Decisions.

Commissioner Andrews presented the following decision, viz.:

In the matter of Benjamin H. Hutton (No. 4135), assessment for One Hundred and Seventeenth street regulating, grading, etc., from Seventh to Eighth avenue; confirmed January 30, 1874.

This case is similar to that of Anderson, decided September 26, 1882. The evidence shows that the work was done under a special contract, and that the price paid for filling was \$1.49 per yard. This price was excessive. Taking the fair value of earth-filling at ninety cents, the total cost of the work would be \$9,463.25. The amount assessed on the property for the improvement was \$15,572.70. The assessment on the lots of the petitioner should therefore be reduced thirty-nine per cent.

The Chairman pro tem., put the question whether the decision as presented shall stand as the decision of the Commissioners.

Which was decided in the affirmative, a majority of all the Commissioners voting in favor thereof, viz.:

Affirmative—Commissioners Kelly, Campbell, Andrews, and Lord—4.

Commissioner Andrews presented the following decision, viz.:

In the matter of Charles G. Landon (No. 4424), assessment for One Hundred and Eighteenth street regulating, grading, etc., from Seventh to Eighth avenue; confirmed August 11, 1874.

This case is similar to the Matter of Anderson, decided September 26, 1882. The evidence shows that the work was done under a special contract. The price paid for filling was \$1.59 per yard, which we think was excessive. Taking the fair value of earth filling at 90 cents, the total cost of the work would be \$8,485.36. The amount assessed on the property for the improvement was \$14,860.27. The assessment on the lots of the petitioner should, therefore, be reduced 43 per cent.

The Chairman pro tem. put the question whether the decision as presented shall stand as the decision of the Commissioners.

Which was decided in the affirmative, a majority of all the Commissioners voting in favor thereof, viz.:

Affirmative—Commissioners Kelly, Campbell, Andrews, and Lord—4.

On motion of Commissioner Kelly, the Commission then adjourned.

Resolved, That all that is necessary to give the Commission jurisdiction over assessments, under the act appointing it, is the filing of the notice required by the act. In many cases duplicate notices specifying the same objections have been filed on the same assessment by different attorneys. The Commission awards relief to the party making the objection to the assessment, without determining upon which notice complying with the act such relief is granted, and without regard to priority in the filing of notices, but for convenient reference to papers the certificate will bear the same number as that of the notice first filed.

Which was adopted.

On motion of Commissioner Andrews the Commission then adjourned.

Ordinances, resolutions, etc., approved by the Mayor during the week ending December 30, 1882.

Resolved, That article V. of chapter 8 of the Revised Ordinances of 1880 be and the same is hereby amended so as to read as follows:

ARTICLE V.

PEDDLERS, HAWKERS, VENDERS, AND HUCKSTERS.

Sec. 54. The Mayor of the City of New York may, subject to the restrictions hereinafter mentioned, grant licenses to any peddler, hawker, vender, or huckster of any kind of merchandise; every such peddler, hawker, vender, or huckster shall, at the time such license is granted, pay to the said Mayor the sum of five dollars for the use of the city. Every applicant for such a license, before such license is granted, shall produce to the Mayor satisfactory evidence of his good moral character, and such applicant must have been an actual resident of the State of New York for at least six months previous to his application for said license; and such person shall, upon receiving a license as aforesaid, report his residence to the Mayor, and upon changing his residence, shall, in like manner, report his new residence.

The Mayor, or the person duly appointed by him for such purpose, must examine all persons applying for such license, under oath, in relation to the matters embraced in this section, and all licenses to persons other than those qualified as herein provided, shall be void. Such license shall be in force for one year from the time the same is granted, and shall be renewed at the expiration of each year, provided that the applicant therefor continues in all things qualified, as hereinbefore provided, to hold such license, and upon each renewal thereof such peddler, hawker, vender, or huckster shall pay as aforesaid, the sum of five dollars to the Mayor for the use of the city, as upon the original granting of the license. No peddler, hawker, vender, or huckster of any kind of merchandise shall conduct or carry on in the City of New York, any business as such peddler, hawker, vender, or huckster until he shall have first obtained a license in compliance with the provisions of this section. Any person violating the provisions of this section shall be guilty of a misdemeanor, and shall be punished upon conviction, by a fine of not less than fifteen or more than twenty-five dollars, or in default of payment of such fine, by imprisonment of not less than five nor more than ten days.

Sec. 55. No person licensed as aforesaid shall be entitled to transfer his license, or shall permit others to act under the same, or shall violate any restrictions contained in his license; but each license shall authorize the person named therein, and no other person, to act in the capacity therein designated, except in cases of sickness of the person so licensed, in which case the Mayor may, in writing, permit another person to act for and on behalf of the one sick, during such sickness, and revoke such permission at pleasure; and the provisions and penalties of this ordinance shall apply to the person permitted so to act in the manner and to the same extent as if the license were issued to him. No person shall violate the provisions of this section under a penalty of ten dollars for each offense.

Sec. 56. Every person who shall be licensed according to the provisions of this article, shall wear conspicuously on his left breast a badge of a size sufficient to admit the number of his license engraved thereon, together with the word merchandise; such badge shall be in a form which shall be approved by the Mayor, and every such peddler, hawker, vender, or huckster as shall be authorized by any such license to drive or use, or who shall drive or use, a cart, wagon, or any other vehicle in his business, shall, in addition to wearing said badge as aforesaid, have the number of its license together with the word merchandise painted upon each side of said vehicle in a conspicuous place, and the figures and letters composing such number and word shall not be less than two and one-half inches in length, and shall at all times be kept legible. Any violation of this article shall be deemed a misdemeanor, and punishable accordingly.

Sec. 57. No peddler, vender, hawker, or huckster of any kind of merchandise shall permit any cart, wagon, or any other vehicle, owned or controlled by him, to stop, rest, remain upon, or in any-wise encumber, or shall erect any booth or establishment, or fix any stand, on any public street, crosswalk, sidewalk, intersection of streets, or public grounds in the City of New York, for the purpose of exposing for sale, or vending or selling or offering to vend or sell any merchandise whatsoever; or shall blow upon or use or suffer or permit to be blown upon or use any horn or other instrument for the purpose of giving notice of the approach of any cart, wagon, or other vehicle, in order to sell thereout any article of merchandise. And no peddler, hawker, vender or huckster shall cry his wares or merchandise after nine o'clock P. M., of any day. Any person violating any of the provisions of this section shall be deemed guilty of a misdemeanor, and, upon conviction, shall be punished by a fine of not less than five or more than ten dollars, or imprisonment for not less than two or more than five days.

Sec. 58. All ordinances or parts of ordinances inconsistent or in any manner conflicting with the provisions of this article are hereby repealed; but nothing in this article contained shall affect the provisions of article V. of chapter 3, or of articles IX., XIV., or XXXIII. of chapter 8 of the said Revised Ordinances, or the provisions of the resolution relating to the Gansevoort Market, approved by the Mayor, December 14, 1881; nor shall the provisions of this article apply to newsboys; neither shall anything in this article contained authorize the Mayor to grant licenses for the sale of any article by existing law or ordinance forbidden to be sold.

DEPARTMENT OF PUBLIC WORKS.
COMMISSIONER'S OFFICE,
Room 6, No. 31 CHAMBERS STREET,
NEW YORK, January 3, 1883.

TO CONTRACTORS.

BIDS OR ESTIMATES INCLOSED IN A SEALED
envelope, with the title of the work and the name
of the bidder indorsed thereon, will be received at this
office until Tuesday, January 16, 1883, at 12 o'clock M.,
at which place and hour they will be publicly opened by
the head of the Department and read, for:

**FLAGGING SIDEWALKS AND SETTING CURB-
STONES ON STREETS SURROUNDING
FULTON MARKET.**

Each estimate must contain the name and place of resi-
dence of the person making the same, the names of all
persons interested with him therein, and if no other person
be so interested, it shall distinctly state that fact. That it
is made without any connection with any other person
making an estimate for the same work, and is in all
respects fair and without collusion or fraud. That no
member of the Common Council, head of a department,
chief of a bureau, deputy thereof, or clerk therein, or
other officer of the Corporation is directly or indirectly
interested in the estimate or in the work to which it relates,
or in the profits thereof.

Each estimate must be verified by the oath, in writing,
of the party making the same, that the several matters
therein stated are true, and must be accompanied by the
consent, in writing, of two householders or freeholders in
the City of New York, to the effect that if the contract is
awarded to the person making the estimate, they will
upon its being so awarded, become bound as his sureties
for his faithful performance; and that if he shall refuse or
neglect to execute the same, they will pay to the Corporation
any difference between the sum to which he would be
entitled upon its completion, and that which the Corporation
may be obliged to pay to the person to whom the contract
shall be awarded at any subsequent letting; the amount to
be calculated upon the estimated amount of the work by
which the bids are tested.

The consent last above mentioned must be accompanied
by the oath, or affirmation, in writing, of each of the per-
sons signing the same, that he is a householder or free-
holder in the City of New York, and is worth the amount of
the security required for the completion of the contract,
over and above all his debts of every nature, and
over and above his liabilities as bail, surety, or otherwise,
and that he has offered himself as surety in good faith,
with the intention to execute the bond required by law.

No estimate will be considered unless accompanied
by either a certified check upon one of the national
banks of the City of New York, drawn to the order of the
Comptroller, or money, to the amount of five per centum
of the amount of the security required for the faithful per-
formance of the contract. Such check or money must
not be inclosed in the sealed envelope containing the estimate,
but must be handed to the officer or clerk of the
Department who has charge of the Estimate-box, and no
estimate can be deposited in said box until such check or
money has been examined by said officer or clerk and
found to be correct. All such deposits, except that of
the successful bidder, will be returned to the persons
making the same within three days after the contract is
awarded. If the successful bidder shall neglect or refuse,
within five days after notice that the contract has been
awarded to him, to execute the same, the amount of the
deposit made by him shall be forfeited to and be retained
by the City of New York as liquidated damages for such
neglect or refusal; but, if he shall execute the contract
within the time aforesaid, the amount of his deposit will
be returned to him.

Blank forms of bid or estimate, the proper envelopes in
which to inclose the same, the specifications and agree-
ments, and any further information desired can be obtained
at the office of the architect, Douglas Smyth, No. 48
Exchange place.

DEPARTMENT OF STREET CLEANING.

DEPARTMENT OF STREET CLEANING.
51 CHAMBERS STREET,
NEW YORK, December 30, 1882.

PUBLIC NOTICE.

PROPOSALS INCLOSED IN SEALED ENVEL-
opes, and indorsed with the name of the person or
persons making the same, and the date of presentation,
will be received at the office of the Department of Street
Cleaning, No. 51 Chambers street, in the City of New
York, under and in pursuance of authority conferred by
chapter 367, Laws of 1881, entitled "An act to create a
Department of Street Cleaning in the City of New York,
and to provide for the cleaning of the streets of said city,
for the removal of snow and ice therefrom, and for the
collection of ashes, garbage and street-sweepings, and the
disposal of the same," passed May 26, 1881, three-fifths
being present, until 12 o'clock M., of Monday, the 15th day
of January, 1883, at which time and place the proposals will
be publicly opened and read: For the final disposition
of the street sweepings, ashes, and garbage, collected in
the City of New York and delivered at the several dumps
or dumping-places of the Department of Street Cleaning
in said city, for the term of four years, from the first day
of February, 1883.

The person or persons to whom the contract may be
awarded will be required to furnish suitable and sufficient
scows or boats for the reception of said substances and
material, when the same are delivered at said
dumps or dumping-places of the Department of Street
Cleaning; to defray the expense of trimming, towing,
and unloading said scows or boats, and all other expenses
incurred in disposing of said substances and material,
and to conform to and obey all laws of the United
States, of the State of New York, ordinances of the
Board of Aldermen of the City of New York, the Sanitary
Code of the Board of Health of said city, touching the
removal from said city of said substances and material
or dumping thereof, or any part thereof, either
within the limits of said city, or in the waters of the
North or East rivers, adjoining the counties of New
York, Kings, Westchester or Richmond, or in the bay
of New York, or Raritan bay, within the jurisdiction of
the State of New York, or in the waters of Jamaica bay,
or in the waters of the Atlantic ocean, within three
miles of Coney Island, or within three miles of Rocka-
way Beach or Far Rockaway, or within less than one
mile beyond the outer bar.

If any part of said substances and material should be
required by any person or persons, or department of the
City of New York, for the purpose of filling in lots, or for
other purposes, the Commissioner expressly reserves the
right to deliver as much of said substances and material
as he may deem necessary for such purposes, without
invalidating the terms of the contract.

The price for which the work will be done must be
written in the bid and stated in figures, and shall be at a
rate per cubic yard, measurements and estimates to be
made by an Engineer appointed by the Commissioner of
Street Cleaning, on the boats or scows of the contractor
or contractors, at the several dumps or dumping-places of
the Department of Street Cleaning; or if the street-
sweepings, ashes and garbage are bid for at a separate
price for each class of work, and the said Commissioner
accepts bids in that form, the measurements and esti-
mates may be made by said Engineer on the substances
and material delivered at the dumps or dumping-places,
upon the scows or boats at said dumps or dumping-
places.

Bidders will be allowed, at their option, to bid a price
per cubic yard up in the work, as a whole, as a mass, or
a separate price for each class of the work, the bid or bids
being for the performance of the whole work, as hereinafter
described and classified, to wit:

1st. For the final disposition of the street-sweepings,
ashes and garbage collected in the City of New York,
and delivered as a mass at the several dumps or dump-
ing-places of the Department of Street Cleaning in said
city:

Per cubic yard.....
Or, ad. For the final disposition of the street-sweepings,
ashes and garbage collected in the City of New York, and delivered at
the several dumps or dumping-places of the Department
of Street Cleaning in said city, said street sweepings to be
separated from all other substances and material only as
far as may be practicable in the judgment of the Commis-
sioner of Street Cleaning.

Per cubic yard.....
And for final disposition of the ashes, separated from all
other substances and material only as far as may be prac-
ticable in the judgment of the Commissioner of Street
Cleaning, collected in the City of New York, and deliv-
ered at the several dumps or dumping-places of the De-
partment of Street Cleaning, in said city:

Per cubic yard.....
And for the final disposition of the garbage, separated
from all other substances or material only as far as may
be practicable in the judgment of the Commissioner of
Street Cleaning, collected in the City of New York, and
delivered at the several dumps or dumping-places in said
city.

Per cubic yard.....
The estimated quantities of street sweepings, ashes and
garbage to be removed from the City of New York, and
finally disposed of per year, are as follows:

1. Street sweepings, two hundred thousand cubic yards.
2. Ashes, seven hundred thousand cubic yards.
3. Garbage, one hundred thousand cubic yards.

The person or persons to whom the contract may be
awarded will be required to attend at this office with the
sureties offered by him or them, and execute the contract
within five days from the date of the service of a notice
to that effect; and, in case of failure or neglect so to do,
he or they will be considered as having abandoned it, and
as in default to the Corporation, whereupon the Commis-
sioner of Street Cleaning may either make another selection
from the proposals submitted in accordance with this
public notice, or readvertise and relet the work, as he
may consider best for the public interest.

If the person or persons to whom the contract may be
awarded, shall neglect or delay to commence the work or
any portion thereof, on or after the 1st day of February,
1883, the Commissioner of Street Cleaning may perform
the said work or any portion thereof for such period of
neglect or delay, and charge the whole expense of the
same against the said person or persons, and deduct the
same from any amount due or to become due under the
contract.

Bidders are required to state in their proposals, under
oath, their names and places of residence, the names of
all persons interested with them therein, and, if no other
person be so interested, they shall distinctly state the
fact; also, that it is made without any connection with
any other person making any bid or proposal for the
above work; and that it is in all respects fair, and with-
out collusion or fraud; and also that no member of the
Common Council, head of a Department, chief of a bureau,
deputy thereof, or clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein,
or in the supplies or work to which it relates, or in any
portion of the profits thereof. Where more than one per-

son is interested, it is requisite that the verification be
made and subscribed by all the parties interested. Each
proposal shall also be accompanied by the consent, in
writing, of two householders or freeholders of the City of
New York, with their respective places of business or
residence, to the effect that, if the contract be awarded
to the person or persons making the proposal, they
will, on its being so awarded, become bound as his
or their sureties for its faithful performance, in the amount
of fifty thousand dollars; and that, if he or they shall
omit or refuse to execute the same, they will pay to the Cor-
poration any difference between the sum to which he
would be entitled on its completion and that which the
Corporation may be obliged to pay to the person or per-
sons to whom the contract may be subsequently awarded.
The consent above mentioned shall be accompanied by
the oath or affirmation, in writing, of each of the persons
signing the same, that each is a householder or freeholder
in the City of New York, and is worth the amount of the
security required for the completion of the contract as
stated in the proposals, over and above all his debts of
every nature, and over and above his liabilities as bail,
surety, and otherwise; that he has offered himself as a
surety in good faith, and with an intention to execute the
bond required by law. The adequacy and sufficiency of
the sureties offered shall be approved by the Comptroller
of the City of New York.

Permission will not be given for the withdrawal of any
bid or proposal, and the right is expressly reserved
by the Commissioner of Street Cleaning to reject any
or all bids, or to select the bid or bids the acceptance
of which will, in his judgment, best secure the efficient
performance of the work. No bid will be accepted from or
contract awarded to any person who is in arrears to the
Corporation upon debt or contract, or who is a defaulter,
as surety or otherwise, upon any obligation to the Corpora-
tion.

Each proposal must be accompanied by a certified check
on a solvent banking corporation in the City of New York
payable to the order of the Comptroller of the City of New
York, for five per cent. of the amount bid for the per-
formance of all the work required by said contract to be done
in any one year. On the acceptance of any bid, the
checks of the unaccepted bidders will be returned to them,
and upon the execution of the contract the check of the
accepted bidder will be returned to him.

The contract will contain a stipulation or condition that
it may be terminated on ten days' notice to the Con-
tractor by the Commissioner of Street Cleaning, with the
approval of the Mayor.

All bids must be made with reference to the form of con-
tract and the requirements thereof which will be on file at
the Department of Street Cleaning, or they will be rejected;
and the same is referred to as a part of this notice.

Blank forms of contract may be obtained at the Depart-
ment of Street Cleaning, 51 Chambers street, New York
City, on or after Wednesday, January 3, 1883.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, for the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

2,500 bags clean White Oats, 80 pounds to the bag.
1,800 bags Fine Feed, 60 pounds to the bag.

—will be received by the Board of Commissioners at the
head of the Fire Department, at the office of said Depart-
ment, Nos. 155 and 157 Mercer street, in the City of New
York, until 10 o'clock Wednesday, January 10, 1883,
at which time and place they will be publicly opened by
the head of said Department and read.

Proposals must include all of the items, specifying the
price per cwt. for hay and straw, and per bag for oats
and feed.

All of the articles are to be delivered at the various
houses of the Department in such quantities and at such
times as may be directed.

No estimate will be received or considered after the
hour named.

The award of the contract will be made as soon as prac-
ticable after the opening of the bids.

Any person making an estimate for the articles shall
present the same in a sealed envelope, to said Board, at
said office, on or before the day and hour above named,
which envelope shall be indorsed with the name or names
of the person or persons presenting the same, the date of
its presentation, and a statement of the articles to which it
relates.

The Fire Department reserves the right to decline any
and all bids or estimates if deemed to be for the public
interest. No bid or estimate will be accepted from, or
contract awarded to, any person who is in arrears to the
Corporation upon debt or contract, or who is a defaulter,
as surety or otherwise, upon any obligation to the Cor-
poration.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or them
therein; and if no other person be so interested, it shall
distinctly state that fact; that it is made without any con-
nection with any other person making an estimate for the same
purpose, and is in all respects fair and without collusion or
fraud; and that no Member of the Common Council, Head
of a Department, Chief of a Bureau, Deputy thereof or
Clerk therein, or other officer of the Corporation is directly
or indirectly interested therein, or in the supplies
or work to which it relates, or in any portion of the profits
thereof. The bid or estimate must be verified by the
oath, in writing, of the party or parties making the
estimate, that the several matters stated therein are in all
respects true. Where more than one person is interested,
it is requisite that the verification be made and subscribed
by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders of the
City of New York, with their respective places of business
or residence, to the effect, that if the contract be awarded
to the person making the estimate, they will, on its being so
awarded, become bound as his sureties for its faithful per-
formance in a sum not less than one-half the amount of the
estimate; and that if he shall omit or refuse to execute the
same, they will pay to the Corporation any difference be-
tween the sum to which he would be entitled on its comple-
tion and that which the Corporation may be obliged to pay
to the person or persons to whom the contract may be
awarded at any subsequent letting; the amount in each
case to be calculated upon the estimated amount of the work
by which the bids are tested. The consent above men-
tioned shall be accompanied by the oath or affirmation,
in writing, of each of the persons signing the same, that he
is a householder or freeholder in the City of New York, and
is worth the amount of the security required for the comple-
tion of this contract, over and above all his debts of every
nature, and over and above his liabilities as bail, surety,
or otherwise; and that he has offered himself as a surety
in good faith and with the intention to execute the bond
required by law. The adequacy and sufficiency of the
security offered is to be approved by the Comptroller of
the City of New York before the award is made and prior
to the signing of the contract.

No estimate will be considered unless accompanied
by either a certified check upon one of the national
banks of the City of New York, drawn to the order of the
Comptroller, or money, to the amount of two hundred
and fifty (\$250) dollars. Such check or money must
not be inclosed in the sealed envelope containing the
estimate, but must be handed to the officer or clerk
of the Department who has charge of the Estimate-book,
and no estimate can be deposited in said box until such
check or money has been examined by said officer or
clerk and found to be correct. All such deposits, except
that of the successful bidder, will be returned to the per-
sons making the same within three days after the contract
is awarded. If the successful bidder shall refuse or
neglect, within five days after notice that the contract has
been awarded to him, to execute the same, the amount of
the deposit made by him shall be forfeited to and retained
by the City of New York, as liquidated damages for such
neglect or refusal; but, if he shall execute the contract
within the time aforesaid, the amount of his deposit will
be returned to him.

Should the person or persons to whom the contract
may be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, or if he or
they accept but do not execute the contract and give the
proper security, he or they shall be considered as having
abandoned it and as in default to the Corporation, and
the contract will be readvertised and relet as provided
by law.

Bidders will write out the amount of their estimate in
addition to inserting the same in figures.

The form of the agreement and specifications, and
showing the manner of payment for the articles, may be
seen and forms of proposals may be obtained at the
office of the Department.
