

# **WELCOME TO THE NEW SOLID WASTE MANAGEMENT PLAN DEIS PUBLIC HEARINGS**

## **We want to hear from you!**

In October 2004, the Department of Sanitation (DSNY) issued a Draft Comprehensive Solid Waste Management Plan, referred to as the "New SWMP." The New SWMP describes how all the waste generated in New York City will be managed over the next twenty years. The New SWMP continues existing programs, but also proposes changes. A Draft Environmental Impact Statement (DEIS) was issued that evaluates and discloses the environmental consequences of the changes proposed in the New SWMP.

You are invited to provide comments on the DEIS tonight, at any of the other DEIS Public Hearings, and by mail through January 24, 2004 (Harry Szarpanski, DSNY, 44 Beaver Street, 12th floor, New York, NY 10004). Hearing locations and times are provided below:
