COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 2 o'clock P. M., on Thursday, October 27, 1910.

Present—Francis P. Bent, Acting President, Board of Aldermen; Douglas Mathewson, Deputy and Acting Comptroller; Charles H. Hyde, Chamberlain, and Frank L. Dowling, Chairman Finance Committee, Board of Aldermen.

The minutes of the meetings held September 27 and October 4, 1910, were approved as printed.

The Deputy and Acting Comptroller presented the following report, and offered the following resolution relative to a renewal of the lease to the City of premises corner of Leonard and Stagg sts., Borough of Brooklyn, for the use of the Board of Education:

October 19, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Board of Education, at a meeting held March 9, 1910, adopted a resolution requesting the Commissioners of the Sinking Fund to authorize a renewal of the lease to the City of the premises at the southwest corner of Leonard and Stagg sts., Borough of Brooklyn, for use of the Board of Education as an annex to Public School 49, for a period of one year from July 1, 1910, at an annual rental of $1,200, otherwise upon the same terms and conditions as contained in the existing lease.

The premises in question consist of a plot of ground 50 by 75, upon which is erected a one-story and basement brick building, with dimensions about 40 by 60, the same being used for church purposes, by the German Evangelical Mission.

The portion to be leased, which is the basement of said church, is used as a kindergarten annex to Public School 49. It has four classes daily, and is approximately 40 by 60, divided into two rooms by sliding doors. Both of these rooms are well lighted and ventilated, and contain a sewer-connected wash basin and a large furnace which is used to heat the building. Both rooms have a door opening on the yard, said doors having movable transoms. There is no cellar to said building. There are two water closets and three cistern flushed wash-out water closets on the first floor of the rear buildings which are used by the pupils and teachers, and which are in good sanitary condition.

Attached thereto is the report of the Sanitary Inspector of the Department of Health, as well as the report of the Superintendent of Buildings, as to the sanitary condition of said building and its adaptability for school purposes.

Upon the application of the Board of Education this matter was presented to your Honorable Board on June 29, 1910, but was laid over, it being thought at that time that the rent was too high.

In the meantime, the Rev. John G. Hehr, Pastor of the Church, called by request, at the Bureau of Real Estate of this Department, and the question of a reduction of the rent from $1,200 to $1,000 was considered. The matter was submitted to the Trustees of the church, as the letter from Rev. Mr. Hehr shows, which is herewith attached. Statement is made therein that a reduction of $200 would be hardly fair, inasmuch as the Trustees under the terms of the lease, must furnish janitor service which costs them $360 per year, and furnish fuel for heating amounting to $100 a year, and also make any necessary repairs and alterations, in order that said annex may be kept in a good and suitable condition for the purposes intended. The Trustees think, under the conditions above recited, that if a reduction is to be made that the sum of $100 be taken from the original rent, making the yearly rental $1,100.

In view of the above, the rent of $1,100 per annum while full value, is not excessive. The Board of Education deems the rent reasonable.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the basement of the church premises at the southwest corner of Leonard and Stagg sts., Borough of Brooklyn, for use of the Department of Education as an annex to Public School 49, for a period of one year from July 1, 1910, at an annual rental of $1,100, payable quarterly; the lessor to make necessary repairs, also to furnish heat and janitor service; otherwise upon the same terms and conditions as contained in the existing lease. Lessor, The German Evangelical Mission Church.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a renewal of the lease to the City, of the basement of the church premises at the southwest corner of Leonard and Stagg sts., Borough of Brooklyn, for use as an annex to Public School 49, for a period of one year from July 1, 1910, at an annual rental of eleven hundred dollars ($1,100), payable quarterly; the lessor to make necessary repairs, also to furnish heat and janitor service, otherwise upon the same terms and conditions as contained in the existing lease; lessor, the German Evangelical Mission Church; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of a plot of ground on W. 130th st., 125 feet east of 12th ave., Borough of Manhattan, for the use of the Department of Street Cleaning:

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Mr. James F. Lynch, Deputy and Acting Commissioner of the Department of Street Cleaning, in a communication to your Honorable Board, under date of September 3, 1910, says:

"I request the consent and approval of your Board, pursuant to section 541 of the Charter, for a renewal of the lease from Alexander Walker and Frank E. Wise (care of Colonial Bank, Columbus ave. and 81st st., city) of the premises on the south side of West 130th street, Borough of Manhattan, known as lots 56, 57, 58 and 59 in block 1996 for another period of one year from November 30, 1910, at the same annual rental of $1,800, payable quarterly, and otherwise upon the same terms and conditions contained in the existing lease.

The above rental is the most reasonable that can be obtained for suitable property for the said purpose in that neighborhood."

This is a vacant plot located on the southerly side of W. 130th st., extending through to Manhattan ave., 125 feet east of 12th ave. The plot fronts 100 feet on W. 130th st. by 120 feet 11 inches by 111 feet 7 inches on Manhattan ave. by 71 feet 3 inches. It is used as a yard for carts in connection with Street Cleaning Stable "C" on the opposite side of W. 130th st.

The plot is assessed for the year 1910, at $42,000.

Tax Department valuation (Letter of September 21, 1910), $62,000.

Real Estate Bureau appraisal, $62,000.

The rent of $1,800 a year is, therefore, about 4.3 per cent. of the assessed value and less than 3 per cent. of the Tax Department appraised value.

For comparison, a vacant plot, 75 by 100, on the easterly side of 12th ave., 25 feet north of 130th st., being about 200 feet from the Street Cleaning plot, is leased to a contractor, John F. Shaughnessy, as a storage yard at $1,800 a year for a term of years. This latter plot is assessed for 1910 at $18,000, and is fairly worth about $24,000. The rent of $1,800 paid is therefore about one-third more per lot than is paid by the City for the plot in 130th st. This is partly accounted for, however, by the fact that the City's lease on 130th st. is only for one year, contains a clause giving the lessors the right to cancel the lease upon 60 days' written notice, the lessors also reserving the right to use or let the surrounding fences for advertising purposes, and the City is required to keep the sidewalks in front of the property free from snow and ice and other incumbrances.

The rent of $1,800 a year, under the conditions of the present lease, is reasonable and just.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the vacant plot on the south side of West 130th st., 125 feet east of 12th ave., known as Lots 56, 57, 58 and 59, in Block 1996, Section 7, Borough of Manhattan, for a term of one year from November 30, 1910, for the use of the Department of Street Cleaning as a storage yard for carts, at an annual rental of $1,800, payable quarterly; the lessors reserving the right to use or let the fences surrounding the plot for advertising purposes, agreeing to keep in repair such part of fences so reserved, and also reserving the right to cancel the lease upon sixty days' written notice; the City agreeing to keep the sidewalk in front of the property free from snow and ice or other encumbrances; otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Alexander Walker and Frank E. Wise, Colonial Bank, 441 Columbus ave., Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a renewal of the lease of the City, of the vacant plot on the south side of W. 130th st., 125 feet east of 12th ave., known as Lots 56, 57, 58 and 59 in Block 1996, Section 7, Borough of Manhattan, for use of the Department of Street Cleaning as a storage yard for carts, for a term of one year, from November 30, 1910, at an annual rental of eighteen hundred dollars ($1,800), payable quarterly; the lessors reserving the right to use or let the fences surrounding the plot for advertising purposes, agreeing to keep in good repair such part of fences so reserved, and also reserving the right to cancel the lease upon 60 days' written notice; the City agreeing to keep the sidewalk in front of the property free from snow and ice or other incumbrances, otherwise upon the same terms and conditions as contained in the existing lease; lessors, Alexander Walker and Frank E. Wise; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises at 166 S. 4th st., Borough of Brooklyn, for the use of the Department of Street Cleaning:

October 19, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Hon. William H. Edwards, Commissioner of the Department of Street Cleaning, in a communication to your Honorable Board under date of September 19, 1910, says:

"I request the consent and approval by your Board, pursuant to section 541 of the Charter, of a renewal of the lease from Terrence Nugent (residing at Driggs ave. and S. 4th st.) of the store and ground floor, cellar and stable of the premises 166 S. 4th st., Borough of Brooklyn, for another term of one year, beginning January 1, 1911, at the same annual rental of $420, payable quarterly, and otherwise upon the same terms and conditions contained in the existing lease.

"The above rent is the most reasonable that could be obtained for property in that neighborhood adapted for the purpose of this Department."

This is a lot 20 feet 6 inches by 69 feet on the southeast corner of S. 4th st. and Driggs ave., Borough of Brooklyn, having on its front a four-story brick store and tenement building, 20 feet 6 inches by 40 feet, and on the rear of the lot a two-story brick stable building, 16 feet by 20 feet 6 inches, with a paved yard between the two buildings. The City's lease covers the store or ground floor, 15 feet by 38 feet; the cellar, 12 feet by 20 feet, underneath; the rear yard, 12 feet by 20 feet 6 inches; and both floors of the brick two-story stable, 16 feet by 20 feet 6 inches.

The property is assessed for 1910: Land, $7,000; buildings, $7,000; total, $14,000.

Tax Department Appraisal (letter of September 12, 1910): Land, $7,000; buildings, $7,000; total, $14,000.

Real Estate Bureau Appraisal: Land, $7,000; buildings, $8,000; total, $15,000.

The rent of $420 a year is the same as paid by the City during the past four years, and is reasonable and just. The three upper floors rent for $20, $18 and $17 respectively, making a total rent of the building of $1,080 a year, or 7 5-7 per cent. of the assessed value and value by the Tax Department.

For comparison, the northeast corner of S. 4th st. and Driggs ave., directly opposite, is a lot 21 feet 6 inches by 71 feet, having on its front a four-story store and tenement building, 21 feet 6 inches by 45 feet, and in the rear a three-story brick dwelling, 26 feet by 21 feet 6 inches. The store in the front building, 16 by 40, with cellar space, 16 feet by 20 feet, is rented to a druggist at $50 a month, and the total rent of the property is $1,620.

The property is assessed: Land, $6,600; buildings, $9,900; total, $16,500.

Present fair market value: Land, $7,500; buildings, $10,500; total, $18,000.

The total rent of these buildings is $1,620, or 9 per cent. of the appraised value.

The rent being reasonable and just, and the same as paid for the past four years, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the ground or store floor of the premises 166 S. 4th st., southeast corner of Driggs ave., Borough of Brooklyn, together with cellar space, 12 feet by 20 feet; the rear yard, 12 feet by 20 feet 6 inches; and both floors of the two-story brick stable building, 16 feet by 20 feet 6 inches, on the rear of lot, for use of the Street Cleaning Department, Section 19, for a period one year from January 1, 1911, at a rental of $420 a year, payable quartely; the lessor to pay taxes and water rates and make necessary repairs; the lessee to furnish heat, light and janitor service; otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Terrence, Nugent, 163 S. 4th st., Borough of Brooklyn.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a renewal of the lease to the City, of the ground or store floor, of the premises 166 S. 4th st., southeast corner of Driggs ave., Borough of Brooklyn, together with cellar space 12 by 20 feet; the rear yard 12 and 20 feet 6 inches; and both floors of the two-story brick stable building, 16 by 20 feet 6 inches, on the rear of lot, for use as a section station, for a period of one year from January 1, 1911, at an annual rental of four hundred and twenty dollars ($420), payable quarterly; the lessor to pay taxes and water rates and make necessary repairs, the lessee to furnish heat, light and janitor service, otherwise upon the same terms and conditions as contained in the existing lease; lessor, Terrence Nugent; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises at 439 E. 6th st., Borough of Manhattan, for the use of the Department of Street Cleaning:

October 19, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Commissioner of the Department of Street Cleaning, in a communication addressed to the Hon. William J. Gaynor, Chairman of the Sinking Fund Commission under date of May 26, 1910, requests a renewal of the lease from Louis Geissler, of the store or ground floor of the premises known as 439 E. 6th st., in the Borough of Manhattan, for another term of three years and 15 days, beginning June 15, 1910, and ending July 1, 1913, at an annual rental of $600, payable quarterly; otherwise upon the same terms and conditions as contained in the existing lease. This rental is the same as heretofore paid.

A report on this matter was presented to the Commissioners of the Sinking Fund under date of June 22, 1910, but was withdrawn at the personal request of Commissioner Edwards, who stated that he understood the City owned some property which could be made available for the same purpose for which he desired a renewal of the lease at 439 E. 6th st.

Under date of June 21, 1910, a communication was again addressed to Hon. William J. Gaynor, Chairman of the Sinking Fund Commission, by Commissioner Edwards, in which he says:

"Referring to my communication under date of May 26, 1910, in which I asked the consent and approval of your Board for renewal of the lease of 439 6th st., Manhattan, for another term of three years, from June 15, 1910, I learn to-day for the first time that there is a piece of City property at 154 Clinton st. which can be made available for the purpose.

"I should be glad to substitute the location at 154 Clinton st. at once if an arrangement can be made with Mr. Geissler to release the City from any obligation as we are now holding over since the 15th inst."

Under date of June 28, 1910, another communication was sent to Hon. William J. Gaynor, Chairman of the Sinking Fund Commission, by Commissioner Edwards, in which he states:

"This Department for a number of years past has been leasing from Louis Geissler the store or ground floor of 439 6th st. Borough of Manhattan, at the annual rental of $600. The lease under which we have been holding expired June 15, 1910, so that the Department is now holding over. In the meanwhile I was informed of a piece of property at 154 Clinton st. which can be made available for the same purpose.

"In point of fact, the Department can make use of both places, and under the circumstances I request the consent of your Board to a renewal of the lease with Mr. Geissler for another term of one year from June 15, 1910, at the same annual rental of $600 per annum, and otherwise upon the same terms and conditions contained in the lease which expired June 15, 1910.

"In addition to this, I request that your Board assign the City property at 154 Clinton st. to the use of this Department as an additional section station."

From the final communication above referred to and dated June 28, 1910, it will be noted that Commissioner Edwards desires a renewal of the lease for a term of one year only, from June 15, 1910. The City is at present a hold-over tenant.

The premises requested to be leased consist of the store floor of 439 E. 6th st. This is a five-story building on a lot 25 feet by 90 feet 10 inches.

The assessed valuation of the property is: Land, $17,000; building, $6,000; total, $23,000.

The appraised value by the Bureau of Real Estate is: Land, $19,000; building, $7,000; total, $26,000.

The total rent of the building amounts to about $2,280 per annum.

The nearest similar building with which a comparison can be made is 435 E. 6th st., which is appraised and valued the same as 439. The rent of the store in these premises is $600 a year, and the total rent of the building, $2,240.

The Commissioner of the Department or Street Cleaning has certified the rent to be reasonable and just.

I therefore respectfully recommend, the rent being reasonable and just, and the same as heretofore paid, that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease from Louis Geissler, of the store floor of the premises known as 439 E. 6th st., Borough of Manhattan, for use of the Department of Street Cleaning, for a term beginning June 15, 1910, and ending June 15, 1911, at an annual rental of $600, payable quarterly; and otherwise upon the same terms and conditions as contained in the existing lease; lessor to pay taxes and water rates; lessee to furnish heat, light and janitor service and to make repairs.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a renewal of the lease to the City, from Louis Geissler, of the store floor of the premises known as 439 E. 6th st., Borough of Manhattan, for the use of the Department of Street Cleaning, for a term beginning June 15, 1910, and ending June 15, 1911, at an annual rental of six hundred dollars ($600), payable quarterly; and otherwise upon the same terms and conditions as contained in the existing lease; the lessor to pay taxes and water rates, the lessee to furnish heat, light and janitor service and make repairs; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the proposed lease of premises 463 W. 150th st., Borough of Manhattan, for the Department of Street Cleaning:

October 21, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On May 25, 1910, the Commissioners of the Sinking Fund adopted the following resolution:

"Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City from George H. Chartress, of the premises 463 W. 150th st., Borough of Manhattan, consisting of a lot 25 by 99 feet 11 inches, with a two-story and cellar brick dwelling thereon, 18 by 25 feet, for use of the Department of Street Cleaning as a section station, for a period of three years from June 1, 1910, at a rental of four hundred and twenty dollars ($420) per annum, payable quarterly; the lessor to put and keep the premises in good tenantable repair, except as to repairs required by injuries inflicted through any employee of the Department, to pay taxes and for the Croton water used on the premises; the City to furnish light, heat and janitor service."

I have been informed by the Commissioner of Street Cleaning that when the lease was prepared in accordance with this resolution, the lessor, George H. Chartress, refused to execute the same and refused to allow the Department of Street Cleaning to take possession. I therefore respectfully recommend that the resolution above mentioned, adopted on May 25, 1910, be rescinded. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held May 25, 1910, authorizing a lease of premises 463 W. 150th st., Borough of Manhattan, for use of the Department of Street Cleaning, be and the same is hereby rescinded.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an amendment to resolution authorizing a lease of a plot of ground on W. 123d st., 100 feet west of Morningside ave., Borough of Manhattan, for the use of the President of the Borough of Manhattan:

October 19, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Commissioners of the Sinking Fund, on June 29, 1910, adopted the following resolution:

"Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the plot of ground, 425 feet by 100 feet 11 inches on the north side of 123d st., 100 feet west of Morningside ave., Borough of Manhattan, for use of the President of the Borough of Manhattan, for a term of one year from July 1, 1910, at an annual rental of nine thousand dollars ($9,000), payable quarterly, with a clause therein contained wherein the lease may be canceled upon ninety days' notice by either party; the lessor to pay for water and taxes. Lessor, Curtis B. Pierce, as sole executor of the Estate of Mary G. Pinckney, deceased."

The lessor requests that the description of the premises leased be given more in detail, inasmuch as one of the lots is but 75 feet in depth.

I therefore respectfully recommend that the Commissioners of the Sinking Fund rescind the above resolution and adopt a new resolution authorizing a lease on the same terms and conditions as contained in the above, for the premises bounded and described as follows:

All that certain plot and parcel of land situate, lying and being in the Borough of Manhattan, City of New York, bounded and described as follows:

Beginning at a point on the northerly line of 123d st., distant 100 feet westerly from the corner formed by the intersection of the said northerly line of 123d st. with the westerly line of Columbus or 9th ave., from thence running northerly and parallel with said Columbus ave. 75 feet more or less to land formerly belonging to Clinton Molanaor, thence north 32 degrees 35 minutes west along said land of Molanaor to the centre line of the block between 123d and 124th sts., thence westerly along said centre line of the block 369 feet, more or less, to a point on said centre line distant 275 feet easterly from the easterly line of Amsterdam ave., formerly 10th ave; thence southerly and parallel with said Amsterdam ave. 100 feet and 11 inches to the northerly line of 123d st., thence easterly along said last mentioned line 425 feet to the point of beginning. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held June 29, 1910, authorizing a renewal of the lease to the City of a plot of ground on the north side of 123d st., 100 feet west of Morningside ave., Borough of Manhattan, for use of the President of the Borough of Manhattan, be and the same is hereby rescinded.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Curtis B. Pierce, as sole executor of the estate of Mary G. Pinckney, deceased, of the following described property:

All that certain plot and parcel of land situate, lying and being in the Borough of Manhattan, City of New York, bounded and described as follows:

Beginning at a point on the northerly line of 123d st. distant 100 feet westerly from the corner formed by the intersection of the said northerly line of 123d st. with the westerly line of Columbus or 9th ave.; from thence running northerly and parallel with said Columbus ave. 75 feet, more or less, to land formerly belonging to Clinton Molanaor; thence north 32 degrees 35 minutes west along said land of Molanaor to the centre line of the block between 123d and 124th sts.; thence westerly along said centre line of the block 369 feet, more or less, to a point on said centre line distant 275 feet easterly from the easterly line of Amsterdam ave., formerly 10th ave.; thence southerly and parallel with said Amsterdam ave. 100 feet 11 inches to the northerly line of 123d st.; thence easterly along said last mentioned line 425 feet, to the point of beginning.

—for use of the President of the Borough of Manhattan, for a term of one year from July 1, 1910, at an annual rental of nine thousand dollars ($9,000), payable quarterly, the lease to contain a clause wherein the same may be canceled upon ninety days' notice by either party; the lessor to pay for water and taxes; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolutions severally unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an application of the President of the Borough of Queens for a renewal of the lease to the City of premises on North Division ave., Rockaway Beach, Borough of Queens. (Application denied.)

October 20, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Hon. Lawrence Gresser, President of the Borough of Queens, in a communication to your Board under date of May 20, 1910, requested a renewal of the lease of premises used for corporation purposes, Bureau of Highways, of his office, situated on the east side of North Division ave., 481 feet north of the Boulevard, Rockaway Beach, Borough of Queens, for a period of three years from September 6, 1910, with the privilege of renewal for an additional term of three years upon the same terms and conditions, at a rental of $400 a year, payable quarterly, the lessor to make all alterations and repairs, and to furnish heat, light, water and janitor service. He states that the premises are necessary for the purpose named, and that the rent is the most reasonable that can be secured for the purposes desired.

The above application was withdrawn by telephone message from the Borough President's office of June 2, 1910, stating that they would send a letter confirming this message. Said letter was never received by the Department of Finance, and under date of August 11, 1910, the following letter was addressed to the Hon. Lawrence Gresser, President of the Borough of Queens:

"A telephone message from your office was received by the Bureau of Real Estate of this Department on June 2, 1910, asking that the lease of the yard premises, 38-40 N. Division ave., Rockaway Beach, used by the Bureaus of Highways, Sewers and Street Cleaning, be not renewed after the expiration of the existing lease, which runs until September 6, 1910. In that telephonic communication, it was promised that a letter would be sent to this Department within a day or two, repeating the request that said lease be not renewed. Since then, we have heard nothing further in regard to the matter. If you do not wish the lease renewed, will you please send a letter to that effect, and oblige"—

No reply was received to this communication, and it was necessary to again write to President Gresser, under date of August 25, 1910, the following letter:

"We desire to call your attention to our letter of August 11, 1910, in which we asked for a letter from your Department regarding the proposed discontinuance of the occupancy of the storage yard premises, 38-40 N. Division ave., Rockaway Beach, at the expiration of the present lease on September 6, 1910, and again request that you send such a letter to this Department, stating whether or not this lease is to be given up upon the date named."

Under date of September 8, 1910, or two days after the expiration of the lease, this Department is in receipt of the following letter from Walter H. Bunn, Acting President of the Borough of Queens:

"In reply to yours of August 11 and 25, 'Real Estate,' requesting a letter verifying our telephonic message of June 2, not to renew the lease on premises 38 and 40 N. Division ave., Rockaway Beach, expiring on September 6, 1910, I beg to say that since making our request, we have decided to allow our previous application of May 20 for a renewal of the aforesaid lease to be acted npon."

We have, therefore, been waiting since June 2 to receive some confirmation of the telephone message, that they would not require these premises after September 6, 1910, but finally under date of September 8, 1910, we are notified that they desire to renew their application under date of May 20, 1910.

These premises were leased by the City three years ago at a rental of $400 a year, payable quarterly.

The lease covers a plot of land, 16 by 95 feet, leading in from the street, with an L. 44 by 35 feet, this L having on it a one-story frame, iron-covered building, 18 by 30 feet, with a similar L, 12 by 24 feet, erected by the lessor for the City's use, at an expense of about $1,000.

The land is part of a plot, 93 feet 9 inches by 98 feet 9 inches, having on it also a two-story brick blacksmith shop and machine works, 35 by 50 feet, and a two-story frame dwelling, 18 by 34 feet, and a one-story frame building, 12 by 25 feet, all used and occupied by the owner.

When the lease was made, three years ago, it was understood that the leased premises were to be used by the Bureau of Highways for storage purposes only, but after the City took possession, the Bureau of Sewers and the Bureau of Street Cleaning shared the premises with the Bureau of Highways, and an office was partitioned off in the L part of the building occupied by the City, and there is now a night watchman in charge of the yard.

The original lease required the lessor to furnish heat, light and janitor service, but, as he explains, at that time there was no heat, light or janitor service required, and therefore he did not object to the clause in the lease. Since the office was established it has been heated by a stove and lighted by an oil lamp, the City furnishing coal and oil. The night watchman does any necessary janitor work. The lessor objects now to the continuance of the heat, light and janitor service clause in the lease, as he says he cannot possibly afford these at a rental of $400 a year.

President Gresser asks for a renewal of the lease for a term of three years from September 6, 1910, as provided for in the existing lease, but he also asks that the new lease contain a privilege of renewal for an additional term of three years on the same terms and conditions. This the lessor at first objected to, but finally consented to grant it.

Assessed value of part of the property covered by lease: Land (approximately) $600; building, $800; total, $1,400.

Real Estate Bureau's valuation of the part occupied by the City: Land, $2,000; building, $1,000; total, $3,000.

Value by Tax Department: Land and building (whole of property), $7,800.

The rent is therefore 28 per cent. on the approximate assessed value of the part occupied, and 13⅓ per cent. of the appraised value by the Bureau of Real Estate.

Most of the property is used by the owner, the $400 a year paid by the City being the only rental. President Gresser says that the premises are necessary for the use of the Bureau of Highways, and that the rent is the most reasonable that can be secured in the neighborhood for the purposes desired.

Deeming the rent excessive, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution denying the request of Walter H. Bunn, Acting President of the Borough of Queens, for a renewal of the lease of the premises situated on the east side of North Division ave., 481 feet north of the boulevard, Hammel's Station, Borough of Queens, consisting of a plot of ground, 16 by 95 feet, with an L., 44 by 35 feet, with the buildings thereon, now being used for corporation purposes by the Bureau of Highways. Lessor, August Bellon, 42 North Division ave., Rockaway Park, Borough of Queens. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the application of the President of the Borough of Queens for a renewal of the lease to the City of premises used for corporation purposes, situated on the easterly side of North Division ave., 481 feet north of the Boulevard, Rockaway Beach, Borough of Queens, for a period of three years from September 6, 1910, with the privilege of renewal for an additional term of three years upon the same terms and conditions, at an annual rental of four hundred dollars ($400), be and the same is hereby denied, for the reason that the rent is excessive.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of a plot of ground on Amboy road, Huguenot, Borough of Richmond, for the use of the President of the Borough of Richmond:

October 19, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Hon. George Cromwell, President of the Borough of Richmond, in a communication to this Department under date of September 21, 1910, requests that the lease of the premises immediately west of the Huguenot Dutch Reformed Church, on the north side of Amboy road, Huguenot, Borough of Richmond, be renewed for a period of one year from December 1, 1910, at a rental of $60 a year, payable quarterly, and otherwise upon the same terms and conditions as contained in the present lease. He also states that the rent is reasonable and just.

The plot in question, 50 by 100 feet, on the north side of Amboy road, adjoining the Huguenot Dutch Reformed Church, has been occupied by the City since December 1, 1908, at a rental of $60 a year. The plot is part of a farm of about forty acres, which is assessed: Land, $8,350; buildings, $2,350; total, $10,700.

The plot occupied by the City, fronting as it does on Amboy road, if subdivided and sold as lots would be worth $750. The rent is 8 per cent. of this value.

The plot has on it a one-story frame portable building, placed there by the City for the use of the Topographical Engineers, and the lot is also used for the storage of surveying monuments and monument materials.

As the plot in its present condition is only farm land and a very small part of the total area of the farm, it is next to impossible for the Tax Department, or anyone else, to place a value on it other than the conditional value given above.

There is no other similar rented property in the neighborhood.

The rent being reasonable and just, and the same as previously paid, I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the plot of land, 50 by 100 feet, immediately west of the Huguenot Dutch Reformed Church, on the northerly side of Amboy road, Huguenot, Borough of Richmond, for the use of the President of the Borough of Richmond, as a topographical station, for a term of one year from December 1, 1910, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of $60, payable quarterly; lessor to pay taxes only; lessor, Christian N. Kessner, Huguenot, Borough of Richmond.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the plot of land 50 by 100 feet, immediately west of the Huguenot Dutch Reformed Church, on the northerly side of Amboy road, Huguenot, Borough of Richmond, for use of the President of the Borough of Richmond, as a topographical station, for a term of one year from December 1, 1910, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of sixty dollars ($60), payable quarterly; the lessor to pay taxes only; lessor, Christian N. Kessner; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises No. 506 W. 185th st., Borough of Manhattan, for the use of the Department of Water Supply, Gas and Electricity:

October 19, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Hon. Henry S. Thompson, Commissioner of the Department of Water Supply, Gas and Electricity, in a communication to your Honorable Board under date of October 7, 1910, requests a renewal of the lease of the premises 506 W. 185th st., Borough of Manhattan, used as headquarters for one of the Repair Companies of his department, for a period of one year from November 1, 1910, when the present lease expires, at a rent of $600 a year, payable monthly, the same as the City has paid for the past three years. He says: "I deem this rent fair and reasonable, and would recommend the renewal of the lease on the same terms and conditions which govern the original one."

This is a lot, 25 feet by 79 feet 11 inches, located on the south side of W. 185th st. west of Amsterdam ave. The lot has on it a two-story and cellar frame dwelling, 18 by 30 feet, with a one-story kitchen addition, 12 by 15 feet, on stone foundation, six rooms, gas, water, bath, two toilets, range and furnace; and on the rear of the lot is a substantial one-story frame stable, 18 by 14 feet, three stalls, concrete floor.

The property is assessed for the year 1910: land, $7,000; buildings, $3,500; total, $10,500.

Tax Department appraisal: land, $8,000; buildings, $3,800; total, $11,800.

Real Estate Bureau appraisal: land, $8,500; buildings, $3,500; total, $12,000.

Rent 5½ per cent. on assessed valuation, and 5 per cent. on Tax Department appraised value.

The lessor pays taxes only, the City making necessary repairs, and paying for heat, light, water and janitor service.

The rent asked, $600 a year, is reasonable and just, and is the same as paid for the past three years.

For comparison, No. 510 W. 185th st., a somewhat similar property, except that it has no stable, lot 25 feet by 79 feet 11 inches, two-story and cellar frame dwelling, 22 by 30 feet; rent, $600 a year.

The property is assessed: land, $7,000; building, $2,000; total, $9,000.

Fair market value: land, $8,500; building, $2,500; total, $11,000.

This rent is a trifle less than 5½ per cent. on appraised value.

Deeming the rent reasonable and just, and being the same as previously paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the premises No. 506 W. 185th st., Borough of Manhattan, as headquarters for one of the Repair Companies of the Department of Water Supply, Gas and Electricity, for a period of one year from November 1, 1910, at a rent of $600 a year, payable monthly; the lessor to pay taxes; the lessee to make such needed repairs as it may deem necessary, and to pay for heat, light, water and janitor service; otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Mrs. Carrie B. Colby, 142 W. 54th st.; Agent, Albert Arns, 330 W. 42d st., Borough of Manhattan. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, of the premises 506 W. 185th st., Borough of Manhattan, for use of the Department of Water Supply, Gas and Electricity, for a period of one year from November 1, 1910, at a rental of six hundred dollars ($600) per annum, payable monthly; the lessor to pay taxes, the lessee to make such needed repairs as it may deem necessary, and to pay for heat, light, water and janitor service, otherwise upon the same terms and conditions as contained in the existing lease; lessor, Mrs. Carrie B. Colby; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report, and offered the following resolution relative to a renewal of the lease to the City of premises at 127 Franklin st., Borough of Manhattan, for the use of the Board of Water Supply:

October 28, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Board of Water Supply, by Thomas H. Keogh, Secretary, in a communication to this Department under date of August 3, 1910, states that on July 29, 1910, a voucher was transmitted to this office amounting to $625 in favor of the Barron Realty Company, covering rental for the months of March, April and May, 1910, for the premises 127 Franklin st., Borough of Manhattan, where a lease expired February 28, 1910, and which up to the present time has not been renewed. The facts in regard to this matter are as follows:

The Board of Water Supply, then occupying quarters at 299 Broadway, and the fifth floor of 127 Franklin st., in a communication to the Commissioners of the Sinking Fund under date of February 7, 1910, made application for the rental of office space in the City Investing Building at 165 Broadway, and in that letter said:

"We propose not to renew the lease of the loft at Franklin st., but to combine the force now employed there with the force at the main office."

But a later paragraph in the same communication stated:

"In view of the fact that the lease of the loft at Franklin st. expires on the 28th of this month, and the fact that the large stock of material on hand there cannot be distributed to advantage in the very short time remaining before the expiration of the lease, we now desire to renew the lease of that loft for one year only. The rental asked is $2,500. Our purpose is that within a year (if we can move to the City Investing Building) we will make such disposal of the materials and supplies carried at that place, and combine the force there with the force at the main office, that it will not be necessary to further renew that lease."

In reporting this matter to the Commissioners of the Sinking Fund under date of February 25, 1910, an employee of the Bureau of Real Estate (not now connected with the Bureau) appears to have overlooked the request for the renewal of the Franklin st. lease and made no mention of it in his report, and therefore no action was taken regarding the matter when the lease in the City Investing Building was authorized. The Board of Water Supply, however, remained in possession of the loft in Franklin st. after February 28th and are still in possession as a hold-over tenant, and the City is therefore responsible for another year's rent at a rental of $2,000.

The property at 127 Franklin st., consists of an 8-story fireproof store, loft and office building, 48 by 84 feet, at the southwest corner of W. Broadway and Franklin st. The Board of Water Supply has occupied the fifth floor, 3,800 square feet, since March 1, 1907, on a three years' lease, expiring March 1, 1910, at a rental of $2,000 a year.

The increase of $500 a year now asked for, beginning March 1, 1910, is explained by the owners by saying that the City was the first tenant in this building and was given a very low rental for the double reason that the owners were given to understand that the rental for the premises needed by the Board of Water Supply was limited to $2,000 a year, and that the renting of this floor by the City would result in the City's leasing further space in the same building. They also claim that even at $2,500 a year, this fifth floor pays less than any other in the building, the rents as stated by them being as follows:

	Per Annum.
First floor and basement, United States Express Co.,	$7,500 00
Second and third floors, James S. Barron & Co., each	3,000 00
Fourth floor, offices, rear portion not well lighted	3,000 00
Sixth floor, offices	3,000 00
Seventh floor, offices	3,150 00

Eighth floor (Commissioner of Accounts), with privilege of space on roof for blue print and photographic work (which privilege has never been used) 3,000 00

Total $28,250 00

Lofts in fireproof buildings in this section of the City rent for an average of from 60 cents to 80 cents a square foot, and in some instances even higher prices up to $1 are asked.

The lessors pay taxes and water rates and furnish steam heat, freight and elevator service, hall and window cleaning janitor service; the City furnishes light and room janitor service.

At the request of this Department, Mr. William H. Barron, President of the Barron Realty Company, called at the Bureau of Real Estate in relation to the increase of $500 per annum asked for the premises occupied by the Board of Water Supply, in the building at 127 Franklin st. After a lengthy interview it was finally decided by Mr. Barron to accept, on behalf of the Barron Realty Company, the renewal of the lease of the fifth floor, containing approximately 3,800 square feet, at the old rental of $2,000 per annum.

In view of the above arrangement, the City being a hold-over tenant since March 1, 1910, the rent being reasonable and just, and the same as heretofore paid, I would respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the fifth floor, containing approximately 3,800 square feet, in the building 127 Franklin st., southwest corner of West Broadway, Borough of Manhattan, used by the Board of Water Supply, for a period of one year from March 1, 1910, at an annual rental of $2,000, payable quarterly; the lessors to pay taxes and water rates, and furnish steam heat, freight and passenger elevator service, and hall and window cleaning janitor service; the City to furnish light and room janitor service. Lessors, the Barron Realty Company, by William H. Barron, President, 127 Franklin st., Manhattan. Respectfully,

WM A. PRENDERGAST, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, of the fifth floor, containing approximately 3,800 square feet, in the building 127 Franklin st., southwest corner of W. Broadway, Borough of Manhattan, for use of the Board of Water Supply, for a period of one year from March 1, 1910, at an annual rental of two thousand dollars ($2,000), payable quarterly; the lessors to pay taxes and water rates and furnish steam heat, freight and passenger elevator service, and hall and window cleaning janitor service; the City to furnish light and room janitor service; lessors, Barron Realty Co., by William H. Barron, President; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises at 81 2d st., Borough of Manhattan, for the use of the Department of Health:

October 19, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Eugene W. Schaffer, Esq., Secretary to the Department of Health, in a communication to your Honorable Board under date of September 2, 1910, states that at a meeting of the Board of Health of the Department of Health held August 26, 1910, the following resolution was adopted:

"Resolved, That the Honorable the Commissioners of the Sinking Fund be, and they are hereby, requested to authorize the lease to the City from H. J. Hanigan of 119 W. 70th st., Borough of Manhattan, Executor of the Weeks Estate, agents for said executor being McVicar, Gaillard Realty Co., of 242 E. Houston st., Borough of Manhattan, of the premises located at 81 2d st., Borough of Manhattan, for the use of the Department of Health for a period of three years from the date of occupation, without the privilege of renewal at rental of twelve hundred dollars ($1,200) per annum, payable quarterly; this Board deeming such rental just and reasonable, and to authorize and direct the Comptroller to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter."

This is a lot 25 by 78 feet, located on the south side of 2d st., 150 feet west of 1st ave., Borough of Manhattan, having on its rear a one-story brick stable or garage leased to other people with adjoining property, and on its front, to be leased by the City, a two-story and attic and basement brick dwelling, no cellar, 22 by 40 feet, with a brick extension 10 by 15 feet. The house is in bad repair, but the lessor is to do all the necessary painting, masonry, plumbing and carpenter work and to put the premises in good and tenantable condition.

The whole property is assessed: Land, $11,000; buildings, $2,000; total, $13,000.

The assessment on the part proposed to be leased by the City is approximately: Land, $9,000; building, $1,500; total, $10,500.

Tax Department appraisal: Whole property, $14,000.

The present fair market value of the part to be leased, appraised by the Bureau of Real Estate: Land, $12,000; building, $2,000; total, $14,000.

The rental of $1,200 a year is therefore 11½ per cent. of the approximate assessed value of $10,500, and 8 4-7 per cent. of the appraised value by the Bureau of Real Estate.

The owner pays taxes and water rent and is to put the premises in good and tenantable condition. The lessee pays for heat, light and janitor service.

The building is to be used as a clinic for the treatment of tuberculosis, and the Health Department states that the property is the most suitable and reasonable for the purpose that can be found in the locality, considering the location, natural light and number and distribution of rooms.

The money to pay the rent is provided for by a fund made up partly by transfers authorized by the Board of Estimate and Apportionment on February 25 and May 6, 1910, and partly by rent saved on other premises given up during the year. (See letter of Dr. Lederle, September 27, 1910.)

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the front premises 81 2d st., Borough of Manhattan, for use of the Department of Health as a tuberculosis clinic, for a period of three years from November 1, 1910, without the privilege of renewal, at a rental of $1,200 a year, payable quarterly; the lessor to do all necessary painting, masonry, plumbing and carpenter work and to put the building in good and tenantable condition, to the satisfaction of the Department of Health, and pay the taxes and water rates; the lessee to furnish heat, light and janitor service. Lessor, Phillips Weeks Estate, Henry J. Hanigan, President, 119 W. 70th st., Manhattan. Agents, McVicar, Gaillard Realty Co., 242 E. Houston st, Manhattan. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from the Phillips Weeks Estate, Henry J Hanigan, President, of the front premises 81 2d st, Borough of Manhattan, for use of the Department of Health as a tuberculosis clinc, for a period of three years from November 1, 1910, without the privilege of renewal, at a rental of twelve hundred dollars ($1,200) per annum, payable quarterly; the lessor to do all necessary painting, masonry, plumbing and carpenter work and to put the building in good and tenantable condition to the satisfaction of the Department of Health, and pay taxes and water rates; the lessee to furnish heat, light and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interest of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises on Bay st., Stapleton, Borough of Richmond, for the use of the Board of Health:

October 22, 1910.

To the Honorable, the Commissioners of the Sinking Fund:

Gentlemen—At a meeting of the Board of Health of the Department of Health, held March 16, 1910, the following resolution was adopted:

"Resolved, That the Honorable, the Commissioners of the Sinking Fund be and they are hereby requested to authorize the lease to the City from the Estate of A. Horrmann of the irregular plot on Bay st., between Richmond road and Elizabeth st., Stapleton, Borough of Richmond, and indicated upon attached sketch, for the use of the Department of Health for a period of three years from April 1, 1910, with the privilege of renewal for an additional three years, at a rental of $240 per annum, payable quarterly, this Board deeming said rental just and reasonable, and to authorize and direct the Comptroller to execute the same when prepared and approved by the Corporation Counsel, as provided by Sections 149 and 217 of the Greater New York Charter"

This lease should now be made to date from November 1, instead of April 1, 1910, as in the above resolution.

This is an irregular vacant plot of a little more than two full city lots, on the westerly side of Bay st., extending from Richmond road to Elizabeth st., at Stapleton, Borough of Richmond. The part to be included in the lease has a frontage of about 50 feet on Richmond road, 41 feet on Bay st., and 103 feet on Elizabeth st., and an irregular rear line.

The Department of Health have in readiness a portable house to erect on said land as soon as authority is given by your Honorable Board.

The plot is part of a larger one known on the tax books as Lot 289, Plot 2, Ward 2, Volume 1, Map 1, Page 5, and is assessed for the year 1910: Land, $4,000; building, $2,000; total, $6,000; (not included in lease.)

For the part of the land taken under this lease, the assessed value is approximately $3,000, and the fair market value is $4,000.

The Department of Taxes and Assessments, in a letter dated September 16, 1910, gives $7,000 as the value of the whole plot, including the building.

The rent of $240 a year is 8 per cent. on the approximate assessed value of $3,000, and 6 per cent. on the present fair market value of $4,000, as appraised by the Bureau of Real Estate.

The Board of Health states that the rent is reasonable and just, and that the funds are provided by the transfers and rents saved. (See letter September 27, 1910.)

There is no other similar property in the neighborhood with which a comparison could be made.

Lessor, Estate of A. Horrmann, deceased, William Horrmann, Charles Horrmann and Isaac Untermeyer, Executors; E. Cossmann, Agent, No. 184 Bay st., Stapleton, Borough of Richmond. Respectfully,

WM. A. PRENDERGAST, Comptroller.

To the Commissioners of the Sinking Fund:

Gentlemen—The Trustees of Bellevue and Allied Hospitals in a communication addressed to the Commissioners of the Sinking Fund, under date of September 8, 1910, state that they desire to transfer to the Commissioners of the Sinking Fund, two old horses named, "Monk" and "Paddy," in order that they may be transferred to the Department of Health.

At meeting held April 6, 1910, the Commissioners of the Sinking Fund assigned to the Department of Health for antitoxin purposes 15 horses turned over by the Department of Street Cleaning as no longer required.

I see no objection to the proposed transfer, and recommend that the horses be accepted and assigned to the Department of Health for the purposes mentioned, pursuant to the provisions of section 205 of the Charter. Very truly yours,

WM. A. PRENDERGAST, Comptroller.

New York, September 8, 1910.

New York, October 14, 1910.

Hon. HENRY J. WALSH, *Secretary, Commissioners of the Sinking Fund,* 280 Broadway:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises at 4 and 5 Court square, Borough of Brooklyn, for the use of the Brooklyn Disciplinary Training School for Boys:

October 21, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Mr. Ephraim Byk, President of the Brooklyn Disciplinary Training School for Boys, in a letter to the Finance Department, under date of October 6, 1910, says:

"In response to your letter of August 29, 1910, I want to say that the Brooklyn Disciplinary Training School for Boys has its central office at 4 and 5 Court square, Brooklyn, under lease expiring October 15 of this year. Our Board feels that they

need a central office where they can meet for the discussion of the school's business because the school itself is at Borough Park and takes a long time to get to.

"Our Board feeling that they would like to economize as much as possible and thinking that one office would serve the purpose of two that we have, made arrangements with the owners of the building to let us have the one large office for $25 per month, or $300 per year. This will be a saving, as you see, of $180 yearly."

The Brooklyn Disciplinary Training School for Boys has for years occupied two rooms (Nos. 44 and 45) on the sixth floor rear, in the eight-story elevator office building, known as Jefferson Building, at 4 and 5 Court square, Borough of Brooklyn. The larger of these rooms, No. 44, which it is proposed now to retain, measures 20 feet 6 inches by 16 feet 6 inches, and contains 338 square feet. The smaller room to be given up measures 15 feet 6 inches by 10 feet 4 inches, and contains 160 square feet. For these two rooms the total area of which is 498 square feet, the City has been paying $480 a year or 96 cents a square foot. The rate now to be charged on room No. 44 (338 square feet) at $300 a year, is 89 cents a square foot. The lessors pay taxes and supply steam heat, light, water and janitor service, and night elevator service when evening meetings of the Board are held. The rent of 89 cents per square foot is reasonable and just.

For comparison it may be stated that office space in similar elevator office buildings in the neighborhood averages from about $1.25 in the Garfield Building to $1.50 in the Temple Bar Building, per square foot.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of Room No. 44 (size 20 feet 6 inches by 16 feet 6 inches), on the sixth floor rear, of the Jefferson Building, 4 and 5 Court square, Borough of Brooklyn, for the use of the Board of Managers of the Brooklyn Disciplinary Training School for Boys, for a period of one year from October 15, 1910, with the privilege of renewal for an additional period of one year upon the same terms and conditions, at an annual rental of $300, payable quarterly; the lessor to pay taxes, and supply steam heat, light, water and janitor service, and to provide night elevator service when required for evening meetings of the Board. Lessor, Kings County Jeffersonian Association, James D. Bell, President, Borough Hall, Brooklyn. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Kings County Jeffersonian Association, James D. Bell, President, of Room 44 (size 20 feet 6 inches by 16 feet 6 inches) on the sixth floor rear of the Jeffersonian Building, 4 and 5 Court square, Borough of Brooklyn, for use of the Board of Managers of the Brooklyn Disciplinary Training School for Boys, for a period of one year from October 15, 1910, with the privilege of renewal for an additional period of one year, upon the same terms and conditions, at an annual rental of three hundred dollars ($300), payable quarterly; the lessor to pay taxes and supply steam heat, light, water and janitor service and provide night elevator service when required for evening meetings of the Board; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease of premises 19 Hardenbrook ave., Jamaica, Borough of Queens, for the use of the Court of Special Sessions (Children's Court).

October 22, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Justices of the Court of Special Sessions, by Frank W. Smith, Chief Clerk, in a communication to your Honorable Board under date of September 27, 1910, state:

"Purusant to the provisions of section 217 of the Greater New York Charter, application is hereby made to your Honorable Board to lease quarters for the Children's Court in the Borough of Queens.

"In our opinion, the dwelling house known as 19 Hardenbrook ave., Jamaica, N. Y., would afford suitable accommodations for the Court. The owner is willing to lease the building, with the appurtenances, reserving the garage in the rear and the two semi-detached rooms on the southerly side, for a rental of six hundred dollars ($600) per annum; the owner to install an additional toilet and redecorate the interior where necessary. The owner is also willing, if desired, to furnish a competent caretaker who will, in return for the use of three rooms not required for court purposes, care for the furnace and perform all necessary janitor service; but inasmuch as the leasing of the building is no part of our duty, we make no recommendations or suggestions as to the rental to be paid or the terms of the lease.

"We are very anxious to secure a court room as soon as possible, and, therefore, respectfully request that immediate action be taken upon this application."

The premises mentioned, 19 Hardenbrook ave., Jamaica, Borough of Queens, is a two-story basement and attic frame building with brick and stone foundation, 30 by 40 feet and irregular, on lot 40 by 90 feet on the west side of Hardenbrook ave., 200 feet 8 inches north of Fulton st. The cellar is concreted, and the building has ten rooms, exclusive of the two semi-detached rooms which are on the ground floor and which are not to be included in the lease. The house has steam heat, window shades, gas and gas fixtures, bath room and toilet, range and hot water boiler. The owner is also to put in an additional toilet, and to redecorate the interior where necessary. The rental asked is $600 a year.

The property is assessed for taxation: Land, $3,000; building, $3,000; total, $6,000.

The appraised value by the Department of Taxes and Assessments is: Land, $4,000; building, $3,500; total, $7,500.

The Real Estate Bureau appraisal is: Land, $4,000; building, including the two rooms and garage reserved by owner, $3,500; total, $7,500.

Estimating the rent of the two rooms and garage at $150, the total rent of the property is $750, or 12½ per cent. on the assessed value and 10 per cent on the appraised value by the Bureau of Real Estate.

There is no other similar rented building in the immediate neighborhood with which comparison may be made.

The owner of the premises, 19 Hardenbrook ave., is Mrs. Elizabeth Flynn, North Adams, Mass.; Alvin M. Dunham, agent, 369 Fulton st., Jamaica, Borough of Queens.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the premises 19 Hardenbrook ave., Jamaica, Borough of Queens, excepting the two semi-detached rooms on the southerly side of the ground floor, and the garage in the rear, for a term of two years from November 1, 1910, at an annual rental of $600, payable quarterly, for the use of the Court of Special Sessions as a Children's Court and Place of Detention for Children; the owner to install an additional toilet, redecorate the interior where necessary, provide separate gas connections for portion of premises so rented and pay taxes and water rates; the City to furnish heat, light and janitor service. Lessor, Mrs. Elizabeth Flynn, North Adams, Mass.; Alvin M. Dunham, agent, 369 Fulton st., Jamacica, Borough of Queens. Respectfully,

WM. A. PRENDERGAST, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Mrs. Elizabeth Flynn, of the premises, 19 Hardenbrook ave., Jamaica, Borough of Queens, excepting the two semi-detached rooms on the southerly side of the ground floor, and the garage in the rear, for a term of two years from November 1, 1910, at an annual rental of $600, payable quarterly, for use of the Court of Special Sessions as a Children's Court and Place of Detention for Children; the owner to install an additional toilet, redecorate the interior where necessary, provide separate gas connections for portion of premises so rented, and pay taxes and water rates; the City to furnish heat, light and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same, when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller prestend a report recommending

1. That resolution adopted August 16, assigning to the Department of Correction, the portion of Jefferson Market Building directly over the market, be rescinded.

2. The assignment to the Department of Correction of that portion of Jefferson Market now occupied by the First District Municipal Court, including the different rooms used for clerk's office, library, etc.

3. The assignment of the First District Municipal Court for the hearing of cases which were formerly tried in the Jefferson Market Court Building, the building situated on the southwest corner of Prince and Wooster streets, Borough of Manhattan.

Justices Tierney and Moore appeared before the Board and spoke in oppostion to the removal of the Court from the Jefferson Market Building; Commissioner Whitney of the Department of Correction was also heard. Discussion followed.

On motion, the matter was referred to a Select Committee consisting of the Comptroller and the Chairman of the Finance Committee of the Board of Aldermen for a report to be presented at the next meeting.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the plans and specifications submitted for the new station house for the 150th Precinct, on Poplar st., between Hicks and Henry sts., Borough of Brooklyn:

October 20, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Hon. William F. Baker, Police Commissioner, with communication dated September 9, 1910, submits, for the approval of the Commissioners of the Sinking Fund, plans and specifications for the new station house for the 150th Precinct police station, prison and stable, on the southerly side of Poplar st., between Hicks and Henry sts., Borough of Brooklyn.

From investigation I have caused to be made by the Chief Engineer of this Department, it is reported to me that these plans and specifications show a three-story building, 88 feet by 57 feet in dimensions, with a one-story extension, approximately 87 feet by 95 feet, for prison cells, morgue and stable. A cellar 62 feet by 78 feet is excavated under a portion of the building for boiler and store rooms.

The proposed station house will contain a muster room, sitting room, clerical room, Matron's room, examination room, Captain's office and bedroom, bedrooms for eight officers, toilet and wash rooms, and six dormitories designed to accommodate ninety-six Patrolmen.

The building is of brick trimmed with limestone, with floors of fireproof construction. The finish of the floors in the muster room, sitting room and first floor hall is terrazzio.

An amount of $100,000 for the construction of this station house was released in the Corporate Stock Budget adopted by the Board of Estimate and Apportionment June 3, 1910.

The building is well and economically designed, and I would recommend that the Commissioners of the Sinking Fund, pursuant to chapter 350 of the Laws of 1892, as amended by chapter 495 of the Laws of 1895, approve the plans and specifications submitted by the Police Commissioner under date of September 9, 1910, for the construction of a new station house for the 150th Precinct police station, prison and stable, on the southerly side of Poplar st., between Hicks and Henry sts., Borough of Brooklyn. Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That pursuant to the provisions of chapter 350 of the Laws of 1892, as amended by chapter 495 of the Laws of 1895, the Commissioners of the Sinking Fund hereby approve of the plans and specificatons submitted by the Police Commissioner, under date of September 9, 1910, for the construction of a new station house for the 150th Precinct, on the southerly side of Poplar st., between Hicks and Henry sts., in the Borough of Brooklyn.

The report was accepted and the resolution unanimously adopted.

October 21, 1910.

To the Honorable the Board of Sinking Fund Commissioners:

Gentlemen—On October 4, 1910, No. 13 on the calendar of this Board, being the matter of berthing, storage and care of four floating baths under the jurisdiction of the President of the Borough of Brooklyn, at Shadyside, N. J., for a period from October 1, 1910, to June 1, 1911, was referred to the undersigned as a special committee of this body. The committee respectfully reports:

That it has made a thorough investigation of this question, having visited the proposed place of storage and the former storage basin. A report has been received from the Superintendent of Public Buildings and Offices, Borough of Brooklyn, in which he states that the baths may be stored in either place at the same rate, i. e., $1 per day each, but that the New Jersey location has the advantage of having this amount include the services of caretakers, thus effecting a large saving in the wages of watchmen necessary to proper care. He also contends that the towing can be done more cheaply for more than double the length of haul. Asid from the point that baths belonging to Brooklyn should be stored in that borough if possible, it would appear to the Committee that the proposed site in New Jersey is not a proper place for the storage of floating baths; the only protection from the open river is provided by a small number of half rotted canal boats, which are to be tied together and moored outside of the berthing place for protection against storms and ice. Should one of these old vessels be driven from its moorings against the baths, it would, in all probability, cause an almost total destruction of the City's property. The Borough of Manhattan has chosen a location on the protected Brooklyn shore for its much larger number of floating baths, and intends to have city employees for caretaking. The committee believes this example should be followed by the Borough of Brooklyn, thus insuring proper care of the property of the city, whereas at the New Jersey location it would have to depend on the promises of irresponsible persons who have but a speculative leasehold on a section of river front.

Your Committee recommends that the proposed agreement for the storage of these floating baths in another state be not entered into, and that the President of the Borough of Brooklyn be requested to choose a location for such storage within the confines of his own borough.

FRANK L. DOWLING, CHAS. H. HYDE, Special Committee.

Mr. Wm. H. Hale, representing the President of the Borough of Brooklyn, was heard in regard to the matter. Discussion followed. The following resolution was then offered for adoption:

Resolved, That the request of the President of the Borough of Brooklyn that an agreement be entered into for the berthing, storage and care, including the furnishing of a watchman, of the four floating baths under the jurisdiction of the President, at Shadyside, N. J., be and the same is hereby denied, and the President is requested to find a location for such storage within the confines of his own borough.

The report was accepted and the resolution unanimously adopted.

Justice William McAdoo appeared before the Board and requested that the premises now occupied by the Fourth District Municipal Court in E. 57th st. be assigned for the sole use of the Domestic Relations Court, and that other quarters be obtained for the use of the Fourth District Municipal Court. Judge Tierney, President of the Board of Municipal Justices, spoke in favor of the proposition as outlined by Justice McAdoo and requested that a new court room be obtained somewhere north of 23d st. Discussion followed.

On motion the matter was referred to the Chamberlain.

The Deputy and Acting Comptroller asked for and received unanimous consent for the consideration of the following matters:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an application of the Board of Education for a renewal of the lease to the City of the premises at Covert and Myrtle aves., Borough of Queens, known as the old Ridgewood Hotel property. (Application denied.)

October 27, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—Under date of November 1, 1906, the Commissioners of the Sinking Fund adopted a resolution authorizing a lease of the premises at Covert ave. and Myrtle ave., in the Borough of Queens, said property being known as the Ridgewood Park Hotel, for use of the Department of Education, for a period of three years, commencing November 1, 1906, and expiring November 1, 1909, at an annual rental of $2,000, the lessors being Henry Hesterberg and Anthony F. Zahn, and others, said property being described as follows:

"Beginning at a point on the southwesterly line of the proposed line of Covert ave., distant twenty (20) feet one and three-eighths (1⅜) inches southwesterly from the southeasterly corner of Myrtle ave. and the proposed line of Covert ave., and running thence (1) southwesterly and parallel with the proposed southeasterly line of Greene st. one hundred and twenty (120) feet; thence (2) northwesterly and parallel with the proposed line of Covert ave, twenty (20) feet one and three-eighths (1⅜) inches to the proposed southeasterly line of Greene st.; thence (3) southwesterly along the said proposed line of Greene st., fifty-one (51) feet, six and three-eighths (6⅜) inches; thence (4) northwesterly and parallel with the proposed line of Covert ave, about one hundred and ten (110) feet; thence (5) northerly at right angles to Myrtle ave., about fifty (50) feet, to the southerly side of Myrtle ave.; thence (6) easterly along the said southerly side of Myrtle ave. about two hundred (200) feet to its intersection with the proposed southwesterly line of Covert ave.; thence (7) southeasterly along the proposed southwesterly line of Covert ave., twenty (20) feet and one and three-eighths (1⅜) inches to the point or place of beginning."

This property has on it a three-story, brick building, 50 by 100 feet, on a plot of land approximately, 200 by 200 feet, and irregular. The lessor was to erect and maintain the fences surrounding the property and keep the roof in repair; the City to make any interior repairs that it might deem necessary.

The Department of Education, under date of December 23, 1909, transmitted to this office a certified copy of a resolution adopted by that Board on December 22, 1909, requesting the Commissioners of the Sinking Fund to authorize the execution of a new lease by the Board of Education, subject to the financial ability of the City, of the above mentioned premises, for a period of two years, with the privilege of renewal for an additional year at an annual rental of $3,000, payable quarterly, attached to which was also a communication dated December 9, 1909, signed Carl Berger, Superintendent, stating that the building after inspection was found to be suitable for school purposes, also a communication dated October 11, 1909, signed James H. Elson, Sanitary Inspector, recommending the approval of the building for school purposes.

As will be noted, the original lease of these premises expired November 1, 1909, and the request for a new lease of the said premises, owing to a change in ownership, was not made until December 23, 1909. This delay is explained in a communication addressed to the Division of Law and Adjustment of this Department, under date of September 1, 1910, which stated that in September last application was made to the Health Department and the Bureau of Buildings for the required certificates, that the building was fitted for school use. The Bureau of Buildings three years ago had made certain requirements about outside stairs, fences, etc., all of which were complied with at the time, but when application was made in September to the same Bureau it refused to issue a certificate until the stairways in question were widened, gates placed in the fences surrounding the building, and other alterations had been made. Some of these changes were made by the City and others by the owners of the property; but it was not until December 10, 1909, that the Board of Education succeeded in getting the certificates required, and the application to the Sinking Fund Commission for a renewal of the lease was adopted by the Board of Education at its next meeting.

The rent asked under this resolution, to wit, $3,000 per annum, is certainly excessive, being an advance of 50 per cent. over that previously paid by the City, the new owners claiming to have had an offer of $3,000 for the use of the property as a hotel, and therefore refuse to name a lower price to the City. The building has ten class rooms, and is fairly well adapted for school purposes.

On account of the position in which the City was placed, owing to the fact of its still being in occupancy of the premises and the owners asking such an excessive increase in rental, the following communication was addressed to Hon. John Greene, Acting President of the Board of Education, under date of September 6, 1910:

"Will you please inform this Department whether the new school building in course of construction in Covert ave., Ridgewood Park, Borough of Queens, will be completed and ready for occupancy on or about November 1 next, as the renewal of the City's lease of the Ridgewood Park Hotel property will expire on that date; and as the rent thereof has been increased 50 per cent. since the expiration of the last lease, which expired November 1, 1909, it is desirable that no further extension should be required."

In reply, a communication was received from A. Emerson Palmer, Secretary of the Board of Education, under date of September 9, 1910, stating that the contract time for the construction of the new school building would not expire until December 20, 1910, and also stating that to this must be added the number of days the work had been delayed, through inclement weather, or other causes beyond the control of the contractors.

In a further communication addressed to Hon. Egerton L. Winthrop Jr., President of the Board of Education, under date of September 22, 1910, after fully going into all the details in connection with this matter, the Deputy and Acting Comptroller said:

"Now the situation which confronts your Board is this: The City is a hold-over tenant in the hotel building since November 1 last, and the new owners, the Ridgewood Park Realty Company, which also owns the strip in the rear of the new site, demand an increased rental of $3,000, or 50 per cent. increase, since that date. The new school building, which it was expected would be ready for occupancy by November 1 next, it appears now will not be ready before December 20th, or later.

"Under the circumstances, is it not possible for your Board to provide for the children now in the Ridgewood Park Hotel annex in some other way after November 1st, and until the new biulding is ready to open? If this is not possible, can you not make some arrangement with the Ridgewood Park Realty Company, which is so materially interested in the providing of proper school accommodations in that section, either to consent to the City remaining in possession of the Ridgewood Park Hotel property from November 1, 1909, until the new school building is ready for occupancy, at the old rent of $2,000 a year, which would seem to this Department a fair and just arrangement; or if that Company insists upon increasing the rent to $3,000, then would it not be possible, at least, to secure its consent that after November 1, 1910, the City should have the right to remain in occupancy of the Ridgewood Park Hotel property, on a month to month arrangement, until the new school building is completed, and upon what terms?"

Under date of September 29, 1910, a subsequent communication was addressed to Hon. Egerton L. Winthrop, Jr., President of the Board of Education, as follows:

"Confirming the conversation had with Mr. Charles A. O'Malley, Appraiser of Real Estate, of this Department, I have to say that Mr. H. C. Bottsford, of the Bottsford-Dickinson Company, 1170 Broadway, New York City, states that it will be possible for him to have ready for occupancy, the 1st of November, 1910, twelve classrooms in the new building which is being erected at Covert ave., George and Centre sts., Ridgewood Park, Borough of Queens, provided the Board of Education will designate the particular rooms they would prefer to have furnished.

"I would request that the Board of Education give such instruction to the Bootsford-Dickinson Company as will bring about the completion of the above-mentioned rooms. If this is done, it will relieve the City of renewing the lease of the premises they now occupy, and known as the Ridgewood Park Hotel, at Myrtle and Covert aves., Borough of Queens. The rental asked by the Ridgewood Park Realty Company, the owners of the property, is $3,000 per annum, which is an increase of $1,000 a year over what the City paid in 1908, and in the opinion of this Department is very excessive.

"It would seem unfortunate if we were compelled to remain in possession of these premises for an additional year, when the new school building will be entirely completed by December 20, 1910."

It would seem from the facts above recited that, owing to labor troubles, etc., in the matter of the construction of the new school building, the contract for the completion of the building will be delayed until December 20, 1910, and possibly longer. The City is a hold-over tenant, as the original lease expired as of November 1, 1909.

In a communication addressed to this Department under date of October 11, 1910, by Frederick H. Johnson, Acting and Assistant Secretary of the Board of Education, statement is made that at a meeting of the Committee on Buildings, held on October 10, 1910, consideration was had on the communications addressed to the Presi-

dent of the Board of Education by Deputy Comptroller Mathewson, expressing the opinion that the rental asked for the Ridgewood Park Hotel lease as an annex to Public School 81, in the Borough of Queens, is unreasonable, and sugesting the advisability of vacating the premises in view of the fact that new Public School 77 is approaching completion.

Hon. Frank W. Meyer, to whom this matter was referred, stated that he had conferred with the owners of the premises mentioned, and that they were willing to execute a renewal of the lease, with the proviso that the same be canceled on a three months' notice of the intention of the Board of Education to vacate the premises.

In view of all the conditions above recited, and deeming the rent asked, $3,000 per annum, excessive, I would respectfully recommend that the Commissioners of the Sinking Fund adopt a rsolution denying the request of the Board of Education for a renewal of the lease of the premises at Covert and Myrtle aves., Borough of Queens, known as the old Ridgewood Park Hotel property, for a period of two years from November 1, 1909, and that the Secretary of the Commissioners of the Sinking Fund be requested to notify the Board of Education to vacate the premises on or before November 1, 1910; and also that the Secretary of the Sinking Fund Commission notify the owners of the premises, the Ridgewood Park Realty Company, (Inc.), 215 Montague st., Borough of Brooklyn, that the City of New York will not authorize the hiring of these premises and will not be responsible for any rent incurred, other than to the extent for which the City is liable as a hold-over tenant under the lease expiring November 1, 1909; and furthermore, that any occupancy of said premises after November 1, 1910, will be without the authority of and not binding upon The City of New York. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the application of the Board of Education for a renewal of the lease to the City of the premises at Covert and Myrtle aves., in the Borough of Queens, known as the old Ridgewood Park Hotel property, for a period of two years from November 1, 1909, be and the same is hereby denied, and the Secretary of the Commission be and is hereby requested to notify the Board of Education to vacate the premises on or before November 1, 1910, also to notify the owner of the premises, the Ridgewood Park Realty Company (Inc.), that The City of New York will not authorize the hiring of these premises and will not be responsible for any rent incurred other than to the extent for which the City is liable as a hold-over tenant under the lease expiring November 1, 1909, and, furthermore, that any occupation of said premises after November 1, 1910, will be without the authority of and not binding upon The City of New York.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of the lease of premises at Cypress ave. and Himrod st., Evergreen, Borough of Queens, formerly occupied by the Board of Education:

October 27, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—At a meeting of the Commissioners of the Sinking Fund held on September 15, 1910, I suggested that they adopt a resolution authorizing the payment of the sum of $450 as consideration for the cancellation of the lease of premises at Cypress ave., near Himrod st., Evergreen, Borough of Queens, formerly used by the Department of Education as an annex to Public School 81, which lease was authorized by resolution of the Sinking Fund Commissioners on March 11, 1908, for a term of three years from March 25, 1908, at an annual rental of $720, the cancellation to be as of date June 25, 1910, and to release the City from all rents due subsequent to that date.

This lease, as I stated in my communication to the Commissioners of the Sinking Fund, consisted of the ground or basement floor in the two-story frame church building at Cypress ave., near Himrod st., Evergreen, Borough of Queens, and was obtained to relieve the overcrowded condition of the schools in that section of the City. At the time the lease was made, the Board of Education required the church people to tear out the furnace they had been using for heating the church and to install a new steam heating apparatus which is stated to have cost $720. They also required the lessor to enlarge the cellar so as to provide a coal bin for the school. New plumbing was put in, including three sanitary toilets, and cloak rooms were partitioned off for the one hundred children using the school. All of these improvements cost, as claimed by the lessor, $1,050.

This property belongs to the Zion Evangelical Lutheran Church, of which Dr. Adolph Schmidt of 419 Himrod st. is the pastor. He informed a representative of this office that if he had any idea the school would be used for but two years, the church would never have gone to the expense above mentioned in fitting it up for school uses. His congregation is a poor one, largely composed of working people, and the rent thus far paid but little more than compensates them for the expense to which they were put when the lease was made. He suggested that if the City was willing to make any compromise on the rent still to be paid to March 25, 1911, he would consent to the cancellation of the lease.

Inasmuch as these premises are in the basement of a church, and were leased for school purposes, it would be almost impossible for the City to sublet them.

The Commissioners of the Sinking Fund did not take any action on my recommendation, but referred it back to me to ascertain if these premises could not be utilized by the Board of Education as a place for holding lectures. This is not practicable, as no lectures are being given in the immediate neighborhood.

In the meanwhile, the rent of these premises for the quarter ending September 25, amounting to $180, has become due. I have communicated with Dr. Schmidt, and he agrees to accept $25 less than the original offer for the cancellation of the lease, providing the City will allow him the coal owned by it and at present stored in the cellar of the church. There is about 1½ tons of coal, which is worth about $8.50. I am informed by the Department of Education that it will cost $5 to remove this coal. Said department is perfectly willing to give it to the church, in view of the reduction of the rent for cancellation. This will mean a saving to the City of $115, as the amount of rent for the unexpired term of the lease from September 25 amounts to $360. The original offer of Dr. Schmidt was to cancel the lease from June 25, 1910, for $450, but inasmuch as there is now due $180 for the quarter ending September 25, the cancellation should be from that date.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the payment of the sum of two hundred and forty-five dollars ($245) to the Zion Evangelical Lutheran Church, Dr. Adolph Schmidt, Pastor and President, as consideration for the cancellation of the lease of premises at Cypress ave. near Himrod st., Evergreen, Borough of Queens, formerly used by the Board of Education as an annex to Public School 81, and authorized by resolution of the Sinking Fund Commission on March 11, 1908, for a term of three years from March 25, 1908, the cancellation to be as of date September 25, 1910, and to release the City from all rents due from the premises subsequent to that date. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, that the Comptroller be and is hereby authorized to pay to the Zion Evangelical Lutheran Church, Dr. Adolph Schmidt, Pastor and President, the sum of two hundred and forty-five dollars ($245), as consideration for the cancellation of the lease of premises at Cypress ave. and Himrod st., Evergreen, Borough of Queens, formerly used by the Board of Education, as an annex to Public School 81, the lease of which was authorized by resolution of the Commissioners of the Sinking Fund dated March 11, 1908, for a term of three years from March 25, 1908; the cancellation to be as of date September 25, 1910, and to release the City from all rents due from the premises subsequent to that date.

The report was accepted and the resolution unanimously adopted.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11 o'Clock A. M., on Wednesday, November 2, 1910.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the lease of premises at 70 to 74 Lafayette st., Borough of Manhattan, for the use of the Board of Coroners:

October 31, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Your Honorable Board at a meeting held on Friday, August 26, 1910, adopted a resolution authorizing a lease to the City from Mrs. Josephine H. Ahrens of the third, fourth and seventh floors in the Ahrens Building, 70 to 74 Lafayette st., Borough of Manhattan, for use of the Board of Coroners of the Borough of Manhattan, for a period of two years from October 1, 1910, with the privilege of renewal for a period of two years upon the same terms and conditions, at an annual rental of $5,220, payable quarterly.

The owner refused to execute the lease prepared in accordance with this resolution. She will not lease for a term less than three years, owing to the considerable expense which she will incur in making the alterations necessary for the use of the Board of Coroners.

The matter was again taken up with the lessor, and after considerable negotiation, it was determined that the lease should be made for a period of three years, with the privilege of renewal for two years.

It has also been found that the alterations required could not be accomplished before December 15, 1910, and it will therefore be essential to have the rental period begin from that date.

It is necessary that quarters be provided for the Coroners as soon as possible, in order that possession of the rooms now occupied by them in the Criminal Courts Building be given over to the Court of Special Sessions for court purposes.

In view of the above, I respectfully recommend that the resolution adopted on August 26, 1910, relative to the hiring of the third, fourth and seventh floors, 70-74 Lafayette st., Borough of Manhattan, for use of the Board of Coroners of the Borough of Manhattan, be amended to read as follows:

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Mrs. Josephine H. Ahrens of the third, fourth and seventh floors in the Ahrens Building, 70 to 74 Lafayette st., Borough of Manhattan, for use of the Board of Coroners of the Borough of Manhattan, for a period of three years from December 15, 1910, with the privilege of renewal for a period of two years upon the same terms and conditions, at an annual rental of $5,220, payable quarterly; the lessor to pay taxes and furnish light, heat, water, elevator and janitor service; to remove and replace partitions on the third and seventh floors, as per blue print on file in the Bureau of Real Estate of the Department of Finance; to remove and replace wash basins, change steam heating apparatus and to furnish electric lighting as required by the Board of Coroners, and to allow one room to be occupied the full twenty-four hours of each day during the entire year, and paint all the offices; and it is understood that the elevator shall be in operation between the hours of 8 a. m. and 9 p. m. on each day excepting Sundays; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter, provided the Bureau of Buildings shall certify that the premises are proper for the purposes for which required, i. e., court room and public offices. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held August 26, 1910, authorizing a lease of premises at 70-74 Lafayette st., Borough of Manhattan, for use of the Board of Coroners of the Borough of Manhattan, be and the same is hereby amended to read as follows:

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Mrs. Josephine H. Ahrens, of the third, fourth and seventh floors in the Ahrens Building, 70 to 74 Lafayette st., Borough of Manhattan, for use of the Board of Coroners of the Borough of Manhattan, for a period of three years from December 15, 1910, with the privilege of renewal for a period of two years upon the same terms and conditions, at an annual rental of $5,220, payable quarterly; the lessor to pay taxes and furnish light, heat, water, elevator and janitor service; to remove and replace partitions on the third and seventh floors, as per blue print on file in the Bureau of Real Estate of the Department of Finance; to remove and replace wash basins, change steam heating apparatus and to furnish electric lighting as required by the Board of Coroners, and to allow one room to be occupied the full twenty-four hours of each day during the entire year, and paint all the offices; and it is understood that the elevator shall be in operation between the hours of 8 a. m. and 9 p. m. on each day excepting Sundays; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter, provided the Bureau of Buildings shall certify that the premises are proper for the purposes for which required, i. e., court room and public offices.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease of premises at the northwest corner of Webster ave. and 201st st., Borough of The Bronx, for the use of the Department of Water Supply, Gas and Electricity:

November 1, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Under date of February 16, 1910, there was presented to your Honorable Board a communication from this Department, duly approved by the Comptroller, asking for a renewal of the lease of the building and ground occupied by the Department of Water Supply, Gas and Electricity, on the northwest corner of Webster ave. and 201st st., in the Borough of The Bronx, which said renewal was an increase of $250 over that previously paid, making in all a total sum of $1,450 per annum. This request for the additional allowance was made upon the increased assessment on the property of the owner, and his intention to paint the outside of the two buildings and make any necessary repairs to the inside.

The Department of Water Supply, Gas and Electricity, in its communication relative to the same, deemed that the additional $250 asked was reasonable, and recommended the renewal of the lease for a period of one year.

Attached to the above communication was a letter from the owner of the property, and a report of the Bureau of Real Estate, which Bureau had made an investigation of the matter. The report stated that the lease covers a plot of ground fronting 95 feet on Webster ave. by 151 feet on 201st st. by 121 by 141 feet on Mosholu Parkway South, on which plot there was an old two-story and cellar frame building 25 by 40 feet, and an adjoining one-story and cellar building 25 by 50 feet; that these premises are used for stables, shops, storage yards and headquarters for Repair Co. 7 of the Department of Water Supply, Gas and Electricity; that the rent for the last two years had been at the rate of $1,200 per annum; that the assessed valuation of the premises for 1907 was $24,000; for 1908, $27,000, and for 1909, $29,000; that the property, in the estimation of the Bureau of Real Estate, is worth $30,000, and that the rental asked, $1,450 per annum, is therefore less than 5 per cent. of said valuation.

The report further stated that the lessor pays for the water used on the premises, and the taxes, and makes the necessary repairs; that he will paint the ouside of both buildings and make any necessary inside repairs; that there are no other premises in the immediate neighborhood so well adapted to the purposes of the Department.

Said communication, in compliance with the request of the Department of Water Supply, Gas and Electricity, and after investigation by the Bureau of Real Estate, recommended that the Commissioners of the Sinking Fund approve of the lease of the premises above mentioned, for a period of one year from January 1, 1910, at an annual rental of $1,450, payable quarterly, the same to be used as stables, shops and storage yards by the Department of Water Supply, Gas and Electricity; the lessor to pay for the water used, as well as taxes, and make any necessary repairs; also to paint the outside of both buildings and make any necessary inside repairs. Lessor, W. J. Winghart.

The above matter was referred by your Honorable Board to the President of the Board of Aldermen to consult with the Commissioner of Water Supply, Gas and Electricity. On May 18 said matter was again presented, and a verbal report was made on the same by the President of the Board of Aldermen, in accordance with the request of the Commissioners of the Sinking Fund of February 16, but no further action was taken in the matter.

The original owner of the premises in question, W. J. Winghart, is dead, and title to the property is now in his sister, Mary E. Moulton. The City is still in occupancy of the premises. In the meantime, however, claim was made for rental due from January to July, and the claim was referred to the Division of Law and Adjustment of this Department for investigation and report. Said division reported that a payment of $600 be made for the term of six months without prejudice to either party.

The present owner, Mary E. Moulton, upon request from this Department, called at the Bureau of Real Estate to consider the matter of a renewal of the lease of said premises at the present rental of $1,200 per annum, the City deeming the increase to $1,450 asked for in the original application to be excessive. After considerable negotiations, the owner finally decided to accept a renewal at the old rate of $1,200 per annum, which is 4 per cent. on the appraised value of $30,000 by the Bureau of Real Estate, and also agreeing to pay taxes and water rates and to make outside repairs to buildings; the City to pay for light and heat and make inside repairs.

In view of the above agreement, and believing the City's interest would be subserved, I respectfully recommend, the rent being reasonable and just and the same as heretofore paid, that the said matter be again considered by your Honorable Board and a resolution adopted authorizing a renewal of the lease of the premises above described at the northwest corner of Webster ave. and 201st st., Borough of The Bronx, for use of the Department of Water Supply, Gas and Electricity, for a period of one year from January 1, 1910, at an annual rental of $1,200, payable quarterly, with the privilege of renewal for an additional year; the lessor to pay taxes and water rates, and to make outside repairs to buildings; the City to pay for light, heat and to make inside repairs. Lessor, Estate of W. J. Winghart and Mary E. Moulton.

Respectfully, DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of premises at the northwest corner of Webster ave. and 201st st., Borough of The Bronx, for the use of the Department of Water Supply, Gas and Electricity, for a period of one year from January 1, 1910, at an annual rental of $1,200, payable quarterly, with the privilege of renewal for an additional year; the lessors to pay taxes and water rates and to make outside repairs to buildings; the City to pay for light, heat and to make inside repairs; lessors, Estate of W. J. Winghart and Mary E. Moulton; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interest of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

PROPOSED FORM OF CONTRACT.

This contract, made this day of 19 , by and between The City of New York (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and the Heermance Storage and Refrigerating Company (hereinafter called the Company), party of the second part, witnesseth:

In consideration of the mutual covenants and agreements herein contained, the parties hereto do hereby covenant and agree, as follows:

Section 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to construct, maintain and operate certain conduits with the necessary branches and extensions therefrom, leading directly into private property, for the sole purpose of supplying refrigeration to consumers, provided that no conduit be of a greater outside diameter than twelve (12) inches, including insulation or other covering; the same to be constructed and operated only beneath the surface of such of the streets, avenues and highways situate within the Borough of Manhattan, City of New York, as are included within the districts bounded and described as follows:

District Number 1.

Bounded on the north by the centre line of Reade street, on the west by the centre line of Washington street, on the south by an irregular line formed by the centre lines of Warren street, Greenwich street and Chambers street, and on the east by the centre line of Hudson street.

District Number 2.

Bounded on the north by the centre line of Duane street, extended to the centre line of Hudson street; on the west by the centre line of Washington street, on the south by an irregular line formed by the centre lines of Warren street, Greenwich street and Chambers street, on the east by the centre line of Hudson street.

Both of which districts being more particularly shown—District Number 1 by full red lines, and District Number 2 by dashed red lines—on a map entitled

"Map showing districts applied for by the Heermance Storage and Refrigerating Company to accompany petition dated July 6, 1910, to the Board of Estimate and Apportionment, City of New York."

—signed by Frederic H. Norton, President, a copy of which is hereto annexed and made a part of this contract.

Should District Number 1 be extended as hereinbefore provided, then the terms and conditions of this contract shall apply to such extended district.

Sec. 2. The grant of this privilege is subject to the following conditions, which shall be complied with by the Company:

First—The said right to construct maintain and operate said conduits shall be held and enjoyed by the Company for the term of fifteen (15) years from the date upon which this contract is signed by the Mayor, with the privilege of renewal of said contract for the further period of ten (10) years, upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board, or any authority which shall be authorized by law to act for the City in place of the Board. Such application shall be made at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day one (1) year before the expiration of the original term of this contract, then the annual rate of compensation for such succeeding ten (10) years shall be reasonable and either the City (by the Board) or the Company shall be bound upon request of the other to enter into a written agreement with each other, fixing the rate of such compensation at such amount as shall be reasonable, but in no case shall the annual rate so fixed be less than the sum required to be paid for the last year prior to the termination of the original term of this contract and if the parties shall not forthwith agree upon what is reasonable, then the parties shall enter into a written agreement fixing such annual rate and at such amount as shall be determined by three disinterested freeholders selected in the following manner:

One disinterested freeholder shall be chosen by the Board; one disinterested freeholder shall be chosen by the Company; these two shall choose a third disinterested freeholder, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of this original contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations, without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuation so ascertained, fixed and determined shall be conclusive upon both parties, but no annual sum shall in any event be less than the sum required to be paid for the last year of the original term of this contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and expenses of

the said appraisers shall be borne jointly by the City and the Company each paying one-half thereof.

Second—The Company shall pay to the City for the privilege hereby granted the following sums of money:

(a) The sum of five hundred dollars ($500) in cash within one (1) month after the date on which this contract is signed by the Mayor, and before anything is done in exercise of the privilege hereby granted.

(b) During the first term of five years an annual sum which shall in no case be less than three hundred dollars ($300), and which shall be equal to two (2) per cent. of its gross annual receipts, if such percentage shall exceed the sum of three hundred dollars ($300).

During the second term of five years, an annual sum which shall in no case be less than four hundred and fifty dollars ($450), and which shall be equal to three (3) per cent. of its gross annual receipts, if such percentage shall exceed the sum of four hundred and fifty dollars ($450).

During the third term of five years, an annual sum which shall in no case be less than five hundred dollars ($500), and which shall be equal to three (3) per cent. of its gross annual receipts if such percentage shall exceed the sum of five hundred dollars ($500).

The gross receipts mentioned above shall be the total receipts from all business of furnishing refrigeration to consumers.

(c) An annual payment of twenty-five cents ($0.25) for each linear foot of conduit constructed within the limits of any street, avenue or highway, excepting, however, such conduits as are constructed within the vault space or vault spaces of any building or buildings used or occupied exclusively by the Company for the purpose of its business.

An annual payment of two dollars ($2) for each manhole constructed within the limits of any street, avenue or highway.

The annual charges shall commence from the date upon which this contract is signed by the Mayor.

All annual charges as above shall be paid into the Treasury of the City on February 1 of each year and shall be for the amount due to December 31 next preceding. Provided that the first annual payment shall be only for that proportion of the first annual charge as the time between the date upon which this contract is signed by the Mayor and December 31 following shall bear to the whole of one year.

Whenever the percentage required to be paid shall exceed the minimum amount as above, then such sum over and above such minimum shall be paid on or before February 1 in each year for the year ending December 31 next preceding.

(d) Before any rights hereby conferred are exercised by the Company and within one (1) month from the date on which this contract is signed by the Mayor, the Company shall pay to the City the sum of seven hundred and fifty dollars ($750); said amount being due the City by reason of the unauthorized occupation of the streets by the Company or its predecessors.

Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Third—The annual charges or payments shall continue throughout the whole term of this contract (whether original or renewal), notwithstanding any clause in any statute or in the charter of any other company providing for payments for refrigerating rights or franchise at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted (whether original or renewal), or of any part thereof, or of any of the streets and avenues mentioned herein, or of any part thereof, shall be valid or effectual for any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all conditions of this contract, and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said conditions as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter, and that it will not claim by reason thereof or otherwise exemption from liability to perform each and all of the conditions of this contract.

Fourth—Nothing in this contract shall be deemed to affect in any way the right of the City to grant to any individual, firm or other corporation a similar right or privilege upon the same or other terms and conditions, over the same streets and avenues, or within the districts hereinbefore described.

Fifth—The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein, pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in anywise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents.

Sixth—Upon the termination of this original contract, or if the same be renewed, then at the termination of the said renewal term, or upon the termination of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the conduits and appurtenances of the Company constructed pursuant to this contract within the streets and avenues shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

If, however, at the termination of this contract as above, the Board shall so order by resolution, the Company shall, upon thirty (30) days' notice from the Board, remove any and all of its conduits and appurtenances constructed pursuant to this contract and the said streets and avenues shall be restored to their original condition at the sole cost and expense of the Company.

Seventh—The grant of this privilege is subject to whatever right, title or interest the owners of abutting property or others may have in and to the streets and avenues in which the Company is hereby authorized to operate.

Eighth—All construction which shall be made under this grant shall be done in a manner solely upon the terms and conditions hereafter to be imposed by the President of the Borough of Manhattan and the Commissioner of Water Supply, Gas and Electricity, or their respective successors in authority. The said Company shall submit a working plan of construction to the said President and to the said Commissioner, which shall include and show in detail the method of construction of said conduit line, connections, manholes and other appurtenances, and the mode of protection of all subsurface construction under the streets and avenues in which the Company is hereby authorized to operate.

Ninth—Any alteration to the sewerage or drainage system, or to any other subsurface or to any surface structures in the streets, required on account of the construction or operation of the conduits of the Company, shall be made at the sole cost of the Company, and in such manner as the proper City officials may prescribe.

Tenth—It is agreed that the right hereby granted shall not be in preference or in hinderance to public work of the City, and should the said conduits in any way interfere with the construction of public works in the streets and avenues, whether the same is done by the City directly or by a contractor for the City, the Company shall, at its own expense, protect or move the conduits and appurtenances in the manner directed by the City officials having jurisdiction over such public work.

Eleventh—The Company shall bear the expense of keeping in repair for one year after it has been replaced, all pavement which may at any time be removed by said Company, either for the purpose of construction or for the repairing of the conduit line and its appurtenances.

Twelfth—The Company shall bear the expense of inspection which may be required by the President of the Borough of Manhattan and the Commissioner of Water Supply, Gas and Electricity, and of all work of construction.

Thirteenth—The Company shall cause a test to be made of the pipes to be contained within the conduits hereby authorized whenever required by and under the supervision of the Commissioner of Water Supply, Gas and Electricity. The conditions of such test shall be as follows:

(a) If the test be made in the foundry where the pipes are manufactured, such pipes shall be subjected to a pressure of three hundred (300) pounds per square inch.

(b) If the test be made in the field, of pipes in use or ready for use, such pipes shall be subjected to a pressure of two hundred (200) pounds per square inch.

A certificate showing that such a test has been made without injury to the pipes shall be executed by an officer of the Company, and indorsed by the Commissioner of Water Supply, Gas and Electricity, and filed with the Board.

Fourteenth—The Company shall not charge consumers more than the following rates:

(a) Consumers making monthly contracts:

Four (4) cents per month per cubic foot for boxes of not over 500 cubic feet.

Two (2) cents per month per cubic foot for boxes of over 500 cubic feet, but less than 1,500 cubic feet.

These rates to apply to boxes located not above the first floor of any building.

During the term of this contract the Board shall have absolute power to regulate the maximum rates, provided that such rates shall be reasonable and fair.

Fifteenth—The Company, upon the application for refrigeration of any person, firm or corporation whose premises are located within District Number 1, or if such district be extended as hereinbefore provided, then within such extended district, shall extend its conduits to such premises and furnish to said applicant refrigeration at the rates herein prescribed or at such rates as may be hereafter fixed by the Board as herein provided. The Company shall not be required, however, to furnish refrigeration to applicants whose premises are located above the first floor of any building.

Sixteenth—A correct map shall be furnished to the Board by the Company on the first day of February, 1911, showing the exact location of all conduit lines and manholes constructed, with reference to the street lines, the curb lines and the street surface, together with a statement of the total length of such conduit. On the same date of each succeeding year, during the term of this contract, a supplementary map shall be furnished the Board showing all conduits laid during the preceding year.

Seventeenth—The conduit lines hereby authorized shall be used only by the Heermance Storage and Refrigerating Company, and for no other purpose than supplying refrigeration.

Twenty-sixth—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned shall be transferred by law to any other Board, authority, officer or officers, then and in such case such other Board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or a certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of $50, the sum of $50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beamholes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
