"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)
 Office of the Criminal Justice Coordinator (CJC)

AGENCY RULES

FINANCE

■ NOTICE

NOTICE OF RULE MAKING

Pursuant to the power vested in me as Commissioner of Finance by New York City Administrative Code section 19-203 and sections 1043 and 1504 of the New York City Charter, I hereby promulgate the within amendments to the Rules concerning the Parking Violations Bureau Fleet Program. These rules were published in proposed form on November 28, 2014. A hearing for public comment was held on January 6, 2015.

S/S
Jacques Jiha Commissioner of Finance

STATEMENT OF BASIS AND PURPOSE

The Fleet Program of the New York City Department of Finance (DOF) is a voluntary program that was established to assist companies with one or more commercial vehicles, used exclusively for the delivery of goods or services, in managing their parking summonses by providing them with weekly listings of new summonses issued to any of the company's vehicles with plates registered in the program. An enrolled company is currently allowed a period of forty-five days to resolve a summons by either paying the summons at a base fine, or by obtaining a hearing, without incurring penalties. This rule amendment will increase the period of time to resolve a summons to sixty days. It also clearly sets forth the penalties for failing to pay the fine amounts for summonses the company does not contest in a timely manner.

Matter underlined is new. Matter in brackets [] is to be deleted.

"Will" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department unless otherwise specified or unless the context clearly indicates otherwise.

Amendments to Rules Relating to Parking Violations

Section 1. Subdivisions (f) and (i) of section 39-03 of Title 19 of the Rules of the City of New York are amended to read as follows:

- (f) Within [45] 60 days from the Department of Finance system entry date for the summons, the company must pay the fine for each summons it does not contest. If the company wishes to contest a summons at an in-person hearing, the company must request a hearing, in accordance with § 39-08 of this chapter, and be prepared to arrange to appear at such hearing, within [45] 60 days from the Department of Finance system entry date for the summons.
- (i) As an alternative to requesting an in-person hearing, a company may enter an appearance within 14 days after the Department of Finance system entry date for the summons and thereafter either pay the fine for each summons it does not contest or submit its evidence to obtain a mail adjudication within [45] 60 days after the Department of Finance system entry date for the summons.

§ 2. Section 39-03 of Title 19 of the Rules of the City of New York is amended by adding a new subdivision (p) to read as follows:

- (p) Penalties for failure to pay the fine amount for each summons the company does not contest in a timely manner. Notwithstanding any other provision of this chapter:
 - (1) the failure to pay the fine amount for each summons the company does not contest within 60 days after the Department of Finance system entry date for such summons will result in a penalty of \$10.00;

- (2) the continued failure to pay the summons fine amount for an additional 30 days beyond the period stated in paragraph (1) of this subdivision will result in a further penalty of \$20.00 in addition to the penalty provided in paragraph (1) of this subdivision;
- (3) the continued failure to pay the summons fine amount for an additional 45 days beyond the period stated in paragraph (2) of this subdivision will result in a further penalty of \$30.00 in addition to the penalties provided in paragraphs (1) and (2) of this subdivision; and
- (4) the continued failure to pay the summons fine amount for an additional 7 days beyond the period stated in paragraph (3) of this subdivision will result in the entry of a judgment against the owner in the fine amount as provided in § 39-05 of these rules plus the penalties provided in paragraphs (1), (2) and (3) of this subdivision.

The penalties set forth in subdivision (a) of §39-07 of this title shall not apply to any company subject to this subdivision.

Statement of Basis and Purpose of Proposed Rule

The proposed rule implements the Department of Housing Preservation and Development's authority pursuant to Zoning Resolution §23-96 to waive certain provisions of the Zoning Resolution. Specifically, Zoning Resolution §23-96(b), (c), and (d) authorize HPD to waive the requirements for height and horizontal distribution, the distribution requirements for bedroom mix, and the size requirements of affordable housing units, respectively, for substantial rehabilitation affordable housing on generating sites. HPD proposes to waive such requirements under one or more of the following circumstances: (1) there are tenants who are returning to such affordable housing units after rehabilitation is completed, (2) the building is the subject of an in rem tax lien foreclosure judgment for the City of New York, or (3) the building is owned by a housing development fund corporation or other entity designated by HPD.

HPD's ability to waive these requirements under these circumstances will help to preserve existing unit configurations to allow occupants to return after rehabilitation is completed. This is important because where buildings are fully or partially occupied the ability to waive these requirements will avoid any diminution in the number of units rehabilitated and ensure that occupants can return to their units. In addition, the ability to waive these requirements can result in the creation of more affordable housing units under certain HPD programs.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New material in the following rule is underlined, deleted material is in [brackets].

Section one. Section 41-16 of Chapter 41 of Title 28 of the Rules of the City of New York is amended by adding a new subdivision (d) to read as follows:

§41-16 Housing Standards.

* * *

(d) In accordance with Zoning Resolution §§23-96(b), (c), and (d), and when a waiver will further the goals of the Program, HPD may waive the height, horizontal, bedroom mix and/or size distribution requirements of Affordable Housing Units for Substantial Rehabilitation Affordable Housing on Generating Sites under the following circumstances:

- (1) there are tenants who are returning to such Affordable Housing Units after rehabilitation is completed.
- (2) the Substantial Rehabilitation Affordable Housing is the subject of an in rem tax lien foreclosure judgment for the City of New York, or
- (3) the Substantial Rehabilitation Affordable Housing is currently owned by a housing development fund corporation or other entity designated by HPD.

HUMAN RESOURCES ADMINISTRATION**■ NOTICE****NOTICE OF CONCEPT PAPER**

In advance of the release of the RFP, HRA is issuing a concept paper for the forthcoming Increased Access to Federal Disability Benefits Project RFP as part of an enhancement of HRA's Customized Assistance Services (CAS) Program. CAS is a highly specialized division that helps HRA clients with health and/or mental health or substance use challenges reach their highest attainable level of functioning and self-sufficiency by providing comprehensive, integrated, individualized clinical and support services. As part of the WeCare program, clients receive a continuum of services, including assistance with applications for Federal disability benefits. For those applications that are denied, CAS's Disability Service Program files initial appeals. In the event those appeals are unsuccessful, applicants may request review by the Social Security Administration (SSA) by obtaining legal representatives to pursue an Appeals Council Review (ACR); however, due to insufficient resources and expertise within HRA, representation during the ACR process is currently not provided. The project consists of two program components: the Appeals Council Review and Federal Court services (ACRS) and the Home-based Application Support Services (HASS). In the first component, HRA is seeking one or more qualified legal services providers with the relevant experience and expertise to effectively represent a high volume of clients who have been denied Federal disability benefits. In the second component, HRA is seeking one or more qualified services providers with experience and expertise in preparing successful SSI applications. Each component will have up to five providers to ensure that clients in each of the five boroughs are adequately served. The informational session will be held on March 25, 2015 from 2:00 - 4:00 P.M. at HRA, 150 Greenwich Street (4WTC), 43rd Floor Bid Room, New York NY 10007. The concept paper has been posted on the Agency's website at www.nyc.gov/hra/contracts.

MAYOR'S OFFICE OF CRIMINAL JUSTICE**■ NOTICE**

The Mayor's Office of Criminal Justice (MOCJ) is issuing this Concept Paper in advance of a forthcoming Request for Proposals (RFP) soliciting qualified vendors to provide pre-trial release services in New York City. Supervised release provides an alternative to bail and detention for defendants charged with misdemeanor and felony offenses at criminal court arraignment. This practice will reduce the number of people incarcerated by identifying those who can be safely supervised in the community pending the resolution of their case while providing services, supervision, and referrals to engage individuals with necessary services within their community, enabling better engagement with stabilizing programs and services while avoiding the costs and burdens of pre-trial detention. MOCJ will be seeking proposals for a provider in each borough.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/sellnyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/sellnyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/sellnyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
