PETITIONS RESUMED.

By Alderman Wells—

Petition of residents of the Twenty-third and Twenty-fourth Wards, in regard to fencing vacant lots on block bounded by Boston avenue, Delmonico place, One Hundred and Sixty-fourth and One Hundred and Sixty-fifth streets.

To the Honorable the Board of Aldermen of the City of New York:

We, the undersigned, are greatly annoyed by reason of certain lots in the block bounded by Boston avenue, One Hundred and Sixty-fourth street, Delmonico place and One Hundred and Sixty-fifth street, being open and unfenced, and which are infested with cows and other animals, and are the resort for loungers and persons of suspicious character, therefore we petition your Honorable Board that an ordinance may be passed requiring the same to be fenced, in order that the nuisances above named may be abated.

John Anderson.
James Curtis.
Mrs. Wm. H. Van Cate.
James Whealen.

Isaac Halsey.
Wm. H. Carpenter.
Martin Geiszler.
A. W. Pfingsthore.

In connection therewith Alderman Wells offered the following:

Resolved, That the vacant lots bounded by Boston avenue, East One Hundred and Sixty-fourth street, Delmonico place and East One Hundred and Sixty-fifth street, in the Twenty-third Ward, be fenced in, under the direction of the Commissioners of the Department of Public Parks; and that the accompanying ordinance therefor be adopted.

Which were referred to the Committee on Public Works.

By the same—

Petition of the School Trustees of the Twenty-fourth Ward, requesting the Board of Aldermen to adopt such measures as may be necessary to enforce the ordinance heretofore adopted directing the erection of gates at railroad crossings.

NEW YORK, May 21, 1883.

To the Honorable the Board of Aldermen:

GENTLEMEN—Several months ago a resolution, directing the Harlem Railroad Company to erect gates at the railroad crossing in the Twenty-third and Twenty-fourth Wards, passed the Board of Aldermen and was signed by the Mayor.

As these gates have not yet been erected and as these open roadways are dangerous to the lives of children attending school, the School Trustees of the Twenty-fourth Ward respectfully petition that your Honorable Board adopt such measures as will compel respect for and obedience to the resolution for protection against this great danger.

Respectfully,
SAMUEL M. PURDY, Chairman Trustees Twenty-fourth Ward.

JOHN H. MYERS, Clerk.

Which was referred to the Department of Police, with the request to grant the prayer of the petitioners.

MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, May 22, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 8, 1883, authorizing the paving of Sixty-fourth street, from Tenth to Eleventh avenue, with Belgian or trap-block pavement.

At present, as I am informed, there are no houses fronting on this portion of Sixty-fourth street; the sewer has not yet been built, nor has the gas-main been laid. Under these circumstances the work proposed in the above resolution should, in my opinion, be deferred until there is a greater demand for it, and until it can be done as a final completion of the street.

FRANKLIN EDSON, Mayor.

Resolved, That Sixty-fourth street, from the crosswalk at the westerly intersection of Tenth avenue to the crosswalk at the easterly intersection of Eleventh avenue, be paved with Belgian or trap-block pavement, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, May 22, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 8, 1883, declaring the sidewalks on Eighty-sixth street, between Eighth avenue and Riverside Drive, to be thirty feet wide, and permitting the owners of property on that part of the aforesaid street to inclose fifteen feet of the sidewalk for court-yard purposes.

As I understand it, this resolution authorizes the enclosure of a portion of the public street for private purposes, which, in my opinion, is at least an unwise proceeding; moreover, the fences which would enclose these court-yards would form an unlawful obstruction. Under the Charter the permission sought cannot, in my judgment, be granted.

FRANKLIN EDSON, Mayor.

Resolved, That the sidewalks on both sides of Eighty-sixth street, between Eighth avenue and Riverside Drive, be and are hereby declared to be thirty feet wide, and the owners of property on said street, between the points above indicated, are hereby permitted to inclose fifteen feet of such sidewalks for court-yard purposes; the permission hereby granted to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, May 22, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 8, 1883, that the room now used as the Chamber of the Board of Aldermen be enlarged so as to include the room recently occupied by the Keeper of the City Hall, that certain repairs be made in the City Library Room, and that the rooms occupied by the Clerk of the Board be provided with new locks and where necessary with new furniture.

First. In the above resolution it is proposed to take the room heretofore assigned to the Judges of the Marine Court, without making other provision for their accommodation, to the great detriment of the business of that Court.

Secondly. The resolution directs that the expenditure of a considerable sum of money be made for furniture and for fitting up the City Library, which sum cannot in any event be charged, as directed, to the appropriation for "Public Buildings—Construction and Repairs."

Thirdly. The appropriation of money for such purposes is made to the Department of Public Works; but, even if such appropriations be subject to the control of the Common Council, so large an expenditure of money should not, in my opinion, be authorized and undertaken without first knowing that the condition of the appropriation is such as to warrant it; such are my reasons for declining to approve this resolution.

In returning it without my approval, I must admit the desirability of the proposed change in the meeting room of the Board of Aldermen, and of the proposed repairs to, and furniture for, the City Library room. It seems to me, however, that the proper way to proceed would be to request the Commissioner of Public Works to do the work at an expense not exceeding eight thousand dollars, if the condition of the appropriation for such work will admit of such an expenditure, and at the same time to provide other suitable accommodations for the Judges of the Marine Court. In such a proceeding I shall gladly co-operate with your Honorable Body.

FRANKLIN EDSON, Mayor.

Resolved, That the room now used as the meeting room or chamber of the Board of Aldermen be extended by removing the partition separating it from the room recently occupied by the Keeper of the City Hall, and including that room as part of said chamber; that additional seats be provided for members, the heads of the several departments, and spectators; and that the chamber, when so enlarged, be fitted up, painted and furnished in an appropriate manner, using the present furniture and fixtures where available; also, that the shelves, book-cases, etc., in the City Library room be painted, the floor recarpeted or covered with linoleum, new locks and keys provided where necessary, the chairs, tables, etc., be repaired, and the room generally improved in appearance; also, that the necessary repairs be made to the office furniture in the offices of the Clerk of the Board, new locks and keys, etc., provided immediately, under the direction of the Commissioner of Public Works, to the satisfaction of the President of the Board of Aldermen, the expense not to exceed eight thousand dollars, to be charged to the appropriation for "Public Buildings—Construction and Repairs."

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, May 22, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 8, 1883, permitting Koster, Bial & Co. to erect a storm-door in front of their premises, No. 200 Worth street.

The applicant for the permission indicated in the above resolution has failed to comply with the provisions of section 34, article IV. of the Revised Ordinances of the Common Council, and therefore should not be permitted to erect the desired structure.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to Koster, Bial & Co. to erect a storm-door, within the stoop-line, in front of their premises, No. 200 Worth street; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, May 22, 1883.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 8, 1883, permitting butchers to drive cattle through certain portions of Eleventh avenue, Sixty-fifth street, First avenue and Forty-fifth street.

Because of the complaints of a large number of citizens, and because of the well-known danger, disturbance and annoyance caused by driving cattle at any hour of the day or night through the public streets, the Board of Health have heretofore made such regulations as were demanded by the people, and the suppression of this nuisance was approved at that time by all good citizens.

I believe that, should the permission indicated in the above resolution be granted, it would be a decided step backward; the safety of our citizens and the value of property along the streets ought to have our first consideration, and this resolution seriously affects both.

In my opinion it would be opening the door to a dangerous and unwarranted precedent to grant the permission contemplated in this resolution.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to butchers to drive cattle, between the hours of twelve and five o'clock every morning, in the Eleventh avenue, from Sixtieth to Sixty-fifth street; thence through Sixty-fifth street to the First avenue; thence through the First avenue to Forty-fifth street, and through Forty-fifth street to the East river; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, May 22, 1883.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted May 8, 1883, permitting M. Thoesen to place a canvas awning across the sidewalk in front of his premises, No. 58 First avenue.

Section 291, article XXX. of the Revised Ordinances provides that in order to obtain the permission indicated in the above resolution, the applicant must have the consent of the occupants of the premises on both sides of the proposed awning ; in this case, as I am informed, the occupants of the premises on one side makes decided objection to the awning which is contemplated. I therefore think the desired permission should not be granted.

FRANKLIN EDSON, Mayor.

Resolved, That permission be and the same is hereby given to M. Thoesen, to place a canvas awning across the sidewalk in front of his premises, No. 58 First avenue ; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

COMMUNICATIONS.

The President laid before the Board the following communication from Messrs. Townsend and Beach:

NEW YORK, May 21, 1883.

To the Honorable Board of Aldermen:

The undersigned, who have been retained professionally to represent the interests of the two clerks, Messrs. Emmett and Forrester, who were recently dismissed in a most summary manner from the Comptroller's office, deem it their duty to ask you to consider carefully whether or not the interests of this city do not demand a more thorough examination into the affairs of the Finance Department than will be afforded by the mere examination into the subject of the recent frauds attributed to the late Mr. Carroll. The knowledge of these late frauds, which have but recently been made known to the Mayor, by the admission of the Comptroller, was known to him before or by the last election of city officers, and his neglect in not furnishing the details then must have materially weakened the chances of discovering any combination which may have existed among parties to the fraud. We believe that the interests of our clients have been injured in this way, and from information which we have acquired from them we feel that we are justified in making this public request that you will urge upon the Mayor, by resolution, the importance of his requiring at once a complete examination of that Department.

Respectfully,

JOHN D. TOWNSEND, Counsel for FRANK FORRESTER.

W. A. BEACH, Counsel for W. C. EMMETT.

Hon. John Reilly, President Board of Aldermen.

Which was referred to the Special Committee appointed at the last meeting, consisting of Aldermen Cochrane, Wells, and Grant.

TO CONTRACTORS AND CAST-IRON WATER-PIPE MANUFACTURERS.

BIDS OR ESTIMATES, INCLOSED IN A SEALED envelope, with the title of the work and the name of the bidder indorsed thereon, also the number of the work, as in the advertisement, will be received at this office until Wednesday, June 6, 1883, at 12 o'clock M., at which place and hour they will be publicly opened by the head of the Department, and read, for the following:

No. 1. FURNISHING CAST-IRON WATER-PIPES, BRANCHES, AND SPECIAL CASTINGS.

No. 2. FURNISHING, DELIVERING, AND LAYING SIX-INCH AND FOUR-INCH PIPE, to supply water to the Hospitals on North Brothers' Island.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates, or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired can be obtained at the office of the Chief Engineer of the Croton Aqueduct, Room 10, No. 31 Chambers street.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates, or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired can be obtained at the following offices: Sewers, Room No. 8; and Regulating and Grading, No. 5, 31 Chambers street.

PROPOSALS FOR ESTIMATES FOR ERECTING AND FINISHING A SEA WALL ON NORTH BROTHERS' ISLAND, CITY AND COUNTY OF NEW YORK.

ESTIMATES FOR ERECTING AND FINISHING a sea wall on North Brothers' Island, City and County of New York, will be received by the Commissioners of the Health Department, at their office, No. 301 Mott street, until 2:30 o'clock P. M. of the 31st day of June, 1883, at which time and place they will be publicly opened and read by said Commissioners.

Any person making an estimate for the above work shall furnish the same in a sealed envelope to the head of said Health Department, indorsed "Estimate for Erecting and Finishing a Sea Wall on North Brothers' Island, City and County of New York," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received: 1st. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Health Department, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work. The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimate their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation or the Health Department may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, before the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

The Department reserves the right to reject any or all estimates not deemed beneficial to or for the public interest. Plans may be examined and specifications and blank forms for bids or estimates obtained by application to the Secretary of the Board, at his office, 301 Mott street, New York.

The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or

refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The amount in which security will be required for the faithful performance of the contract is \$3,000. Bidders must satisfy themselves by personal examination of the location of the proposed work, and the plans and drawings, and by such other means as they may prefer, as to the nature and extent of the work and shall not at any time after the submission of an estimate assert that there was any misunderstanding in regard to the nature or amount of work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Department of Public Parks, and in substantial accordance with the specifications for the work and the plans therein referred to. No extra compensation beyond the amount to be bid or specified by the lowest bidder, shall be due and payable for the entire work.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the city so to do, and to re-advertise until satisfactory bids or proposals shall be received. But the contract, when awarded will be awarded to the lowest bidder.

Blank forms for proposals and forms of contract, which the successful bidder will be required to execute, can be had at the office of the Secretary, and the plans can be seen and information relative to them can be had, at the office of the Superintendent Architect, 36 Union Square.
