j4-13

INFORMATION TECHNOLOGY AND TELECOMMUNICATIONS

FRANCHISE ADMINISTRATION

PUBLIC HEARINGS

NOTICE OF A FRANCHISE AND CONCESSION REVIEW COMMITTEE ("FCRC") PUBLIC HEARING to be held on Monday, June 11, 2012 commencing at 2:30 P.M. at 22 Reade Street, Borough of Manhattan in the matter of a request for approval of a change of control of AboveNet Communications, Inc. ("ACI") from AboveNet, Inc. to Zayo Group, LLC. ACI is the successor of Metromedia Fiber Network NYC, Inc., which was granted a franchise by the City of New York ("the City"), expressed in an amended and restated franchise agreement (the "Franchise Agreement") dated February 28, 2000, to install, operate and maintain telecommunications services equipment and facilities in the inalienable property of the City.

Copies of organizational charts reflecting the current controlling ownership of ACI and the proposed new controlling ownership thereof, and a copy of the Franchise Agreement, may be viewed at the Department of Information

Technology and Telecommunications, 2 Metrotech Center, 4th Floor, Brooklyn, New York 11201, from May 17, 2012 through June 11, 2012, between the hours of 9:30 A.M. and 3:30 P.M., excluding Saturdays, Sundays and holidays. Hard copies of such organizational charts and of the Franchise Agreement may be obtained, by appointment, at a cost of \$.25 per page. All payments shall be made at the time of pickup by check or money order made payable to the New York City Department of Finance. A copy of such organizational charts and of the Franchise Agreement may also be obtained in PDF form at no cost, by email request. Interested parties should contact Roxanne Chambers at (212) 788-6610 or by email at RChambers@doitt.nyc.gov.

NOTE: Individuals requesting sign language interpreters at the public hearing should contact the Mayor's Office of Contract Services, Public Hearing Unit, 253 Broadway, 9th Floor, New York, New York 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay service.

The Hearing may be cablecast on NYC Media Group channels.

m17-j11

LABOR RELATIONS

DEFERRED COMPENSATION PLAN

MEETING

The New York City Deferred Compensation Plan Board will hold its next meeting on Wednesday, June 6, 2012 from 10:00 A.M. to 1:00 P.M. The meeting will be held at 40 Rector Street, 3rd Floor, NYC.

j4-6

LANDMARKS PRESERVATION COMMISSION

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that pursuant to the provisions of Title 25, chapter 3 of the Administrative Code of the City of New York (Sections 25-307, 25-308, 25,309, 25-313, 25-318, 25-320) (formerly Chapter 8-A, Sections 207-6.0, 207-7.0, 207-12.0, 207-17.0, and 207-19.0), on Tuesday, **June 19, 2012 at 9:30 A.M.** in the morning of that day, a public hearing will be held in the Conference Room at 1 Centre Street, 9th Floor, Borough of Manhattan with respect to the following properties and then followed by a public meeting. Any person requiring reasonable accommodation in order to participate in the hearing or attend the meeting should call or write the Landmarks Commission no later than five (5) business days before the hearing or meeting.

■ PUBLIC HEARINGS

AGENCY ANNUAL CONCESSION PLANS

Notice of a Franchise and Concession Review Committee (FCRC) Public Hearing on Agency Annual Concession Plans for Fiscal Year 2013 pursuant to Section 1-10 of the Concession Rules of the City of New York (Concession Rules), to be held on June 11, 2012, commencing at 2:30 P.M., and located at 22 Reade Street, Spector Hall, Manhattan. At this hearing, the FCRC will further solicit comments about the provisions of the Concession Rules from the vendor community, civic groups and the public at large. The FCRC shall consider the issues raised at the Public Hearing in accordance with the procedures set forth in the Charter under the City Administrative Procedure Act.

The following agencies submitted an Annual Concession Plan for Fiscal Year 2013: the Department of Parks and Recreation, the Department of Citywide Administration Services, the Department of Transportation, the Department of Corrections, the Department of Sanitation, the New York Police Department, the Department of Housing Preservation and Development, the Department of Homeless Services, the Department of Environmental Protection, the Department of Health and Mental Hygiene, the Department of Records and Information

Services, the New York City Office of Chief Medical Examiner, the New York City Economic Development Corporation on behalf of the Department of Small Business Services, and NYC & Company on behalf of the Department of Small Business Services.

The portfolio of Agency Annual Concession Plans covers significant and non-significant concessions expiring, continuing and anticipated for solicitation or initiation in Fiscal Year 2013. Furthermore, the portfolio covers, *inter alia*:

- Department of Parks and Recreation: mobile food units, food service facilities, golf courses, driving ranges, marinas, tennis professionals, Christmas trees, parking lots, markets, concerts, newsstands, stables, gas stations, amusement venues, ice skating rinks, carousels, ferry services, bike rentals, circus, sailboat rentals, souvenirs and gifts.
- Department of Citywide Administrative Services: maritime and non-maritime occupancy permits.
- Department of Transportation: food kiosks, vending machines, pedestrian plazas, food courts.
- Department of Corrections: food services.
- Department of Sanitation: advertising.
- New York City Police Department: vending machines.
- Department of Housing Preservation and Development: vending machines, café.
- Department of Homeless Services: athletic facilities.
- Department of Environmental Protection: gas purification.
- Department of Health and Mental Hygiene: drug discount card program.
- Department of Records and Information Services: publication of record collections.
- New York City Office of the Chief Medical Examiner: DNA swab kit.
- New York City Economic Development Corporation on behalf of the Department of Small Business Service: parking lots, maritime and non-maritime occupancy permits.
- NYC & Company on behalf of the Department of Small Business Services: marketing, advertising, intellectual property & trademark merchandising.

Interested parties may obtain a copy of the Agency Annual Concession Plans by contacting Adam Buchanan by phone at (212) 788-0010. Hard copies will be provided at a cost of \$.25 per page by check or money order made payable to the New York City Department of Finance. Upon request, a PDF version of the Agency Annual Concession Plans is available free of cost.

RENT GUIDELINES BOARD

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN THAT THE NEW YORK CITY RENT GUIDELINES BOARD will hold a public hearing on Wednesday, **June 13, 2012** at the Repertory Theatre of Hostos Community College/CUNY, 450 Grand Concourse, Bronx, NY 10451 to consider public comments concerning rent adjustments for renewal leases for apartments, lofts, hotels and other housing units subject to the Rent Stabilization Law of 1969 and the Emergency Tenant Protection Act of 1974. These adjustments will affect renewal leases commencing between October 1, 2012 through September 30, 2013.

Public comments regarding proposed rent adjustments for rent stabilized apartments, lofts, and hotels (including class A and class B hotels, SROs, rooming houses and lodging houses) will begin at **4:30 P.M.** on Wednesday, **June 13, 2012**. Registration of speakers is required and pre-registration is now being accepted and is advised. Pre-registration requests for the hearing must be received before 1:00 P.M. on Tuesday, **June 12, 2012**. For further information and to pre-register for the public hearing call the Board at (212) 385-2934 or write to the Rent Guidelines Board, 51 Chambers Street, Rm. 202, New York, NY 10007. Persons who request that a sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are requested to notify Ms. Charmaine Superville at the above address by **June 8, 2012** by 4:30 P.M.

Proposed rent guidelines for all of the above classes of stabilized housing units were adopted on **May 1, 2012** and published in the City Record on **May 11, 2012**. Copies of the proposed guidelines are available from the Rent Guidelines Board staff office at the above listed address, at the Board's website nycrgb.org, or at www.nyc.gov/nycrules.

j1-12

NOTICE IS HEREBY GIVEN THAT THE NEW YORK CITY RENT GUIDELINES BOARD will hold a public hearing on Monday, **June 18, 2012** at the "Great Hall" at Cooper Union, 7 East 7th Street at the corner of 3rd Avenue, New York, NY 10003 to consider public comments concerning rent adjustments for renewal leases for apartments, lofts, hotels and other housing units subject to the Rent Stabilization Law of 1969 and the Emergency Tenant Protection Act of 1974. These adjustments will affect renewal leases commencing between October 1, 2012 through September 30, 2013.

Public comments regarding proposed rent adjustments for rent stabilized apartments, lofts, and hotels (including class A and class B hotels, SROs, rooming houses and lodging houses) will begin at **10:00 A.M.** on Monday, **June 18, 2012**. Registration of speakers is required and pre-registration is now being accepted and is advised. Pre-registration requests for the hearing must be received before 1:00 P.M. on Friday, **June 15, 2012**. For further information and to pre-register for the public hearing call the Board at (212) 385-2934 or write to the Rent Guidelines Board, 51 Chambers Street, Rm. 202, New York, NY 10007. Persons who request that a sign

language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are requested to notify Ms. Charmaine Superville at the above address by **June 13, 2012** by 4:30 P.M.

Proposed rent guidelines for all of the above classes of stabilized housing units were adopted on **May 1, 2012** and published in the City Record on **May 11, 2012**. Copies of the proposed guidelines are available from the Rent Guidelines Board staff office at the above listed address, at the Board's website nycrgb.org, or at www.nyc.gov/nycrules.

TRANSPORTATION

■ PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN, pursuant to law, that the following proposed revocable consents, have been scheduled for a public hearing by the New York City Department of Transportation. The hearing will be held at 55 Water Street, 9th Floor, Room 945 commencing at 2:00 P.M. on Wednesday, June 6, 2012. Interested parties can obtain copies of proposed agreements or request sign-language interpreters (with at least seven days prior notice) at 55 Water Street, 9th Floor SW, New York, NY 10041, or by calling (212) 839-6550.

#1 In the matter of a proposed revocable consent authorizing 1 Montgomery Place Condominium to maintain and use an existing fenced-in area, together with stairs, on the east sidewalk of 8th Avenue, north of Montgomery Place, in the Borough of Brooklyn. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2023 and provides among other terms and conditions for compensation payable to the City according to the following schedule:

From the Approval Date to June 30, 2023 - \$25/annum.

the maintenance of a security deposit in the sum of \$7,000 and the insurance shall be in the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#2 In the matter of a proposed revocable consent authorizing 121 FGP LLC to construct, maintain and use stoops, stairs and fenced-in planted area on the east sidewalk of Ft. Greene Place, south of Lafayette Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2023 and provides among other terms and conditions for compensation payable to the City according to the following schedule:

From the Approval Date to June 30, 2023 - \$25/annum.

the maintenance of a security deposit in the sum of \$5,000 and the insurance shall be in the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#3 In the matter of a proposed revocable consent authorizing 231 Carlton Avenue LLC to construct, maintain and use a stoop, steps and a fenced-in area on the east sidewalk of Carlton Avenue, between Willoughby Avenue and Dekalb Avenue, at 225 Carlton Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2023 and provides among other terms and conditions for compensation payable to the city according to the following schedule:

From the Approval Date to June 30, 2023 - \$25/annum.

the maintenance of a security deposit in the sum of \$7,500 and the insurance shall be in the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#4 In the matter of a proposed revocable consent authorizing 231 Carlton Avenue LLC to construct, maintain and use a stoop, steps and a fenced-in area on the east sidewalk of Carlton Avenue, between Willoughby Avenue and Dekalb Avenue, at 227 Carlton Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of ten years from the date of approval by the Mayor to June 30, 2023 and provides among others terms and condition for compensation payable to the city according to the following schedule:

From the Approval Date to June 30, 2023 - \$25/annum.

the maintenance of a security deposit in the sum of \$7,500 and the insurance shall be in the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#5 In the matter of a proposed revocable consent authorizing 231 Carlton Avenue LLC to construct, maintain and use a stoop, steps and a fenced-in area on the east sidewalk of Carlton Avenue, between Willoughby Avenue and Dekalb Avenue at 229 Carlton Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of ten years from the date of Approval by the Mayor to June 30, 2023 and provides among other terms and conditions for compensation payable to the City:

From the Approval Date to June 30, 2023 - \$25/annum.

the maintenance of a security deposit in the sum of \$7,500 and the insurance shall be in the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#6 In the matter of a proposed revocable consent authorizing 231 Carlton Avenue LLC to construct, maintain and use a stoop, steps and a fenced-in area on the east sidewalk of Carlton Avenue, between Willoughby Avenue and Dekalb

Avenue at 231 Carlton Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of ten years from the date of Approval by the Mayor to June 30, 2023 and provides among other terms and conditions for compensation payable to the City:

From the Approval Date to June 30, 2023 -\$25/annum.

the maintenance of a security deposit in the sum of \$7,500 and the insurance shall be in the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#7 In the matter of a proposed revocable consent authorizing 231 Carlton Avenue LLC to construct, maintain and use a stoop, steps and a fenced-in area on the east sidewalk of Carlton Avenue, between Willoughby Avenue and Dekalb Avenue, at 233 Carlton Avenue, in the Borough of Brooklyn. The proposed revocable consent is for a term of ten years from the date of Approval by the Mayor to June 30, 2023 and provides among other terms and conditions for compensation payable to the City:

From the Approval Date to June 30, 2023 - \$25/annum.

the maintenance of a security deposit in the sum of \$7,500 and the insurance shall be in the amount of One Million Dollars (\$1,000,000) per occurrence, and Two Million Dollars (\$2,000,000) aggregate.

#8 In the matter of a proposed revocable consent authorizing Lenox Hill Hospital to continue to maintain and use a conduit under and across East 76th Street, east of Park Avenue, in the Borough of Manhattan. The proposed revocable consent is for a term of ten years from July 1, 2005 to June 30, 2015 and provides among other terms and conditions for compensation payable to the City:

For the period July 1, 2005 to June 30, 2006 - \$12,910
For the period July 1, 2006 to June 30, 2007 - \$13,271

 ● **GRP: AIR-FLO PRODUCTS** – Competitive Sealed Bids – PIN# 8571200303 – AMT: \$1,176,000.00 – TO: Trius Inc., 458 Johnson Avenue, Bohemia, NY 11716.
 ● **GENUINE REPAIR PARTS FOR WATER ANALYSIS EQUIPMENT** – Competitive Sealed Bids – PIN# 8571200227 – AMT: \$339,500.00 – TO: Hach Company dba Lachat Instrum., 5600 Lindbergh Drive, P.O. Box 389, Loveland, CO 80539-0389.

VENDOR LISTS

Goods

EQUIPMENT FOR DEPARTMENT OF SANITATION – In accordance with PPB Rules, Section 2.05(c)(3), an acceptable brands list will be established for the following equipment for the Department of Sanitation:

- A. Collection Truck Bodies
- B. Collection Truck Cab Chassis
- C. Major Component Parts (Engine, Transmission, etc.)

Applications for consideration of equipment products for inclusion on the acceptable brands list are available from: Mr. Edward Andersen, Procurement Analyst, Department of Citywide Administrative Services, Office of Citywide Procurement, 1 Centre Street, 18th Floor, New York, NY 10007. (212) 669-8509.

PLANYC GREEN HOUSE GAS MITIGATION STUDY – Negotiated Acquisition – PIN# 82612N0007 – DUE 06-29-12 AT 4:00 P.M. – The Department of Environmental Protection in conjunction with The Mayor’s Office of Long Term Planning and Sustainability is seeking applications from qualified firms to complete a study to evaluate and expand the City’s current Green House Gas (GHG) mitigation strategies and accounting tools to maximize GHG reduction and related economic benefits. Any firm that would like to express interest must submit an application following the guidelines set forth in the attached document. Application must be received no later than June 29, 2012 at 4:00 P.M. DEP intends to negotiate with all qualified firms.

Negotiated Acquisition - Time sensitive procurement. NYSERDA Grant funded.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
 Department of Environmental Protection,
 59-17 Junction Blvd., 17th Floor, Flushing, NY 11373.

NEW YORK/NY III SUPPORTED HOUSING CONGREGATE – Competitive Sealed Proposals – Judgment required in evaluating proposals - PIN# 81608PO076300R0X00-R – DUE 09-18-12 AT 4:00 P.M. – The Department is issuing a RFP to establish 3,000 units of citywide supportive housing in newly constructed or rehabilitated single-site buildings for various homeless populations pursuant to the New York III Supported Housing agreement. The subject RFP will be open-ended and proposals will be accepted on an on-going basis. The RFP is available on-line at <http://www.nyc.gov/html/doh/html/acco/acco-rfp-nynyccongregate-20070117-form.shtml>. A pre-proposal conference was held on March 6, 2007 at 2:00 P.M. at 125 Worth Street, 2nd Floor Auditorium, New York, N.Y. Any questions regarding this RFP must be sent in writing in advance to Contracting Officer at the above address or e-mailed to the above address. All proposals must be hand delivered at the Agency Chief Contracting Officer, Gotham Center, CN#30A, 42-09 28th Street, 17th Floor, Queens, NY 11101-4132, no later than September 18, 2012.

As a minimum qualification requirement for (1) the serious and persistent mentally ill populations, the proposer must be incorporated as a not-for-profit organization, and (2) for the young adult populations, the proposer must document site control and identify the source of the capital funding and being used to construct or renovate the building.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
 Health and Mental Hygiene, ACCO, Gotham Center, CN#30A,
 42-09 28th Street, 17th Floor, Queens, NY 11101-4132.

HOUSING PRESERVATION & DEVELOPMENT

INTENT TO AWARD

Services (Other Than Human Services)

ELITE SYSTEM TECHNICAL SERVICES FOR WEB SERVICE DEVELOPMENT – Sole Source – Available only

from a single source - PIN# 80612S0003 – DUE 06-18-12 AT 11:00 A.M. – CORRECTION: The NYC Department of Housing Preservation and Development (HPD) intends to enter into sole source negotiations with Emphasys Computer Solutions (ECS), the owner of the proprietary software used by HPD on the Elite System for services to provide the development of a web service to provide an interface between Emphasys Elite and an external 3rd party application to update the Elite Building and Unit/Inspection related data. Emphasys Elite will also be modified to call an external web-based API when new buildings are added in the elite System to retrieve a Building ID from an external system. The new Emphasys web service API would expose the following functions: Update Elite HQS inspection data for units, and update Elite building ID. Emphasys Elite Building Entry will be modified to call an external web service. HPD is required to notify the public of its intent to enter into sole source agreement with the owner of the software. There is no RFP being issued. Vendors who have been licensed by ECS to provide the services described, please provide HPD, via contact info above, with your qualifications and a copy of your ECS licensing agreement.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.
 Housing Preservation and Development, 100 Gold Street,
 Room 4Z5, New York, NY 10038. Gisella Ruiz (212) 863-6939;

AGENCY PUBLIC HEARINGS ON CONTRACT AWARDS

NOTE: Individuals requesting Sign Language Interpreters should contact the Mayor’s Office of Contract Services, Public Hearings Unit, 253 Broadway, 9th Floor, New York, N.Y. 10007, (212) 788-7490, no later than SEVEN (7) BUSINESS DAYS PRIOR TO THE PUBLIC HEARING. TDD users should call Verizon relay services.

HUMAN RESOURCES ADMINISTRATION

PUBLIC HEARINGS

NOTICE IS HEREBY GIVEN that a Contract Public Hearing will be held on Tuesday, June 19, 2012, at the Human Resources Administration of the City of New York, 180 Water Street, 14th floor, Borough of Manhattan, commencing at 10:00 A.M. on the following:

IN THE MATTER of one (1) proposed contract between the Human Resources Administration of the City of New York and the contractor listed below, for the Provision of Sponsorship of Multi-Service Centers. The term of the contract will be from August 1, 2012 to July 31, 2015 with one (1) three year renewal option from August 1, 2015 to July 31, 2018.

CONTRACTOR/ADDRESS
 South Bronx Overall Economic Development Corporation
 555 Bergen Avenue, Bronx, NY 10455
PIN 09611P0058003
Amount \$0.00
Center Hunts Point

The proposed contractor has been selected through the Competitive Sealed Proposal method, pursuant to Section 3-03 of the Procurement Policy Board (PPB) Rules.

A draft copy of the proposed contract will be available for public inspection at the Human Resources Administration of the City of New York, 180 Water Street, Room, 1420, New York, N.Y. 10038 on business days, from June 6, 2012 through June 19, 2012, excluding Holidays, from 10:00 A.M. to 5:00 P.M.

IN THE MATTER of one (1) proposed contract between the Human Resources Administration of the City of New York and the contractor listed below, for the Provision of Community Outreach (Meals and Counseling) Services. The term of the contract will be from July 1, 2012 to June 30, 2015.

CONTRACTOR/ADDRESS
 The Momentum Project, Inc.
 322 Eighth Avenue, New York, NY 10001
PIN 09610P0027001
Amount \$1,567,236
Service Area Citywide

The proposed contractor has been selected through the Competitive Sealed Proposal method, pursuant to Section 3-03 of the Procurement Policy Board (PPB) Rules.

A draft copy of the proposed contract will be available for public inspection at the Human Resources Administration of the City of New York, 180 Water Street, Room, 1420, New York, N.Y. 10038 on business days, from June 6, 2012 through June 19, 2012, excluding Holidays, from 10:00 A.M. to 5:00 P.M.

Pursuant to City Environmental Quality Review (CEQR), Mayoral Executive Order No. 91 of 1977, CEQR Rules of Procedure of 1991 and the regulations of Article 8 of the State Environmental Conservation Law, State Environmental Quality Review Act (SEQRA) as found in 6 NYCRR Part 617, a Final Environmental Impact Statement (FEIS) has been prepared for the actions described below. Copies of the FEIS are available for public inspection at the office of the undersigned. The proposal involves actions by the City Planning Commission and Council of the City of New York pursuant to Uniform Land Use Review Procedures (ULURP). A public hearing on the Draft Environmental Impact Statement (DEIS) was held on April 25, 2012. Written comments on the DEIS were requested and were received by the Lead Agency until May 7, 2012. The FEIS incorporates responses to the public comments received on the DEIS and additional analysis conducted subsequent to the completion of the DEIS.

New York University (NYU) is proposing an expansion of NYU facilities at its academic core near Washington Square that will require a number of discretionary actions (the "Proposed Actions"). The project site for the Proposed Actions includes: a "Proposed Development Area," two superblocks bounded by LaGuardia Place to the west, Mercer Street to the east, West Houston Street to the south, and West Third Street to the north; a "Commercial Overlay Area," bounded by Washington Square East and University Place to the west, Mercer Street to the east, West Fourth Street to the south, and the northern boundary of the existing R6-2 zoning district near East Eighth Street to the north; and the "Mercer Plaza area," bounded by the western sidewalk of Mercer Street to the east, the existing NYU property line east of Weaver Hall to the west, West Third Street to the south, and West Fourth Street to the north. All areas are located in Manhattan Community District 2.

NYU is seeking a number of discretionary actions from the New York City Planning Commission (CPC) including a rezoning, two zoning text amendments, and a large-scale general development (LSGD) special permit with bulk modifications to facilitate the development of four buildings in the Proposed Development Area. NYU is also requesting a change to the City Map that would eliminate, discontinue and close ("demap") four areas within the mapped rights-of-way of Mercer Street, LaGuardia Place, West 3rd Street and West 4th Street, and the subsequent disposition of portions of those demapped areas along with easements in other portions to NYU, and the mapping of portions of two of the demapped areas as a public park. Other discretionary actions needed to facilitate NYU's proposed project include the elimination of NYC Department of Housing Preservation and Development (HPD) Deed Restrictions on the two blocks of the Proposed Development Area (Blocks 524 and 533), potential funding or financing approvals from the Dormitory Authority of the State of New York (DASNY), site selection by NYC School Construction Authority (SCA), and NYC Department of Transportation revocable consent for utility lines beneath City streets.

In addition, NYU submitted an application to the NYC Landmark Preservation Commission (LPC) for a Certificate of Appropriateness (CofA) for proposed changes to landscaping at University Village. LPC approved the proposed landscape changes and issued a CofA in July 2011. The CofA has not yet been issued in its final form as it contingent upon LPC's review and approval of the final NYC Department of Building filing set of drawings. The CofA is a ministerial action and is not subject to environmental review.

NYU proposes to rezone the Proposed Development Area from a residential zone (R7-2) and a residential zone with commercial overlay (R7-2/C1-5) to a commercial zone (C1-7) that has a residential district equivalent of R8. The Commercial Overlay Area would be rezoned from a residential zone (R7-2) to a residential zone with commercial overlay (R7-2/C1-5) to allow for new ground floor retail uses. The proposed zoning text amendments to Zoning Resolution (ZR) Sections 74-742 and 74-743 respectively would allow applications for LSGD special permits within the former Washington Square Southeast Urban Renewal Area to be submitted without meeting normally-applicable ownership requirements and allow public parks in the former Washington Square Southeast Urban Renewal Area to be treated as a street for all zoning purposes. The proposed LSGD special permit (pursuant to ZR Section 74-74) would allow for bulk modifications within the proposed LSGD permit: a) transfer of zoning floor area between two areas of the South Block; b) waiver of height and setback regulations to allow portions of the proposed and existing buildings to penetrate the required setback and sky exposure plane; c) waiver of rear yard regulations; and, d) waiver of minimum distance between buildings. A portion of the Proposed Development Area (Block 524) is also part of a Large Scale Residential Development (LSRD) designated in 1964. This LSRD would be dissolved as a consequence of the Proposed Actions.

In the Proposed Development Area on the superblock north of Bleeker Street (the "North Block"), the Proposed Actions would facilitate the development of two primarily academic (410,000 gsf) buildings (LaGuardia and Mercer Buildings) of 128 and 218 feet in height (with mechanical bulkheads at 158 and 248 feet, respectively). On the superblock south of Bleeker Street (the "South Block"), the Proposed Actions would allow for the development of a mixed-use building (Zipper Building) of varying heights up to 275 feet in height (299 feet for mechanical bulkhead) containing academic (135,000 gsf), dormitory (315,000 gsf), hotel and conference space (165,000 gsf), faculty housing (105,000 gsf) and retail (55,000 gsf) uses, and a building (Bleeker Building) of 178 feet in height (208 feet for mechanical bulkhead) containing a public school (100,000 gsf), academic (38,000 gsf) and dormitory (55,000 gsf) uses. The Proposed Development Area would also contain below-grade academic space (484,000 gsf), an athletic center (146,000 gsf), mechanical/service areas (371,000 gsf), approximately 4.0 acres of parkland and publicly-accessible open spaces, and replacement below-grade accessory parking facilities (389 parking spaces). By 2031, the Proposed Actions would result in the development of approximately 2.5 million gross square feet (gsf) of new uses in the Proposed Development Area. Within the Commercial Overlay Area, it is anticipated that NYU would develop up to approximately 24,000 gsf of neighborhood retail uses in the ground floors of six NYU buildings. The Proposed Actions would not result in any physical changes to the Mercer Plaza Area.

In connection to the proposed project, a Restrictive Declaration would be recorded for the "Proposed Development Area" at the time all land use-related actions required to authorize the proposed project's development are approved. The Restrictive Declaration will among other things require: a) development in substantial accordance with the approved plans, which establish an envelope within which the buildings must be constructed, including limitations on height, bulk, building envelopes and floor area; b) require that the proposed project's development program be within the scope of the reasonable worst case development scenarios (RWCDs) analyzed in the EIS, including maximum limits on the floor area associated with each of the proposed uses (e.g., academic space, faculty housing, retail and dormitory uses) on the superblocks; c) ensure the provision of publicly accessible open space in accordance with the construction phasing schedule proposed by NYU and analyzed in the EIS; d) provide for the implementation of "Project Components Related to the Environment" (i.e., certain project components which were material to the analysis of environmental impacts in the EIS); and, e) provide for mitigation measures identified in the FEIS and imposed by the CEQR/SEQRA Findings Statement (including the construction noise mitigation program, the widening of two subway stairs when needed, and the mitigation measures to address the significant adverse impacts with respect to shadows, construction open space and historic resources on the North Block).

The proposed Zipper Building, located on the South Block, would be built primarily on the site of the existing Coles Sports and Recreation Center and Mercer Houston Dog Run, replacing the 23-foot-tall Coles building with a larger, multi-story building containing academic space, student and faculty housing, a new athletic center, ground-floor retail, a University-oriented hotel, and academic/conference space. The building has been designed with a low 4- to 5-story plinth (85 feet) that has a series of narrow, staggered volumes above the plinth that range in height from 10 to 26 stories (128 to 275 feet), the largest of which is oriented to the northwest corner of Mercer and West Houston Streets. The Zipper Building would be built to the Mercer Street sidewalk, and would have residential, commercial, and/or academic entrances on its Mercer and West Houston Street frontages, and on the building's west facade which would face a widened and landscaped north-south pedestrian walkway (the proposed Greene Street Walk) between the Zipper Building and the easternmost University Village building (Silver Tower II).

The proposed Bleeker Building would be located at the northwest corner of the South Block on the site of the existing Morton Williams supermarket. The new 14-story (178 feet) building would contain academic space, dormitories, and potentially a public school. Its taller, 14-story portion would face LaGuardia Place and the building's seven-story (108 feet) section facing the interior of the South Block would contain the public school. The rooftop above the seven-story public school would contain a play area that would be utilized exclusively by the students of the public school. If by 2025 SCA does not exercise its option to build the public school, NYU would build and utilize the 100,000 gsf space for its own academic purposes.

The two buildings to be developed on the North Block, the LaGuardia and Mercer Buildings, would be sited at the east and west ends of the block between the two existing Washington Square Village apartment buildings. The proposed new buildings and open spaces would be located in areas currently occupied by a children's playground, landscaped open space, paved driveways, and a one-story commercial building. The proposed Mercer Building would be a 14-story (218 feet) curved building. The LaGuardia Building would have a similar form and massing but would be lower in height at eight stories (128 feet). Both buildings would also have below-grade elements extending between them and into below-grade portions of the demapped areas of LaGuardia Place and Mercer Street.

The Mercer-Houston Dog Run currently located east of the Coles gymnasium building (at the northwest corner of Mercer and West Houston Streets) would be relocated to the site of the existing University Village children's playground. The new, approximately 3,195-sf dog run would be located along West Houston Street and adjacent to the Greene Street Walk, and would be entered from the Greene Street Walk. A new, approximately 11,000-sf children's playground would be created on the University Village site between the relocated dog run and the easternmost University Towers building (Silver Tower II). The new playground would incorporate the existing sculptural concrete components in this area of the University Towers site.

Bleeker Street improvements include re-landscaping from Mercer Street to the north-south pedestrian walkway (along the Zipper Building). The remainder of the south side of Bleeker Street would include new benches in a similar design to the proposed benches on the North Block, and an upgrade of the planting areas with native plants to complement plantings on the North and South blocks. The portion of the south side of Bleeker Street immediately north of the Willow Grove would include new seating, plantings, and shade trees.

Approximately 147,000 square feet (3.4 acres) of new parkland and publicly accessible open space would be created on the North Block. The park land and publicly accessible open space would be at street level. It would incorporate the same types of uses that currently exist on the site but would reconfigure the open space to improve circulation and access

to and through the site. The proposed open space on the LaGuardia Place and Mercer Street Strips adjacent to the North Block would be mapped as City parkland above-grade. The below-grade volumes of these strips would be owned by NYU, and would contain below-grade portions of the proposed LaGuardia Building and proposed Mercer Building.

The FEIS assesses whether development resulting from the Proposed Actions could result in significant adverse environmental impacts. The analysis approach first describes existing conditions, and then projects conditions forward into the future without the Proposed Actions, incorporating information available on known land-use proposals and, as appropriate, anticipated overall growth. Finally, the future with the Proposed Actions is described, the differences between the future without and with the Proposed Actions are assessed, and any significant adverse environmental impacts are disclosed. The FEIS also identifies and analyzes appropriate mitigation for any identified significant adverse environmental impacts.

Since the LSGD special permit approvals would specify a range of floor areas by land use for the Proposed Development Area, for analysis purposes potential building program development scenarios that could result from the LSGD special permit approvals are identified. In addition, SCA could decline the option to build a public school on the South Block as part of the proposed Bleeker Building, in which case NYU would build and utilize the space for its own academic purposes. Given these potential variations with respect to the overall programming, the analyses for certain technical areas are based on "reasonable worst-case development scenarios" (RWCDs) drawn from this range of potential building program development scenarios. For those technical areas where potential project impacts are not dependent on the floor area of each use, the proposed project as envisioned by NYU is assumed. Each technical analysis area in the FEIS identifies the RWCDs, if any, that is utilized for analysis.

The analysis of the Proposed Actions is performed for the expected year of completion of the proposed project, which is 2031. However, since the proposed development would be built out over an approximately 19-year period, some buildings would be completed before 2031, and they could result in significant adverse impacts prior to completion of the full development program. Therefore, the analysis also considers an interim 2021 analysis year, which accounts for full development of the South Block.

For purposes of a conservative analysis, the future condition without the Proposed Actions in 2021 assumes no new development within the Proposed Development Area, with the exception of two open space improvements. Within the Commercial Overlay Area, with or without the Proposed Actions, NYU plans to develop an additional 20,000 gsf of academic uses at 25 West 4th Street; and, at 15 Washington Place, NYU is contemplating a renovation and building addition that would convert the approximately 74,000-gsf residential building into a 129,000-sf academic building. The future condition without the Proposed Actions in 2031 assumes that the site of the existing Morton Williams supermarket would be redeveloped as-of-right. The approximately 175,000-sf, nine-story building would contain an approximately 25,000-square-foot supermarket and NYU academic space. Within the Commercial Overlay Area there are no known additional planned projects beyond those identified to be developed in the future without the Proposed Actions by 2021.

The FEIS has identified significant adverse impacts with respect to shadows, historic and cultural resources (architectural), transportation (traffic, transit, and pedestrians), and construction activities related to transportation, noise, and open space.

Shadows Impacts: LaGuardia Corner Gardens, a community garden located on the corner of LaGuardia Place and Bleeker Street on the LaGuardia Street Strip adjacent to the South Block, would by 2021 experience significant adverse shadow impacts in the spring, summer, and fall as a result of the proposed project.

An assessment of potential relocation sites was undertaken between DEIS and FEIS; however, the assessment was not able to identify a feasible relocation site. In order to address the possibility that new relocation sites may exist at a later date, prior to construction of the Bleeker Building, the Restrictive Declaration will require NYU to notify the City at a date certain prior to construction start, allowing the City to conduct a new assessment of whether there are any relocation sites that meet the necessary criteria. In the event that a relocation site is identified, NYU will assume the costs of relocation, including any necessary site preparation for use as a community garden. In the absence of the relocation of facilities under this procedure, the significant adverse shadow impacts on the LaGuardia Corner Gardens would only be partially mitigated by the planting of shade-tolerant species in coordination with support for monitoring and maintenance by NYU.

Historic and Cultural Resources (Architectural) Impacts: The Proposed Actions would result in significant adverse impacts on one architectural resource, Washington Square Village (S/NR-eligible), and could have significant adverse impacts on the Potential NoHo Historic District Expansion within the Commercial Overlay Area.

Measures to minimize or partially mitigate significant adverse impacts to Washington Square Village would be implemented by NYU in consultation the NYS Office of Parks, Recreation and Historic Preservation (OPRHP) and have been set forth in a Letter of Resolution (LOR) among the applicant, OPRHP, and DASNY. Mitigation measures to be implemented by NYU include the following: a) preparation of HABS Level II documentation which would include photographic documentation, historic plans, and an accompanying historical narrative; b) a scaled landscaping plan documenting the existing Sasaki Garden that shall include the existing flora species and their locations, as well as the existing walking paths and original garden features; c) consult with OPRHP with respect to the redevelopment of the residential buildings at Washington Square Village's north and south buildings as design plans proceed; d) consult with OPRHP regarding the proposed new construction on the North Block; e) prior to construction of the proposed project, and in consultation with OPRHP and the New York City Landmarks Preservation Commission (LPC), develop and implement Construction Protection Plans (CPPs) for University Village, Washington Square Village, and Shimkin Hall; and, f) include one or more plaques or historic markers providing a historical interpretation of the Sasaki Garden and Washington Square Village in its modifications to the North Block.

In consultation with LPC and OPRHP, NYU would develop and implement CPPs for the four Commercial Overlay Area buildings that are contributing to the potential NoHo Historic District Expansion. However, currently there are no specific

redevelopment plans for the four buildings contributing to the S/NR-eligible Potential NoHo Historic District Expansion, so at this time it cannot be determined whether this measure would fully mitigate potential impacts.

Traffic Impacts: The traffic impact analysis indicates that by 2021, there would be the potential for significant adverse impacts at two intersections during the weekday AM peak hour, two intersections during the weekday midday peak hour, and three intersections during the weekday PM peak hour. By 2031, significant adverse traffic impacts were identified for three intersections during the weekday AM peak hour; six intersections during the weekday midday peak hour; and seven intersections during the weekday PM peak hour. Measures to fully mitigate these traffic impacts include adjustments to signal timings, removing parking spaces to create turning lanes and adjusting widths of certain moving lanes.

Pedestrian Impacts: The Proposed Actions would result in one significant adverse pedestrian impact by 2021 at University Place and Waverly Place (southeast corner during the weekday midday peak period) and, by 2031, an additional significant adverse impact is anticipated for a pedestrian element located at Washington Square East and West 4th Street (west crosswalk during the weekday midday and PM peak periods). The pedestrian impact at University Place and Waverly Place could be fully mitigated with a corner "bulb-out" or sidewalk extension on either Waverly Place or University Place. Widening and restriping the west crosswalk at Washington Square East and West 4th Street would fully mitigate the projected significant adverse crosswalk impact at this location.

In order to verify the need and effectiveness of the proposed traffic and pedestrian mitigation measures identified in the FEIS, NYU will develop and conduct a detailed Traffic Monitoring Program (TMP) prior to actual implementation of the full build out mitigation measures to determine whether actual future Build conditions have, in fact, resulted in significant traffic impacts and verify the need for mitigation measures identified in the FEIS or recommend other similar measures deemed necessary. NYU will be responsible for all costs associated with the monitoring effort as well as the design and construction of any or all improvements measures recommended in the FEIS or in the monitoring plan.

Transit Impacts: Significant adverse transit impacts are anticipated to occur at two subway station stairways at Broadway/Lafayette Street Station (northeast stairway during the weekday A.M. and P.M. peak periods) and West 4th Street Station (northeast stairway during the weekday P.M. Peak period). The impact to the stairway at Broadway/Lafayette Street Station could occur by 2021; however, the stairway impact at West 4th Street Station would occur only by 2031.

An engineering analysis to determine the feasibility of widening of the impacted stairways and/or providing additional station access locations was undertaken between DEIS and FEIS and the recommended stairway widening mitigation measures were found to be feasible. The analysis conducted determined that the potential for significant adverse impacts was based on an analysis framework that maximizes the potential for impacts to the subway station stairways. It is possible that the actual built program will contain a mix of uses with lower transit demand, and therefore would have less potential to adversely affect these subway stairways. Accordingly, prior to implementation of the required stairway mitigation, NYU may undertake a study to determine whether the required mitigation would be unwarranted based on the then anticipated built program and service conditions in 2021 and 2031. NYU, in coordination with the Metropolitan Transportation Authority (MTA) New York City Transit (NYCT), would implement the required subway stairway mitigation measures unless DCP, in consultation with the MTA NYCT, determines based on its review of the study that the required mitigation is unwarranted.

Interim Transportation Impacts: Because the development of the proposed project would span approximately 20 years and include various components that would be completed and occupied prior to the 2021 and 2031 milestones, an interim transportation impact assessment was conducted for the FEIS to determine the transportation impacts that would occur prior to these milestones and the mitigation measures that could be advanced to address these impacts. Based on this interim assessment, the Restrictive Declaration will specify which of the identified transportation mitigation measures are to be implemented prior to occupation of each of the four proposed buildings.

Construction-Related Traffic Impacts: The Proposed Actions would result in significant adverse traffic-related construction impacts during the second phase of construction (i.e., post-2021). The cumulative project trip generation during the second phase of construction would be less than what would be realized upon the full build-out in 2031. Therefore, the anticipated impacts would be of equal or lesser magnitude than the significant adverse traffic impacts identified for the 2031 future with the Proposed Actions. Traffic mitigation measures needed by 2031 would be sufficient to mitigate

traffic-related construction impacts and would be implemented when needed during the second phase of construction.

Construction-Related Pedestrian Impacts: Construction-related pedestrian impacts, similar to that found with construction-related transit impacts, would result in a comparable significant adverse impact at the southeast corner of University Place and Waverly Place under the combination of the second phase of construction worker pedestrian trips and those generated by the completed 2021 proposed buildings during the commuter peak hours. This impact would require the same pedestrian mitigation measure described for the project's 2021 build-out (a corner "bulb-out" or sidewalk extension).

Construction-Related Transit Impacts: The combination of the second phase of construction worker subway trips and those generated by the completed 2021 proposed buildings during the commuter peak hours would result in comparable significant adverse impacts to the subway station elements described for the Proposed Actions (i.e., northeast stairway at the Broadway-Lafayette Station and northeast stairway at the West 4th Street Station). The same mitigation measures for the Proposed Actions, widening the stairways, would also mitigate construction-related transit impacts.

Construction-Related Noise Impacts: Significant construction noise impacts are predicted to occur for two or more consecutive years at 45 of the 110 analyzed receptor sites which includes: Washington Square Village 1 & 2 residential buildings (south, west and east facades); Washington Square Village 3 & 4 (all facades); Silver Towers I & II (east and south facades); sensitive receptor buildings located at 500, 506, 510, 520, & 530 LaGuardia Place (east facades); sensitive receptor buildings located at 246, 200, & 158 Mercer Street (west facades); 81 Bleecker Street (west and south facades); 18 West Houston (west facade); and, 25 Mercer Street (east facade). In addition, if the proposed Bleecker Building were advanced earlier in the first phase of construction, an additional construction noise impact could occur to north facade of Silver Tower II. Lastly, noise levels at on-site open space locations adjacent to where construction activities would take place with the Proposed Actions would exceed the impact criteria threshold.

In order to improve building window/wall attenuation, windows at the NYU-owned Washington Square Village and Silver Tower buildings would be re-caulked and storm windows would be offered. For the Washington Square Village buildings, NYU would offer to insulate/seal existing air conditioning units and provide an interior cover that improves the sound attenuation of the through-the-wall air conditions units, or NYU would offer to provide new air conditioning units. For the Silver Tower buildings, NYU would offer to replace existing packaged terminal air conditioner (PTAC) units with high-attenuation PTAC units installed to fit properly/snugly in the PTAC sleeve. However, these measures would not be sufficient to result in the window/wall attenuation needed to fully mitigate project impacts.

At locations on non-NYU buildings where significant noise impacts are predicted to occur, absent the development of additional measures to mitigate project-related construction noise, NYU would offer to provide storm windows and /or window air conditioning units for buildings without double-glazed windows and/or alternative ventilation to mitigate project-related construction noise impacts.

With regard to the residential terrace locations in close proximity to the Proposed Development Area (Washington Square Village 1-4, 566 LaGuardia Place, and 214 Mercer Street), significant construction noise impacts are predicted to occur. No feasible mitigation measures have been identified that could be implemented to eliminate the significant noise impacts at these terraces.

Absent the implementation of additional mitigation measures which result in lower noise levels, the Proposed Actions would have significant adverse construction noise impacts that are not fully mitigated at a number of locations identified above.

Construction-Related Open Space Impacts: The Proposed Actions would result in significant adverse direct open space impacts to LaGuardia Corner Gardens due to displacement and/or loss of significant utility of this resource during construction of the Proposed Bleecker Building; and, to other nearby open spaces (e.g., Mercer Playground, Washington Square Village Elevated Garden, Silver Tower Oak Grove) due to construction noise. In addition, temporary significant adverse indirect open space impacts within the residential study area would occur during a portion of second phase of construction.

Potential mitigation measures to address the displacement and/or loss of utility of the LaGuardia Corner Gardens could include temporary relocation of the resource, alternatives to a standard plywood construction shed, "grow lights" under the construction sheds, and/or performing garden maintenance outside of construction hours. However, the feasibility and effectiveness of these non-standard methods is uncertain, given the need to ensure worker and resident safety while meeting building code requirements. In addition, these

potential measures would only serve as partial mitigation of the construction impact to the LaGuardia Corner Gardens.

While the construction significant adverse impacts would be temporary in nature because upon completion of the Bleecker Building, the community garden could be restored, the LaGuardia Corner Gardens would be significantly impacted by the shadows resulting from the proposed Bleecker Building. Accordingly, as detailed in the "Shadows Impacts" paragraph above, prior to commencement of construction of the Bleecker Building, a further assessment of permanent relocation opportunities for the LaGuardia Corner Gardens will be conducted and, if an appropriate relocation site is identified, NYU will assume responsibility for the costs of a relocation.

No practical and feasible mitigation measures have been identified that could be implemented to reduce construction noise impacts on nearby open spaces.

Between the DEIS and FEIS, feasible measures to partially mitigate the temporary significant adverse impact to active open space resources that would occur during the construction period for the Mercer Building was identified. Those partial mitigation measures consist of a financial contribution by NYU equal to the installation costs attributable to Adrienne's Garden. These funds would be applied by the Department of Parks and Recreation (DPR) to improvements at the Washington Square Park playgrounds prior to commencement of the proposed Mercer Building construction. In addition, NYU would commit to funding the stationing of a DPR seasonal playground associate at Washington Square Park for six months of the year, during the duration of the period in which the Mercer Building construction would result in a significant adverse open space impact.

The FEIS also consider five alternatives – a No Action Alternative, a Lesser Density Alternative, a No Hotel Alternative, a No Demapping Alternative, and a No Unmitigated Significant Adverse Impact Alternative. The No Action Alternative assumes no new development within the Proposed Development Area except for two open space improvements and an as-of-right retail (supermarket) and academic 175,000-sf nine-story building at the location of the proposed Bleecker Building; and, for the Commercial Overlay Area, an additional 20,000 gsf of academic uses at one location and a renovation and building addition that would convert the approximately 74,000-gsf residential building into a 129,000-sf academic building. The Lesser Density Alternative considers a project with the same mix of uses as the proposed project, but with the total development reduced to approximately 2 million gross square feet (gsf) instead of the 2.5 million gsf that would be realized under the Proposed Actions. The No Hotel Alternative examines a development that would replace the hotel use within the Zipper Building with faculty housing. The No Demapping Alternative looks at development that would take place without the concurrent demapping actions being requested as part of the Proposed Actions. The No Unmitigated Significant Adverse Impact Alternative considers development that would not result in any identified significant unmitigated adverse impacts.

Potential CPC Modifications: At the time of the FEIS was being prepared, certain Potential Modifications were under consideration by the City Planning Commission (CPC) and, as a consequence, the FEIS examined whether the Proposed Actions with the Potential CPC Modifications would result in significant adverse environmental impacts. The Potential CPC Modifications would eliminate the temporary gymnasium building, reduce the size of two of the Project Buildings, eliminate the proposed hotel and conference center use in the Zipper Building, change the order of construction on the North Block (so that the LaGuardia Building is built before the Mercer Building), eliminate below-grade development below the mapped rights-of-way of Mercer Street and LaGuardia Place on the North Block, eliminate the proposed rezoning in the Commercial Overlay Area, and make certain related design changes.

As with the Proposed Actions, the Potential CPC Modifications would result in significant adverse impacts in the areas of shadows, historic and cultural resources, transportation, and construction-related transportation, noise and open space. Measures to minimize or partially mitigate significant adverse impacts related to shadows, historic and cultural resources, and construction-related noise and open space would be the same and/or similar as those described above. As with the Proposed Actions, mitigation measures for the Potential CPC Modifications have been identified that would fully mitigate the significant adverse impacts with respect to transportation (construction and operational).

Copies of the FEIS may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, New York 10007, Robert Dobruskin, Director (212) 720-3423; or from the Office of Environmental Coordination, 253 Broadway, 14th Floor, New York, New York 10038, Robert Kulikowski, Director (212) 788-9956; and on the New York City Department of City Planning's website located at http://www.nyc.gov/html/dcp/html/env_review/eis.shtml.
