BWT-JOC-20-EP JOB ORDER CONTRACTING EAST PLUMBING - Renewal - PIN#82621B0041001R001 - AMT: \$10,000,000.00 - TO: WDF Inc, 30 North Macquesten Parkway, Mount Vernon, NY 10550.

The work under this contract, is for Plumbing under a series of small to medium size projects, at various BWT facilities within East Region (Jamaica, 26th Ward, Rockaway, Coney Island & Owls Head). The uninterrupted continuation of this contract is critical as, in addition to large capital construction projects, BWT has an ongoing need to accomplish smaller, straightforward projects, at its facilities. Without JOCs, for each such project, the BWT must prepare complete contract documents and execute the required steps through the competitive bid process. Procuring the construction through this traditional design-bid-build process takes considerable time. Many of the projects are essential to maintain the operation of BWT facilities. The considerable time it takes to get contracts in place can jeopardize the continuation of service and, in some cases, permit the problem to worsen and result in additional costs. This Contract allows BWT to accomplish the much-needed projects in a fraction of the time while paying competitive prices for the work.

requirements of this contract, which include emergency response for disciplines such as carpentry work, heating and air conditioning, masonry, and other work, the contractor needs to be fully capable of responding immediately and, to provide all necessary materials, equipment, and labor to perform the work. This self-reliance could be affected if the contractor has to coordinate the response activity with a subcontractor and therefore subcontracting any work type listed in the contract specification would not be practical here. Therefore, because of these needs and requirements, there are only a few MWBE vendors that have the capability of providing the labor, material, and equipment to perform these types of emergency response needs as a single entity and MWBE participation goal for this contract is 0%.
