Investment of \$25,000,000 in General Fund Bonds.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

February 14, 1917.

To the Commissioners of the Sinking Fund:

Gentlemen—Chapter 103 of the Laws of 1903, as amended, entitled "An Act to amend the Greater New York Charter relative to the Sinking Fund of The City of New York for the Redemption of the City Debt, by adding a new section to be known as section Two Hundred and Twenty-two, providing for the issue of additional bonds of the City of New York, to be called General Fund Bonds, and by amending section One Hundred and Sixty-nine of said Charter," provides:

First. "The Board of Commissioners of the Sinking Fund, in the year 1903, and in each year thereafter until all of the bonds and stock which are redeemable from the fund known as the 'Sinking Fund of the City of New York for the Redemption of the City Debt' shall have matured, shall set apart out of the revenues and income of said Sinking Fund, except the income and accumulation thereof derived from assets held by said Sinking Fund on January 1, 1903, and except also the income and accumulation thereof derived from the amount to be thus annually set apart, a sum which, with the accumulation of interest thereon, together with the said assets of said Sinking Fund and the earnings and accumulations thereof, shall be sufficient to redeem at maturity all the bonds and stock of the City of New York which are redeemable from said Sinking Fund."

Second. "At least two weeks before the meeting of the Board of Aldermen, in each and every year, for the purpose of receiving the Assessment Rolls required to be delivered by the Board of Taxes and Assessments to the Board of Aldermen, the Board of Commissioners of the Sinking Fund may, in its discretion, certify to the Board of Aldermen the amount, as estimated by said Board of Commissioners, of revenues or income from all sources of 'The Sinking Fund of the City of New York for the Redemption of the City Debt' during the then calendar year, and also the amount required by this section to be set apart for such calendar year out of such revenues and income for the redemption of bonds and stock."

Third. "If in any year the said estimated amount of revenues or income of said Sinking Fund, excepting the income and accumulation thereof derived from the assets held by said Sinking Fund on January first, nineteen hundred and three, and from the amounts annually set apart for the redemption of bonds and stock as by this section required shall exceed the amount required to be set apart

in such year as in this section, provided the Board of Commissioners of the Sinking Fund may, in its discretion, at the time of making said certificates to the Board of Aldermen, determine to invest the whole or any part of the amount of such excess in General Fund Bonds of the City of New York for the amount of the 'Sinking Fund of the City of New York for the Redemption of the City Debt,' but such investments shall not be made in any year until the amount required by this section to be set apart for such year, as provided herein, shall have been so set apart."

Fourth. "The Board of Commissioners of the Sinking Fund shall then notify the Board of Aldermen and the Comptroller of the amount it has determined to invest in General Fund Bonds during the current year, and the Comptroller shall include said amount in the certificate of estimated revenues of the General Fund required to be by him made to the Board of Aldermen pursuant to section Nine Hundred of this Act."

As a result of an actuarial examination of the accrued amortisation or reserve requirement of the Sinking Fund for the Redemption of the City Debt (No. 1), which was embodied in a report of the Comptroller, dated December 10, 1913, to the Commissioners of the Sinking Fund, said Commission, at a meeting held on December 17, 1913, adopted the following resolution

"Resolved, That there shall be set aside and retained in the 'Sinking Fund for the Redemption of the City Debt, No. 1,' the sum of \$77,999,066.26, consisting of (1) the amount of the balance held on January 1, 1913, of the accumulation of the assets held by the said Sinking Fund on January 1, 1903, viz.: \$77,894,497.08, and (2) the sum of \$104,569.18 required to be retained out of the revenues of the said Sinking Fund, other than the revenues derived from the investment of the assets held by the said Sinking Fund on January 1, 1903, to provide for the redemption of the obligations of said Sinking Fund outstanding on January 1, 1913, said amount, \$77,999,066.26 so set aside to be invested at a rate of interest not less than 3 per cent. per annum, said sum and its accumulations to the extent of 3 per cent. per annum to be applied solely to the purposes of the redemption at their several maturity dates of said obligations, amounting to \$97,782,459.05, outstanding on January 1, 1913, as provided in Chapter 103 of the Laws of 1903."

At a meeting of the Commissioners of the Sinking Fund, held on January 21, 1914, a supplemental communication from the Comptroller, dated January 13, 1914, with regard to the surplus accumulations of the Sinking Fund for the Redemption of the City Debt (No. 1) was ordered printed in the minutes. Said communication stated that the reserves at January 1, 1914, necessary, with compound interest at three per cent. (3%) per annum, to retire at maturity the bonds secured by Sinking Fund No. 1, amounted to \$72,797,222.87.

An actuarial computation shows that the interest accruing during 1914 on said \$72,797,222.87 aggregated \$2,163,951.58, giving a total reserve of \$74,959,174.45. On November 1, 1914, \$4,074,394.80 of bonds matured and were redeemed and cancelled by the Sinking Fund for the Redemption of the City Debt, No. 1, thus reducing the actuarial reserve required by the fund as of January 1, 1915, to \$70,886,779.65.

An actuarial computation shows that the interest accruing during 1915 on said \$70,886,779.65 aggregated \$2,102,729.56, giving a total reserve of \$72,989,509.21. On November 1, 1915, \$4,875,686.98 of bonds matured and were redeemed and cancelled by the Sinking Fund for the Redemption of the City Debt, No. 1, thus reducing the actuarial reserve required by the fund as of January 1, 1916, to \$68,113,822.23.

An actuarial computation shows that the interest accruing during 1916 on said \$68,113,822.23 aggregated \$1,985,779.69, giving a total reserve of \$70,099,601.92. On November 1, 1916, \$11,783,714.32 of bonds matured and were redeemed and cancelled by the Sinking Fund for the Redemption of the City Debt, No. 1, thus reducing the actuarial reserve required by the fund as of January 1, 1917, to \$58,315,887.60.

I submit herewith for the information of the Commissioners of the Sinking Fund the following statement of the estimated amount of receipts on account of the revenues and other income from all sources of the "SINKING FUND OF THE CITY OF NEW YORK for the REDEMPTION OF THE CITY DEBT" (No. 1) for the year 1917, viz:

The investment thus determined in General Fund Bonds is out of the revenues or income of the year 1917 of the said Sinking Fund of the City of New York for the Redemption of the City Debt in excess of the income and accumulation thereof derived from the reserve of fifty-eight million three hundred and fifteen thousand eight hundred and eighty-seven and 60-100 dollars (\$58,315,887.60) held by said Sinking Fund on January 1, 1917, and necessary to be set apart to redeem at maturity the bonds secured by this Fund, and be it further.

Resolved, That the Secretary of the Commissioners of the Sinking Fund be and hereby is directed to notify the Board of Aldermen and the Comptroller of the amount that the Commissioners of the Sinking Fund have determined to invest in General Fund Bonds of the City of New York, pursuant to the foregoing resolution.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Commissioners of the Sinking Fund, by resolution of said Board adopted February 15, 1917, determined to invest twenty-five million dollars (\$25,000,000) of the excess of revenue or income of said fund in General Fund Bonds of the City of New York during the year 1917 for account of the "Sinking Fund of the City of New York for the Redemption of the City Debt" (No. 1).

JOHN PURROY MITCHELL, Mayor; ALBERT E. HADLOCK, Deputy and Acting Comptroller; MILO R. MALTBI, City Chamberlain; FRANK L. DOWLING, President of the Board of Aldermen; Chairman, Finance Committee of the Board of Aldermen; Commissioners of the Sinking Fund.

Proposed Exchange of Property on Inwood Hill for Two Parcels of Land Owned by the City, One at the Northwestern Corner of Essex St. and Essex Market Pl., and the other at the Northwest Corner of Delancey and Attorney Sts., Manhattan (Appointment of Appraisers).

The Deputy and Acting Comptroller presented the following report and offered the following resolution.

February 15, 1917.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On March 17, 1916, the Board of Estimate and Apportionment laid out as a public park, north of the Dyckman Street, and along the Hudson River and Harlem River Ship Canal, as shown on a map or plan bearing the signature of the President of the Borough of Manhattan, dated February 10, 1916.

I am in receipt of a communication from the owners of part of the property included in the park, in which they state that they are willing to exchange the same, subject to mortgages aggregating \$40,000, bearing interest at 6 per cent., for two parcels of land owned by the City, one of which is located at the northwesterly corner of Essex Street and Essex Market Place, and the other at the northwesterly corner of Delancey and Attorney Streets, Borough of Manhattan.

This exchange to my mind would be advantageous both to the City and to the owners of the strip to be acquired for park purposes, as it will save the time and expense of condemnation proceedings.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt the attached resolution. Respectfully,

ALBERT E. HADLOCK, Deputy and Acting Comptroller.

Whereas, The Commissioners of the Sinking Fund deem it for the interest of the City to authorize an exchange of the following property owned by The City of New York for the land owned by private owners; therefore, be it

Resolved, That, in accordance with the provisions of section 205A of the Greater New York Charter as amended, the Commissioners of the Sinking Fund hereby determine that the land owned by The City of New York, described as follows, is not required for departmental or public purposes:

Parcel 2.

All that certain piece or parcel of land situate, lying and being in the Borough of Manhattan, City of New York, described as follows:

The hereinbefore mentioned street or highway, to wit: Essex Market Place, has never been legally laid out on the map or plan of The City of New York, and is here used for the purpose of description only.

—they further determine that the lands of the private owners hereinafter described are needed for public purposes:

Parcel 3.

All that certain tract, plot or parcel of land with the buildings and improvements thereon, situate, lying and being in the Borough of Manhattan, City of New York, more particularly bounded and described as follows:

Beginning at a point on the northerly line of Lot No. 1143 of Block 2255 of Section 8, as shown on the present Tax Maps of The City of New York, said point being distant 123.61 feet westerly from the point of intersection of the northerly line of said Lot No. 1143 with the easterly boundary line of a proposed park, shown on a map made by the Board of Estimate and Apportionment and adopted by said Board on March 17, 1916, and approved by the Mayor March 22, 1916, which map is entitled "Laying Out a Public Park north of Dyckman Street and along the Hudson River and the Harlem River Ship Canal"; running thence northerly and along the easterly line of Lot No. 1163 of said Block 2255 above mentioned, 389.75 feet; running thence westerly and parallel with the northerly line of Lot No. 1143, first above mentioned, 405.94 feet to the easterly boundary line of the right-of-way of the New York Central and Hudson River Railroad Company; running thence northerly and along the said boundary line of the New York Central Railroad 262.12 feet to the prolongation of the center line of 212th Street; running thence easterly and along the said center line of 212th Street 428.04 feet to the easterly boundary line of the proposed park above mentioned; running thence southerly and along said easterly line of proposed park 368.25 feet to a point of curve in said easterly line of park; running thence still southerly and continuing along the said easterly line of the proposed park 290.49 feet to the northerly line of Lot 1143 above mentioned; running thence westerly along the northerly line of Lot 1143, 123.61 feet to the point or place of beginning; said premises being shown on the present Tax Maps of The City of New York as that portion of Lot 1195 of Block 2255, Section 8, Borough of Manhattan, which lies between
