## Scope of Work

This project will reconstruct the playground, adjacent path system and sitting areas at the north end of Bensonhurst Park.

This project will construct a comfort station at Imagination Playground in Betsy Head Park.

This project will construct a new playground to include play equipment, swings, spray shower area, hillside slide and a picnic area near Brigham Street in Marine Park.

This project will reconstruct two sections of pathways in the Vale of Cashmere section of Prospect Park.

This project will install an accessible ramp and elevator at the Brooklyn War Memorial in Cadman Plaza Park.

This project will construct a comfort station and maintenance facility in Calvert Vaux Park.

This project will reconstruct Penn Triangle.

This project will reconstruct sidewalks damaged by adjacent city-owned trees in Brooklyn Community Boards 1-6, 8, 9, 14, 16, and 17.

This project will reconstruct sidewalks damaged by adjacent city-owned trees in the Bronx and Manhattan.

This project will reconstruct and expand the playground at The Battery.

This project will reconstruct the comfort station at Corlears Hook Park.

This project will reconstruct Thomas Jefferson Playground.

This project will reconstruct Middle Playground and the basketball courts at Morningside Park.

This project will construct a new comfort station and Little League building in Marcus Garvey Park.

This project will reconstruct the comfort station at Twenty-Four Sycamores Park.

This project will reconstruct the play area at Frederick Johnson Playground.

This project will reconstruct the comfort station at Baruch Playground.

This project will reconstruct Peck Slip.

<p>This project will reconstruct Abraham Lincoln Playground.</p>
<p>This project will reconstruct the comfort station in Abraham Lincoln Playground.</p>
<p>This project will reconstruct the comfort station at Audubon Playground and make it ADA accessible.</p>
<p>This project will reconstruct the playground and spray shower, including fencing, paving, curbs, safety surfacing, benches, lighting, play equipment, plantings, and trees at McKinley Playground.</p>
<p>This project will reconstruct Charybdis Playground and construct a spray shower in Astoria Park.</p>
<p>This project will reconstruct the comfort station at Charybdis Playground in Astoria Park.</p>
<p>This project will reconstruct the sidewalk and improve pedestrian access along a portion of Highland Boulevard.</p>
<p>This project will reconstruct the perimeter fence and passive recreation area at Rufus King Park.</p>
<p>This project will reconstruct the seating area surrounding the monument at Doughboy Plaza, including the drinking fountain and pathways.</p>
<p>This project will reconstruct General Hart Playground, including play equipment, swings, spray shower, basketball courts, planting, pavement, fencing, and benches.</p>
<p>This project will reconstruct the Olmsted Center in Flushing Meadows Corona Park.</p>
<p>This project will reconstruct the comfort station at Lawrence Playground in Flushing Meadows Corona Park.</p>
<p>This project will reconstruct the playground at Little Bush Park.</p>
<p>This project will reconstruct the playground and replace the basketball court with an adult fitness equipment area at Glen Oaks Oval.</p>
<p>This project will reconstruct sidewalks damaged by adjacent city-owned trees in Queens Community Boards 1-7, 9, and 10.</p>
<p>This project will reconstruct sidewalks damaged by adjacent city-owned trees in Queens Community Boards 8 and 11-14.</p>
<p>This project will construct a new multi-use pathway, overlook structures, and comfort station with composting toilets in the northern section of Freshkills Park.</p>

This project will reconstruct the playground, multi-use fields, basketball and handball courts, and water features at Rev. Dr. Maggie Howard Playground.

This project will reconstruct the existing ballfields, basketball courts, and sports lighting, and improve the edges and entrances at MacArthur Park.

This project will reconstruct the area of Clawson Playground behind PS 50 with new play equipment, safety surfacing, benches and plantings.

This project will reconstruct Prescott Playground, including fencing, retaining walls, play equipment, and pavements.

This project will demolish the existing comfort station and construct a new comfort station at Greencroft Playground.

This project will reconstruct Lopez Playground.

This project will construct a multi-purpose field, baseball field, tennis courts, pickleball courts, adult fitness equipment, picnic area, parking area, bio-retention areas, paths, and landscape elements at Fairview Park.

This project will construct a new comfort station at Fairview Park.

This project will reconstruct sidewalks damaged by adjacent city-owned trees in Staten Island.

This project will reconstruct the nature center in Crotona Park.

This project will reconstruct the entrance towers, mezzanine roof and bridge at the entrance to the Crotona Park Bathhouse.

This project will reconstruct the comfort station at Playground of the Stars in Crotona Park.

This project will reconstruct the playground, spray shower, and basketball courts at Richman (Echo) Park.

This project will reconstruct the amphitheater, plaza, pathways and lighting at St. Mary's Park.

This project will reconstruct Playground 134 with new basketball courts, play equipment, a skate park, adult fitness equipment, a spray shower, and swings.

This project will reconstruct Bridge Playground.

This project will reconstruct Prospect Playground.

This project will construct an expanded asphalt multi-purpose play area in Loreto Playground.
