the Department cannot admit the validity of the objections made by the owners to the assessments made thereon. On motion, the President was authorized to advise the Board of Assessors of the action of the Board. On motion, the Board adjourned.

EXECUTIVE DEPARTMENT.
