ECONOMIC DEVELOPMENT CORPORATION

■ NOTICE

NOTICE OF PUBLIC SCOPING

The Office of the Deputy Mayor for Economic Development

Draft Scope of Work for an Environmental Impact Statement Four Sparrows Retail Center at Mill Basin

NOTICE IS HEREBY GIVEN THAT a public scoping meeting will be held on Tuesday, January 11, 2011, at the King's Plaza Community Room, 5100 King's Plaza at the intersection of Flatbush Avenue and Avenue U, Brooklyn, New York, at 7:00 P.M. The purpose of the scoping meeting is to provide the public with the opportunity to comment on the draft scope of work proposed to be used to develop an Environmental Impact Statement (EIS) for the proposed Four Sparrows Retail Center project. Written comments on the draft scope may also be submitted to the address below until 5:00 P.M. Friday, January 21, 2011. Directing that an Environmental Impact Statement be prepared, the Environmental Assessment Statement, Positive Declaration, and draft Scope of Work were issued by the Office of the Deputy Mayor for Economic Development on December 10, 2010, and are available for review from the contact person listed below and on the websites of the New York City Economic Development Corporation and the Mayor's Office of Environmental Coordination: www.nycdec.com and www.nyc.gov/oc, respectively.

The proposed project would result in the development of an approximately 15-acre retail center with up to approximately 248,000 gross square feet (gsf) of a mixture of new commercial uses and up to 792 parking spaces to be located on a site fronting Flatbush Avenue north of the Belt Parkway interchange and approximately 0.5 mile south of Avenue U. In addition, the adjoining 46-acre Four Sparrows Marsh would be mapped as City parkland and an unbuilt segment of Flatbush Avenue adjacent to the retail development would be demapped and disposed to the project developers. The retail

center would be comprised of an automotive sales and service center of approximately 110,000 gsf, an existing 46,000 gsf Toys “R” Us store, and a commercial retail development known as Four Sparrows Retail Center at Mill Basin comprised of either two buildings totaling 137,967 gsf or a single building of 127,340 gsf.

The project site is located on Block 8591, Lots 100, 125 and 175.

The project requires a number of discretionary approvals from the New York City Planning Commission including:

- Rezoning of the development site from C3 to C8-1;
- Demapping and disposition of an unbuilt segment of Flatbush Avenue and Marginal Street, Wharf or Place that crosses the site;
- Disposition of the proposed project site to three private entities and Mayoral approval of the business terms pursuant to Section 384(b)(4) of the City Charter;
- Special Permit pursuant to ZR Section 62-836 to modify height and setback regulations on a waterfront block;
- Certification of the site plan on a waterfront block pursuant to ZR Section 62-811;
- Certification of a zoning lot subdivision pursuant to ZR Section 62-812; and
- Mapping of the Four Sparrows Marsh as City parkland.

Related actions include approvals from NYCDOT for proposed signal and roadway improvements, approvals from NYCDEP regarding drainage plan and the extension of a sewer line and storm water drainage, NYSDEC for work on a tidal wetland parcel, and possibly federal permits for structures in navigable waters as well as activities in wetlands.

AGENCY RULES

TRANSPORTATION

NOTICE

Notice of Opportunity to Comment on Proposed Amendments to the rules relating to protected street restoration requirements.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Transportation by subdivision (b) of Section 2903 of the New York City Charter, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department of Transportation proposes to amend subparagraph (vi), paragraph (4) of subdivision (f) of Section 2-11 of Chapter 2 of Title 34 of the Official Compilation of the Rules of the City of New York, the Highway Rules. Matter underlined is new; matter in [brackets] is deleted. The rule was not included in the agency's regulatory agenda because it was not anticipated at the time the agenda was published.

Written comments regarding the proposed rules may be sent to Scott Roveto, Executive Director of Technical Services, New York City Department of Transportation, 55 Water Street, 4th Floor, New York, NY 10041, or may be submitted electronically through NYC RULES at www.nyc.gov/nycrules on or before January 13, 2010. A public hearing shall be held on January 13, 2010 at 55 Water Street, the BID Room, Room A (entrance located on the south side of the building facing the Vietnam Veterans Memorial), New York, NY at 2:00 P.M. Persons seeking to testify are requested to notify Mr. Roveto at the address stated above by January 6, 2010. Persons who need a sign language interpreter or other accommodation for a disability at the hearing are asked to notify Mr. Roveto at the foregoing address by January 6, 2010. Persons interested in receiving comments may request them by writing to: New York City Department of Transportation, Record Access Office, 55 Water Street, 6th Floor, New York, NY 10041. Janette Sadik-Khan, Commissioner.

Subparagraph (vi), paragraph (4) of subdivision (f) of Section 2-11 of Title 34 of the Rules of the City of New York is amended, to read as follows:

(vi) Where street openings cannot be confined to within 8 feet of the curb line, including the required cut back, and/or within the sidewalk area, [full curb to curb roadway restoration shall be required] and where protected street status has been in effect for 18 months or less, the permittee shall restore the street opening or excavation pursuant to the Department's protected street restoration requirements, unless otherwise directed by the Commissioner.

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

The Commissioner of the Department of Transportation is authorized to promulgate rules regarding parking and traffic in the City pursuant to Section 2903 of the New York City Charter.

Subparagraph (vi) of paragraph (4) of subdivision (f) of Section 2-11 is being revised to notify permittees that they will now have to comply with specific restoration requirements. These requirements will vary based on site-specific circumstances and will be provided to permittees upon issuance of a New York City Department of Transportation permit. The reference to these requirements and the issuance of site-specific restoration requirements are meant to make the restorations on protected streets within the five boroughs as uniform as possible.

TAXI AND LIMOUSINE COMMISSION

NOTICE

Notice of opportunity to participate in a pilot program
To test Group Vehicle Ride Program

The New York City Taxi and Limousine Commission ("TLC") invites interested parties to submit requests to participate in a pilot program testing the viability of a new class of for-hire transportation service in select locations throughout the City of New York.

This pilot program will designate providers of a new class of group ride service in specified areas. Participation in the pilot program will permit owners of transportation businesses, such as commuter van services and for-hire vehicle bases, to provide the piloted class of service. The pilot program is intended to test the use of a new class of for-hire service which will provide a fixed-fare group ride among designated pick up and drop off locations, though drop offs can take place anywhere along the route as long as the driver agrees. The pilot will test whether and to what extent there is demand from the public for fixed fare group ride for-hire service from these points and whether this type of service can help the City design transportation alternatives and fill gaps in the existing transit network. Please note that participation in a TLC pilot program in no way guarantees any Commission action at the conclusion of the pilot or the continuation of the new type of service.

On July 15, 2010, the Commission voted to approve this pilot program. In order for your proposal to be considered for participation in this pilot program, your proposal should include the requirements listed in Section B *Proposal Content Requirements*. Please read carefully the *Evaluation Guidelines* set forth in Section C and the Memorandum of Understanding ("MOU") requirements for reporting set forth in Section D.

SECTION A The Pilot Program

1. Service Areas

In this time, we would invite proposals from those interested in operating in the areas formerly served by the B23, B39 and Q79. We also invite proposers to submit proposals for service areas not listed here for our consideration.

The for-hire service will be provided at the following locations, and encompass the following service areas (references are to former MTA bus routes):

A. The area served by the former B23 (Borough Park, Kensington, Flatbush) with the following stop locations:

D. A new line in a currently underserved area that the proposer believes is in need of this type of group ride vehicle service. (Note: This proposal must come with suggested route stops for pickups and drop offs)

Drivers can arrange other drop-off locations individually with passengers on each trip. The TLC expects to approve no more than three participants per service area.

2. License and Equipment Requirements

(a) TLC Licensure.

(i) Successful proposers, upon entering into a Memorandum of Understanding (MOU) governing participation in the pilot, will be expected to apply for a special license which will be necessary for participation. In addition, proposers will need to identify the vehicles and drivers which will provide service through the proposer; the vehicle owners and drivers will also require special licensure. The special licenses needed to participate in the pilot program will be separate and distinct from any licenses already held by any proposer, its vehicles or drivers. These special licenses will be valid only for participation in the pilot program and will be valid for such participation in the designated service area for which the proposer was successful, only while the pilot continues. The special licenses will not be transferrable. If not already licensed by the TLC, expect to be fingerprinted and drivers can expect to be required to meet the requirements of Article 19-A of the Vehicle and Traffic Law. License applicants may also have to pay a licensing fee, although license applicants holding an existing, valid TLC license will not have to pay a license fee. In addition, participants, including vehicles and

drivers, should expect to be held to standards of conduct and safety of operation that are similar to those in effect for all TLC licensees. Participants who fail to continue to meet such standards will be subject to license termination and the end of such participant's participation in the pilot as well as other penalties, as outlined in the MOU. Note that applicants for special pilot licenses which hold other TLC licenses will be evaluated in part based on their history of licensure.

(b) Vehicle, Driver and Operator Requirements.
 (i) In addition to obtaining the special TLC vehicle licenses for participation, vehicles must be affiliated with a participating base to participate in the pilot. Participating vehicles will be required to accommodate between 6 and 20 passengers, not including the driver. Vehicles will be required to be insured within minimum insurance limits currently applicable to commuter vans, which can be found on TLC's website here:

<http://www.nyc.gov/html/tlc/downloads/pdf/comvanrules.pdf>

(ii) Drivers, as noted, will need to be certified under Article 19-A of the Vehicle and Traffic Law. All drivers, prior to receiving the special TLC license authorizing participation in the pilot, will need to demonstrate that they hold a current, valid, unsuspended and unrestricted state driver's license authorizing them to drive the type and size of vehicle they will be driving in the pilot. Note that DMV suspension or revocation of the underlying driver's license will result in termination of the special TLC pilot driver's license.

(iii) Vehicles must display exterior and interior markings as determined by the Chairperson of the TLC and detailed in the MOU.

(iv) Operators must do an appropriate amount of outreach to the community that the service area is located in, the period and amount of which is at the discretion of the TLC. The operator must also provide a phone number for passengers to call with service questions.

3. Fares and Service Requirements

(a) Passenger transportation fares will be at a fixed rate per passenger. Preference will be given to proposers able to provide service for \$2 per passenger, or less, for any ride provided under the pilot.

(b) Transportation will be group rides provided to passengers on a first come, first served basis. This will be an on-demand service and will not be pre-arranged.

(c) Transportation providers may, at their option, provide transportation at set times, or at such times as a vehicle contains as many passengers (up to vehicle seating capacity) as the participant deems acceptable to continue to the next point in the service area.

(d) Providers must keep a passenger log and submit it to TLC on a daily basis.

4. Duration

The pilot program will last for at most 9 months from a date set by the Chairperson, anticipated to begin in January 2011, and it is expected that all proposals and resulting MOUs will contemplate service continuation while the pilot is in progress. The TLC may terminate the pilot program at any time as to all or any service areas or as to any participant. An MOU and related special pilot licenses will be terminated upon the termination of the program as to any participant. In the event of termination of the program as to any service area, all MOUs and all special licenses in effect for the affected service area will terminate upon pilot termination for that area, if termination occurs before the nine month period.

**SECTION B
 Proposal content requirements**

1. Each proposal must indicate the service area or areas for which the proposal is made. Preference will be given to proposers who demonstrate a capacity to supply the entire transportation need in a particular service area. Secondary consideration will be given to proposers who would supply only a portion of the need for a particular service.

2. Each proposal must provide detail as to how service will be provided as to each service area included in the proposal,

- including
 - (a) how many vehicles will provide service, including type and size.
 - (b) the hours or times service will be provided.
 - (c) A set schedule(s) of service, with preference being given to those who offer more frequent service for longer periods of time.
 - (d) proposed fares.
 - (e) whether the proposer anticipates being able to fulfill the entire transportation need within each service area for which a proposal is made.
 - (f) whether the proposer holds existing TLC licenses.
 - (g) when the proposer estimates service can commence, if the proposer is picked to provide service.

3. Each proposal must identify each participating vehicle and driver including by TLC license number, if applicable. Each participating vehicle must be affiliated with the proposer.

4. Each proposal must identify how the proposer intends to maintain the GPS usage data required to be maintained and forwarded to the TLC.

5. Each proposer must provide information as to its safety record in providing transportation to the public, including violation history. Preference will be given to proposers which, by virtue of TLC licensure or other authority, have a demonstrated record of providing safe and efficient transportation services to the public

**SECTION C
 TLC Evaluation Assessment Guidelines**

The TLC will evaluate the proposal contents to determine proposal merit. Proposals will be evaluated based upon:

- (a) the proposer's ability to meet the total transportation need for the service area.
- (b) how many vehicles will provide service and on the type and passenger capacity of such vehicles.
- (c) the hours or times service will be provided.
- (d) how determinations will be made to commence transportation (whether set schedule or upon a certain number of passengers in the vehicle.
- (e) schedules of service, if applicable.
- (f) fare information.
- (g) how the proposer intends to collect, store GPS information and forward it to the TLC.
- (h) the proposer's safety record.
- (i) the proposer's record of providing safe and efficient transportation service to the public.
- (j) for proposers that are current or former TLC licensees, the proposer's history of compliance with TLC rules and other applicable rules and laws.
- (k) Preference will be given to proposers which plan to use vehicles that are accessible to persons in wheelchairs.

**SECTION D
 MOU requirements for reporting performance and success of Program.**

Each pilot program participant must submit reports to the Chairperson as set forth in the MOU. Participants should expect that, not later than three months after the commencement of service, to provide a report covering the first two months of pilot program service. The report should indicate and provide an assessment of the following:

- 1. Volume of transportation provided in each service area served, including
 - (a) Types and sizes of vehicles used, including an assessment as to optimal passenger capacity for the service.
 - (b) average number of vehicles in use during the day.
 - (c) maximum and minimum numbers of vehicle in use at any time.
 - (d) measures of peak usage times and dates.
 - (e) measures of passenger usage, including peak times and dates.
 - (f) overall passenger usage counts by number of trips provided on a date and time basis.
 - (g) frequency of service provided (including amount of time between each trip).
 - (h) duration of each trip.
 - (i) how you will handle accessibility and track wheelchair usage.

- 2. Passenger and Community Satisfaction
 - (a) convenience/ease of use.
 - (b) cost versus alternative methods of transportation.
 - (c) existence of alternative methods of transportation.
- 3. Participant satisfaction
 - (a) additional costs or earnings.
 - (b) effect on competing illegal and legal activity.
 - (c) reports of customer satisfaction and dissatisfaction.
 - (d) ease of maintaining records.
 - (f) use of fixed fares.
 - (g) use of multiple providers for any service areas.

- 4. Driver and vehicle owner satisfaction
 - (a) increase or decrease in earnings.
 - (b) effect on competing illegal and legal activity.
 - (c) reports of customer satisfaction and dissatisfaction.
 - (d) impact of competing service providers.

- 5. Safety performance
 - (a) number of traffic violations received, both moving and non-moving.
 - (b) number of incidents that result in property damage.
 - (c) number of incidents that result in personal injury.
 - (d) number of incidents that result in fatalities.

Participants and TLC licensees should also provide such additional information as may be requested by the Chairperson. Participants will be required to enter into a Memorandum of Understanding ("MOU") or other binding agreement with the TLC prior to initiation of the pilot. The TLC may terminate the pilot at any time at the discretion of the chairperson. Requirements shall include, but will not be limited to, the following provisions:

- 1. A participant must continue to participate in the program and provide service in the service areas as set forth in their proposals as long as the pilot continues or until the pilot as to that service area is modified. The date by which service must commence will be specified in the MOU.
- 3. Service provided under the Pilot Program must end upon completion of the Pilot Program or termination of the MOU, unless rulemaking action is taken by the Commission authorizing a continuation.
- 4. Vehicles used in this Pilot Program must have current, valid and unsuspended TLC special pilot vehicle licenses.
- 5. Drivers operating vehicles in service under this Pilot Program must have current, valid and unsuspended special pilot TLC Drivers' Licenses.
- 6. Licensing requirements and standards of conduct and operation for each of the bases, vehicles and drivers receiving special pilot licenses
- 7. If any of the requirements outlined in the MOU are not honored by the operator, agreed upon penalties will be carried out, as outlined in the MOU.

Participation proposals will be reviewed in accordance with the standards of review and approval stated in TLC Rule 14-04. For more information see link below.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at <http://nyc.gov/selltonyc>

- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, <http://nyc.gov/selltonyc>

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
