NEW YORK, SATURDAY, FEBRUARY 12, 1876.

NUMBER 809.

DEPARTMENT OF TAXES AND ASSESSMENTS.

BOARD OF ASSESSORS.

NEW YORK, February 10, 1876.

To Hon. WILLIAM H. WICKHAM, Mayor:

SIR—The Board of Assessors herewith submit their report of the work performed in this office during the year ending December 31, 1875.

1874.	December 31. Number of assessment lists remaining in the office.....	76
1875.	Number of assessment lists received from the Commissioner of Public Works during the year ending December 31.....	191
	Total.....	267
	Number of assessment lists sent to the Board of Revision and Correction of Assessments during the year ending December 31.....	130
	And amounting to \$4,814,561.78.	
December 31.	Remaining on hand.....	137
	4 of the above lists are in the Comptroller's Office.	
	6 are retained in this office, at the request of the Comptroller.	
	2 are at the Department of Public Works, for correction.	
12		
1875.	The 130 lists sent to the Board of Revision and Correction of Assessments, contain pieces of property.....	50,736
	Amounting to.....	\$4,814,561 78
1874.	The 171 lists sent to the Board of Revision and Correction of Assessments, during the year 1874, contained pieces of property.....	25,250
	Amounting to.....	3,539,605 70
	Excess over 1874, pieces of property.....	25,486
	Excess over 1874, amounting to.....	\$1,274,956 08

It will be seen by comparison of the lists made up in this office, during the two years, that the number of pieces of property assessed in 1875 was 25,486 in excess of the total of 1874, while there is an increase of \$1,274,956.08 in the aggregate cost of the work of the past year over that of the preceding one.

By the Laws of 1840, chapter 324, section 7, it is provided that not more than one-half of the assessed valuation shall be charged against the property on the line of improvement.

In compliance with this law, the Board of Assessors have been obliged to charge \$246,327.17 upon the Mayor, Aldermen, and Commonalty of the City, or more than 5 per cent. of the whole cost of the work.

Owing to the change of grade in a number of the streets north of Fifty-ninth street, considerable damage has been done to buildings thereon, claims for which have been filed in this office.

A recent decision of the Court of Appeals has imposed the duty on the Board of Assessors of awarding damages on all property injured by the closing of the Bloomingdale road, under the Act of April 24, 1865, directing the laying out and constructing the Boulevard.

The Board have, in compliance with this decision, taken action on several of these cases, and a number are now on file awaiting examination.

A schedule showing the work done in the office accompanies this report, marked "A," also a second schedule, marked "B," containing a statement of all the assessment lists now in this office, showing the amount of each, and those advertised up to this date, February 10, 1876.

Respectfully submitted,

THOMAS B. ASTEN,
Chairman Board of Assessors.

JURORS.

NOTICE
IN RELATION TO JURORS FOR STATE
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment.

Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.
