Passed January 31, 1883; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section two hundred and fifty-one of the Code of Civil Procedure is hereby amended so as to read as follows:

§ 251. The justices of the supreme court for the first judicial district, or a majority of them, must appoint, and may at pleasure remove, a stenographer for each term of the circuit court, for the general term of the supreme court, and for each special term of the supreme court which constitutes a separate part. Each stenographer so appointed is entitled to a salary fixed and to be paid as prescribed by law; he must attend all the sittings of the part for which he is appointed. If the judge requires a copy of any proceedings written out at length from stenographic notes, he may make an order directing one-half of the stenographer's fees therefor to be paid by each of the parties to the action or special proceeding, at the rate of ten cents per each folio so written out, and may enforce payment thereof. Any such copy shall be accessible to and may be examined by any of the counsel in the cause. If there are two or more parties on the same side, the order may direct either of them to pay the sum payable by their side for the stenographer's fees, or it may apportion the payment thereof among them as the judge deems just.

Where a new county has been heretofore, or is hereafter, erected, or territory has been heretofore, or is hereafter, transferred from one county to another, the jurisdiction of the surrogate's court of each of the counties affected thereby, to take the proof of a will, or to grant letters, depends upon the locality, when the petition is presented, of the place where the property of the decedent is situated, or where the event occurred, as the case may be, which determines jurisdiction. If, before the erection of the new county, or the transfer of the territory, letters have been granted, upon the ground that the decedent died or resided within the county, the surrogate's court from which they were issued has exclusive jurisdiction of the estate, and of all matters incidental thereto; and if the place where the decedent died or resided is embraced within another county, certified copies of any papers or proceedings, filed, entered, or recorded in the surrogate's court thereof, must be furnished on the payment of the fees therefor, by the proper officer, to any person interested in the estate; and upon the latter's request and payment of the fees therefor, the proper officer of the court so having jurisdiction must file, enter or record the same, in like manner and with like effect as the originals. Sec. 4. The first floor of said tenement-houses on which there is a store for the sale of cigars and tobacco shall be exempt from the prohibition provided in sections one and two of this act.

Sec. 5. It shall be the duty of every sanitary inspector of said city to report any violation of this act coming to his knowledge forthwith to a police magistrate, and to procure the punishment of the person or persons having committed such violation; but this provision shall not be construed to preclude any other citizen from performing the duty herein assigned to said sanitary inspectors.

Sec. 6. Every person who shall be found guilty of a violation of this act, or of having caused another to commit such violation, shall be deemed guilty of a misdemeanor, and shall be punished for every offense by a fine of not less than ten dollars and not more than one hundred dollars, or by imprisonment for not less than ten days and not more than six months, or both such fine and imprisonment.

Passed March 16, 1883; by a two-thirds vote.

The People of the State of New York, represented in Senate and Assembly, do enact, as follows:

Section 1. The consent of the state of New York is hereby given to the acquisition by the United States by purchase, for customs purposes, of the lands and premises with the buildings and improvements thereon, situate in the city of New York, and bounded by Washington, West, Lighthouse and Hubert streets in said city, and now occupied by the United States, under lease for appraisers' stores, and the United States may hold, occupy and enjoy the said lands and premises, or so much thereof as may be required within the aforesaid boundaries, when the same shall be acquired pursuant to this act, subject to the restrictions hereinafter mentioned.

Sec. 2. The jurisdiction of the state of New York, in and over the said lands mentioned in the foregoing section, when the same shall be acquired by the United States, shall be and hereby is ceded to the United States, but the jurisdiction hereby ceded shall continue no longer than the said United States shall own the said lands.

Sec. 3. The said consent is given and the said jurisdiction ceded upon the express condition that the state of New York shall retain concurrent jurisdiction with the United States in and over the said land and premises so far as that all civil process in all cases, and such criminal and other process as may issue under the laws or authority of the state of New York against any person or persons charged with crimes or misdemeanors committed within this state may be executed therein in the same way and manner, and with the like effect, as if such consent had not been given or jurisdiction ceded, except so far as such process may affect the real or personal property of the United States.

Sec. 4. The jurisdiction hereby ceded shall not vest until the United States shall have acquired title to the said lands and premises by purchase, and shall continue so long as said lands shall remain the property of the United States, and no longer; and while the said lands and premises shall remain the property of the United States, but no longer, the same shall be and continue exonerated and exempt from all taxes, assessments, and other charges which may be levied or imposed under the authority of this state.

The work of such construction shall be performed and the expense thereof shall be paid in the same manner as if said pier was shown upon the plans for the water front of said city, heretofore determined upon by the department of docks, and adopted by the commissioners of the sinking fund of said city, pursuant to the provisions of section ninety-nine of chapter one hundred and thirty-seven of the laws of eighteen hundred and seventy, as amended by section six of chapter five hundred and seventy-four of the laws of eighteen hundred and seventy-one.

Sec. 2. When said pier shall be completed, the said dock department shall set apart the same for, and the police department shall have the exclusive use of said pier and of the waters adjacent thereto.

Sec. 3. The police department is hereby authorized to erect, subject to the approval of the department of docks, upon said pier such buildings and structures as may be required for the accommodation of business of such department, and it shall not be lawful to set apart or use or occupy the said pier, or any part thereof, for any purpose other than use by the police department, without the consent of the said police department. Provided that if at any time the said police department shall relinquish the right to such use, and shall cease to use the same, said pier shall thereupon revert to and be under the control of the dock department to the same extent as other piers erected according to the plans above referred to now are. The dock department shall keep the said pier in repair.

Sec. 4. This act shall take effect immediately.

Section 1. The seal adopted and in use by the department of docks of the city of New York since its organization, being a device of the arms of said city surrounded by the words, department of docks, city of New York, engraved upon a metal disk two and one-quarter inches in diameter, is hereby declared to be the seal of the said department, and the same may be renewed whenever necessary. An impression of such seal made directly on paper shall be as valid as if made on a wafer or on wax.

Sec. 2. Every lease, contract or other instrument, executed in pursuance of any authority conferred on said department by law, and sealed with such seal, attested and proved according to law by the secretary of said department, shall be received in evidence, and may be recorded in the proper recording offices in the same manner and with the like effect as if sealed with the seal of the corporation of the city of New York, attested and proved by the clerk of the common council thereof.

—or any part thereof, will be received at the office of the
Department of Public Charities and Correction, in the
City of New York, until 9:30 o'clock A. M., of Friday,
May 25, 1883. The person or persons making any bid
or estimate shall furnish the same in a sealed envel-
ope, indorsed "Bid or Estimate for Groceries, Dry
Goods, Paints, etc.," and with his or their name or
names, and the date of presentation, to the head of said
Department, at the said office, on or before the day and
hour above named, at which time and place the bids or
estimates received will be publicly opened by the head
of said Department, and read.

The Department of Public Charities and Correction
reserves the right to decline any and all bids or estimates
if deemed to be for the public interest, and to accept any
bid or estimate as a whole, or for any one or more arti-
cles included therein. No bid or estimate will be
accepted from, or a contract awarded to, any person who
is in arrears to the Corporation upon debt or contract,
or who is a defaulter, as surety or otherwise, upon any
obligation to the Corporation.

The award of the Contract will be made as soon as
practicable after the opening of the bids.

Delivery will be required to be made from time to time,
at such times and in such quantities as may be directed by
the said Department.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the
person or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient sure-
ties, each in the penal amount of fifty (50) per cent. of the
estimated amount of the contract.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested, it
shall distinctly state that fact; also that it is made without
any connection with any other person making an estimate
for the same purpose, and is in all respects fair and without
collusion or fraud; and that no member of the Common
Council, Head of a Department, Chief of a Bureau,
deputy thereof or clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein, or
in the supplies or work to which it relates, or in any por-
tion of the profits thereof. The bid or estimate must be
verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated there-
in are in all respects true. Where more than one person
is interested, it is requisite that the verification be made
and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, on
its being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse
to execute the same, they shall pay to the Corporation any
difference between the sum to which he would be entitled
on its completion, and that which the Corporation may
be obliged to pay to the person or persons to whom the
contract may be awarded at any subsequent letting; the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons
signing the same that he is a householder or freeholder in
the City of New York, and is worth the amount of the
security required for the completion of this contract, over
and above all his debts of every nature, and over and above
his liabilities, as bail, surety, or otherwise; and that he
has offered himself as a surety in good faith and with the
intention to execute the bond required by section 27 of
chapter 8 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to the person or
persons for whom he consents to become surety. The
adequacy and sufficiency of the security offered to be
approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-
panied by either a certified check upon one of the
national banks of the City of New York, drawn to the
order of the Comptroller, or money, to the amount of five
per centum of the amount of the security required for the
faithful performance of the contract. Such check or
money must not be inclosed in the sealed envelope con-
taining the estimates, but must be handed to the officer or
clerk of the Department who has charge of the Estimate
box, and no estimate can be deposited in said box until
such check or money has been examined by said officer
or clerk and found to be correct. All such deposits,
except that of the successful bidder, will be returned to
the persons making the same within three days after the
contract is awarded. If the successful bidder shall refuse
or neglect, within five days after notice that the contract
has been awarded to him, to execute the same, the
amount of the deposit made by him shall be forfeited to
and retained by the City of New York as liquidated
damages for such neglect or refusal; but, if he shall exe-
cute the contract within the time aforesaid, the amount
of his deposit will be returned to him.

Should the person or persons to whom the contract may be
awarded neglect or refuse to accept the contract within five
days after written notice that the same has been awarded
to him or their bid or proposal, or if he or they accept, but
do not execute the contract and give the proper security,
he or they shall be considered as having abandoned it,
and as in default to the Corporation; and the contract
will be readvertised and let as provided by law.

The quality of the articles, supplies, goods, wares, and

Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York, any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five

per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

PROPOSALS FOR ESTIMATES FOR DREDGING AT THE FOOT OF WEST THIRTY-SEVENTH STREET, NORTH RIVER.

ESTIMATES FOR DREDGING THE HALF SLIP north of the pier and dumping boards at the foot of West Thirty-seventh street, North river, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, Nos. 117 and 119 Duane street, in the City of New York, until 12 o'clock M. of

MONDAY, MAY 21, 1883,

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Five Hundred Dollars.

N. B.—Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the number of cubic yards of material to be removed to make a depth of five feet of water below mean low-water mark, over the area specified in the specifications of the contract, and shall not, at any time after the submission of an estimate assert or claim that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation, beyond the amount payable for the work before mentioned, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and the entire work is to be fully completed on or before the 30th day of June, 1883, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for fulfillment has expired, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

All the material excavated is to be removed by the contractor, and deposited, in all respects, according to law.

Bidders will state in their estimates a price for doing the whole of such dredging in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

This price is to be the total amount to be paid under this contract for making a depth of five feet of water at mean low-water mark over the area named in the specifications. If a greater depth of water is made by such dredging at any place, the material removed in making such additional depth of water will not be paid for, but all such material must be deposited, in all respects, according to law.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of a service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and re-let, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person would be entitled on its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimate by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance in the sum of one thousand dollars (\$1,000); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made; and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of fifty dollars (\$50). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures. The form of the agreement and specifications, showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

NEW YORK, April 28, 1883.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING THIS Department with new boiler to Steam Fire Engine No. 6, and making repairs to said engine, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A. M., Wednesday, May 16, at which time and place they will be publicly opened by the head of said Department and read.

The boiler to be in all respects as to form and construction exactly similar to that now on Engine No. 3 of this Department, being M. R. Clapp's Circulating Tubular Boiler, patent of 1878.

The engine to be delivered at the Repair Shops of the Fire Department in complete working order, with a guarantee that the material and workmanship are of the best character, and to replace, at the expense of the contractor, such parts, if any, as may fail, if such failure is properly attributable to defective material or inferior workmanship. Said engine shall have a full and complete trial of its working powers at New York, under the superintendence of a competent engineer.

For information as to the amount and kind of work to be done and time of delivery, bidders are referred to the specifications which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five (\$25) dollars per day.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids. Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, in the sum of eight hundred dollars (\$800); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of forty dollars (\$40). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures. The form of the agreement and specifications, showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

HEALTH DEPARTMENT.

HEALTH DEPARTMENT—OFFICE OF THE SECRETARY,
No. 301 MOTT STREET,
NEW YORK, May 2, 1883.

PROPOSALS FOR THE EXCAVATING AND PILING FOR THE FOUNDATIONS OF A HOSPITAL AT THE FOOT OF EAST SIXTEENTH STREET, IN THE CITY AND COUNTY OF NEW YORK.

PROPOSALS, SEALED AND INDORSED AS herein required, will be received by the Commissioners of the Health Department, at their office, No. 301 Mott street, until 2 o'clock P. M. of the 15th day of May, 1883, at which time they will be publicly opened and read by said Commissioners for the excavating and piling for the foundations of a hospital at the foot of East Sixteenth street.

The proposals must be addressed to the Board of Health of the City of New York, be indorsed "Proposals for the Excavating and Piling for the Foundations of a Hospital at the foot of East Sixteenth street, City and County of New York," and must contain the name and address of the parties making the same.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Health Department, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for both classes of work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state that fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation or the Health Department may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate Box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned by

the Comptroller to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

The Department reserves the right to reject any or all proposals not deemed beneficial to or for the public interest. Proposals to state the price per pile if the piles when cut for plates measure less than 30 feet in length; the price per pile if over 30 feet and less than 40 feet, and the price if over 40 feet.

Plans may be examined and specifications and blank proposals obtained by application to the Secretary of the Board, at his office, 301 Mott street, New York.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice" requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
