### **FINDINGS**

The City Planning Commission hereby makes the following findings pursuant to Sections 74-743 of the Zoning Resolution:

1. The large-scale general development has a total of approximately two acres and will be developed as a unit under single fee ownership or alternate ownership arrangements as set forth in the zoning lot definition in Section 12-10 of the Zoning Resolution and contains existing buildings that form an integral part of the large-scale general development;
2. the distribution of floor area, open space, dwelling units, rooming units and the location of buildings, will result in a better site plan and a better relationship among buildings and open areas to adjacent streets, surrounding development, adjacent open areas than would be possible without such distribution and will thus benefit both the occupants of the large-scale general development, the neighborhood and the City as a whole;

3. the distribution of floor area and location of buildings will not unduly increase the bulk of buildings in any one block and will not unduly obstruct access of light and air to the detriment of the occupants or users of buildings in the block or nearby blocks or of people using the public streets;
4. considering the size of the proposed large-scale general development, the streets providing access to such large scale general development will be adequate to handle traffic resulting therefrom; and
5. A declaration with regard to ownership requirements of the large-scale general development has been filed with the Commission.

### **ARTICLE III**

#### **EFFECTIVE DATE; AMENDMENTS AND MODIFICATIONS TO AND CANCELLATION OF THIS DECLARATION**

##### **3.01 Effective Date; Lapse; Cancellation.**

(a) This Declaration and the provisions and covenants hereof shall become effective only upon Final Approval of the Land Use Applications (the "Effective Date").

(b) Upon such Final Approval of the Land Use Applications and prior to application for any Building Permit relating to the Subject Property, the Declarants shall record

this Declaration and any related waivers executed by Mortgagees or other Parties-in-Interest or other documents executed and delivered in connection with the Land Use Applications and required by this Declaration to be recorded in public records, in the Office of the City Register, New York County (the “Register’s Office”), indexing them against the entire Subject Property, and deliver to the Commission within ten (10) days from any such submission for recording, a copy of such documents as submitted for recording, together with an affidavit of submission for recordation. Declarants shall deliver to the Commission a copy of all such documents, as recorded, certified by the City Register (the “Register”), promptly upon receipt of such documents from the Register. If the Declarants fail to so record such documents, then the City may record duplicate originals of such documents. However, all fees paid or payable for the purpose of recording such documents, whether undertaken by the Declarants or by the City, shall be borne by Declarants.

(c) Notwithstanding anything to the contrary contained in this Declaration, if the Approvals given in connection with the Land Use Applications are declared invalid or otherwise voided by a final judgment of any court of competent jurisdiction from which no appeal can be taken or for which no appeal has been taken within the applicable statutory period provided for such appeal, then, upon entry of said judgment or the expiration of the applicable statutory period for such appeal, this Declaration shall be cancelled and shall be of no further force or effect and an instrument discharging or terminating it may be recorded. Prior to the recordation of such instrument discharging or terminating this Declaration, the Declarants shall notify the Chair of Declarant’s intent to discharge or terminate this Declaration and request the Chair’s approval, which approval shall be limited to insuring that such discharge and termination is in proper form and provides that the proper provisions which are not discharged or terminated

3.02 **Amendment.** This Declaration may be amended, modified or cancelled only upon application by any of the Declarants, with the consent of the other Declarants (provided, however, that no consent from the other Declarants will be required with respect to any amendments or modifications if such amendments and modifications do not affect the rights or obligations of the other Declarants pursuant to the Approvals or as set forth in this Declaration), and with the express written approval of the Commission or an agency succeeding to the Commission's jurisdiction (except with respect to a cancellation pursuant to Section 3.01 hereof, for which no such approval shall be required). No other approval or consent shall be required from any public body, private person or legal entity of any kind, including, without limitation, any other present Party-in-Interest or future Party-in-Interest who is not a successor of Declarants.

3.03 **Minor Modifications.** Notwithstanding the provisions of Section 3.02 above, any change to this Declaration proposed by any of the Declarants, which the Chair deems to be a minor modification of this Declaration, may by express written consent be approved administratively by the Chair and no other approval or consent shall be required from any public body, private person or legal entity of any kind, including, without limitation, any present or future Party-in-Interest (including the other Declarants, provided that such minor modification does not affect the rights or obligations of the other Declarants pursuant to the Approvals or as set forth in this Declaration). Such minor modifications shall not be deemed amendments requiring the approval of the Commission.

3.04 **Future Recording.** Any modification, amendment or cancellation of this Declaration shall be executed and recorded in the same manner as this Declaration.

3.05 **Certain Provisions Regarding Modification.** For so long as any Declarant, or any successor entity to the balance and entirety of such Declarant's fee interest in the Subject Property so that Declarant no longer holds any fee interest in the Subject Property (the "Successor Declarant"), shall hold a fee interest in the Subject Property or any portion thereof, all other Unit Interested Parties, their heirs, successors, assigns and legal representatives, hereby irrevocably (i) consent to any amendment, modification, cancellation, revision or other change in this Declaration, (ii) waive and subordinate any rights they may have to enter into an amended Declaration or other instrument amending, modifying, canceling, revising or otherwise changing this Declaration, and (iii) nominate, constitute and appoint Declarant, or any Successor Declarant, their true and lawful attorney-in-fact, coupled with an interest, to execute any documents or instruments of any kind that may be required in order to amend, modify, cancel, revise or otherwise change this Declaration or to evidence such Unit Interested Parties' consent or waiver as set forth in this Section 3.05.

## **ARTICLE IV**

### **COMPLIANCE; DEFAULTS; REMEDIES**

4.01 **Default.** (a) Declarants acknowledge that the restrictions, covenants, and Obligations of this Declaration will protect the value and desirability of the Subject Property, as well as benefit the City. Declarant acknowledges that the City is an interested party to this Declaration, and consents to enforcement by the City, administratively or at law or equity, of the restrictions, covenants, easements, obligations and agreements contained herein. If any Declarant fail to perform any of its obligations under this Declaration with respect to its Obligations (a

“Violation Controlling Declarant”), the City shall seek to enforce this Declaration first against such Violation Controlling Declarant(s), as applicable, and exercise any administrative legal or equitable remedy available to the City, and Declarants hereby consents to same; provided that this Declaration shall not be deemed to diminish Declarants’ or any other Party in Interest’s right to exercise any and all administrative, legal, or equitable remedies otherwise available to it, and provided further, that the City’s rights of enforcement shall be subject to the cure provisions and periods set forth in Section 4.01(c) hereof. Declarants also acknowledge that the remedies set forth in this Declaration are not exclusive and that the City and any agency thereof may pursue other remedies not specifically set forth herein including, but not limited to, a mandatory injunction compelling a Violation Controlling Declarant to comply with the terms of this Declaration and a revocation by the City of any certificate of occupancy, temporary or permanent, for any building located within the Large Scale General Development Project that does not comply with the provisions of this Declaration; provided, however, that such right of revocation shall not permit or be construed to permit the revocation of any certificate of occupancy for any use or improvement that exists on the Subject Property as of the date of this Declaration;

(b) Notwithstanding any provision of this Declaration, only Declarants, Mortgagees, and Declarants’ successors and assigns and the City, shall be entitled to enforce or assert any claim arising out of or in connection with this Declaration. Nothing contained herein should be construed or deemed to allow any other person or entity to have any interest in or right of enforcement of any provision of this Declaration or any document or instrument executed or delivered in connection with the Land Use Applications.

(c) Prior to City instituting any proceeding to enforce the terms or conditions of this Declaration due to any alleged violation hereof, City shall give the Violation Controlling Declarant, every Mortgagee of all or any portion of the Violation Controlling Declarant's Parcel, and every Party in Interest in such Parcel, ninety (90) days written notice of such alleged violation, during which period the Violation Controlling Declarant, any Party in Interest and Mortgagee shall have the opportunity to effect a cure of such alleged violation or to demonstrate to City why the alleged violation has not occurred. If a Mortgagee or Party in Interest performs any obligation or effects any cure a Violation Controlling Declarant is required to perform or cure pursuant to this Declaration, such performance or cure shall be deemed performance on behalf of the Violation Controlling Declarant and shall be accepted by any person or entity benefited hereunder, including the Commission and the City, as if performed by the Violation Controlling Declarant. If a Violation Controlling Declarant, any Party in Interest or Mortgagee commence to effect such cure within such ninety (90) day period (or if cure is not capable of being commenced within such ninety (90) day period, the Violation Controlling Declarant, any Party in Interest or Mortgagee commences to effect such cure when such commencement is reasonably possible), and thereafter proceeds diligently toward the effectuation of such cure, the aforesaid ninety (90) day period (as such may be extended in accordance with the preceding clause) shall be extended for so long as the Violation Controlling Declarant, any Party in Interest or Mortgagee continues to proceed diligently with the effectuation of such cure. In the event that more than one Declarant exists at any time on the Subject Property, notice shall be provided to all Declarants from whom City has received notice in accordance with Section 5.03 hereof, and the right to cure shall apply equally to all Declarants.

(d) If, after due notice and opportunity to cure as set forth in this Declaration, a Violation Controlling Declarant, Mortgagee or a Party in Interest shall fail to cure the alleged violation with respect to its Parcel, the City may exercise any and all of its rights, including without limitation those delineated in this Section 4.01 and may disapprove any amendment, modification or cancellation of this Declaration on the sole ground that such Violation Controlling Declarant is in default of a material Obligation under this Declaration.

The time period for curing any violation of this Declaration by the Violation Controlling Declarant shall be subject to extension due to the occurrence of a Force Majeure Event subject to the provisions of Section 4.04 hereof.

4.02 **Rights of Mortgagees.** Except as otherwise provided in Section 4.03 of this Declaration, if a Violation Controlling Declarant shall fail to observe or perform any of the covenants or provisions contained in this Declaration as same apply to its Parcel and such failure continues beyond the cure period set forth in Section 4.01 hereof, the City shall, before taking any action to enforce this Declaration, give notice to any Named Mortgagee, setting forth the nature of the alleged default. A Named Mortgagee shall have available to it an additional cure period of the same number of days as the Violation Controlling Declarant had in which to cure such alleged default, as extended by Force Majeure Events. If such Named Mortgagee has commenced to effect a cure during such period and is proceeding with reasonable diligence towards effecting such cure, then such cure period shall be extended for so long as such Named Mortgagee is continuing to proceed with reasonable diligence with the effectuation of such cure. With respect to the effectuation of any cure by any Named Mortgagee, such Named Mortgagee shall have all the rights and powers of the Declarant pursuant to this Declaration necessary to cure such default. If a Named Mortgagee performs any obligation or effects any cure the

Violation Controlling Declarant is required to perform or cure pursuant to this Declaration, such performance or cure shall be deemed performance on behalf of the Violation Controlling Declarant and shall be accepted by any person or entity benefited hereunder, including the Commission and the City, as if performed by Declarant.

4.03 **Enforcement of Declaration.** No person or entity other than Declarants, Mortgagees, the City, or a successor, assign or legal representative of any such party, shall be entitled to enforce, or assert any claim arising out of or in connection with, this Declaration. This Declaration shall not create any enforceable interest or right in any person or entity other than the parties named above in this Section, who shall be deemed to be the proper entities to enforce the provisions of this Declaration, and nothing contained herein shall be deemed to allow any other person or entity, public or private, any interest or right of enforcement of any provision of this Declaration or any document or instrument executed or delivered in connection with the Land Use Applications. Declarant consents to the enforcement by the City, administratively or at law or equity, or by any legal means necessary, of the covenants, conditions, easements, agreements and restrictions contained in this Declaration.

4.04 **Delay By Reason of Force Majeure Event.** In the event that Declarant is unable to comply with any Obligations of this Declaration (including, without limitation, any violation of this Declaration under Section 4.01 hereof) as a result of a Force Majeure Event, then Declarant may, upon written notice to the Chair (the "Delay Notice"), request that the Chair, certify the existence of such Force Majeure Event. Such Delay Notice shall include a description of the Force Majeure Event, and, if known to such Declarant, its cause and probable duration and the impact it is reasonably anticipated to have on the completion of the item of work, to the extent known and reasonably determined by the Declarant. In the exercise of its reasonable

judgment the Chair shall, within thirty (30) days of its receipt of the Delay Notice certify in writing whether a Force Majeure Event has occurred. If the Chair certifies that a Force Majeure Event does not exist, the Chair shall set forth with reasonably specificity, in the certification, the reasons therefore. If the Chair certifies a Force Majeure Event exists, upon such notification, the Chair shall grant Declarant appropriate relief including notifying the Buildings Department that a Building Permit, TCO, or a PCO, as applicable, may be issued for the New Building. Failure to respond within such thirty (30) day period shall be deemed to be a certification by the City that Force Majeure Events have occurred. Any delay caused as the result of a Force Majeure Event shall be deemed to continue only as long as the Force Majeure Event continues. Upon a certification or deemed certification that Force Majeure Events have occurred, the City may grant such Declarant appropriate relief. As a condition of granting such relief, the City may require that such Declarant post a bond, letter of credit or other security in a form reasonably acceptable to the City in order to ensure that the Obligation will be completed in accordance with the provisions of this Declaration. Any delay caused as the result of Force Majeure Event shall be deemed to continue only as long as the Force Majeure Event continue. Declarant shall recommence the Obligation at the end of the probable duration of the Force Majeure Event specified in the Delay Notice, or such lesser period of time as the Chair reasonably determined the Force Majeure Event shall continue; provided, however, that if the Force Majeure Event has a longer duration than as set forth in the Delay Notice, or as reasonably determined by the Chair, the Chair shall grant additional time to re-commence the Obligation.

4.05 **Declarants' Remedies for Breach by Other Declarants.** Each of the Declarants shall develop or occupy its Parcel in compliance with the terms and provisions of this Declaration as it pertains to such Declarant's Parcel. In the event of any Violation Controlling

Declarant's breach of the terms and conditions of this Declaration (including, without limitation, Article II hereof), which breach shall not have been cured after all applicable notice and cure rights, the other Declarants (each individually, a "Non-Violation Controlling Declarant" and collectively, the "Non-Violation Controlling Declarants") shall have any and all rights and/or remedies available at law, in equity, under this Declaration or otherwise. Such rights and/or remedies shall include, without limitation, (A) injunctive relief (i) to prevent the actual or threatened filing with the appropriate Governmental Entity of any plans or specifications that are not consistent with this Declaration, (ii) to stop work on any actual or threatened non-conforming buildings and improvements, (iii) to compel work so that any buildings and improvements is constructed in accordance with this Declaration, (iv) to compel removal of any such non-complying buildings or improvements, and/or (B) the right to sue for actual and/or consequential damages, and/or (C) the right cure such breach at the expense and for the account of the Violation Controlling Declarant (and if necessary, in the name of Violation Controlling Declarant with the right to file all required applications on behalf of and as agent of the Violation Controlling Declarant), and the Violation Controlling Declarant will execute and deliver such documents and applications as may be required in connection therewith, it being agreed that a Non-Violation Controlling Declarant shall have a license to have access to the Violation Controlling Declarant's Parcel for the purpose of effecting such cure, provided, however, that such access and cure (i) shall only occur after notice to the Violation Controlling Declarant, (ii) except in the event of an emergency as reasonably determined by a Non-Violation Controlling Declarant, shall only occur at reasonable times, and (iii) shall not unreasonably interfere with the Violation Controlling Declarant's use and occupancy of the Violation Controlling Declarant's building; and provided, further, that during the period of such access and cure, the Non-Violation

Controlling Declarant shall procure and maintain liability insurance, naming the Violation Controlling Declarant (and any mortgagee of the Violation Controlling Declarant's Parcel of which the Non-Violation Controlling Declarant has notice) as an additional insured, in the form and in the amounts customarily carried in connection with work of the type necessary to cure such breach. Each Declarant (in such capacity, the "Indemnifying Party") shall indemnify, defend and hold harmless the other Declarants (the "Indemnified Parties") from and against and in respect of any loss, cost, damage, liability and expense (including, without limitation, reasonable attorneys' fees and disbursements) asserted against, imposed on or incurred by the Indemnified Parties by reason of, or resulting from or relating to a breach of this Declaration as it relates to the Indemnifying Party's Parcel.
