**JURORS.**

**NOTICE**

**IN RELATION TO JURORS FOR STATE COURTS**

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

County Court-house (Chambers street entrance).

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A. M. of Friday, the 24th day of September, 1880. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Ice," and with his or their name or names, and the date of presentation to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made on award of contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corpora-

tion, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and re-let as provided by law.

Bidders are cautioned to examine the specifications for particulars of the ice required, before making their estimates.

Bidders will state the price for each article by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

**DEPARTMENT OF PUBLIC PARKS.**

DEPARTMENT OF PUBLIC PARKS,  
36 UNION SQUARE,  
NEW YORK CITY, Sept. 1, 1880.

**TO CONTRACTORS.**

**SEALED BIDS OR ESTIMATES FOR LAYING** Neufchatel or Trinidad asphalt pavement on the Mall and Concert ground in the Central Park, will be received at the office of this Department until Wednesday, September 15, 1880, at 9 o'clock A. M., at which time such bids or estimates will be publicly opened by the head of said Department and read.

Each bid or estimate must be enclosed in a sealed envelope, endorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any

other person making any bid or estimate for the same work; and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that the contract be awarded to the person making the same, that they will, on its being so awarded, become bound as its sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of said work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a household or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by section 27, article 2, chapter 8 of the Revised Ordinances of 1850, if the contract shall be awarded to the person or persons for whom he consents to become surety.

The adequacy and sufficiency of the sureties offered to be determined by the Comptroller.

The contract for the work, if awarded at all, will be awarded to the lowest bidder, whose proposal, considering the price, quality, and durability of the pavement which he offers to lay, will, in the opinion of the Department, be most advantageous to the city.

But the Department reserves the right to reject all the bids received in response to this advertisement if it shall deem it for the interest of the city so to do, and to readvertise until a satisfactory proposal shall be received. But the contract, when awarded, will be awarded to the lowest bidder with adequate security, for the particular kind of pavement which shall be adopted by the Department.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract, within forty-eight hours after written notice that the same has been awarded to his or their bid or estimate; and in case of neglect or refusal so to do, he or they will be considered as having abandoned it and in default to the corporation.

The work to be done is the grading and paving of such portions of the walks and foot-paths in said park as the Commissioners of said Department shall designate on the map and ground, and is estimated to amount to about—

10,000 square feet.

This estimate is only approximate, and not to be held as entitling the contractor to any claim for damages, should the actual amount of work be greater or less. He understands that he contracts with reference to the actual amount of space to be paved or repaved, so designated on the map or plan of the park and on the ground. Each bidder must furnish with his bid or estimate full and complete specifications for the work, showing the mode of making and laying the pavement he proposes to lay. A copy of the specifications, furnished by the bidder to whom the contract may be awarded, will be annexed to and form part of the contract.

Bidders will state in writing and also in figures, a price per square foot for laying the pavement. This price is to cover the furnishing of all the necessary materials, tools, and labor, the removal of old walks (where there are any), the excavation and grading of the bed for the pavement, and the full and entire performance of the whole work set forth in the contract and specifications. The time in which to complete the whole work will be named in the bid, and attention is called to the claim of the contract, by which the damages for delay beyond that time are fixed and liquidated at \$100 per day.

The amount in which security is required for the performance of the work is ten thousand dollars.

The form of the contract which the successful bidder will be required to execute and with reference to which all bids must be made, can be seen at the office of the Department. Further information as to the nature and amount of the work, the forms of proposals, etc., can be obtained at the same office.
