York by the Comptroller upon the failure of the successful bidder to further comply with the requirements of the terms and conditions of the sale as set forth hereinafter.

Successful bidders will be required to pay the purchase money and deposit the required security within twenty-four hours of the receipt of notification of the acceptance of their bids.

The Comptroller reserves the right to reject any and all bids and to waive any defects or informalities in any bid should it be deemed in the interest of The City of New York to do so. All bids must state clearly (1) the number or description of the building or buildings bid for, (2) the amount of the bid, (3) the full name and address of the bidder.

All bids must be inclosed in properly sealed envelopes, marked "Proposals to be opened Feb. 2, 1917," and must be delivered, or mailed in time for their delivery, prior to 11 a. m. of that date to the "Collector of City Revenue, Room 368, Municipal Building, New York City," from whom any further particulars regarding the buildings to be disposed of may be obtained.

THE BUILDINGS WILL BE SOLD FOR IMMEDIATE REMOVAL ONLY, SUBJECT TO THE TERMS AND CONDITIONS PRINTED ON THE LAST PAGE OF THIS ISSUE OF THE "CITY RECORD."

EDMUND D. FISHER, Deputy and Acting Comptroller.

City of New York, Department of Finance, Comptroller's Office, Jan. 15, 1917. j17,12

AT THE REQUEST OF THE PRESIDENT OF THE Borough of Manhattan, public notice is hereby given that the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, will offer for sale by sealed bids certain encroachments standing upon property owned by The City of New York, acquired by it for street opening purposes in the

Borough of Manhattan.

BEING the buildings, parts of buildings, etc., standing within the lines of Fort George Terrace, from Amsterdam ave. to Dyckman st., in the Borough of Manhattan, which are more particularly described on a certain map on file in the office of the Collector of City Revenue, Department of Finance, Room 368, Municipal Building, Manhattan.

PURSUANT to a resolution of the Commissioners of the Sinking Fund, adopted at a meeting held Jan. 11, 1917, the sale by sealed bids at the upset or minimum prices named in the description of each parcel of the above described buildings and appurtenances thereto will be held by direction of the Comptroller on

THURSDAY, FEBRUARY 1, 1917,

at 11 a. m., in lots and parcels, and in manner and form, and at upset prices, as follows:

Parcel No. 1—Two frame sheds and part of porch of one-story and basement frame building at Amsterdam ave. and Fort George Terrace. Upset price, \$10.

Sealed bids (blank forms of which may be obtained upon application) will be received by the Comptroller at the office of the Collector of City Revenue, Room 368, Municipal Building, Borough of Manhattan, until 11 a. m. on the 1st day of February, 1917, and then publicly opened for the sale for removal of the above described buildings and appurtenances thereto, and the award will be made to the highest bidder within twenty-four hours, or as soon as possible thereafter.

Each parcel must be bid for separately and will be sold in its entirety, as described in above advertisement.

Each and every bid must be accompanied by a deposit of cash or certified check in a sum equal to 25 per cent. of the amount of the bid, except that a minimum deposit of \$50 will be required with all bids, and that a deposit of \$500 will be sufficient to entitle bidders to bid on any or all of the buildings.

Hearing.

PUBLIC NOTICE IS HEREBY GIVEN THAT public hearings will be held at the office of the Municipal Civil Service Commission, Room 1443, Municipal Building, on

THURSDAY, FEBRUARY 1, 1917,

at 2 p. m., on the proposed adoption of the following resolutions:

"Whereas, it appears from the records of the Municipal Civil Service Commission of The City of New York that during the past two years unprecedented difficulty has been experienced in securing candidates on eligible lists for first grade clerk who are willing to accept appointment at \$300 per annum because of the unusual demand for the employment of first grade clerks or office boys in private business; and

"Whereas, the Board of Estimate and Apportionment has under consideration a resolution permitting the filling of vacancies in the position of first grade clerk at \$360 per annum.

"Therefore, be it resolved, that, subject to the approval of the Mayor and the State Civil Service Commission, the provisions of paragraph 4 of Rule XI, so far as they relate to declarations because of insufficiency of compensation offered, be and they hereby are waived in the case of first grade clerks so as to permit increases in salary of first grade clerk up to an amount not to exceed the entrance salary fixed by the Board of Estimate and Apportionment and the maximum salary allowed first grade clerks under the Municipal Civil Service Rules and Classification; provided, however, that such increase shall be allowed only first grade clerks appointed from the eligible lists for that position established December 30, 1913, and November 15, 1916, respectively.

"Whereas, because of unusual conditions in the labor market it has been found impossible to secure sufficient applicants for the position of sweeper in the Department of Street Cleaning for employment in the Borough of Manhattan; and

"Whereas, there is an excess of applicants for employment as sweeper in the Borough of Brooklyn; and

"Whereas, Clause 13 of Rule XIX of the Municipal Civil Service Rules prohibits the transfer of a person in the labor class from an office in one borough or county to any other borough or county until he shall have served for a period of six months in the borough or county from which transfer is to be made;

"Therefore be it resolved, that, subject to the approval of the Mayor and the State Civil Service Commission, the above mentioned limitation be waived in order to permit the transfer of sweepers, Department of Street Cleaning, employed in the Borough of Brooklyn, to perform services as sweepers in the Borough of Manhattan for a period of not to exceed six months." j30,11 ROBERT W. BELCHER, Secretary.

A person who has resigned from a permanent competitive position may be similarly reinstated, provided the head of the department, office or institution from which he resigned shall certify that at the time of resignation his services, conduct and character were satisfactory. But

no person shall be so reinstated who at any time within a year prior to the date of his separation from the service had been eligible for reinstatement as a suspended employee.
