TO CONTRACTORS.

PROPOSALS FOR BUILDING WOODEN PLATFORM IN THE REAR OF THE BULKHEAD WALL BETWEEN PIERS 47 AND 48 (OLD NUMBERS), NORTH RIVER.

SEALED PROPOSALS FOR BUILDING WOODEN platform between Piers 47 and 48 (old numbers), North river, indorsed as above, and addressed to "Salem H. M., of Thursday, 14th December, 1876, at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be a skilled dock or bridge builder, well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance, in the sum of three thousand dollars.

The Engineer's estimate of the work to be done is as follows:

White or Yellow Pine, 12 in. x 12 in.....	29,848	ft. B. M.
" " 12 in. x 14 in.....	3,491	"
Spruce Plank, 13 in. x 10 in.....	13,650	"
" Piles for foundation.....	541	"
Oak treenails, 1 in. x 12 in.	2,090	"
" 2 in. x 27 in.....	507	"
" 3 in. x 48 in.....	102	"
" 3 in. x 42 in.....	34	"
" 3 in. x 36 in.....	136	"
" 3 in. x 24 in.....	68	"
Pile shoes.....about	18	lbs. each.

The foregoing are the quantities which have been estimated approximately for the construction of the work. They form, however, no part of the contract, and persons bidding are cautioned that the Department of Docks do not hold themselves responsible that any of them shall strictly obtain in the construction of the work, and bidders are required to examine the plans and the premises, and to judge for themselves of the quantity and other circumstances affecting the cost of the work.

The time allowed for the completion of the work is three months from the date of the execution of the contract, and a penalty of fifty dollars per day, as liquidated damages, will be exacted for each day that the contract may be unfulfilled, after the said three months have expired, Sundays and holidays not to be excepted.

Bidders will state in their proposals the price for the whole of the work to be done in conformity with the specifications, by which the bids will be tested. This price is to cover the expenses of furnishing all the necessary materials and labor and the performance of all the work set forth in the agreement.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state the fact; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that each is a householder or freeholder in the City of New York, and is worth the amount of the security required for the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 27, of chapter VIII, of the Revised Ordinances of the City of New York. The adequacy and sufficiency of the sureties offered to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the work, may be obtained upon application to the Secretary, at the office of the Department, Room No. 6.
