JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 10 to 3 daily, from all persons
hitherto liable or recently serving who have become ex-
empt, and all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof
of exemption; if liable, he must also answer in person,
giving full and correct name, residence, etc., etc. No
attention paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines if unpaid will be entered
as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully prose-
cuted.

GEORGE CAULFIELD,

Commissioner of Jurors,
Room 17, New County Court-house.

at public auction on Tuesday, July 11, 1882, at 10:30
o'clock, A. M., at the stables of Van Tassel & Kearney,

By order of the Board,

POLICE DEPARTMENT OF THE CITY OF NEW YORK,

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

SEALED ESTIMATES FOR MAKING ALTERA-
tions and repairs to the Eleventh Precinct Station-
house on Houston street, in the City of New York, known
as the "Union Market" building, will be received at the
Central Office of the Department of Police in the City
of New York until 6 o'clock A. M., of Friday, the 7th day
of July, 1882.

The person or persons making an estimate shall furnish
the same in a sealed envelope, indorsed "Estimate for
making alterations and repairs to the Eleventh Precinct
Station-house," and with his or their name or names, and
the date of presentation, to the head of said Department,
at the said office, on or before the day and hour above
named, at which time and place the estimate received
will be publicly opened by the head of said Department
and read.

For particulars of the nature and extent of the work to
be done, reference must be made to the plans and speci-
fications on file in the office of the Chief Clerk of the
said Department.

Bidders will state in writing, and also in figures, a
price for the work complete. The price is to cover
the furnishing of all the materials and labor and the per-
formance of all the work called for by the specifications,
plans, drawings, and form of agreement.

No estimate will be accepted from, or a contract
awarded to, any person who is in arrears to the Corpora-
tion upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corpora-
tion.

The entire work is to be completed within four months
from the date of the contract.

The person or persons to whom the contract may be
awarded will be required to give security, for the per-
formance of the contract, in the manner prescribed by
law, in the sum of twelve thousand dollars.

Each estimate shall contain and state the name and
place of residence of each of the persons making the same;
the names of all persons interested with him or them
therein; and if no other person be so interested, it shall
distinctly state that fact; also that it is made without
any connection with any other person making an esti-
mate for the same purpose, and is in all respects fair
and without collusion or fraud; and that no member of the
Common Council, head of a department, chief of a
bureau, deputy thereof, or clerk therein, or other officer
of the Corporation, is directly or indirectly interested
therein, or in the supplies or work to which it relates, or in
any portion of the profits thereof. The estimate must be
verified by the oath, in writing, of the party or parties
making the estimate that the several matters stated
therein are in all respects true. Where more than one
person is interested it is requisite that the verification be
made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, upon
its being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse
to execute the same, they will pay to the Corporation any
difference between the sum to which he would be entitled
upon its completion, and that which the Corporation may
be obliged to pay to the person or persons to whom the
contract may be awarded at any subsequent letting; the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons
signing the same that he is a householder or freeholder in
the City of New York, and is worth the amount of the
security required for the completion of this contract, and
herein stated, over and above all his debts of every nature,
and over and above his liabilities, as bail, surety, and other-
wise; and that he has offered himself as a surety in good
faith and with the intention to execute the bond required
by law. The adequacy and sufficiency of the security
offered will be subject to approval by the Comptroller of
the City of New York after the award is made and prior
to the signing of the contract.

Should the person or persons to whom the contract may
be awarded neglect or refuse to accept the contract within
five days after written notice that the same has been
awarded to his or their bid or proposal, or if he or they
accept but do not execute the contract and give the
proper security, he or they shall be considered as having
abandoned it and as in default to the Corporation, and the
contract will be readvertised and relet as provided by
law.

No estimate will be received or considered unless accom-
panied by either a certified check upon one of the national
banks of the City of New York, drawn to the order of the
Comptroller, or money, to the amount of five per centum
of the amount of the security required for the faithful per-
formance of the contract. Such check or money must

not be inclosed in the sealed envelope containing the esti-
mate, but must be handed to the officer or clerk of the
Department who has charge of the Estimate-box, and no
estimate can be deposited in said box until such check or
money has been examined by said officer or clerk and
found to be correct. All such deposits, except that
of the successful bidder, will be returned to the person
making the same within three days after the contract is
awarded. If the successful bidder shall refuse or neglect,
within five days after notice that the contract has been
awarded to him, to execute the same, the amount of the
deposit made by him shall be forfeited to and be retained
by the City of New York as liquidated damages for such

RULES AND REGULATIONS ESTABLISHED
for the government and proper care of piers, bulk-
heads, slips, and other wharf property, under the pro-
visions of subdivision 7 of section 6 of chapter 574 of the

punishable by a fine not exceeding five hundred dollars,
or by imprisonment not exceeding thirty days, or by both
such fine and imprisonment, on complaint of said
Board."

And every person guilty of a violation of or
disobedience to any of the following rules or
regulations, in addition to the penalties thereby
fixed and imposed, to be recovered in civil actions,
is liable to be prosecuted for a misdemeanor and
to be punished by such fine and imprisonment, or
by both.

No. 1.—No piles shall be driven, nor shall any platform
be erected, nor shall any filling-in of any kind be made on
any part of the water-front of the city, without a written
permit therefor being first had and obtained from the
Board, under a penalty of two hundred and fifty dollars,
for every such offense, to be recovered from the owner,
lessee, or occupant of any pier or bulkhead, or of any
water-front property or right, who shall cause or permit
any such work to be done upon his premises before such
permit therefor has been obtained, and under the further
penalty of fifty dollars for each and every day which
shall elapse before any piles so driven, or platform
so erected, or material so filled-in, without such permit
being first obtained, shall be removed, after the expira-
tion of the time which may be allowed for such removal,
by a notice served upon such owner, lessee, or occupant,
by the Corporation Wharfinger for the district, to be
also recovered from such owner, lessee, or occupant.

No. 2.—No shed, building, office, tally-house, or other
structure shall be erected, nor shall any derrick, hoist-
ing-mast, coal-hopper, sign, or advertising device, or
other erection or obstruction of any kind be placed or
maintained upon any pier, bulkhead, or other wharf
structure, nor upon any reclaimed land, without a writ-
ten permit therefor being first had and obtained from the
Board; and if the owner, lessee, or occupant of any such
premises, or the owner, lessee, or agent, of any such
structure, erections, or obstructions, shall fail to comply
with a notice served by the Corporation Wharfinger for
the district to remove any such structure, erection, or
obstruction, after the expiration of the time allowed by
such notice for the removal, such owner, lessee, occu-
pant or agent, shall forfeit and pay a penalty of twenty-
five dollars per day for each and every day, which shall
elapse before any such structure, erection or obstruction,
shall be removed, after the expiration of the time for the
removal thereof specified in said notice.

No. 3.—No cargo shall be discharged from any vessel
upon any bulkhead or wharf structure, at which such
vessel is being unladen, after service by the Corporation
Wharfinger for the district, upon the owner, consignee,
master, or other officer, or stevedore, of such vessel, of a
notice that such bulkhead or structure will be endangered
by the placing of additional cargo thereon, under a pen-
alty of two hundred and fifty dollars for every such
offense, and a further penalty equal in amount to the
damages of every description which shall be caused by
the further discharging of cargo upon such bulkhead or
wharf structure, after the service of the said notice, both
of such penalties to be recovered from such owner, con-
signee, master or other officer or stevedore, severally
and respectively.

No. 4.—All goods, merchandise, and materials of every
kind, landed or placed on any pier, bulkhead, or other
wharf structure, or upon reclaimed land, must be re-
moved therefrom without unnecessary delay, and within
twenty-four hours after the Corporation Wharfinger for
the district shall have served upon the owner, shipper,
or consignee, of such cargo, a notice to remove the same,
under a penalty of fifty dollars per day for each and
every day, during which any part of said cargo shall re-
main upon such pier, bulkhead, structure, or land, after
the expiration of the said twenty-four hours, to be re-
covered from such owner, shipper, or consignee, severally
and respectively.

No. 5.—All goods, merchandise and materials of every
kind encumbering any pier, bulkhead or other wharf

No. 7.—No vessel of any kind shall be loaded or dis-
charged by horse power, nor shall stones or similar
cargo be discharged from any vessel, upon any pier,
bulkhead or other wharf structure, unless proper plank-
ing be provided to protect the surface of such pier, bulk-

head or other wharf structure from injury consequent upon the travel of the horse, or the throwing of the stones or similar cargo thereupon, under a penalty of five dollars a day for each horse so employed, and of twenty-five dollars for each offense of discharging such stones or like cargo, upon such pier, bulkhead, or other wharf structure, to be recovered from the owner, consignee, master or stevedore of any such vessel, severally and respectively; and if such penalty be recovered for using horses, or discharging stones or similar cargo, upon wharf property belonging to the Corporation, under lease, it shall be paid to the lessee thereof, but if such penalty be recovered for using horses, or discharging stones or similar cargo, upon wharf property not owned by the Corporation, it shall be paid to the owner thereof.

No. 8.—No sand shall be discharged from any vessel unless canvas or similar material be extended from the vessel's side to the bulkhead or wharf structure at which such vessel is being unladen, to prevent the falling of the sand into the water, and if the surface of any such wharf structure is not sufficiently tight to prevent the sand dumped thereon from going through into the water, then no sand shall be discharged therefrom from any vessel, unless canvas or similar material be first laid thereon to receive the sand, under a penalty of twenty-five dollars for each offense, to be recovered from the owner, consignee, master or stevedore of any such vessel, severally and respectively; and if such penalty be recovered on account of sand discharged upon wharf property belonging to the Corporation, under lease, it shall be paid to the lessee thereof, but if such penalty be recovered on account of sand discharged upon wharf property not owned by the Corporation, it shall be paid to the owner thereof.

No. 9.—The owners, lessees and occupants of every pier, wharf and bulkhead in the City of New York shall keep the same in good repair, and the slips adjacent thereto properly dredged; and whenever, in the judgment of the Board, it shall be necessary so to do, written notices, signed by the President or Secretary of said Board, shall be served upon the owners, lessees or occupants, or collector of wharfage of any such pier, wharf or bulkhead, or the slip adjoining the same, on or in which repairs or dredging are required by said Board, specifying the nature and extent of the repairs or dredging so required, and the time within which such repairs must be made, or such dredging done; and in case the owners, lessees or occupants so notified, fail to comply with the terms and requirements of such notice, they shall forfeit and pay a penalty of fifty dollars per day for every day which shall elapse before they comply with such notice.

No. 10.—No ashes, refuse, offal, fruit, vegetables or any other substances shall be thrown into the waters surrounding or adjacent to any pier or bulkhead, or any other part of the water-front of the city, under a penalty of twenty-five dollars for every such offense, to be recovered from the owner, lessee, or occupant, severally and respectively, of any pier, bulkhead, wharf structure, or other property, from which any such substance shall be thrown, or from the person actually throwing the same; or if any such substance be thrown from any vessel lying in waters within the jurisdiction of the Department, whether berthed or not, then such penalty to be recovered from the owner, consignee, or master of such vessel, severally and respectively.

No. 11.—No snow or ice shall be dumped into the waters adjacent to the water-front of the city, except from the piers, bulkheads and other places designated from time to time, by the Board, for such dumping, under a penalty of twenty-five dollars for each offense, to be recovered from the owner, lessee or occupant of any pier, bulkhead or other wharf property, from which any such snow and ice shall be dumped, or from the person actually dumping the same, severally and respectively.

No. 12.—All lumber, brick, or other material in bulk discharged on any bulkhead not shedded, shall be at once removed, or, if not so removed, shall be placed at least twenty feet from the edge of the bulkhead, pending removal, under a penalty of fifty dollars per day, for each and every day such lumber, brick or other material shall remain on the bulkhead, to be recovered from the owner or consignee of such lumber, brick or other material, or from the person placing, or causing the same to be placed, on such bulkhead, severally and respectively.

No. 13.—The charges for wharfage and dockage of all vessels admitted to any of the piers or bulkheads constructed under the new plans adopted by the Department, shall be at the same rates as are now, or shall hereafter be, fixed and established by laws of this State, until otherwise ordered by the Board.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

JOH. H. CHAMBERS, Water Register:
SIR—From your letter of this date, in reference to certain rates included in the scale of water rents established by me on the 1st instant, it appears that there is a misapprehension in regard to their application. In order that the matter may be clearly understood, I have to inform and instruct you that the new rates in reference to water-closets are not intended to and do not apply to existing houses and fixtures, but will be applied to all new houses hereafter erected or completed, and to all existing houses where the water-closets and fixtures therein referred may hereafter be put in. These water-closet rates are to go into general effect May 1, 1883.

Respectfully,
HUBERT O. THOMPSON,

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9:30 o'clock A. M., of Friday, the 7th day of July, 1882. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, Crockery and Oils," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.
Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.
Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.
Bidders will state the prices for each article, by which the bids will be tested.
Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
