NOTICE OF ADOPTION

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Director of Citywide Environmental Purchasing ("Director") by Chapter 3 of Title 6 of the Administrative Code of the City of New York and in accordance with the requirements of §1043 of the New York City Charter, the Director promulgates and adopts amendments to Chapter 11 of Title 43 of the Rules of the City of New York, which governs the Environmentally Preferable Purchasing Program.

The amendments were published in *The City Record* on February 27, 2012, and the required public hearing was held on March 29, 2012. These rules will take effect 30 days after publication.

Statement of Basis and Purpose

The purpose of the proposed rule amendments is to:

- incorporate certain terms from § 6-301 of Title 6 of the Administrative Code and Local Law 123 relating to the purchase of environmentally preferable products into the "Definitions" section (11-1) of Chapter 11 of Title 43 of the RCNY,
- reduce hazardous substances by applying the City's environmentally preferable purchasing standards (in existing sections 11-3, 11-4, and 11-5, and the proposed new sections 11-8 and 11-9) to the purchase or lease of applicable products by City agencies as well as by City contractors for construction work through an expanded applicability rule (section 11-2),
- reduce hazardous substances through the addition of an environmental purchasing standard (within section 11-6) that reduces the City's purchase and use of added urea-formaldehyde resins in composite wood or agrifiber products,
- reduce hazardous substances through the addition of an environmental purchasing standard (within section 11-7) that requires the City's purchase and use of paper products processed without any chlorine or chlorine derivatives, the combustion of which has been determined to be the largest contributor of dioxin into the atmosphere,
- conserve energy and water by expanding the types of energy- and water-using products that are required to meet the energy and water efficiency standards set forth by the U.S. Department of Energy's Federal Energy Management Program ("FEMP"), within a new subchapter (3: Energy and Efficiency) and a new section (11-8),
- increase the use of recycled and reused materials by incorporating several new products that are required to meet the minimum recycled content standards set forth by the U.S. Environmental Protection Agency's Comprehensive Procurement Guideline for Products Containing Recovered Materials ("CPG"), within a new subchapter (4: Recycled Materials) and a new section (11-9), and
- improve indoor air quality and enhance environmental health by establishing new green cleaning product purchasing standards, within a new subchapter (5: Green Cleaning) and a new section (11-10).

Background

In 2005, the New York City Council passed Local Laws 118, 119, 120, and 121 to establish environmentally preferable standards for products purchased by the City. The purchase of such products protects the environment by reducing the City's energy consumption, air pollution, hazardous releases, and water use. Local Law 118 also created the position of Citywide Director of Environmental Purchasing ("Director"), who is responsible for issuing rules and establishing environmental purchasing standards to:

- conserve energy and water;
- increase the use of recycled and reused materials;
- reduce hazardous substances, especially persistent, bioaccumulative and toxic chemicals;
- decrease greenhouse gas emissions;
- improve indoor air quality;
- promote end-of-life management; and
- reduce waste.

In 2005, the City Council also passed Local Law 123, which required the Director to develop and administer a green cleaning pilot program to determine the feasibility of using green cleaning products in City facilities and to assess products selected for the program based upon effectiveness, health and safety, and costs and savings. Based on the results of the pilot program, the Director developed the new green cleaning product purchasing standards in the proposed rule amendments.

Statutory Authority

The proposed rule amendments are being promulgated pursuant to the Director's authority as set forth in §§ 6-302, 6-304, 6-306, 6-308, 6-312, 6-313, 6-314, 6-315, and 6-316 of Title 6 of the Administrative Code to:

- develop, establish, and promulgate rules and implement environmental purchasing standards, designate any contract as being subject to Chapter 11 of Title 43 of the RCNY in whole or in part,
- promulgate rules to conserve energy and water; increase the use of recycled and reused materials; reduce hazardous substances, with an emphasis on persistent, bioaccumulative and toxic chemicals; and improve indoor air quality,
- promulgate rules to reduce the City's purchase or lease of composite wood or agrifiber products that contain added urea-formaldehyde resins,
- promulgate rules to reduce the City's purchase or lease of materials whose combustion may lead to the formation of dioxin or dioxin-like compounds,
- make a determination whether certain products purchased or leased by a City agency must comply with energy efficiency or flow rate standards recommended by FEMP,
- make a determination whether certain products purchased or leased by a City agency contain at least the minimum amount of recovered material and postconsumer material recommended in the most recent CPG notice,
- publish a list of green cleaning products for the City's purchase and use that have been determined to be feasible under the green cleaning pilot program or through any other testing and evaluation conducted by the Director,
- review and, if necessary, update or revise the City's environmental purchasing standards at least once every two years.

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

**Regulatory Agenda
Of the New York City Taxi and Limousine Commission
Fiscal Year Ending June 30, 2013**

Pursuant to Section 1042 of the Charter of the City of New York, the New York City Taxi and Limousine Commission ("TLC") hereby publishes a Regulatory Agenda for the Fiscal Year ending June 30, 2013. This Regulatory Agenda describes briefly the subject areas in which it is anticipated that rules may be promulgated during the fiscal year.

The legal basis for each proposed rule is the authority conferred to the TLC pursuant to chapter 65 of the City Charter and Title 19, Chapter 5 of the Administrative Code of the City of New York, which confer upon the Commission the authority to promulgate rules relating to public safety, comfort and convenience, standards and conditions of service, the issuance, suspension and revocation of licenses, and the development of a transportation policy relating to for-hire vehicles and taxicabs.

The individuals and entities likely to be subject to the proposed rules are the owners and drivers of licensed medallion taxicabs, for-hire vehicles, street hail livery vehicles, commuter vans and paratransit services vehicles; the owners of bases dispatching for-hire vehicles, paratransit services vehicles and commuter vans; taxicab brokers; taxicab agents; livery passenger enhancement vendors; and taximeter businesses.

An agency official knowledgeable about the subject area of each proposal is:

Meera Joshi
Deputy Commissioner for Legal Affairs/General Counsel
Taxi and Limousine Commission
33 Beaver Street, New York, New York 10004
Telephone: (212) 676-1135

1. Penalty for Late Drug Testing

The Commission expects to propose rules revising the procedure for imposing fines on taxi and for-hire vehicle drivers who fail to take their drug tests on time. The Commission expects to consider this proposal in the Fall of 2012.

2. Off Duty Light

The Commission expects to propose revisions to rules specifying how taxicab off duty roof lights are configured and must be used. The Commission expects to consider this proposal in the Fall of 2012.

3. Adjudications Rules

The Commission expects to propose revisions to rules governing adjudications procedures to reflect the effects of the implementation of Mayoral Executive Order No. 148 (2011) which transferred the administrative tribunal of the TLC to the New York City Office of Administrative Trials and Hearings. The Commission expects to consider this proposal in the Fall of 2012.

4. Stickers and Decals

The Commission expects to propose rules requiring that expired license stickers and decals must be removed from a vehicle. In addition, the Commission expects to propose rules

requiring side decals on paratransit vehicles. The Commission expects to consider these proposals in the Winter of 2012-13.

5. Service Animals

The Commission expects to propose rules standardizing the requirements for transport of service animals which are presently not exactly the same across all license classes. The Commission expects to consider these proposals in the Winter of 2012-13.

6. Base and Vehicle Affiliation

The Commission expects to propose rules governing affiliation of commuter vans with commuter van services and paratransit vehicles with paratransit bases which are intended to be consistent with existing rules governing affiliation of for-hire vehicles with for-hire vehicle bases. The Commission expects to consider these proposals in the Winter of 2012-13.

7. Base Responsible for Vehicle Owner Appointments

The Commission expects to propose rules requiring that a for-hire vehicle base be responsible for making appointments for vehicle license applications and inspections. The Commission expects to consider these proposals in the Winter of 2012-13.

8. Persistent Violator

The Commission expects to propose rules applying persistent violator rules like those currently applicable to taxicab and for-hire vehicle drivers, to commuter van and paratransit vehicle drivers. The Commission expects to consider these proposals in the Spring of 2013.

9. Paratransit Electronic Trip Records

The Commission expects to propose rules expanding and standardizing the requirements for submission of electronic trip records by paratransit bases. The Commission expects to consider these proposals in the Spring of 2013.

10. Education Requirements

The Commission expects to propose rules revising existing education requirements and options for licensees and license applicants. The Commission expects to consider these proposals in the Spring of 2012.

11. Lights While Driving

The Commission expects to propose rules requiring all licensed vehicles to use headlights at all times while on duty, to enhance safety and reduce accidents. The Commission expects to consider this proposal in the Spring of 2012.

12. Street Hail Livery Requirements

The Commission expects that experience with the first year of Street Hail Livery operation will likely require changes to rules governing the participants in the Street Hail Livery industry, including technology vendors, to reflect unforeseen difficulties, correct errors, or update rules to reflect technology and actual practice. The Commission expects to consider this proposal in the Spring of 2012.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
