Third. Certificates in respect to the vacation of premises at north side of Grote street, first house west of Southern Boulevard, Borough of The Bronx; No. 941 Franklin avenue, No. 5 Johnson avenue, No. 7 Johnson avenue, No. 11 Johnson avenue, No. 13 Johnson avenue, No. 5 West Twelfth street; east side West Twelfth street, near Surf avenue; No. 1776 Atlantic avenue, Borough of Brooklyn; No. 366 Third avenue, Borough of Manhattan; No. 8641 Bay Thirty-fourth street, and Nos. 417-419 Eighty-eighth street, Borough of Brooklyn.

On motion, the following preamble and resolution were adopted:

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon lot north side Grote street, one house west of Southern Boulevard, in the Borough of The Bronx, has become dangerous to life and unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building, situated on lot north side of Grote street, one house west of Southern Boulevard, in the Borough of The Bronx, be required to vacate said building on or before September 13, 1904, for the reason that said building is dangerous to life and is unfit for human habitation, because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And, further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 941 Franklin avenue, in the Borough of Brooklyn, has become dangerous to life, and is unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building, situated on Lot No. 941 Franklin avenue, in the Borough of Brooklyn, be required to vacate said building on or before September 13, 1904, for the reason that said building is dangerous to life, and is unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And, further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 5 Johnson avenue, in the Borough of Brooklyn, has become dangerous to life, and is unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building, situated on Lot No. 5 Johnson avenue, in the Borough of Brooklyn, be required to vacate said building on or before September 13, 1904, for the reason that said building is dangerous to life, and is unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And, further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 7 Johnson avenue, in the Borough of Brooklyn, has become dangerous to life and is unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building situated on Lot No. 7 Johnson avenue, in the Borough of Brooklyn, be required to vacate said building on or before September 13, 1904, for the reason that said building is dangerous to life and is unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And, further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 11 Johnson avenue, in the Borough of Brooklyn, has become dangerous to life and is unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building situated on Lot No. 11 Johnson avenue, in the Borough of Brooklyn, be required to vacate said building on or before September 13, 1904, for the reason that said building is dangerous to life, and is unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And, further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 13 Johnson avenue, in the Borough of Brooklyn, has become dangerous to life and is unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building situated on Lot No. 13 Johnson avenue, in the Borough of Brooklyn, be required to vacate said building on or before September 13, 1904, for the reason that said building is dangerous to life and is unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And, further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 5 West Twelfth street, in the Borough of Brooklyn, has become dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building situated on Lot No. 5 West Twelfth street, in the Borough of Brooklyn, be required to vacate said building on or before September 13, 1904, for the reason that said building is dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And, further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the buildings situated upon lots east side West Twelfth street, near Surf avenue, in the Borough of Brooklyn, have become dangerous to life, and are unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said buildings situated on lots east side West Twelfth street, near Surf avenue, in the Borough of Brooklyn, be required to vacate said buildings on or before September 13, 1904, for the reason that said buildings are dangerous to life and are unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And, further, that this order be affixed conspicuously on the front of and in said buildings and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 1776 Atlantic avenue, in the Borough of Brooklyn, has become dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building situated on Lot No. 1776 Atlantic avenue, in the Borough of Brooklyn, be required to vacate said building on or before September 13, 1904, for the reason that said building is dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And, further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 366 Third avenue, in the Borough of Manhattan, has become dangerous to life and is unfit for human habitation because of defects in the plumbing and draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building situated on Lot No. 366 Third avenue, in the Borough of Manhattan, be required to vacate said building on or before Sep-

tember 13, 1904, for the reason that said building is dangerous to life and is unfit for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 8641 Bay Thirty-fourth street, in the Borough of Brooklyn, has become dangerous to life and is unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants;

Ordered, That all persons in said building situated on Lot No. 8641 Bay Thirty-fourth street, in the Borough of Brooklyn, be required to vacate said building on or before September 13, 1904, for the reason that said building is dangerous to life and is unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Whereas, The Sanitary Superintendent has certified to this Board that the buildings situated upon Lots Nos. 417 and 419 Eighty-eighth street, in the Borough of Brooklyn, have become dangerous to life and are unfit for human habitation because of defects in the draining thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants.

Ordered, That all persons in said buildings situated on Lots Nos. 417 and 419 Eighty-eighth street, in the Borough of Brooklyn, be required to vacate said buildings on or before September 13, 1904, for the reason that said buildings are dangerous to life and are unfit for human habitation because of defects in the drainage thereof, and because of the existence of a nuisance on the premises likely to cause sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

4th. Report on compliance with certain orders to vacate premises, etc.

On motion, it was

Resolved, That the following orders be and are hereby rescinded, for the reason that the causes for the same have been removed:

HEADQUARTERS FIRE DEPARTMENT, CITY OF NEW YORK, NOS. 157-159 EAST SIXTY-SEVENTH STREET, NEW YORK, OCTOBER 20, 1904.

THE FOLLOWING SPECIFICATIONS FOR perforated pipe work in cellars and sub-cellars, required under the provisions of section 762, chapter 378, Laws 1897, as amended, and section 102 of the Building Code, are hereby approved and established, to take effect immediately:

Perforated Pipes in Cellars and Sub-cellars.
All perforated pipes are to be of wrought iron or steel, and capable of withstanding a pressure of 300 pounds to the square inch.

They shall be suspended with proper hangers, not less than 6 inches below the ceiling and parallel thereto, running full depth of building and placed 12½ feet apart on centers and 6 feet from side walls, to be securely fastened and properly braced to withstand vibration.

Pipe shall be 1½ inches internal diameter perforated with 1-16-inch holes; holes to be on the quarters 2 inches apart longitudinally and to be staggered, making 24 holes to the running foot of pipe. Holes must be drilled, not punched.

These 1½-inch pipes to be connected with a feed pipe 4 inches internal diameter, placed close to and parallel to front or side walls of building and connected by and with a 4-inch pipe terminating outside of said wall in a 3-inch Siamese connection, to be fitted with proper clapper valve or valves. One Siamese connection to furnish water to no more than a total of 400 feet of perforated pipe. No single line to be longer than 100 feet.

Sub-cellars require separate equipment. Cast-iron fittings must not be used. All unnecessary bends will be avoided, and where needed such bends or curves to be easy and of a radius not less than six times the diameter of the pipe.

A suitable iron plate on outside of building, with raised letters, must be fastened to the wall, or other approved place near cellar connection, to read: "THIS CONNECTION LEADS TO PERFORATED PIPES IN CELLAR."

Separate sign for sub-cellar.
Drawings and duplicate, consisting of plans and sections drawn to ¼-inch scale, showing proposed location of pipe, must be submitted for approval to the Bureau of Violations and Auxiliary Fire Appliances, where information as to conditions not covered by above specifications will be furnished on application. Manhattan office of the above Bureau is located at Nos. 157 and 159 East Sixty-seventh street, Brooklyn office at Nos. 365 and 367 Jay street, Brooklyn.

NOTICE TO PROPERTY-OWNERS.

IN PURSUANCE OF SECTION 1018 OF THE Greater New York Charter, the Comptroller of The City of New York hereby gives public notice to all persons, owners of property, affected by the following assessment for LOCAL IMPROVEMENTS in the BOROUGH OF MANHATTAN:

NINETEENTH WARD, SECTION 4.
RESTORING ASPHALT PAVEMENT ON WEST FORTY-THIRD STREET, between Sixth avenue and Broadway. This assessment was certified to the Collector of Assessments and Arrears, against Block 996, Lot No. 16, under the provisions of section 391 of the Greater New York Charter

—that the same was entered on October 26, 1904, in the Record of Titles of Assessments kept in the Bureau for the Collection of Assessments and Arrears of Taxes and Assessments of Water Rents,

and unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of the assessments interest will be collected thereon, as provided in section 1019 of said Greater New York Charter.

Said section provides in part that "If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof on the said Record of Titles of Assessments it shall be the duty of the officer authorized to collect and receive the amount of such assessment to charge, collect and receive interest thereon at the rate of seven per centum per annum, to be calculated to the date of payment from the date when such assessment became a lien, as provided by section 159 of this act."

Section 159 of this act provides * * * "An assessment shall become a lien upon the real estate affected thereby ten days after its entry in the said record."

The above assessment is payable to the Collector of Assessments and Arrears, at the Bureau for the Collection of Assessments and Arrears of Taxes and Assessments of Water Rents, Room No. 85, No. 280 Broadway, Borough of Manhattan, between the hours of 9 A. M. and 2 P. M., and on Saturdays from 9 A. M. to 12 M., and all payments made thereon on or before December 27, 1904, will be exempt from interest, as above provided, and after that date will be subject to a charge of interest at the rate of seven per centum per annum from the date when above assessment became a lien to the date of payment.

NOTICE OF SALE OF LANDS AND TENEMENTS WITHIN THAT PART OF THE CITY OF NEW YORK KNOWN AS THE FIRST WARD OF THE BOROUGH OF QUEENS, FORMERLY KNOWN AS LONG ISLAND CITY, FOR THE UNPAID ASSESSMENTS LIEVED FOR IMPROVEMENT OF GRAND AVENUE AND MAIN STREET.

CITY OF NEW YORK, DEPARTMENT OF FINANCE,
OFFICE OF THE BUREAU FOR THE COLLECTION OF ASSESSMENTS AND ARREARS—STEWART BUILDING,
No. 280 BROADWAY, BOROUGH OF MANHATTAN,
July 1, 1904.

UNDER THE DIRECTION OF EDWARD M. GROUT, Comptroller of the City of New York, the undersigned hereby gives public notice, pursuant to the provisions of Chapter 514, Laws of 1897, and of the Greater New York Charter, Chapter 466, Laws of 1901,

that the respective owners of the lands and tenements within that part of the City of New York now known as the First Ward of the Borough of Queens, formerly known as Long Island City, on which the assessments levied for the local improvement known as the IMPROVEMENT OF GRAND AVENUE AND MAIN STREET, confirmed April 1, 1902, now remain unpaid, are required to pay the amount of the assessment so due and remaining unpaid, together with the interest thereon at the rate of ten per cent. per annum and the charges of this notice and the advertisement, to the Collector of Assessments and Arrears, at his office in the Department of Finance, Harkett Building, Jackson Avenue and Fifth street, Long Island City, Borough of Queens.

And if default shall be made in such payment, such lands and tenements will be sold at public auction, at the office of the Collector of Assessments and Arrears as given herein in the Borough of Queens, in the City of New York, on Monday, the 4th day of December, 1904, at 1 o'clock P. M., for the lowest term of years for which any person shall offer to take

the same, in consideration of advancing the amount of the assessment so due and unpaid and the interest and charges thereon, a mortgage and all other costs and charges that may have a lien thereon; and such sale shall be continued from time to time until all the lands and tenements as advertised for sale shall be sold.

And notice is hereby further given that a detailed statement of the amount due and unpaid on each assessment, a description of the property, and the ownership of the property assessed, is published in a pamphlet and that copies of the pamphlet are deposited in the offices of the Collector of Assessments and Arrears in the Department of Finance, situated respectively in the Boroughs of Manhattan and Queens, and will be delivered to any person applying for the same.

SECOND DEPARTMENT.

In the matter of the application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands and premises required for the construction of a NEW

BRIDGE OVER FLUSHING CREEK, between Jackson Avenue, in the former Town of Newtown, and Broadway, in the former Town of Flushing, in the Borough of Queens, City of New York.

PURSUANT TO THE STATUTES IN SUCH cases made and provided, notice is hereby given that an application will be made to the Supreme Court of the State of New York, Second Department, at a Special Term of said Court for the hearing of motions, to be held in the County Court-house, in Long Island City, in the Borough of Queens, in The City of New York, on Saturday, the 5th day of November, 1904, at the opening of the Court on that day, or as soon thereafter as counsel can be heard thereon, for the appointment of Commissioners of Estimate and Appraisal in the above-entitled matter. The nature and extent of the improvement hereby intended is the acquisition of title by The City of New York, for the use of the public, to all the lands and premises, with the buildings thereon and the appurtenances thereto belonging, required for the construction of a new bridge over Flushing creek, between Jackson Avenue, in the former town of Newtown, and Broadway, in the former town of Flushing, in the Borough of Queens, City of New York, being the following-described lots, pieces or parcels of land, viz:

PARCEL "A."

Beginning at the intersection of the bulkhead line and the northerly line of Jackson Avenue; thence one hundred and twenty-six feet (126') along said northerly line of Jackson Avenue; thence northerly thirteen and twenty-eight hundredths feet (13.28'); thence westerly one hundred and seventy feet (170') and thirty-five and thirteen hundredths feet (35.13') along the northerly line of Jackson Avenue; thence easterly three hundred and twenty-seven and fourteen hundredths feet (327.14') to the bulkhead line; thence southerly along said bulkhead line thirty-four and sixteen hundredths feet (34.16') to the point of beginning.

PARCEL "B."

Beginning at a point in the southerly line of Jackson Avenue distant forty-two and twenty hundredths feet (42.20') westerly from the bulkhead line; thence northerly thirty-seven hundredths feet (0.37'); thence westerly twenty-eight and ten hundredths feet (28.10'); thence southerly two and eighty hundredths feet (2.80'); thence easterly twenty-eight and twenty hundredths feet (28.20') to the point of beginning.

PARCEL "C."

Beginning at the intersection of the northerly line of Broadway and the bulkhead line; thence easterly one hundred and one and thirty hundredths feet (101.30'), thirty-one and fifteen hundredths feet (31.15') and forty-eight and forty eight hundredths feet (48.48') along said northerly line of Broadway to the westerly line of Lawrence street; thence northerly fifteen and seven hundredths feet (15.07') along the westerly line of Lawrence street; thence westwardly two hundred and three and nineteen hundredths feet (203.19') to the bulkhead line; thence southeasterly twenty-five and three hundredths feet (25.03') and southerly forty-four and seventy hundredths feet (44.70') along said bulkhead line to the point of beginning, as shown on a map entitled "Map of Property Required for the Construction of Flushing Bridge." Dated New York, Borough of Manhattan, on the 30th day of November, 1903, and filed in the office of the Commissioner of Bridges of The City of New York and in the office of the Clerk of the County of Queens on the 2d day of December, 1903.

Dated NEW YORK, October 24, 1904.
