Whereas, There are now pending in the Legislature six certain bills, viz., Nos. 214, 215, 216, 217, 219, and 221, all relating to the local government of this city, which bills have already passed the Senate; and

Whereas, Some of the results of the passage of said bills would be to prevent necessary public improvements, to strip the Common Council of the most important of its few remaining powers, to impede the administration of justice, to prevent the necessary repair of sewers, and the proper distribution of Croton water, thereby endangering the public health, and to unnecessarily increase the already excessive powers of the Comptroller; and

Whereas, It has long been the acknowledged right and duty of the Common Council, as the direct representatives of the people, to speak to the Legislature in their behalf; now, therefore,

Resolved, That we, the Common Council of the City of New York, in the name of the people thereof, do most solemnly protest against the passage of any and all of the bills above referred to, because calculated to seriously injure the best interests of the city and retard its growth and prosperity.

Resolved, That the Clerk of the Common Council be and he is hereby instructed to transmit a copy of the foregoing preamble and resolution to the President of the Senate and the Speaker of the Assembly.

Adopted by the Board of Aldermen, April 22, 1875.
