NOTICE

On Wednesday, September 11, at 10:00 A.M., in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning zoning map and text amendments, and amendments to the City Map for an area encompassing approximately six blocks in the Bushwick neighborhood of Brooklyn, Community District 4. The zoning map amendment would rezone existing manufacturing districts (M3-1 and M1-1) within an area generally bounded by Flushing Avenue, Evergreen Avenue, Melrose Street, Stanwix Street, Forrest Street, Garden Street, and Beaver Street to residential with commercial overlays (R6A, R7A and R6A/C2-4 and R7A/C2-4) and light manufacturing (M1-2). The zoning text amendment would apply the provisions of the Inclusionary Housing Program to the proposed R6A and R7A districts. The amendment to the City Map would establish the section of Stanwix Street from Montieth Street to Forrest Street and the section of Noll Street between Evergreen Avenue and Stanwix Street as mapped streets. Comments are requested on the DEIS and will be accepted until Monday, September 23, 2013.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 09DCP002K.

Commission must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Rule

On December 23, 2011 Governor Cuomo signed into law chapter 602 of the Laws of 2011, and on February 17, 2012, signed into law chapter 9 of the Laws of 2012, which amended the previous statute. This legislation allows New York City to issue up to 18,000 transferable licenses to for-hire vehicles authorizing them to pick up passengers by street hail anywhere outside Manhattan (except for the airports) and in Manhattan north of West 110th Street and north of East 96th Street. Up to 6,000 of these licenses for Street Hail Liveries can be issued in the first year of the program. Twenty percent of these licenses will be set aside for wheelchair accessible vehicles (City subsidies for accessible vehicle purchase/upgrades will be available). During early 2012, the New York City Taxi and Limousine Commission (TLC) adopted rules to implement this legislation, but they were subsequently stayed during the pendency of litigation, commenced in mid-2012, which challenged the legislation. Following the successful resolution of this litigation, and as it moves forward to implement the program set forth in the legislation and rules, the TLC is amending the rules to:

- Make clear that only Street Hail Liveries may be green so that the public is not confused about which vehicles can be legally hailed outside of central Manhattan.
- Mandate training in wheelchair passenger assistance for all new taxicab drivers, and remove the requirement that taxicab owners pay for such training. These measures will expand the pool of drivers trained and available to drive accessible vehicles.
- Increase Paratransit Base License periods to 3 years, so that Paratransit Bases with SHL Base Permits can have the same license terms as other SHL Bases. For-Hire Bases already enjoy three year terms, as do new SHL Bases. This change will make treatment of the Paratransit Bases, which may purchase SHL Base Permits, consistent with those of For-Hire Bases.

These rules are authorized by Section 2303 of the Charter and Section 19-503 of the Administrative Code of the City of New York.

TRANSPORTATION

■ NOTICE

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Transportation by Section 1043 of the New York City Charter and subdivision (a) of Section 2903 of the New York City Charter and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department of Transportation hereby adopts amendments to subdivision (e) of Section 4-13 of Chapter 4 of Title 34 of the Official Compilation of the Rules of the City of New York, the Traffic Rules related to truck routes for the Borough of Brooklyn. This rule was first published on April 3, 2013, and a public hearing was held on May 3, 2013. This rule shall take effect 30 days from the date hereof.

STATEMENT OF BASIS AND PURPOSE

Pursuant to §§ 1043 and 2903 (a) of the New York City Charter, the Commissioner of Transportation is authorized to promulgate rules regarding the conduct of vehicular and pedestrian traffic in the streets, squares, avenues, highways and parkways of the City as may be necessary.

Background

Based upon truck origin-destination data, recommendations from a truck study conducted in 2007 and truck route changes requested from the local industrial and trucking community, the Department of Transportation is amending provisions of Title 34, Section 4-13 of the Rules of the City of New York in order to establish a more consistent designation of truck routes in the Borough of Brooklyn. Specifically, the amendments:

- Change the designation of: Gardner Avenue,

Harrison Avenue, Johnson Avenue, Knickerbocker Avenue, Meadow Street, Morgan Avenue, Varick Avenue, and parts of Union Avenue and York Street to Local Truck Routes.

- Dedesignate Lorimer Street, Wallabout Street and part of York Street as Local Truck Routes.
- Clarify the local truck route description for York Street, which states that the route runs along York Street from Navy to Cadman Plaza West. However, York Street does not connect with Cadman Plaza West, and this provision must therefore be changed to state "Adams Street to Front Street," as Front Street connects to Cadman Plaza.

New matter in the following rule is underlined, and deleted material is in brackets.

"Shall and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Paragraph (2) of subdivision (e) of section 4-13 of Chapter 4 of Title 34 of the Rules of the City of New York is amended by adding new entries for Gardner Avenue, Harrison Avenue, Johnson Avenue, Knickerbocker Avenue, Meadow Street, Morgan Avenue, Varick Avenue, Union Avenue and York Street, and by deleting the entries for Lorimer Street and Wallabout Street, to read as follows:

LOCAL TRUCK ROUTE NETWORK

Adams Street	Sands Street to Front Street
Ainslie Street	Rodney Street to Union Avenue
Ash Street	McGuinness Boulevard to Commercial Street
Atlantic Avenue	Furman Street to Queens County Line
Avenue D	Linden Boulevard to Foster Avenue
Avenue M	Flatlands Avenue to Kings Highway
Avenue N	Kings Highway to Flatlands Avenue
Avenue T	Flatbush Avenue to Ralph Avenue
Avenue U	86th Street to East 55th Street

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
