### PROCUREMENT

#### "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### **Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Code that the Department promulgates and adopts rules that establish a process to appeal a stop work order issued pursuant to Section 24-223.1 of the Administrative Code.

#### Statement of Basis and Purpose of Rule

Local Law Number 53 of 2018 amended the Administrative Code by adding a new Section 24-223.1, which provides for the issuance of a stop work order when it is found that work is being performed in violation of the provisions of Section 24-222 or 24-228 or any rules promulgated thereunder.

DEP is promulgating these rules, as required by Section 24-223.1, to establish a procedure for requesting a hearing to appeal a written stop work order by amending Chapter 45 of Title 15 of the Rules of the City of New York (RCNY).

DEP is also amending Chapter 32 of Title 15 of the RCNY to add the hearing for appeal of written stop work orders provided for in the new Chapter 45 to the list of adjudicatory hearings that can be conducted by DEP.

 $\ensuremath{\mathsf{DEP}}$  received no comments at the public hearing nor were any submitted to  $\ensuremath{\mathsf{DEP}}$  .

Consistent with the above, DEP promulgates the following new Rule, to be found at 15 RCNY Chapter 45 and 15 RCNY Chapter 32.

The Rule is authorized by Section 1043 of the Charter and Sections 24-204 and 24-223.1 of the Administrative Code.

The text of the Rule follows.

Such circumstances may include, but are not limited to causing or permitting the emission of dust as a result of the transportation or storage of any material that may generate dust, the construction or alteration of a building or its appurtenances or a road, the spraying of any insulating material in or upon any building or other structure during its construction, alteration or repair, or the causing or permitting a building or other structure to be demolished. Upon issuance of an abatement order, the activity giving rise to the violation shall immediately stop unless otherwise specified.
- (b) The department may issue a stop work order if it finds that. work is being performed in violation of the provisions of Section 24-223.1 of the administrative code, or any rules promulgated thereunder. #### Statement of Basis and Purpose

During the 2014-15, 2015-16, 2016-17, and 2017-18 school years, the Department of Small Business Services (DSBS) administered a grant program to support the employment of experienced school bus workers who have been impacted by changes in the Department of Education's (DOE) contracts for school bus transportation. Pursuant to the authority vested in DSBS by New York City Charter § 1301, DSBS is proposing a rule that would continue the grant program for the 2018-19 school year.

Since 1979, following a school bus strike, DOE's school bus contracts included employee protection provisions (EPPs) requiring school transportation contractors, among other things, to give priority in hiring to employees who became unemployed because of their employers' loss of DOE bus contract work and to pay such employees the same wages and benefits they had received prior to becoming unemployed.

Following the 2011 decision by the New York State Court of Appeals in <u>L&M Bus Corp.</u>, et al., v. the New York City Department of <u>Education</u>, et al. (L&M), DOE did not include EPPs or similar provisions in solicitations for its school bus contracts. After the issuance of the first such post-<u>L&M</u> solicitation, there was a school bus strike in January and February of 2013.

DSBS's grant program, created by Local Law 44 of 2014, was designed to encourage school bus contractors providing transportation services to DOE to maintain the wages and benefits of those employees who had prior experience in the industry. The 2014-15, 2015-16, 2016-17, and 2017-18 grant programs successfully supported the employment of approximately 1200 school bus workers. This proposed rule continues the school bus employee grant program for the 2018-19 school year.

  - such qualified employer's portion of all legally required city, state and federal payroll taxes associated with the amounts described in paragraphs (i) and (ii) of this subdivision; and
  - (iv) the costs incurred by such qualified employer to maintain the recess adjustment payment for such master seniority lists qualified employee in place during the school year dating to the placement on master seniority lists, to the extent that, but for the award of this grant, the recess adjustment payment for the [2017-18]<u>2018-19</u> school year for such employee would have been lower than the payment in place during the school year dating to the placement on master seniority lists, provided, that, for a master seniority lists qualified employee covered by a collective bargaining agreement or, as to whom a best and final offer has been imposed, the recess adjustment payment for the [2017-18]<u>2018-19</u> school year shall be either the recess adjustment payment pursuant to (A) the collective bargaining agreement in effect at the time payment is due or (B) the best and final offer of the qualified employer for the [2017-18] <u>2018-19</u> school year, whichever is higher; and

<u>19</u> school year, whichever is higher; and

- the costs incurred by such qualified employer to maintain (vi) the payment for summer accrual for such master seniority lists qualified employee in place during the school year dating to the placement on master seniority lists, to the extent that, but for the award of this grant, the payment for summer accrual for the [2017-18]<u>2018-19</u> school year for such employee would have been lower than the payment in place during the school year dating to the placement on master seniority lists, provided, that, for a master seniority lists qualified employee covered by a collective bargaining agreement or, as to whom a best and final offer has been imposed, the payment for summer accrual in place during the [2017-18]2018-19 school year shall be either the payment for summer accrual pursuant to (A) the collective bargaining agreement in effect at the time payment is due or (B) the best and final offer of the qualified employer for the [2017-18]2018-19 school year, whichever is higher; and
