### AQUEDUCT COMMISSION.

*Minutes of Stated Meeting of the Aqueduct Commissioners, held at their office, No. 209 Stewart Building, on Wednesday, March 24, 1886, at 3 o'clock P. M.*

Commissioners present—The Mayor, Comptroller, Commissioners Spencer, Dowd and Baldwin. Also Chief Engineer Church, and Chief Engineer Birdsall and Consulting Engineer Adams, of the Department of Public Works.

The minutes of the stated meeting of March 17 were read and approved.

The Committee of Finance and Audit reported their examination and audit of bills included in Vouchers Nos. 1591 to 1605; and, on motion of Commissioner Dowd, said vouchers were approved by the Commissioners, and ordered certified to the Comptroller for payment.

The Committee on Construction made report, dated March 22, of the completion of an agreement with Mr. Cyrus W. Field for use of his land south of Shaft 13, for the purpose of arresting and repairing the cave-in at that place, and submitting the form of an agreement prepared under the direction of said Committee pursuant to the resolution of the Commissioners of March 6, 1886, for the performance of the required work by Messrs. O'Brien & Clark, and recommending that said agreement be immediately executed.

The agreement was read, and Commissioner Spencer moved that the Secretary be directed to have said agreement immediately approved as to form by the Counsel to the Corporation, and executed by O'Brien & Clark and the Aqueduct Commissioners, and one of the originals filed with the Comptroller, together with the certificate required by section 33, chapter 490 of the Laws of 1883. The motion was adopted unanimously.

The Committee next submitted a request from the Chief Engineer for the appointment of another laborer, required on the Fifth Division, and recommended the appointment of George C. Glatz, with compensation at the rate of two dollars (\$2) per day. This recommendation was approved by the Commissioners, and the appointment made.

The Chairman of said Committee stated that, as authorized by the Commissioners, the flat at No. 267 West One Hundred and Twenty-fifth street had been leased for the use of the Engineers, and offered the following resolution:

Resolved, That the President and Vice-President of this Commission are hereby authorized and requested, either one or the other of them, on behalf of the Commissioners, to execute a lease from David W. Bishop of the flat known as "the first flat," in the building No. 267 West One Hundred and Twenty-fifth street, in the City of New York, for the term of two (2) years from the 1st of May next, at the rate of four hundred and twenty dollars (\$420) per annum, the same being for the use of the Engineers on Division No. 7 of the New Aqueduct on Manhattan Island.

The resolution was adopted.

The Comptroller, under date March 20, 1886, gave notice of the issue of warrants for vouchers not certified by the Aqueduct Commissioners, for compensation to the Commissioners of Appraisal for New York County, \$2,250; which notice was ordered placed on file, and entered upon the books of this Commission.

The Chief Engineer presented a letter, dated March 24, stating that Mr. H. S. Craven, late Engineer of Construction, has removed from the office at Tarrytown, and refused to return certain books and papers forming part of the official records of that office. The matter was referred to Commissioner Spencer for investigation and adjustment.

A communication was received from Oliver W. Barnes, Esq., civil engineer, dated March 27, 1886, submitting plans for a curved dam at the Quaker bridge, and stating his views of the advantages of such a form for that dam.

On motion of Commissioner Spencer, the letter and plans of Mr. Barnes were referred to the Chief Engineer for consideration and report.

Commissioner Spencer called from the table the resignation of Auditor Timmerman, and moved that it be accepted, to take effect from the 31st instant. The motion was accepted.

Commissioner Spencer next moved that Mr. Julius C. Lulley be appointed Auditor of this Commission, to take effect on the 1st of April next. The motion was adopted unanimously.

Commissioner Dowd then moved, that on and after the 1st of April next, the compensation of the Purveyor and Property Clerk of the Commissioners be fixed at the rate of two thousand dollars (\$2,000) per annum. This motion was adopted unanimously.

The Commissioners then adjourned.

JAMES W. McCULLOH, Secretary.

Commissioners.

Any bidder for this contract must be known to be en-  
gaged in and well prepared for the business, and must  
have satisfactory testimonials to that effect; and the  
person or persons to whom the contract may be  
awarded will be required to give security for the per-  
formance of the contract by his or their bond, with two  
sufficient sureties, in the penal amount of fifty (50) per  
cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or  
them therein; and if no other person be so interested, it  
shall distinctly state that fact; also that it is made without  
any connection with any other person making an estimate  
for the same purpose, and is in all respects fair and with-  
out collusion or fraud; and that no member of the Com-  
mon Council, Head of a Department, Chief of a Bureau,  
Deputy thereof or Clerk therein, or other officer of the  
Corporation, is directly or indirectly interested therein,  
or in the supplies or work to which it relates, or in any  
portion of the profits thereof. The bid or estimate must  
be verified by the oath, in writing, of the party or parties  
making the estimate, that the several matters stated  
therein are in all respects true. Where more than one  
person is interested, it is requisite that the verification be  
made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in  
the City of New York, with their respective places of  
business or residence, to the effect that if the contract  
be awarded to the person making the estimate, they  
will, on its being so awarded, become bound as his sure-  
ties for its faithful performance; and that if he shall omit  
or refuse to execute the same, they shall pay to the Cor-  
poration any difference between the sum to which he would  
be entitled on its completion and that which the Corpora-  
tion may be obliged to pay to the person or persons to  
whom the contract may be awarded at any subsequent let-  
ting; the amount in each case to be calculated upon the es-  
timated amount of the work by which the bids are tested.  
The consent above mentioned shall be accompanied by  
the oath or affirmation, in writing, of each of the persons  
signing the same that he is a householder or freeholder in  
the City of New York, and is worth the amount of the secu-  
rity required for the completion of this contract, over and  
above all his debts of every nature, and over and above  
his liabilities, as bail, surety, or otherwise; and that he  
has offered himself as a surety in good faith and with the  
intention to execute the bond required by section 12 of  
chapter 7 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the person or  
persons for whom he consents to become surety. The  
adequacy and sufficiency of the security offered, to be ap-  
proved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompa-  
nied by either a certified check upon one of the  
National Banks of the City of New York, drawn to the  
order of the Comptroller, or money to the amount of five  
per centum of the amount of the security required for the  
faithful performance of the contract. Such check or  
money must NOT be enclosed in the sealed envelope  
containing the estimate, but must be handed to the officer  
or clerk of the Department who has charge of the Es-  
timate-box, and no estimate can be deposited in said box  
until such check or money has been examined by said  
officer or clerk and found to be correct. All such deposits,  
except that of the successful bidder, will be returned  
to the persons making the same, within three days after  
the contract is awarded. If the successful bidder shall  
refuse or neglect, within five days after notice that  
the contract has been awarded to him, to execute the  
same, the amount of the deposit made by him shall be  
forfeited to and be retained by the City of New York, as  
liquidated damages for such neglect or refusal; but if he  
shall execute the contract within the time aforesaid, the  
amount of his deposit will be returned to him.

Should the person or persons to whom the contract may  
be awarded neglect or refuse to accept the contract  
within five days after written notice that the same has  
been awarded to his or their bid

The upset price for each of the above-named property or premises will be fixed by the Department of Docks, and announced by the Auctioneer at the time of sale.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the Auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of annual rent bid, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent first accruing under the lease, when executed, or will be forfeited if the purchaser neglects or refuses to execute the lease and bond within five days after being notified that the lease is prepared and ready for signature and execution. The Commissioners reserve the right to resell the leases bid off by those failing to comply with these terms; the party so failing, to be liable to the Corporation for any deficiency which may result from such resale.

Lessees will be required to pay their rent quarterly, in advance, in compliance with a stipulation therefor in the form of lease adopted by the Department.

Two sureties, each a freeholder or householder in the City of New York, and to be approved by the Commissioners of Docks, will be required, under each lease, to enter into a bond, jointly and severally, with the lessee, in the sum of an amount double the annual rent, for the faithful performance of all the covenants of the lease, and each purchaser will be required to submit, at the time of the sale, the name and address of his or their proposed sureties.

Each purchaser will be required to agree that he will, upon being notified so to do, execute a lease prepared upon the printed form adopted by the Department, which can be seen upon application to the Secretary, at the office, Pier "A," Battery Place.

No person will be received as lessee or surety who is delinquent on any former lease from the Corporation; and no bid will be accepted from any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The Auctioneer's fee of \$5 on each lot and the exchange fees, \$3, will be required to be paid by the purchasers thereof, respectively, at the time of sale.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance, in the sum of nine hundred dollars (\$900); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

## JURORS.

## NOTICE

## IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
ROOM 127, STEWART BUILDING,  
CHAMBERS STREET AND BROADWAY,  
NEW YORK, June 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,  
Commissioner of Jurors.

## DEPARTMENT OF PUBLIC PARKS

CITY OF NEW YORK,  
DEPARTMENT OF PUBLIC PARKS,  
36 UNION SQUARE,  
April 12, 1886.

## TO CONTRACTORS.

PROPOSALS FOR ESTIMATES FOR FURNISHING AND DELIVERING SCREENED GRAVEL, OF THE QUALITY KNOWN AS ROA HOOK GRAVEL, WHERE REQUIRED ON THE CENTRAL PARK AND RIVERSIDE PARK AND AVENUE, IN THE CITY OF NEW YORK.

SEALED ESTIMATES FOR THE ABOVE WORK, indorsed with the above title, and also with the name of the person or persons making the same and the date of presentation, will be received at the office of the Department of Public Parks, No. 36 Union Square, New York City, until ten o'clock A. M., on Friday, the 23d day of April, 1886, at which place and hour the bids will be publicly opened by the head of said Department and read, and the award of the contract will be made as soon thereafter as practicable.

The person or persons to whom the contract may be awarded will be required to attend at the office of the said Department, with the sureties offered by him or them, and execute the contract within five days after written notice that the same has been awarded to his or their bid or estimate, and that the sureties offered by him or them have been approved by the Comptroller; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and thereupon the contract will be readvertised and relet, and so on until the contract be accepted and executed. The delivery to commence at such time as the Commissioners of the Department of Public Parks may designate.

N. B.—The prices must be written in the estimate, and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items called for in the specifications or which contain bids for items not called for therein. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Department of Public Parks to reject any or all estimates which it may deem prejudicial to the public interests. No estimate will be accepted from, or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise upon any obligation to the Corporation.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by the said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to

execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested they shall distinctly state the fact; also, that such estimate is made without any connection with any other person making a bid or estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate, that the several matters therein stated are in all respects true. When more than one person is interested in the estimate, the verification must be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; that he has offered himself as surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

All the gravel to be furnished and delivered shall be of the kind generally known as Roa Hook gravel, and equal in all respects to that taken from the gravel bank situated on the east side of the Hudson river, north of Peekskill, and known as the Roa Hook Gravel Bank. It shall be of the best quality double screened gravel, and clean and free from loam and dirt, and in grade such as will pass through a screen with a two-inch mesh diagonal measure, but not to contain more than fifteen per cent, and not less than ten per cent, of material that will pass through a screen with a mesh having a diagonal measure of one thirty-second of an inch.

The prices are to cover the furnishing and delivering, also the expense of dockage, hauling and all necessary labor, and the performance of all the work as set forth in the specification and form of agreement.

The estimate of the work to be done and the quantity of gravel to be furnished and delivered is as follows: 7,000 cubic yards double screened gravel for roads and drives.

The Contractor will be required to deliver the above material in such quantities and on the line of such roads in the Central Park, and on Riverside Park and avenue as may from time to time be designated by the Superintendent of Parks.

Bidders must satisfy themselves by personal examination of the location of the roads and avenues where the material is to be delivered; also as to the distances from any pier or dock, or depth of water where such material can be landed, and shall not at any time after the submission of an estimate dispute or complain, nor assert that there was any misunderstanding in regard to the places, or the nature or amount of work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Commissioners of the Department of Public Parks and in substantial accordance with the specifications hereunto annexed.

N. B.—The amount of security required is five thousand dollars.

Bidders are specially notified that the Department of Public Parks reserves the right to determine the times and places for the delivery of said material and that the postponement or delay on the whole or any part thereof, occasioned by any obstructions on the roads, avenues and streets where such material is to be delivered, cannot constitute a claim for damages.

Blank forms of proposals and form of agreement, including the specifications, and showing the mode of payment for the work, can be obtained on application to the Secretary at this office.

PROPOSALS FOR ESTIMATES FOR CONSTRUCTING UPPER PORTION OF PARK VERTICAL WALL ON THE WESTERLY SIDE OF FIFTH AVENUE, OPPOSITE AND ADJACENT TO SEVENTY-FOURTH STREET.

SEALED ESTIMATES FOR THE ABOVE WORK, indorsed with the above title, also with the name of the person or persons making the same, and the date of presentation, will be received at the office of the Department of Public Parks, No. 36 Union Square, New York City, until ten o'clock A. M., on Wednesday, the 14th day of April, 1886, at which place and hour the bids will be publicly opened by the head of said Department and read, and the award of the contract will be made as soon thereafter as practicable.

The person or persons to whom the contract may be awarded will be required to attend at the office of the said Department, with the sureties offered by him or them, and execute the contract within five days after written notice that the same has been awarded to his or their bid or estimate, and that the sureties offered by him or them have been approved by the Comptroller; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and thereupon the work will be readvertised and relet, and so on until the contract be accepted and executed. The work to commence at such time as the Commissioners of the Department of Public Parks may designate.

N. B.—The prices must be written in the estimate, and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items called for in the specifications, or which contain bids for items not called for therein. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Department of Public Parks to reject any or all estimates which it may deem prejudicial to the public interests. No estimate will be accepted from, or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be

handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are required to state in their estimates, under oath, their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested they shall distinctly state the fact; also, that such estimate is made without any connection with any other person making a bid or estimate for the same purpose; and that it is in all respects fair, and without collusion or fraud; and also, that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate, that the several matters therein stated are in all respects true. When more than one person is interested in the estimate, the verification must be made by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; that he has offered himself as surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders are required to state in writing, and also in figures, the price per lineal foot for upper portion of Park vertical wall, including coping of Ohio sandstone; also, the time required for the completion of the whole work, which will be tested at the rate of FOUR dollars per day.

These prices are to cover the furnishing of all the necessary materials and labor; and the performance of all the work as set forth in the specification and form of agreement.

It being understood that the time so bid refers to the aggregate time of such inspectors as may be appointed on the work, and not to consecutive days, and that the damages specified in covenant E (see section 2 (h) of the specifications) will be exacted for each and every day that the said aggregate time of the inspectors who may be employed on the work may exceed the time stipulated for the completion of the whole work.

The Engineer's estimate of the work to be done, and by which the bids will be tested, is as follows:

213 lineal feet of the upper portion of the Park vertical wall, including coping.

N. B.—As the above-mentioned quantities, though stated with as much accuracy as possible in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate dispute or complain of such statement or estimate, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Commissioners of the Department of Public Parks, and in substantial accordance with the specifications and the plan therein referred to. No extra compensation beyond the amount payable for the several classes of work before enumerated which shall be actually performed at the prices therefor to be specified by the lowest bidder shall be due or payable for the entire work. The amount of security required is fifteen hundred dollars.

Bidders are informed that no deviation from the specifications will be allowed unless a written permission shall previously have been obtained from the Commissioners of the Department of Public Parks.

The contractor is required to notify the Engineer, in writing, forty-eight hours prior thereto, of the date he intends to actually begin work.

Bidders are specially notified that the Department of Public Parks reserves the right to determine the times and places for commencing and prosecuting the work, and that postponement or delay on the whole or any part thereof, occasioned by the precedence of other contracts, which may be either let or executed before or after the execution of the contract for this work, cannot constitute a claim for damages, nor for a reduction of the damages fixed for delay in completing the work beyond the time allowed.

Blank forms of proposals and form of agreement, including the specifications, and showing the mode of payment for the work, can be obtained on application to the Secretary, at the office of the Department, No. 36 Union Square.

so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making an estimate for the same supplies and work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the same, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid or estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he or they would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law.

Bidders are required to state in their estimates the district or several streets, avenues, piers, parks and places, or parts of streets, avenues, piers, parks and places in which they propose to perform the requirements herein contained, and also the illuminating or candle-power of the light they propose to furnish, when tested at a distance of not less than one mile from the place of manufacture.

Bidders are also required to state the price per year for which they will furnish the lights for the period from May 1, 1886, to April 30, 1887, both days inclusive; stating the price, for the above named period of one year, for each lamp.

Bidders proposing to furnish electric lights must state the kind of system of light (whether the Voltaic Arc or Incandescent) they propose to furnish, also the candle-power of the light by photometric test, according to the London standard, and also whether the electric lamps are to be used on the ordinary lamp-posts of the city, or on special lamp-posts to be fitted up by the bidder without cost to the city for such lamp-posts or their fittings. If the light is to be by the "Voltaic Arc," the bidder is to state the number of such lamps to be used for lighting the streets or district for which the bid is made, and the diameter of the carbon electrodes to be used in such lamps.

The bidders are required to write out the amount of their bids in their estimates, in addition to inserting the same in figures.

Should any alteration or any attachment be required to any portion of the lamps for which estimates are made in consequence of the use of illuminating material other than gas, then such alteration shall be done and such attachment placed on the lamps without expense to the city.

The number of hours the lamps are to be kept burning during the contract is 3,240 hours.

The amount of security required on any contract which will amount to \$400,000 and upwards shall be \$150,000; on any contract which will amount to \$300,000 and less than \$400,000, shall be \$125,000; on any contract which will amount to \$200,000 and less than \$300,000, shall be \$100,000; on any contract which will amount to \$100,000 and less than \$200,000, shall be \$75,000; on any contract which will amount to \$80,000 and less than \$100,000, shall be \$60,000; on any contract which will amount to \$60,000 and less than \$80,000, shall be \$40,000; on any contract which will amount to \$40,000 and less than \$60,000, shall be \$20,000; on any contract which will amount to \$20,000 and less than \$40,000, shall be \$10,000; on any contract which amounts to less than \$10,000, shall be \$5,000.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The award of any contract, if awarded, will be made as soon as practicable after the opening of the bids.

Should the person or persons to whom any contract is so awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or estimate, or if he accept, but does not execute the contract and give the proper security, it may be readvertised and relet as provided by law and ordinance.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Mayor, Comptroller, and Commissioner of Public Works.

The right is also reserved, whatever may be the illuminating material named in the estimate, when an estimate is made containing bids for lamps in one or more streets, avenues, piers, parks, or places, to accept from such estimate or bid so much thereof as may be the lowest per lamp in any one or more of such streets, avenues, piers, parks or places, and to reject the remainder of such estimate or bid which may not be the lowest as aforesaid. The contract for lamps in any particular street, avenue, pier, park or place, will be awarded, if awarded, to the lowest bidder per lamp in such particular street, avenue, pier, park or place.

The right is also reserved to determine and designate in any locality, after the estimates are opened, what illuminating material shall be used in the public lamps, or any number of them, in such locality, during the period above mentioned; also upon such determination, to decline any estimate or part thereof for lighting such locality with illuminating material other than that so determined upon. Also to decline all estimates if deemed for the best interests of the city. No estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

If the estimate of any bidder shall include any lamps with which the pipes or conductors of such bidder are not connected at the time of making the bid, and a contract for furnishing the illuminating material for and lighting, extinguishing, cleaning, repairing, and maintaining any such lamps, shall be awarded to such bidder, in that case, thirty days from the date of the execution of such contract, and such further time not exceeding thirty days, as may be deemed reasonable by the Commissioner of Public Works, shall be allowed to such bidder in which to connect such pipes or conductors with such lamps, and all such connections shall be made by the party of the second part without expense to the city.

But no payment to such bidder, on account of any such lamps, will be made for the time so allowed, nor until the same shall have been connected with the mains or conductors of such bidder, nor except for the time during which all the requirements herein mentioned shall have been fully performed.

Blank forms of estimates can be obtained on application at the office of the Commissioner of Public Works.
