JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 9 to 4 daily, from all persons hitherto
liable or recently serving who have become exempt, and
all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
day. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof of
exemption; if liable, he must also answer in person, giving
full and correct name, residence, etc., etc. No attention
paid to letters.

When possible and legal, serving jurors will be allowed
to select a convenient season—if application be made in
time.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines, received from those
who, for business or other reasons, are unable to serve at
the time selected, pay the expenses of this office, and if
unpaid will be entered as judgments upon the property of
delinquents.

The Commissioner will receive applications for relief
from those jurors who have served continuously and
promptly for several years, or have done excessive jury
service in the State Courts.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully pro-
secuted. No fees of any kind exist or are allowed in re-
gard to jury notices, and any one asking, receiving, or
giving any such "fee" or "present" will be arrested, and,
if possible, punished to the full extent of the law.

THOMAS DUNLAP, Commissioner,
County Court-house (Chambersstreet entrance).

CORPORATION SALE OF FERRY FRANCHISES.

SEALED BIDS WILL BE RECEIVED AND
publicly opened at the Comptroller's office, on
Thursday, September 23, 1875, at 2 o'clock P. M., for Leases
of Franchise or right to maintain and operate several fer-
ries around the City of New York for the terms and on the
conditions hereafter set forth.

The leases will be made to conform to the requirements
of the laws relative to ferries, and subject to such regula-
tions, ordinances, or by-laws, as now are or hereafter may
be made or passed by the Common Council or State Leg-
islature, and the leases will also provide that the lessees
shall take and assume at their own costs and charges all or
any responsibilities and liabilities of the Corporation of the
City of New York to the present lessees of ferries in re-
lation to boats, fixtures, etc., belonging to such lessees at the
respective ferries.

The minimum rate for which the ferry franchise or
license to operate ferries shall be used, or enjoyed, has been
appraised and set by the Commissioners of the Sinking
Fund at two and one-half per centum of the gross re-
ceipts for ferriage that shall hereafter accrue at each
separate ferry, to be paid quarter-yearly to the Corpora-
tion, and a covenant will be contained in each lease re-
quiring the lessees to make and deliver to the Comptrol-
ler of the City of New York, quarter-yearly, a statement
in writing verified by oath or affirmation of the lessee
or of such proper officer of the lessee as may be
designated by the Comptroller of the actual total gross
receipts for ferriage received by such lessee during the
preceding three months, and also that the lessees shall
keep regular books of account showing the daily gross
receipts of the ferry leased, and allow said Comptroller
or any person designated by him to examine such books.

The Department of Docks of the City of New York
has fixed and established the rent for which it will lease
the property in wharves, piers, slips, and lands under wa-
ter belonging to the Corporation, at the several ferries to
be leased to the parties or persons to whom the lease of
the ferry franchise shall be awarded by the Commission-
ers of the Sinking Fund, for the term specified for the
lease of the franchise, at the rates set forth hereafter, and
no deviation will be made from the same, and covenants
will be contained in such leases for construction, mainte-
nance and surrender of all necessary fixtures and appur-
tenances to the wharf and pier property belonging to the
city used by such respective ferries.

Proposals for the lease or license to use the ferry fran-
chise at the respective ferries, to state the maximum
percentage on gross receipts which the person or parties
offering to take each ferry will pay in addition to the
rent fixed by the Department of Docks for the use of the
pier or wharf property belonging to the city, but no lease
will be given at less than the minimum rate of 2½ per
cent. on the gross receipts.

Security satisfactory to the Comptroller will be re-
quired for the punctual performance by the lessees of the
covenants of the lease of the franchise in their behalf.

The several ferries at which the franchise only is to be
leased are as follows:

1st. The ferry from the foot of Tenth street, East river,
to Greenpoint, Long Island, for the term of five years
from October 1, 1875.

2d. The ferry from the foot of Barclay street, North
river, to Hoboken, in the State of New Jersey, for the
term of two years from October 1, 1875.

The several ferries at which the franchise is to be
leased, with use of pier and wharf property belonging to
the City of New York, are as follows:

3d. The ferry from the foot of Grand street, East river,
to Grand street, Brooklyn, E. D., including such wharf
property as shall have been heretofore used by the ferry
run from these points, for the term of ten years from
October 1, 1875, subject to payment of \$2,000 per annum
for the first five years and \$3,000 per annum during the
second five years, rent payable quarter-yearly to the De-
partment of Docks.

4th. The ferry from the north side of Twenty-third
street, East river, as now occupied, to Greenpoint, Long
Island, for the term of five years from October 1, 1875,
subject to \$2,000 per annum rent, payable as last men-
tioned.

5th. The ferry from the foot of Desbrosses street, North
river, to Jersey City, New Jersey, for the term of one year
from October 1, 1875, subject to \$3,000 per annum rent,
payable as last mentioned.

6th. The ferry from the foot of Chambers street, North
river, to Pavonia, New Jersey, for the term of one year
from May 1, 1875, subject to \$15,000 per year rent, payable
as last mentioned.

All of such leases to contain, in addition to the usual
covenants and agreements, a clause to the effect that the
lessees will, at all times during the term of their respective
leases, well and sufficiently repair, uphold, sustain, amend,
maintain and keep all and singular the floats, racks,
fenders, bridges, and other fixtures at each landing place
of their respective ferries, and that in the event of any
damage to the bulkheads and piers adjoining their respec-
tive ferries, from collision by ferries or otherwise, from
any action or negligence on their part, that they the said
lessees will immediately repair and restore said property
to its former good condition, free of cost and expense to
the Corporation; also, that if at any time during the con-
tinuance of the demised term the Department of Docks
shall require any of the premises connected with any ferry
slip or landing place so leased, upon written notice having
been given for three months previously that it is the
desire of the Department of Docks to progress with the
improvements in that vicinity, such Department of Docks
may declare the demised term to be terminated, and the
lessees shall surrender upon the premises and vacate the same
without any claim upon the City of New York for any
damages whatever.

Bids to be addressed to the undersigned, indorsed

"Bids for Ferry Franchises."

The right to reject any bid, if deemed to be to the
interest of the City of New York, is reserved by the
Commissioners of the Sinking Fund.
