Whereas, It is important for the preservation of the commercial supremacy of the City of New York that its citizens should have every proper facility for the transaction of business, and we regard it as the duty of the Government to do all things requisite or advisable to facilitate within reasonable bounds the commerce and industries of our city, and thus promote, not alone the welfare of the individuals, but add to the substantial progress of the City, State and Nation; and

Whereas, An expeditious, frequent and efficient postal service is essential to the proper conduct of business in a large city, as well as to the convenience and comfort of its citizens;

Resolved, That we protest against any curtailment of the postal deliveries and facilities in this city as unwise, and as destructive of that commercial and industrial growth which this City of New York was destined to attain.

Resolved, That we protest against any false spirit of economy which seeks to limit public expenditure at the cost of inferior service by the discharge of faithful public servants, as the letter-carriers of this city have proven themselves to be. We do not believe that this city, where so large a profit is realized for the Post-office Department, should have its postal facilities crippled for the benefit of hamlets and villages.

Resolved, That a copy of these resolutions be sent to the Senators and Representatives in Congress from the State of New York.

Adopted by the Council, January 25, 1898.

Adopted by the Board of Aldermen, January 25, 1898.

Approved by the Mayor, January 28, 1898.

P. J. SCULLY, City Clerk.

EXECUTIVE DEPARTMENT.

CITY OF NEW YORK, MAYOR'S OFFICE.

Pursuant to chapter 339 of the Laws of 1883, entitled "An Act concerning Pawn Brokers," and the acts amendatory thereof and supplemental thereto, I, Robert A. Van Wyck, Mayor of the City of New York, do hereby designate the following newspapers as those in which notices of sale shall be published under said act, viz.:

The "New York Journal and Advertiser" and the "Morning Telegraph," published in the Borough of Manhattan, where the business of the person making the sale is carried on in said borough, or in the Borough of the Bronx or in the Borough of Richmond; the "Brooklyn Citizen" and the "Brooklyn Daily Eagle," published in the Borough of Brooklyn, where the business of the person making the sale is carried on in said borough, and the "Long Island Star" and "Flushing Evening Journal," published in the Borough of Queens, where the business of the person making the sale is carried on in said borough.

When a sale is made in a borough other than that in which the party making the sale carries on business, notice of the sale shall also be published in the newspapers herein designated, for the borough in which the sale is made.

In Witness Whereof, I hereunto set my hand and affix my seal of office this 27th day of January, A. D. one thousand eight hundred and ninety-eight.

[SEAL OF MAYOR.]

(Signed)

ROBERT A. VAN WYCK, Mayor.

No empty packages are to be returned to bidders or contractors except such as are designated in the specifications.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope indorsed "Bid or Estimate for Crocker, Oil, etc.," with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, or his duly authorized agent, and read.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is an arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or her therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates. Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.
