BOARD OF ARMORY COMMISSIONERS.

NEW YORK, January 26, 1892.

A meeting of the Armory Board was held this day, at 11 o'clock A. M., at the office of the Mayor.

Present—The Mayor, the President of the Department of Taxes and Assessments, and Brigadier General Louis Fitzgerald.

The minutes of the meeting of December 17, 1891, were read and approved.

Communications were received from the Comptroller relative to the leaky condition of the roof of the Twenty-second Regiment Armory. The Secretary stated that he had communicated with the Commissioner of Public Works on the subject. Ordered filed.

From the Governor, transmitting a communication from the Central Labor Union, in relation to the work being done at the armories. Ordered filed.

A communication was received from the Colonel of the Twenty-second Regiment, dated December 21, 1891, transmitting a proposition by A. L. Bogart, of No. 22 Union Square, to do certain work in connection with the electric lighting in the armory. Referred to the Commissioner of Public Works.

An application and affidavit were received from George Telfer for a payment amounting to \$4,945.30 on account of his contract for additions and alterations to the Eighth and Twenty-second Regiment Armories, with the Inspector's certificate that the work has been performed in accordance with the contract and specifications attached thereto, whereupon the President of the Department of Taxes and Assessments offered the following:

Resolved, That the Comptroller be authorized to pay to George Telfer the sum of four thousand nine hundred and forty-five dollars and thirty cents (\$4,945.30), as per accompanying voucher, the amount due him in accordance with the Inspector's certificate, on his contract for additions, alterations and repairs to armory buildings for the Eighth, Twelfth and Twenty-second Regiments.

Which was adopted by the following vote:

Ayes—The Mayor, the President of the Department of Taxes and Assessments, and Brigadier-General Louis Fitzgerald.

Captain Charles F. Roe, commanding Troop "A," N. G., S. N. Y., filed with the Armory Board a formal application for an armory for his organization and also presented the following communication, and exhibited a plan of an armory proposed to be erected on the site on Madison avenue between Ninety-fourth and Ninety-fifth streets, directly in the rear of the Eighth Regiment Armory.

TROOP "A," NATIONAL GUARD, S. N. Y.,
 NO. 136 WEST FIFTY-SIXTH STREET,
 NEW YORK, January 26, 1892.

To the Armory Board:

SIRS—In view of the facts that the armory at present hired for Troop "A," N. G., is inadequate, as it does not contain any place for mounted drills; that the lease will expire in two years from last November; that the rental will undoubtedly be increased, I have the honor to request that a permanent armory, suitable for a cavalry troop, may be provided. This organization is composed entirely of the best class of men to the number of one hundred and five, who furnish their own horses, either by ownership or rental, and who have demonstrated, in the two years and a half that they have been in the National Guard of the State, that they are willing to submit themselves to the discipline and training necessary to make them first-class cavalry soldiers. The Troop being thus established on a permanent basis, requires an armory suitable for a mounted organization, to consist of a proper ring for mounted drills (all drills being mounted, except about four in a year), dressing-rooms, saddle-rooms, and stables for horses, in connection with said armory.

The site of ground on Madison avenue, between Ninety-fourth and Ninety-fifth streets, two hundred feet by one hundred, which is owned by the City, would be an excellent location for a cavalry organization. The nature of the ground is such, being high on the Ninety-fifth street side, that stables for about one hundred horses could be placed under one half of ring, with plenty of light and air. The ring for mounted drills could be made nearly two hundred by one hundred feet in the clear. A suitable target range could be provided. I submit a plan of how the ground could be utilized.

It is true that the City provides an armory at present, but does not provide a place for drills. The drills being mounted, the Troop is compelled to hire, at their own expense, Mr. Dickel's Riding School two nights in the week. The Military Code uses the words, "suitable armory." Of course a suitable armory for a cavalry troop should include a ring for mounted drills, and stables where the troopers could keep their horses, which could be kept at much less cost than is possible at a public riding school and stable.

I most earnestly request that the Armory Board may provide a suitable, permanent armory for Troop "A," which organization the Inspector-General has reported upon as being an excellent cavalry school for officers for active service.

In this connection would state that Mr. Dickel's school is for sale at about three hundred thousand dollars. It comprises eight city lots, with riding-school building and stables situated upon them, and would be the most desirable situation in the City. The ring could be extended and alterations made for about thirty thousand dollars.

CHAS. F. ROE, Captain Commanding Troop "A."

The subject of an armory for Troop "A" was referred to the Committee on Plans, and Captain Roe was requested to submit his plan to them with an estimate of the cost thereof, detailing that part of the cost incident to the accommodation of their horses, and to submit therewith a proposition to relieve the City of that part of the expense.

A site for an armory for the First Battery was presented to the Board by means of a communication from General Fitzgerald, transmitting an offer from P. C. Eckhardt, No. 693 Ninth avenue, broker. Which was ordered filed.

The Secretary reported that a bill had been presented to the Legislature giving power to close Hall place and use the same as part of a site for an armory for the Sixty-ninth Regiment.

That advertisement for bids and proposals for an armory for the Seventy-first Regiment on the amended plans and specifications, in accordance with the resolution of the Board at the last meeting, were being published, and that the testimony in the matter of the condemnation of the easterly part of the site for the Ninth Regiment Armory was all in, and that a report from the Commissioners may be expected at an early day.

The Committee on Plans were instructed to examine and report as to the adaptability of some of the armory plans, presented in the competition for the Seventy-first Regiment, to the needs of the Ninth Regiment, on the site now being acquired for it on Fourteenth street, and the Sixty-ninth Regiment, at Third avenue, Sixth and Seventh streets, after the closing of Hall place.

On motion, adjourned.

E. P. BARKER, Secretary.

ARMORY BOARD.

ARMORY BOARD—OFFICE OF THE SECRETARY,
STAATS ZEITUNG BUILDING, TRYON ROW,
NEW YORK, January 25, 1892.

PROPOSALS FOR ESTIMATES FOR FUR-
NISHING MATERIALS AND WORK
IN THE ERECTION OF AN ARMORY
BUILDING ON THE EASTERLY SIDE
OF FOURTH AVENUE, EXTENDING
FROM THIRTY-THIRD TO THIRTY-
FOURTH STREET, NEW YORK CITY.

PROPOSALS FOR ESTIMATES FOR FURNISH-
ing materials and work in the erection of an
Armory Building on the easterly side of Fourth avenue,
extending from Thirty-third to Thirty-fourth street,
City and County of New York, will be received by the
Armory Board at the MAYOR'S OFFICE, CITY
HALL, UNTIL 10:30 O'CLOCK A. M. OF THE
11TH DAY OF FEBRUARY, 1892, at which time and
place they will be publicly opened and read by said
Board.

Any person making an estimate for the above work
shall furnish the same in a sealed envelope to the
President of said Armory Board, indorsed "Estimate
for Furnishing Materials and Work in the erection of an
Armory Building on the easterly side of Fourth
avenue, extending from Thirty-third to Thirty-fourth
street," and also with the name of the person or per-
sons presenting the same, and the date of its presenta-
tion.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the
person or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient
sureties, in the amount of ONE HUNDRED THOU-
SAND DOLLARS (\$100,000).

Bidders are required to submit their estimates upon
the following express conditions, which shall apply to
and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal ex-
amination of the location of the proposed work, and
by such other means as they may prefer, as to the
accuracy of the estimate, and shall not at any time after
the submission of an estimate dispute or complain of
the statement of quantities, nor assert that there was
any misunderstanding in regard to the nature or
amount of the work to be done.

2d. Bidders will be required to complete the entire
work to the satisfaction of the Armory Board, and in
substantial accordance with the specifications of
the contract and the plans therein referred to. No extra
compensation, beyond the amount payable for the work
before mentioned, which shall be actually performed, at
the prices therefor to be specified by the lowest bidder,
shall be due or payable for the entire work.

Bidders will state in their estimates a price for the
whole of the work to be done, in conformity with the
approved form of contract and the specifications
therein set forth, by which price the bids will be tested.
This price is to cover all expenses of every kind involved
in or incidental to the fulfillment of the contract, includ-
ing any claim that may arise through delay, from any
cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in
figures, the amount of their estimates for doing this
work.

The person or persons to whom the contract may be
awarded will be required to attend at this office with the
sureties offered by him or them, and execute the con-
tract within five days from the date of the service of a
notice to that effect; and in case of failure or neglect so
to do, he or they will be considered as having abandoned
it, and as in default to the Corporation; and the con-
tract will be readvertised and relet, and so on until it be
accepted and executed.

Bidders are required to state in their estimates their
names and places of residence; the names of all persons
interested with them therein; and if no other person be
so interested, the estimate shall distinctly state the fact;
also that the estimate is made without any connection
with any other person making an estimate for the same
work, and that it is in all respects fair and without
collusion or fraud; and also that no member of the
Common Council, head of a department, chief of a
bureau, deputy thereof, or clerk therein, or other
officer of the Corporation, is directly or indirectly
interested therein, or in the supplies or work to which it
relates, or in any portion of the profits thereof; which
estimate must be verified by the oath, in writing, of the
party making the estimate, that the several matters
stated therein are in all respects true. Where more
than one person is interested, it is requisite that the
verification be made and subscribed by all the parties
interested.

Each estimate shall be accompanied by the consent, in
writing, of two householders or freeholders in the City
of New York, with their respective places of business or
residence, to the effect that if the contract be awarded
to the person or persons making the estimate, they will,
on its being so awarded, become bound as his or
their sureties for its faithful performance; and that if
said person or persons shall omit or refuse to execute
the contract, they will pay to the Corporation of the City
of New York any difference between the sum to which
said person or persons would be entitled on its com-
pletion, and that which said Corporation or the Armory
Board may be obliged to pay to the person to whom the
contract may be awarded at any subsequent letting; the
amount, in each case, to be calculated upon the estimated
amount of the work to be done by which the bids are
tested. The consent above-mentioned shall be accom-
panied by the oath or affirmation, in writing, of each of
the persons signing the same, that he is a householder
or freeholder in the City of New York, and is worth the
amount of the security required for the completion of the
contract and stated in the proposals, over and above all
his debts of every nature, and over and above his li-
abilities as bail, surety and otherwise; and that he has
offered himself as surety in good faith and with the
intention to execute the bond required by law. The
adequacy and sufficiency of the security offered is to be
approved by the Comptroller of the City of New York,
after the award is made and prior to the signing of the
contract.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the
State or National banks of the City of New York, drawn
to the order of the Comptroller, or money to the amount
of FIVE THOUSAND DOLLARS (\$5,000). Such
check or money must not be included in the sealed
envelope containing the estimate, but must be handed
to the officer or clerk of the Board who has charge of the
estimate-box, and no estimate can be deposited in said
box until such check or money has been examined by
said officer or clerk and found to be correct. All such
deposits, except that of the successful bidder, will be
returned by the Comptroller to the persons making the
same within three days after the contract is awarded.
If the successful bidder shall refuse or neglect, within
five days after notice that the contract has been awarded
to him, to execute the same, the amount of the deposit
made by him shall be forfeited to and retained by the
City of New York as liquidated damages for such
neglect or refusal; but if he shall execute the contract
within the time aforesaid, the amount of his deposit
will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded
to, any person who is in arrears to the Corporation,
upon debt or contract, or who is a defaulter, as surety
or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or esti-
mates, to use a blank prepared for that purpose by
the Board, a copy of which, together with the form
of the agreement, including specifications, and showing
the manner of payment for the work, can be seen
upon application at the office of the Architect, J. R.
THOMAS, No. 160 BROADWAY, New York City.

The Board reserves the right to reject any or all esti-
mates not deemed beneficial to or for the public interest.
Plans may be examined and specifications and blank
forms for bids or estimates obtained by application to
the Architect, at his office, No. 160 BROADWAY,
New York City.

City Government with Stationery—Paper, Ink,
Pens, Pencils, Penholders, Rubber Bands, etc.—will be
received at the office of the Supervisor of the City
Record, until 12 o'clock M. of Monday, the 8th day of
February, 1892, at or about which time said estimates
will be publicly opened and read in the office of the
Mayor.

Each person making an estimate shall inclose it in a
sealed envelope, indorsed "Estimate for furnishing
Stationery," and with his name and the date of its
presentation.

Each estimate shall state the name and place of resi-
dence of the person making it; if there is more than
one such person, their names and residences must be
given; and if only one person is interested in the estimate
it must distinctly state that fact; also, that it is made
without any connection with any other person making
an estimate for the same purpose, and is in all respects
fair and without collusion or fraud; and that no member
of the Common Council, head of a department, chief of a
bureau, deputy thereof or clerk therein, or other officer
of the Corporation, is directly or indirectly interested
therein, or in any portion of the profits thereof. The estimate
must be verified by the oath, in writing, of the party or
parties making the estimate that the several matters
stated therein are in all respects true. Where more
than one person is interested it is

business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the estimated cost of the articles awarded to each contractor; the amount of preliminary security to be given until each award, and in which the sureties shall justify, shall be ONE THOUSAND DOLLARS.

Should the person to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accepted but do not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation to the Corporation, and no estimate will be accepted from, or a contract awarded to, any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of fifty per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record, who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said Supervisor and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the undersigned city officers to reject any or all bids which may be deemed prejudicial to the public interests.

A separate contract will be made with the lowest bidder for each and every class of Stationery involving an expenditure of more than five hundred dollars, and the Board of City Record expressly reserves the right to make a contract with the lowest bidder on any class involving the expenditure of a lesser sum.

The Stationery is to be put up in packages according to schedules to be furnished to the contractors by the Supervisor of the City Record, and according to the most approved methods followed in the stationery trade for the preservation of goods. The contractors must complete the delivery of the goods at the office of the City Record within twenty days from the execution of the contracts.

DESCRIPTION OF ARTICLES.

For particulars as to the quantities and kinds of Stationery, reference must be had to the specifications, copies of which may be procured from the Supervisor of the City Record, or may be seen in the Department of Public Works, where they are on file with certain samples. When the description of an article is not complete in the specifications, and no sample is on file in the Department of Public Works, the contractor must supply an article in every respect like that in use in the Department making the requisition.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B.—The price must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the City so to do, and to readvertise until satisfactory bids or proposals shall be received. But the contract when awarded will in each case be awarded to the lowest bidder.

Blank forms for proposals and forms of the several contracts which the successful bidder will be required to execute can be had at the office of the Secretary, and the plans can be seen and information relative to them can be had at the office of the Department, Nos. 49 and 51 Chambers street.

N. B.—Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received: 1st. Bidders must satisfy themselves by personal examination of the locations of the proposed deliveries of the material, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks and in substantial accordance with the specifications of the contract. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

At least one hundred and fifty thousand feet, board measure, of the timber is to be delivered within sixty days, Sundays and holidays excepted, from the date of the contract, and at least two hundred thousand feet, board measure, of the timber is to be delivered in each calendar month after said sixty days have expired, and all the timber to be delivered under this contract is to be delivered on or before July 10, 1892, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price per thousand feet, board measure, for Yellow Pine Timber to be delivered in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the receiving of the material by the Department of Docks.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for furnishing this material.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on, until it be accepted and executed.

Bidders are required to state in their estimates, their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested, the estimate shall distinctly state that fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true.

Each estimate shall be accompanied by the consent in writing of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its comple-

tion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the material to be delivered, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED, IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the material, can be obtained upon application therefor at the office of the Department.

in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION,
No. 66 THIRD AVENUE,
NEW YORK, January 26, 1892.

TO CONTRACTORS.

MATERIALS AND WORK REQUIRED FOR REPAIRS TO ROOFS, GUTTERS, ETC., INSANE ASYLUM, WARD'S ISLAND.

SEALED BIDS OR ESTIMATES FOR THE aforesaid work and materials, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until Tuesday, February 9, 1892, until 10 o'clock A. M. The person or persons making any bid or estimate shall furnish the same in a sealed envelope indorsed "Bid or Estimate for Repairs to Roofs, Gutters, etc., Insane Asylum, Ward's Island," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of TWO THOUSAND (\$2,000) DOLLARS.

A bidder for a contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom a contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract, or such specific sum as may be mentioned in the proposal.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose; and is in all respects fair, and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other

officer of the Corporation, is directly or indirectly interested therein, or in the supplies to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The terms of the contracts, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of their provisions carefully, as the Board of Public Charities and Correction will insist upon their absolute enforcement in every particular.

EDWARD C. SHEEHY, Commissioner,

The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of

the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.
