## OFFICIAL DIRECTORY.

STATEMENT OF THE HOURS DURING WHICH all the Public Offices in the City are open for business, and at which each Court regularly opens and adjourns, as well as of the places where such offices are kept and such Courts are held; together with the heads of Departments and Courts.

Resolved, That, in consideration of the extreme heat of the weather, and the fact that very little, if any business is transacted in the public offices after 12 o'clock M. on Saturdays, during the summer season, the various public offices of the city, except those specially by law required to be kept open, be closed at noon every Saturday during the months of June, July and August, 1885.

Adopted by the Board of Aldermen, April 20, 1885.

Received from his Honor the Mayor, April 30, 1885, without his approval or objections thereto; therefore, as provided in section 75, chapter 410, Laws of 1882, the same became adopted.

## JURORS.

## NOTICE

IN RELATION TO JURORS FOR STATE  
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
ROOM 127, STEWART BUILDING,  
CHAMBERS STREET AND BROADWAY,  
NEW YORK, June 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE  
heard here, from 10 to 3 daily, from all persons  
hitherto liable or recently serving who have become  
exempt, and all needed information will be given.  
Those who have not answered as to their liability, or  
proved permanent exemption, will receive a "jury en-  
rollment notice," requiring them to appear before me  
this year. Whether liable or not, such notices must be  
answered (in person, if possible, and at this office only)  
under severe penalties. If exempt, the party must bring  
proof of exemption; if liable, he must also answer in  
person, giving full and correct name, residence, etc., etc.  
No attention paid to letters.  
Persons "enrolled" as liable must serve when called  
or pay their fines. No mere excuse will be allowed or

interference permitted. The fines if unpaid will be en-  
tered as judgments upon the property of the delinquents.  
All good citizens will aid the course of justice, and  
secure reliable and respectable juries, and equalize their  
duty by serving promptly when summoned, allowing  
their clerks or subordinates to serve, reporting to me any  
attempt at bribery or evasion, and suggesting names for  
enrollment. Persons between sixty and seventy years of  
age, summer absentees, persons temporarily ill, and  
United States and District Court jurors are not exempt.  
Every man must attend to his own notice. It is a mis-  
demeanor to give any jury paper to another to answer.  
It is also punishable by fine or imprisonment to give or  
receive any present or bribe, directly or indirectly, in  
relation to a jury service, or to withhold any paper or  
make any false statement, and every case will be fully  
prosecuted.

CHARLES REILLY,  
Commissioner of Jurors.

QUALITY KNOWN AS ROA HOOK GRAVEL,  
WHERE REQUIRED ON THE CENTRAL  
PARK AND RIVERSIDE AVENUE, IN THE  
CITY OF NEW YORK.

SEALED ESTIMATES FOR THE ABOVE WORK,  
indorsed with the above title, and also with the name  
of the person or persons making the same, and the date  
of presentation, will be received at the Office of the  
Department of Public Parks, No. 36 Union Square,  
New York City, until ten o'clock A. M. on Monday, the  
20th day of July, 1885, at which place and hour the bids  
will be publicly opened by the head of said Department  
and read, and the award of the contract will be made as  
soon thereafter as practicable.

The person or persons to whom the contract may be  
awarded will be required to attend at the office of the  
said Department, with the sureties offered by him or  
them, and execute the contract within five days after  
written notice that the same has been awarded to his  
or their bid or estimate, and that the sureties offered by him  
or them have been approved by the Comptroller; and in  
case of failure or neglect so to do, he or they will be con-  
sidered as having abandoned it, and as in default to the  
Corporation, and thereupon the work will be readvertised  
and relet, and so on until the contract be accepted and  
executed. The work to commence at such time as the  
Commissioners of the Department of Public Parks may  
designate.

N. B.—The prices must be written in the estimate,  
and also stated in figures, and all estimates will be  
considered as informal which do not contain bids for  
all items called for in the specifications, or which  
contain bids for items not called for therein. Permis-  
sion will not be given for the withdrawal of any bid or  
estimate, and the right is expressly reserved by the De-  
partment of Public Parks to reject any or all estimates  
which it may deem prejudicial to the public interests.  
No estimate will be accepted from, or contract  
awarded to any person who is in arrears to the Corpora-  
tion upon debt or contract, or who is a defaulter, as  
surety or otherwise, upon any obligation to the Corpora-  
tion.

No estimate will be received or considered unless ac-  
companied by either a certified check upon one of the  
National Banks of the City of New York, drawn to the  
order of the Comptroller, or money, to the amount of  
five per centum of the amount of the security required  
for the faithful performance of the contract. Such check  
or money must not be inclosed in the sealed envelope  
containing the estimate, but must be handed to the officer  
or clerk of the Department who has charge of the esti-  
mate-box, and no estimate can be deposited in such box  
until such check or money has been examined by said  
officer or clerk and found to be correct. All such de-  
posits, except that of the successful bidder, will be  
returned to the persons making the same within three  
days after the contract is awarded. If the successful  
bidder shall refuse or neglect, within five days after notice  
that the contract has been awarded to him, to execute the  
same, the amount of the deposit made by him shall be  
forfeited to and retained by the City of New York as  
liquidated damages for such neglect or refusal; but, if he  
shall execute the contract within the time aforesaid, the  
amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under  
oath, their names and places of residence; the names of  
all persons interested with them therein; and if no other  
person be so interested, they shall distinctly state the  
fact; also, that such estimate is made without any  
connection with any other person making a bid or estimate  
for the same purpose; and that it is in all respects fair and  
without collusion or fraud; and also, that no member of  
the Common Council, Head of a Department, Chief of

a Bureau, deputy thereof or clerk therein, or other  
officer of the Corporation, is directly or indirectly inter-  
ested therein, or in the supplies or work to which it  
relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing,  
of the party making such estimate, that the several mat-  
ters therein stated are in all respects true. When more  
than one person is interested in the estimate, the verifi-  
cation must be made and subscribed by all the parties  
interested.

Each estimate shall be accompanied by the con-  
sent in writing of two householders or freeholders in the  
City of New York, with their respective places of busi-  
ness or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will,  
on its being so awarded, become bound as his sureties  
for its faithful performance; and that if he shall omit or  
refuse to execute the same, they will pay to the Cor-  
poration any difference between the sum to which he  
would be entitled on its completion, and that which the  
Corporation may be obliged to pay to the person  
to whom the contract may be awarded at any sub-  
sequent letting; the amount in each case to be calculated  
upon the estimated amount of the work by which the bids  
are tested. The consent above mentioned shall be accom-  
panied by the oath or affirmation, in writing, of each of  
the persons signing the same that he is a householder or  
freeholder in the City of New York, and is worth the  
amount of the security required for the completion of  
the contract, and stated in the proposals, over and  
above all his debts of every nature, and over and  
above his liabilities as bail, surety, or otherwise; that  
he has offered himself as a surety in good faith and  
with the intention to execute the bond required by law.  
The adequacy and sufficiency of the security offered will  
be determined by the Comptroller of the City of New  
York, after the award is made and prior to the signing of  
the contract.

All the gravel to be furnished and delivered shall be  
of the kind generally known as Roa Hook gravel, and  
equal in all respects to that taken from the gravel bank  
situate on the east side of the Hudson river, north of  
Peekskill, and known as the Roa Hook Gravel Bank.  
It shall be of the best quality double screened gravel,  
and clean and free from loam and dirt, and in grade such  
as will pass through a screen with a two-inch mesh  
diagonal measure, but not to contain more than twenty-  
five per cent. of material that will pass through a screen  
with a mesh having a diagonal measure of one-half an  
inch.

The prices are to cover the furnishing and delivering,  
also the expense of dockage, hauling and all necessary  
labor, and the performance of all the work as set forth in  
the specification and form of agreement hereto annexed.

The estimate of the work to be done and the quantity  
of gravel to be furnished and delivered is as follows: 7.0  
cubic yards double screened gravel for roads and  
driveways.

The Contractor will be required to deliver the above  
material in such quantities and on the line of such roads  
in the Central Park, and on Riverside avenue, as may  
from time to time be designated by the Superintendent of  
Parks.

Bidders must satisfy themselves by personal examination  
of the location of the roads and avenues where the ma-  
terial is to be delivered; also as to the distances from  
any pier or dock, or depth of water where such material  
can be landed, and shall not at any time after the sub-  
mission of an estimate dispute or complain nor assert  
that there was any misunderstanding in regard to the  
places, or the nature or amount of work to be done.

Bidders will be required to complete the entire work to  
the satisfaction of the Commissioners of the Department  
of Public Parks and in substantial accordance with the  
specifications hereto annexed.

N. B.—The amount of security required is Five Thou-  
sand Dollars.

Bidders are specially notified that the Department of  
Public Parks reserves the right to determine the times  
and places for the delivery of such material, and that the  
postponement or delay on the whole or any part thereof,  
occasioned by any obstructions on the roads, avenues and  
streets where such material is to be delivered, cannot  
constitute a claim for damages.

Blank forms of proposals and form of agreement, in-  
cluding the specifications, and showing the mode of pay-  
ment for the work, can be obtained on application to the  
Secretary at the office of the Department, No. 36 Union  
Square.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION,  
No. 66 THIRD AVENUE.

## TO CONTRACTORS.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or to the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

*The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.*

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

## TO CONTRACTORS.

BIDS OR ESTIMATES, INCLOSED IN A SEALED envelope, with the title of the work and the name of the bidder endorsed thereon, will be received at this office until Tuesday, July 14, 1885, at 12 o'clock M., at which place and hour they will be publicly opened by the head of the Department and read, for

LAYING WATER-MAINS IN RIVERDALE, PELHAM, MADISON, RIVERDALE, EAGLE, WALTON, NINTH, SEVENTH, BAILEY, ST. ANN'S AND CRESTIN AVENUES, AND IN KINGSBRIDGE ROAD, BROADWAY, CHURCH, ONE HUNDRED AND SIXTY-FIFTH, ONE HUNDRED AND FIFTY-FIRST, ONE HUNDRED AND SIXTH, ONE HUNDRED AND FIFTIETH, AND SIXTY-EIGHTH STREETS, AND IN RIVERSIDE DRIVE.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.
