"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)
Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

Statement of Basis and Purpose of Proposed Rule

The New York City Commission on Human Rights (the "Commission") is proposing to amend its rules to clarify exceptions to the general prohibition on preemployment testing for tetrahydrocannabinols or marijuana.

These proposed rules would amend title 47 of the Rules of the City of New York to explain covered entities' obligations under the City Human Rights Law.

The Commission's authority for these rules is found in sections 905(e) (9) and 1043 of the New York City Charter and section 8-107(31) of the Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denotes mandatory requirements and may be used accordingly, unless otherwise specified or unless the context clearly indicates otherwise.

Chapter 2 of title 47 of the Official Compilation of the Rules of the City of New York is amended by adding a new section 2-07 to read as follows:

§ 2-07 Exceptions to the General Prohibition on Preemployment Testing for Tetrahydrocannabinols or Marijuana

(a) Exceptions Based on Significant Impact to Health or Safety: A position is deemed to significantly impact the health or safety of employees or members of the public and to be exempt from the prohibition on preemployment testing for tetrahydrocannabinols or marijuana under section 8-107(31) of the Administrative Code if:

- (1) The position requires that an employee regularly, or within one week of beginning employment, work on an active construction site;
- (2) The position requires that an employee regularly operate heavy machinery;
- (3) The position requires that an employee regularly work on power or gas utility lines;

- (4) The position requires that an employee operate a motor vehicle on an approximately daily basis; or
 - (5) Impairment would interfere with the employee's ability to take adequate care in the carrying out of his or her job duties and would pose an immediate risk of death or serious physical harm to the employee or to other people.
- (b) For purposes of this section, a "significant impact on health and safety" does not include concerns that a positive test for tetrahydrocannabinols or marijuana indicates a lack of trustworthiness or lack of moral character.
