Which was accepted.

MOTIONS AND RESOLUTIONS.

By Alderman Purroy—
Whereas, The Legislature of our sister State of Louisiana, when peacefully assembled and in the act of organizing—as it lawfully might in a time of peace, without interference from or by military rule—was invaded in its chamber by United States troops under the command of General De Trobriand—and his action subsequently approved by his superior officer, Lieut.-General Philip H. Sheridan—and the members of that Legislature forcibly removed from their places by such troops; and

Whereas, Such action of the Federal officers and troops has been approved by President Grant and his Cabinet, contrary to the express provision of the Constitution of the United States, which says that "no soldier shall in time of peace be quartered in any house, without the consent of the owner, nor in time of war, but in the manner to be prescribed by law;" and

Whereas, This usurpation of the freedom and rights of the people of a sovereign State, unless promptly rebuked by the American people and the Congress of the nation, will become dangerous to the rights and immunities of the people of the several States, and to democratic republican liberty; therefore,

Resolved, That the Board of Aldermen of this City, representing the entire people thereof, for, and in their name, solemnly protest against the conduct of the Federal troops in New Orleans, in their recent military interference with the rights of civil government in the State of Louisiana; and we condemn and denounce the conduct of General Sheridan, and the infamous doctrines promulgated in his telegraphic dispatch to the President, to have him issue his proclamation declaring the citizens of Louisiana a "banditti"—to be summarily arrested, tried, convicted, and punished by a military court-martial—as only worthy of a despotic government, and in direct antagonism to the teachings and admonitions of our Declaration of Independence, the Constitution and laws of the United States, and as being repugnant to the views and wishes of lovers of constitutional liberty throughout the civilized world.

The President put the question whether the Board would agree to adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—The President, Aldermen Blessing, Cole, Gilon, Gross, Guntzer, Lysaght, McCarthy, Powers, Purroy, Reilly, Seery, Shandley, and Strack—14.

Negative—Aldermen Billings, Deane, Howland, Morris, Robinson, Simonson, Southworth, and Vance—8.

(G. O. 6.)

By Alderman Simonson—
Resolved, That Fifty-first street, from Sixth to Seventh avenue, be paved with Belgian or trap-block pavement, and that at the several intersecting streets and avenues crosswalks be laid where not now laid, and relaid where those now laid are, in the opinion of the Commissioner of Public Works, not in good repair, or are not upon a grade adapted to the grade of the proposed new pavement, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was laid over.

By Alderman Cole—
Resolved, That the County Clerk be and he is hereby requested to report to this Board a list of all vacancies now existing in the office of Commissioners of Deeds.

Which was adopted.

By Alderman Seery—
Whereas, In the Message of his Honor the Mayor to the Common Council, January 4, 1875, the following occurs: "The time has arrived when, in my judgment, the actual financial condition of the City should be ascertained and published in detail. The tax-payers should be in possession of the fullest information on this subject, and without such information it will be impossible to devise or carry out any practical measures of effectual relief.

A first step toward furnishing such periodical information, is the preparation, at as early a date as possible, of a balance-sheet, showing the financial position of the City at the close of the last year;" and, as the Board fully coincides with the views thus expressed by his Honor the Mayor,
