• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

- (H) The household must:
 - (i) provide accurate, complete and current information on income and household composition; and
 - (ii) provide supporting documentation as necessary to verify eligibility and the information needed to determine the SEPS rent supplement amount, maximum rent, and any required contributions.
- (2) The number of eligible households that can be approved to participate in the SEPS Program will be limited by the amount of available funding. Applications must be submitted on a form and in a format established by HRA.
- (3) At the time of approval, HRA will calculate the household's monthly program participant contribution and the maximum monthly rent supplement amount pursuant to Section 8-13 of this chapter. Except as provided in Section 8-14 of this chapter, the monthly program participant contribution and monthly rent supplement amount will not change during the first year of the program, regardless of changes in household composition or income.
- (b) Renewals after the First Year.
 - (1) Subject to the availability of funding, a household participating in the SEPS Program will receive up to four one-year renewals in the SEPS Program if:
 - (A) The household's total gross income does not exceed 200 percent of the federal poverty level as established annually by the U.S. Department of Health and Human Services; and
 - (B) The household provides prompt notice to HRA of any rent arrears that have accrued so that they may be addressed.
 - (2) A program participant who meets the requirements set forth in paragraph (1) of this subdivision will continue to receive annual renewals after receiving the renewals provided for in such paragraph if the program participant either:
 - (A) receives social security disability insurance benefits under Title II of the federal Social Security Act or supplemental security income under Title XVI of the federal Social Security Act, or receives a recurring monthly Public Assistance grant and has been determined by HRA to be potentially eligible for such social security disability insurance benefits or supplemental security income based on a documented disability; or
 - (B) receives compensation for a disability resulting from a line-of-duty injury or disease pursuant to Subchapter II or Subchapter IV of Chapter 11 of Part II of Title 38 of the United States Code, or receives a non-service-connected disability pension pursuant to Subchapter II of Chapter 15 of Part II of Title 38 of the United States Code.
 - (3) HRA will determine a household's eligibility for renewal in the SEPS Program at the end of each year of the household's participation in the program, subject to the availability of funding. Before the start of each one-year renewal, HRA will recalculate the household's monthly program participant contribution and the monthly rent supplement amount pursuant to Section 8-13 of this chapter. Except as provided in Section 8-14 of this chapter, the monthly program participant contribution and monthly rent supplement will not change during the one-year renewal period, regardless of changes in household composition or income.
 - (4) HRA in its discretion may waive any of the requirements set forth in paragraph (1) of this subdivision on a case-by-case basis where non-renewal is likely to result in the household's entry into shelter. HRA may also waive the requirement set forth in subparagraph (B) of paragraph (1) of this subdivision if the household's failure to meet the requirement was due to circumstances beyond its control.

§ 8-13 Maximum Rents and Calculation of Monthly Program Participant Contributions and Rent Supplements.

- (a) Apartment Rentals.
 - (1) The maximum monthly rent for an apartment towards which a SEPS rent supplement may be applied during the first year of the rental agreement must not exceed the amounts set forth in the table below:

(2) A program participant contribution of (a) thirty percent of the household's total monthly gross income at the time of approval or renewal plus (b) any amount by which the rent after the first year exceeds the maximum rent for the household's size as set forth in paragraph (1) of this subdivision will be required and will be paid by the program participant directly to the landlord each month. The program participant contribution will be deducted from the monthly rent or the maximum rent for the household's size as set forth in paragraph (1) of this subdivision, whichever is less, to determine the monthly rent supplement. HRA shall pay the monthly rent supplement amount directly to the landlord each month for so long as the household remains eligible and funding for the program remains available.

(b) Room Rentals.

- (1) The maximum monthly rent for a single room towards which a SEPS rent supplement may be applied must not exceed \$800 during the first year, except that HRA may make exceptions on a case-by-case basis if the rent is reasonable in relation to current rents for comparable units in the private unassisted market. It is further provided that:
 - (A) Where the rental agreement is with a primary tenant who receives Public Assistance, the household's monthly rent cannot exceed the difference between the primary tenant's rent obligation to the landlord and the primary tenant's shelter allowance under Section 352.3 of Title 18 of the New York Codes, Rules and Regulations at the time of the effective date of the rental agreement; and
 - (B) In no event shall the household's monthly rent exceed the household's proportionate share of the rent for the entire residence. The determination of what constitutes the participant's proportionate share of the rent shall be based on the formula set forth in Section 2525.7 of Title 9 of the New York Code of Rules and Regulations or a comparable measure.
- (2) A program participant contribution of (a) thirty percent of the household's total monthly gross income at the time of approval or renewal plus (b) any amount by which the rent after the first year exceeds \$800 will be required and will be paid by the program participant directly to the landlord or primary tenant, as applicable, each month. The program participant contribution will be deducted from the household's monthly rent or \$800, whichever is less, to determine the monthly rent supplement. HRA shall pay the monthly rent supplement directly to the landlord or the primary tenant, as applicable, each month for so long as the program participant remains eligible and funding for the program remains available.

§ 8-14 Moves.

- (a) A household participating in the SEPS Program may not move to a new residence and maintain eligibility for the SEPS Program except with the approval of HRA. The household must obtain such approval prior to moving to a new residence, provided that HRA may consider a request for approval made after the move if a household is unable to obtain such approval prior to the move due to circumstances beyond the household's control.
- (b) HRA shall grant approval for a move if the household is moving from a room to an apartment, unless the household is breaking a lease for the room, in which case the household must establish either good cause for the move or that the landlord is willing to release the program participant from the lease. In all other situations, HRA shall grant approval for a move from one residence to another residence only upon a showing by the household that there is good cause for the move. If the requested move is to a residence with a higher rent than the rent for the current residence, approval will also be subject to the availability of funding.
- (c) If HRA has approved a move to a new residence, HRA shall recalculate the monthly program participant contribution and monthly rent supplement and those amounts shall not change for one year from the effective date of the rental agreement for the new residence, regardless of changes in income or household composition. If the effective date of the rental agreement for the new residence is not more than ten months after the start of the household's current year of participation in the program, then the household's current year in the SEPS Program shall begin anew on the effective date of such rental agreement. If the effective date of the rental agreement for the new residence is more than ten months after the start of the household's current year in the

program and the household is eligible for renewal in the SEPS Program, then the household's renewal period shall begin on the effective date of such rental agreement.

§ 8-15 Agency Review Conference and HRA Administrative Appeal Process.

(a) Right to HRA Administrative Review.

An applicant or program participant may request an agency review conference and/or an HRA administrative hearing to seek review of any determinations or actions made by HRA under this subchapter, as well as any failures to act, or failures to act with reasonable promptness, by HRA in implementing the provisions of this subchapter.

- (b) Agency Review Conference.
 - (1) If an applicant or program participant requests an agency review conference, HRA shall informally review and attempt to resolve the issues raised.
 - (2) An applicant or program participant may request an agency review conference without also requesting an HRA administrative hearing. Requesting an agency review conference will not prevent an applicant or program participant from later requesting an HRA administrative hearing.
 - (3) An agency review conference must be requested within sixty days after the challenged determination or action, provided further that if an HRA administrative hearing is scheduled, an agency review conference must be requested reasonably in advance of the scheduled hearing date.
 - (4) A request for an agency review conference will extend the time period to request an HRA administrative hearing as set forth in paragraph (2) of subdivision (c) of this section to sixty days after the date of the agency review conference.
- (c) Request for an HRA Administrative Hearing.
 - (1) An administrative hearing must be requested in writing.

 Such written request must be submitted by mail, electronic means or facsimile, or other means as HRA may set forth in an appeals notice.
 - (2) Except as provided in paragraph (4) of subdivision (b) of this section, a request for an administrative hearing must be made within sixty days after the challenged determination or action.
- (d) Authorized Representative.
 - (1) Except where impracticable to execute a written authorization, a person or organization seeking to represent an applicant or program participant must have the applicant's or program participant's written authorization to represent him or her at an agency review conference or administrative hearing and to review his or her case record, provided that such written authorization is not required from an attorney retained by such applicant or program participant. An employee of such attorney will be considered an authorized representative if such employee presents written authorization from the attorney or if such attorney advises HRA by telephone of such employee's authorization.
 - (2) Once HRA has been notified that a person or organization has been authorized to represent an applicant or program participant at an agency review conference or administrative hearing, such representative will receive copies of all correspondence sent by HRA to the applicant or program participant relating to the conference and hearing.
- (e) Aid Continuing.
 - (1) If a program participant requests an administrative appeal of a determination by HRA that SEPS rent supplement payments are to be reduced, restricted, suspended or discontinued, such program participant shall have the right to continued receipt of SEPS rent supplement payments at the SEPS rent supplement amount in effect at the time of the determination until the hearing decision is issued pursuant to subdivision (1) of this section, provided that:
 - (A) The program participant requests the administrative appeal within ten days of the mailing of the notice of such determination; and
 - (B) The appeal is based on a claim of incorrect computation or an incorrect factual determination.
 - (2) There is no right to continued SEPS rent supplement payments pursuant to this subdivision where the sole issue on appeal is one of local, State or Federal law or policy, or change in local, State or Federal law.

- (3) Rent supplement payments will not continue pending the issuance of a hearing decision when:
 - (A) The program participant has voluntarily waived his or her right to the continuation of such assistance in writing; or
 - (B) The program participant does not appear at the administrative hearing and does not have a good cause reason for not appearing.
- (4) If a program participant requests an additional appeal pursuant to subdivision (m) of this section, rent supplement payments will continue uninterrupted after issuance of the hearing decision until a written decision is issued pursuant to subdivision (l) of this section.

(f) Notice.

HRA shall provide the applicant or program participant with notice of the date, time, and location of the administrative hearing no fewer than seven calendar days prior to the scheduled date of the administrative hearing, unless the issue underlying the request for an administrative hearing has been resolved and the applicant or program participant has withdrawn his or her hearing request.

(g) Examination of Case Record.

The applicant or program participant or his or her authorized representative has the right to examine the contents of his or her SEPS Program case file and all documents and records that HRA intends to use at the administrative hearing. Upon request by telephone or in writing, HRA shall provide such applicant or program participant with copies of all such documents, and copies of any additional documents in the possession of HRA that the applicant or program participant identifies and requests for purposes of preparing for the administrative hearing. HRA shall provide such documents at no charge reasonably in advance of the administrative hearing. If the request for such documents is made less than five business days before the administrative hearing, HRA must provide the applicant or program participant with copies of such documents no later than at the time of the administrative hearing.

(h) Adjournment.

The administrative hearing may be adjourned for good cause by the administrative hearing officer on his or her own motion or at the request of the applicant or program participant, or HRA.

- (i) Conduct of Administrative Hearing.
 - (1) The administrative hearing shall be conducted by an impartial hearing officer appointed by HRA who shall have the power to administer oaths and issue subpoenas and who shall have no prior personal knowledge of the facts concerning the challenged determination or action.
 - (2) The administrative hearing shall be informal, all relevant and material evidence shall be admissible and the legal rules of evidence shall not apply. The administrative hearing shall be confined to the factual and legal issues raised regarding the specific determination(s) for which the administrative hearing was requested.

 - (4) An audio recording, an audio visual recording or written transcript of the administrative hearing shall be made.
- (j) Abandonment of Request for Administrative Hearing.
 - (1) HRA will consider an administrative hearing request abandoned if neither the applicant or program participant nor his or her authorized representative appears at the administrative hearing, unless either the applicant or program participant or his or her authorized representative has:
 - (A) contacted HRA prior to the administrative hearing to request rescheduling of the administrative hearing; or
 - (B) within fifteen calendar days of the scheduled administrative hearing date, contacted HRA and provided a good cause reason for failing to appear at the administrative hearing on the scheduled date.
 - (2) HRA will restore the case to the calendar if the applicant or program participant or his or her authorized representative has met the requirements of paragraph (1) of this subdivision.

(k) Hearing Record.

The recording or written transcript of the hearing, all papers and requests filed in connection with the hearing, and the hearing decision collectively constitute the complete and exclusive record of the administrative hearing.

- (l) Hearing Decision.
 - (1) The hearing officer shall render a decision based exclusively on the hearing record. The decision must be in writing and must set forth the administrative hearing issues, the relevant facts, and the applicable law, regulations and approved policy, if any, upon which the decision is based. The decision must identify the issues to be determined, make findings of fact, state the reasons for the determinations, and when appropriate, direct HRA to take specific action.
 - (2) A copy of the decision, accompanied by written notice to the applicant or program participant of the right to further appeal and the procedures for requesting such appeal, will be sent to each of the parties and to their authorized representatives, if any.

(m) Additional Appeal.

- (1) An appeal from a decision of a hearing officer may be made in writing to the Commissioner of HRA or his or her designee provided it is received by HRA through the procedures described in the notice accompanying the hearing decision no later than fifteen business days after HRA sends the decision. The record before the Commissioner shall consist of the hearing record, the hearing officer's decision and any affidavits, documentary evidence, or written arguments that the applicant or program participant may wish to submit.
- (2) The Commissioner or his or her designee shall render a written decision based on the hearing record and any additional documents submitted by the applicant or program participant and HRA.
- (3) A copy of the decision, accompanied by written notice to the applicant or program participant of the right to judicial review, will be sent to each of the parties and to their authorized representatives, if any.
- (4) Upon issuance, the decision of the Commissioner or his or her designee made pursuant to an appeal under this section is final and binding upon HRA and must be complied with by HRA.

§ 8-16 Additional Provisions.

- (a) If a household is eligible for any other rental assistance program described in Chapter 7 or 8 of this title, HRA reserves the right to determine, based on administrative and programmatic needs, which program the household will be approved or certified for.
- (b) SEPS rent supplements cannot be combined with any other rent subsidies other than a Public Assistance shelter allowance provided pursuant to Section 352.3 of Title 18 of the New York Codes, Rules and Regulations, except that HRA may make exceptions on a case-by-case basis.
- (c) The household must apply for any available federal housing assistance program that HRA has determined the household may be eligible for, including but not limited to HUD-Veteran Affairs Supportive Housing, Section 8, and Supportive Services for Veteran Families, and accept the benefit if offered.
- (e) Households are responsible for identifying potential housing. However, shelter staff may provide assistance to such individuals in their housing search.
- (f) A landlord or primary tenant who has entered into a rental agreement with a program participant is prohibited from demanding, requesting, or receiving any monies, goods or services above the rent or any applicable fees as set forth in the rental agreement regardless of any changes in household composition or income. The cost of heat and hot water must be included in the rent. A landlord or primary tenant who demands, requests or receives any monies, goods or services above the rent or any applicable fees as set forth in the rental agreement will be barred from further participation in any HRA rental assistance programs and may be barred from other rental assistance programs administered by the City of New York. Before placing a landlord or primary tenant on a disqualification list, HRA will provide notice to the landlord or primary tenant and an opportunity to object in writing.
- (g) If a household moves or is evicted from the apartment or room to which SEPS rent supplement payments have been applied, the landlord or primary tenant must return any over-payment to HRA.
- (h) HRA will not maintain a waitlist for the SEPS Program.

- (i) HRA shall provide a household moving expenses, a security deposit voucher equal to one month's rent, and a broker's fee equal to up to one month's rent when available under Section 352.6 of Title 18 of the New York Codes, Rules and Regulations.
- (j) If a household includes a person under eighteen years of age, SEPS rent supplement payments may not be applied towards a room rental. A household residing in a single room must promptly notify HRA if it intends to add a person eighteen years of age or younger to the household so that HRA can assist the household in implementing a move pursuant to Section 8-14 of this chapter.

Statement of Basis and Purpose of Emergency Rule

In order to implement the Mayor's priority of preventing homelessness and moving adults from shelter into stable housing, and in a joint effort with the Commissioner of the Department of Homeless Services (DHS), the Commissioner of the New York City Human Resources Administration (HRA) is amending Chapter 8 of Title 68 of the Rules of the City of New York to create a new rental assistance program, the Special Exit and Prevention Supplement Program ("SEPS"). SEPS will be available to a limited number of single adults and adult families who are homeless or at risk of homelessness, including veterans, adults who are residing in DHS shelter who have lost or are losing housing as a result of an eviction proceeding, a foreclosure proceeding, a City agency vacate order, or for health and safety reasons, or who were in a residential institutional facility prior to entering shelter, and adults recently affected by domestic violence.

The urgent need for these amendments is established by census data from DHS showing that the number of single adults and adult families in the DHS shelter system remains very high, while the DHS shelter system for these populations experiences extremely low vacancy rates.

Specifically, between July 1, 2004 and December 31, 2013, the number of adult families in the DHS shelter system increased by 59 percent. Similarly, there was a 20 percent increase in the average daily census for single adults during the same time period. As of August 14, 2015, 16,562 individuals in total were in DHS shelters for single adults and adult families.

As shelter census has increased, the DHS shelter system has continued to experience extremely low vacancy rates. Indeed, on August 5, 2015, the vacancy rate for adult family shelters was 1.29 percent and the vacancy rate for single adult shelters was 1.1 percent. DHS anticipates further strain on the single adult and adult family shelter system in the coming months.

Further, the City is currently faced with the critical need to find housing for hundreds of individuals who have been required to leave "three-quarter housing" for health and safety reasons. Many of these individuals are currently occupying temporary housing pending relocation to permanent housing and are at risk of shelter entry if permanent affordable housing cannot be found. SEPS is urgently needed to provide rental assistance for many of these individuals to enable them to relocate to permanent housing.

The SEPS Program provides an important new option for single adults and adult families who are homeless or at risk of homelessness that will increase the number of exits from and decrease the number of entries to shelter, helping to address and alleviate current demands on the shelter system.

HRA's authority for this emergency rule may be found in Sections 34, 56, 61, 62, 77, and 131 of the New York Social Services Law, Sections 603 and 1043 of the New York City Charter, and Section 352.6 of Title 18 of the New York Codes, Rules and Regulations.

Required Finding Pursuant to New York City Charter Section 1043(i)(1)

IT IS HEREBY CERTIFIED that the immediate effectiveness of this emergency rule creating the Special Exit and Prevention Supplement Program ("SEPS") is necessary to address the immediate need to relocate homeless adults from New York City Department of Homeless Services ("DHS") shelters and reduce the number of entrants to such shelters. The adult and adult family shelter system is currently experiencing a very high need for capacity. Providing sufficient shelter capacity to meet the needs of City residents who do not have permanent housing is a necessary City service. Without the immediate implementation of these amendments to relocate single adults and adult families to stable housing in the community, other emergency measures would be required to meet the need for increased shelter capacity. It is therefore necessary to act by emergency rulemaking so that the City of New York and its agencies can immediately begin to use available rental assistance to relocate specific numbers of adults and adult families to permanent housing from shelters or unstable housing situations, thereby taking immediate action with respect to shelter system capacity, pending the adoption of a final rule.

The number of adults in the DHS shelter system for single adults and adult families is very high, and the DHS shelter system for these populations is experiencing extremely low vacancy rates. Specifically, between July 1, 2004 and December 31, 2013, the number of adult

families in the DHS shelter system increased by 59 percent. Similarly, there was a 20 percent increase in the average daily census for single adults during the same time period. As of August 14, 2015, 16,562 individuals in total were in DHS shelters for single adults and adult families. On August 5, 2015, the vacancy rate for adult family shelters was 1.29 percent and the vacancy rate for single adult shelters was 1.1 percent. DHS anticipates further strain on the single adult and adult family shelter system in the coming months.

Further, the City is currently faced with the critical need to find housing for hundreds of individuals who have been required to leave "three-quarter housing" for health and safety reasons. Many of these individuals are currently occupying temporary housing pending relocation to permanent housing. SEPS is urgently needed to provide rental assistance for many of these individuals to enable them to relocate to permanent housing.

The SEPS Program provides an important new option for homeless adults and adult families that will increase the number of exits from shelter and decrease the number of entries to shelter, helping to address and alleviate current demands on the shelter system.

Delaying implementation of this rule pending non-emergency rulemaking would also result in longer stays in shelters for currently homeless men and women, further increasing the strain on the shelter system, which, as indicated, provides a necessary service to large numbers of single adults and adult families.

Pursuant to Section 1043(i)(2) of the Charter, the emergency rule will remain in effect for not more than 120 days while HRA prepares a permanent rule.

IT IS THEREFORE HEREBY CERTIFIED that the immediate effectiveness of a rule establishing the Special Exit and Prevention Supplement Program is necessary to address an imminent threat to a necessary service.

RETIRED

The Mayor's Fund to Advance New York City, with the assistance of the New York City Department of Consumer Affairs Office of Financial Empowerment ("DCA/OFE"), seeks a Collaborative of Consultants to partner with each other in creating a framework and strategy for defining and measurably improving neighborhood-level financial health. This initiative seeks to enable DCA/OFE to identify and harness local formal and informal systems and structures to magnify positive financial health outcomes for neighborhoods, and thereby for low-income New Yorkers, across New York City at an unprecedented scale. The total budget for the Collaborative is \$210,000 over approximately 12 months of engagement. Further details can be found at on.nyc.gov/finhealthrfp .
