Audit Report on the New York Yankees Rental Credits For the Fourth Quarter of 2007 (October 1–December 31, 2007)

FR09-053A

October 30, 2008

THE CITY OF NEW YORK OFFICE OF THE COMPTROLLER 1 CENTRE STREET NEW YORK, N.Y. 10007-2341

WILLIAM C. THOMPSON, JR. COMPTROLLER

To the Citizens of the City of New York

Ladies and Gentlemen:

Pursuant to the terms of the lease between the City of New York and the New York Yankees (Yankees), we have examined the rental credits claimed by the Yankees for the maintenance of City-owned Yankee Stadium for the fourth quarter of 2007 (October 1–December 31, 2007).

The Yankees are responsible for the care and upkeep of Yankee Stadium, and the costs incurred by the Yankees for maintaining the stadium are offset against any rental income due the City from the Yankees. Thus, every approved dollar spent and accounted for as a rental credit for the maintenance of the stadium results in a dollar-for-dollar decrease in the rent due the City. These audits provide a means of ensuring that the Yankees take credit against rent only for eligible expenses.

The results of our audit, which are presented in this report, have been discussed with officials from the New York Yankees and the Department of Parks and Recreation, and their comments have been considered in preparing this report. The Yankees' complete written response is attached to this report.

I trust that this report contains information that is of interest to you. If you have any questions concerning this report, please e-mail my audit bureau at audit@Comptroller.nvc.gov or telephone my-office at 212-669-3747.

Very truly yours,

William C. Thompson, Jr.

Audit Report on the New York Yankees Rental Credits For the Fourth Quarter of 2007 (October 1–December 31, 2007)

FR09-053A

AUDIT REPORT IN BRIEF

According to a 1972 lease agreement between the New York Yankees (the Yankees) and the City of New York (the City) that is overseen by the Department of Parks and Recreation (Parks), the Yankees are responsible for the care and upkeep of the City-owned Yankee stadium, and must pay the City rental income. However, the lease also allows the Yankees to offset against any rental income due the City, costs incurred by the Yankees for maintaining the stadium. Thus, every dollar spent and accounted for as a maintenance credit results in a dollar-for-dollar decrease in the rent due the City.

Under the terms of the lease, the Yankees must notify the Comptroller's Office of all claimed maintenance credits, and provide supporting computations. The Comptroller's Office then determines whether any of the charges for which credits are claimed are permissible.

Audit Findings and Conclusions

The audit found that Yankee rental credits submitted for the Fourth Quarter of 2007 were overstated by \$90,292.42 as follows:

- \$22,520.34 in excess payroll charges and salary expenses that should have been paid by the Yankees.
- \$46,990.15 in payments to ADCO Electric consisting of labor costs that should not have been charged to the City.
- \$8,974.44 in Yankee Stadium repairs for which the expenses are not chargeable to the City.
- \$11,807.49 in expenses that lacked documentation or are not City costs under the terms of the lease and cannot be offset against rental income.

Audit Recommendations

We recommend that the Yankees deduct \$90,292.42 from the total rental credits taken for maintenance pertaining to the Fourth Quarter of 2007, ensure that all maintenance credits claimed are properly supported by sufficient documentation, and ensure that appropriate approvals from the Department of Parks and Recreation (Parks) are obtained prior to submitting rental credits to the Comptroller's Office. In addition, we recommend that Parks ensure that the Yankees comply with the report's recommendations.

INTRODUCTION

Background

Under the terms of the 1972 lease agreement, the general rule is that the City pays to maintain all areas of Yankee Stadium except Yankee offices, concession space, the receiving room, the Commissary, and the restaurant space (Yankee Club, Yankee Dining Room, Pinstripe Pub, and Stadium Club). The City also pays for materials used to maintain the stadium; however, it does not pay for uniforms or tools. Since the rental credits are subject to the approval of the Comptroller's Office, the Yankees are required by the lease to submit to the Comptroller all documentation necessary for the audit of credits. After the audit, the Comptroller's Office presents its findings to the Yankees in a preliminary draft report and at an exit conference before issuing a draft report. Within two weeks of the issuance of the draft report, the Yankees may submit to the Comptroller's Office additional documentation that was previously omitted to support rental credits claimed. Once this documentation is received and reviewed, the Comptroller's Office issues a final report.

Objectives

Our audit objectives were to determine whether the Yankees:

- adequately documented and supported the submitted labor and materials charges;
- submitted invoices for rental credits that were eligible for reimbursement and were in accordance with the lease agreement; and
- accurately calculated all credits and did not deduct non-City charges from the rent due for the Fourth-quarter period, October 1–December 31, 2007.

Scope and Methodology

We conducted this audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives. This audit was conducted in accordance with the audit responsibilities of the City Comptroller as set forth in Chapter 5, §93, of the New York City Charter.

The audit scope covered the period October 1–December 31, 2007. We examined 100 percent of the \$960,457.65 in labor and materials charges and supporting documentation submitted by the Yankees.

To determine whether the billings for labor and materials were appropriate, reasonable, and allowable under the lease, we reviewed all source documents for adequate documentation for each month of the quarter pertaining to the billings of River Payroll (Cleaning Services), ADCO Electric, Miranda Fuel, Brown & Silver, Stadium Repairs, and Other Expenses. The documents included invoices, canceled checks, time sheets, payroll reports, and activity reports to support the costs of labor and materials charged to the City. We also determined whether retroactive salary adjustments were accurate by tracing these adjustments to the respective supporting documentation or relevant settlement agreements. An October 29, 1993 settlement agreement designated the Yankees as agents of the City; therefore, we reviewed whether charges for materials correctly excluded sales tax. Finally, we determined whether the Yankees provided pre-authorization and acceptance reports from Parks for the work or services performed to receive maintenance credit toward rent.

We documented all unwarranted and unreasonable charges for rental credits on a spreadsheet with our comments and have included them as Appendices I through IV of this report. We calculated all dollar amounts on the supporting schedules for accuracy, and reconciled these amounts with the total amounts on the lead schedule for all vendors in Appendix I, Schedules A-1 through A-6.

These audits are lease-mandated and therefore require that the Yankees submit all source documents to the Comptroller's Office to receive credits toward rental income due the City. Accordingly, without the submission of all necessary supporting documentation, maintenance costs submitted as credits against rental income are disallowed.

We did not evaluate Yankee internal controls over the process and procedures for payment of the invoices submitted to support maintenance credits. However, all documents were examined to ascertain whether they contained valid certification from Parks designees at Yankee Stadium as proof that labor costs were incurred and that material was purchased and received.

Discussion of Audit Results

The matters covered in this report were discussed with Yankee and Parks officials during and at the conclusion of this audit. A preliminary draft report was sent to Yankee and Parks officials on August 29, 2008. On September 9, 2008 Yankee officials waived their right to an exit conference. On September 22, 2008 we submitted a draft report to Yankees and Parks officials with a request for comments. Their comment will be included in the final version of this report. We received a response from Yankee officials on October, 3, 2008.

In the draft report, we disallowed \$114,942.63. However, after our review of the

documentation provided by the Yankees and by Parks subsequent to the issuance of the draft report, we allowed additional credits of \$24,650.21, resulting in a final disallowance of \$90,292.42, which the Yankees accepted as Yankee costs.

This final report reflects our changes based on additional documentation submitted by the Yankees and by Parks. The Yankees response is included as an addendum to this final report.

* All calculations are rounded to two decimal points

Summaries of the maintenance credit billings as submitted by the Yankees and of our disallowances for each vendor are presented in Appendix I, Schedules A–1 through A–6.

The River Payroll disallowance totaling \$22,520.34 consists of the following:

- \$9,002.38—for security costs from March 11, 2007 through December 8, 2007 that were Yankee, not City costs. These costs for game days were chargeable to the Yankees in accordance with the lease and should not have been charged as credits against rental income. The Yankees accepted \$9,002.38 as a Yankee cost.
- \$4,551.46—for the cost of "lunch-not-taken." Section 162 of New York State Labor Law states that "every person in any establishment or occupation covered by the Labor Law must be afforded a meal period of at least thirty minutes." In addition, Article VI of the Agreement between Local 32B–32J S.E.I.U., AFL-CIO, and River Payroll, states, in part: "Hours of work each day shall be exclusive of a daily lunch period of not more than one (1) hour." Moreover, a Parks letter dated June 9, 1997, informed the Yankees that effective January 1, 1996, Parks would not accept "lunch-not-taken" labor cost credits that were not approved in advance. The Yankees, however, provided no documentation that such approvals were obtained. The Yankees accepted \$4,551.46 as a Yankee cost.

- \$3,267.27—for incorrect hourly rates paid to eight engineers and mechanics. These employees were paid at a rate higher than is allowable under the Local 30, AFL-CIO, CLC agreement. The Yankees accepted \$3,267.27 as a Yankee cost.
- \$2,652.39—for hours worked on Yankee assignments listed on the time records as "Parking Lot," "Field" and "Inhouse." Such expenses, under the terms of the lease, are not chargeable to the City. The Yankees accepted \$2,652.39 as a Yankee cost.
- \$2,619.58—for contributions to various funds related to River Payroll disallowances.¹ The Yankees accepted \$2,619.58 as a Yankee cost.
- \$150.90—for labor hours not worked that under the terms of the lease should not have been offset against rental income. The Yankees accepted \$150.90 as a Yankee cost.
- \$141.08—for unreasonable third shift. The Yankees accepted \$141.08 as a Yankee cost.
- \$125.28—for double time hours paid to one engineer that, according to the Local 30 agreement, should have been paid at time-and-a-half. The Yankees accepted \$125.28 as a Yankee cost.
- \$10—for an ineligible bonus payment made to one employee. The Yankees accepted \$10 as a Yankee cost.

Appendix II gives further details of the above disallowances.

The ADCO Electric disallowance of \$46,990.15 in labor costs consists of the following:

- \$37,871.90— for hours worked on Yankee assignments such as "Gameday Sweep" and "Gameday Scoreboard Maintenance." According to the lease agreement, maintenance on scoreboards during game-days is a Yankee cost. The Yankees accepted \$37,871.90 as a Yankee cost.
- \$8,416.57—for missing documentation to support these charges as City costs. The Yankees accepted \$8,416.57 as a Yankee cost.

¹ Includes Welfare, Pension, and Annuity Funds.

• \$701.68—for costs related to repairs of speakers that are chargeable to the Yankees in accordance with the lease agreement. The Yankees accepted \$701.68 as a Yankee cost.

Appendix III gives further details of the above disallowances for ADCO Electric labor hours.

The "Stadium Repairs" disallowances totaling \$8,974.44 are as follows:

- \$5,617.50—for services that were covered under the monthly maintenance agreement between the Yankees and *Bug Doctor Termite and Pest Control*. The Yankees accepted \$5,617.50 as a Yankee cost.
- \$2,300.37—for charges that exceeded the contractual rates listed in the Yankees' contract with *Infinity Elevator Company*. The Yankees accepted \$2,300.37 as a Yankee cost.
- \$1,056.57—for charges to repair vandalized elevators paid to Infinity Elevator Company, Inc. that should not have been included in the maintenance credits submitted by the Yankees. The Yankees accepted \$1,056.57 as a Yankee cost.

Finally, the "Other Expenses" disallowances of \$11,807.49 are as follows:

- \$4,071.30—for materials purchased for which the location was not indicated. The Yankees accepted \$4,071.30 as a Yankee cost.
- \$4,105—for duplicate payments made to the Fire Department for permit fees. The Yankees accepted \$4,105 as a Yankee cost.
- \$1,163.75—for Yankee charges such as the sound system services and for fines incurred for late payments made to the Fire Department. In accordance with the lease agreement, these are Yankee costs and should not be offset as maintenance credits against rental income. The Yankees accepted \$1,163.75 as a Yankee cost.
- \$75.53—for materials and services provided for assignments in Yankee areas that included supplies for Clubhouse. Such costs, based on the terms of the lease, should not have been included in the maintenance credits submitted by the Yankees. The Yankees accepted \$75.53 as a Yankee cost.
- \$1,895.46—for hours not worked by painters under contract with Creative Finishes, Ltd. that under the terms of the lease should not have been offset against rental income. The Yankees accepted \$1,895.46 as a Yankee cost.

- \$51.73—for purchase of lock and latch that, under the terms of the lease agreement, are not City costs. The Yankees accepted \$51.73 as a Yankee cost.
- \$444.72—for charges that exceeded the contractual rates listed in the Yankees' contract with *White Way Sign Company*. The Yankees accepted \$444.72 as a Yankee cost.

Appendix IV includes the details for the above-stated disallowances pertaining to Stadium Repairs and Other Expenses.

RECOMMENDATIONS

We recommend that the Yankees:

- 1. Deduct \$90,292.42 from the total rental credits for maintenance pertaining to the Fourth Quarter of 2007.
- 2. Ensure that all maintenance credits claimed are properly supported by sufficient documentation and that appropriate approvals from Parks are obtained prior to submitting rental credits to the Comptroller's Office.

We recommend that Parks:

3. Ensure that the Yankees comply with the report's recommendations.
