1) Citywide Hotels Text Amendment (N 210406 ZRY)

An application by the New York City Department of City Planning (DCP) for a citywide action, affecting all boroughs and community districts, to require a special permit for new hotels. The proposed City Planning Commission (CPC) Special Permit would establish a case-by-case, site-specific review process to better regulate where and how hotels are built and ensure that new hotels do not create conflicts with surrounding uses. It would also replace existing CPC special permits for new hotels and enlargements in C1 (except for C1-1, C1-2, C1-3 or C1-4 Districts), C2-4, C4, C5, C6, C8, Mixed Use (MX), and paired M1/R districts, where hotels are currently permitted as-of-right.

2) Gowanus Canal CSO Facility - Owls Head and Douglass Street Demapping (200319 PCK, 200321 PSK, 200320 MMK, 180039 MMK)

An application submitted by the New York City Department of Environmental Protection (DEP), the New York City Department of Sanitation (DSNY), and the New York City Department of Citywide Administrative Services (DCAS) for the following actions:

- (1) Site selection of a property located at 2 Second Avenue in Brooklyn Community District 6 (CD 6) for use as a combined sewer overflow (CSO) control facility
- (2) Site selection and acquisition of property located at 110 Fifth Street, 122 Fifth Street, 22 Second Avenue, Fifth Street and 2 Second Avenue for DSNY salt and equipment storage, environmental education activities and additional space as needed for the CSO control facility
- (3) An amendment to the City Map involving the elimination of:
 - 1. Douglass Street between Nevins Street and the Gowanus Canal, and the adjustment of grades and block dimensions, as necessary, in accordance with Map No. N-2752 dated July 2, 2019, and signed by the Brooklyn borough president
 - 2. Fifth Street between Second Avenue and the Gowanus Canal the adjustment of grades and block dimensions as necessary in accordance with Map No. X-2758 dated May 3, 2021, and signed by the Brooklyn borough president

3) Brooklyn Navy Yard Master Plan (210462 ZMK N210463 ZRK)
 An application submitted by Building 77 QALICB, Inc. together with the New York City Department of Small Business Services (SBS), for the following actions:

- (1) A zoning text amendment to create the Special Brooklyn Navy Yard District with special use, bulk, parking and loading, and publicly accessible space regulations
- (2) A zoning map amendment to map the Special District over the entirety of Tax Lots 1 and 150 and rezone part or all of the existing R6B, M1-2, and M3-1 districts within the Project Area to M2-1

The requested actions would guide the future development of a modern manufacturing campus at the Brooklyn Navy Yard, which is expected to grow by approximately 4.6 million square feet (sq. ft.) in the next 10 to 15 years. Specifically, the proposed regulations would rationalize parking and loading controls; permit compatible community facility and commercial uses to complement core industrial uses, and establish public access area requirements in connection with development in certain areas of the Yard. Finally, the rules would introduce modified bulk, height, and setback controls compatible with modern industrial development and the Yard's surrounding context in Brooklyn Community District 2 (CD 2).

4) 506 Third Avenue (210119 ZMK N 210120 ZRK)

An application submitted by PAB 3rd Avenue Holdings, LLC for zoning map and text amendments affecting Block 1020, Lots 34-36, 39, 40-45, and Block 1026, Lots 32-37, 40, and 42 in Brooklyn Community District 6 (CD 6). The proposed zoning map amendment would change an M2-1 district to C4-4A to facilitate a new 18,000 sq. ft. five-story commercial office development at 506 Third Avenue and the enlargement of 530 Third Avenue to a six-story, 39,638 commercial building, with approximately 10,000 sq. ft. of ground-floor retail. The zoning text amendment would create a Mandatory Inclusionary Housing (MIH) area coterminous with the affected properties. No parking would be required or provided under the proposed C4-4A district.

5) 1045 Atlantic Avenue (210276 ZMK, 210277 ZRK)

An application submitted by Atlantic Brooklyn LLC for zoning map and text amendments affecting an approximately 44,000 sq. ft. assemblage on the south side of Atlantic Avenue between Classon and Franklin avenues in Brooklyn Community District 3 (CD 3). The zoning map amendment would change the project area from an M1-1 to a C6-A district. The zoning text amendments would establish an MIH area coterminous with the rezoning boundary and permit the applicant to widen the sidewalk fronting the proposed development. The requested actions would enable a 17-story building with 426 dwelling units, of which 126 would be affordable pursuant to MIH Options 2 and 4. The development would provide approximately 63,000 sq. ft. of commercial uses on the first and second floors, and 152 parking spaces in the cellar.

ARTICLE III COMMERCIAL DISTRICT REGULATIONS

Chapter 2 Use Regulations

32-00 GENERAL PROVISIONS

32-02 Special Provisions for Hotels

#Transient hotels#, as listed in Section 32-14 (Use Group 5), and #motels#, #tourist cabins# or #boats#, as listed in Section 32-16 (Use Group 7A), shall be subject to the special provisions of this Section. For the purposes of this Section, #transient hotels# shall include #motels#, #tourist cabins# and #boats#.

In all Districts, #transient hotels# shall be permitted only as set forth in this Section.

- (a) Applicability
 A special permit for #transient hotels#, by the City Planning Commission, pursuant to Section 74-802 (Transient hotels within Commercial Districts) shall be applicable to:
 - (1) the #development# of a #transient hotel#;
 - (2) a change of #use# or #conversion# to a #transient hotel#, or an #enlargement#, containing a #transient hotel#, of a #building# that, as of [date of adoption], did not contain such #use#; or
 - (3) an #enlargement# or #extension# of a #transient hotel# that existed prior to [date of adoption], that increases the #floor area# of such #use# by 20 percent or more.
- (b) Exclusions

Notwithstanding the above, the provisions of this Section shall not apply to the following:

- (1) a #transient hotel# operated exclusively for the public purpose of temporary housing assistance by the City or State of New York, or operated by a non-governmental entity pursuant to an active contract or other written agreement with an agency of the City or State specifying such public purpose;
- (2) where an application for a project containing a #transient hotel# has been filed at the Board of Standards and Appeals before [date of adoption] and such application has been approved after January 1, 2018, provided that:
 - (i) such #transient hotel# was considered in such application, as evidenced by its description or assessment at a specified location in a land use application or in environmental review documents; and
 - (ii) in the event that a temporary or final certificate of occupancy has not been issued by [six years after date of adoption], the building permit shall automatically lapse and the right to continue construction shall terminate. An application to renew the building permit may be made to the Board of Standards and Appeals not more than 30 days after the lapse of such building permit pursuant to the applicable provisions of Section 11-332 (Extension of period to complete construction); or
- (3) where an application for a project containing a #transient hotel# has been certified by the City Planning Commission before [date of adoption] and has been approved by the Commission after January 1, 2018, provided that:
 - (i) such #transient hotel# was considered in such application, as evidenced by its description or assessment at a specified location in a land use application or in environmental review documents; and
 - (ii) in the event that a temporary or final certificate of occupancy has not been issued by [six years after date of adoption], the building permit shall automatically lapse and the right to continue construction shall terminate. An application to renew the building permit may be made to the Board of Standards and Appeals not more than 30 days after the lapse of such building permit pursuant to the applicable provisions of Section 11-332. For such applications where a special permit for a #transient hotel# has been certified by the Commission pursuant to a #Special Purpose District#, such application may continue pursuant to the regulations and term of years proposed or in effect at the time such special permit was certified by the Commission.

(c) Existing hotels

- (1) Any #transient hotel# existing on [date of adoption] shall be considered a conforming #use# and may be continued, structurally altered, #extended# or #enlarged# subject to the limitations set forth in this Section and subject to the applicable #bulk# regulations. However, if for a continuous period of two years such #transient hotel# is discontinued, the space allocated to such #transient hotel# shall thereafter be used only for a conforming #use# other than a #transient hotel#, or may be utilized for a #transient hotel# only if the Commission grants a special permit for such #use# in accordance with the provisions of Section 74-802 or other applicable section of this Resolution.
- (2) The provisions of paragraph (c)(1) of this Section shall be modified up to [six years after date of adoption] to allow a #transient hotel# existing on [date of adoption] to be restored to such #use# regardless of more than two years of discontinuance of the #use#, and regardless of any change of #use# between [date of adoption] and [six years after date of adoption].
- (3) In the event a casualty damages or destroys a #transient hotel# that was in such #use# as of [date of adoption], such #building# may be reconstructed and used as a #transient hotel# without obtaining a special permit. A #non-complying building# may be reconstructed pursuant to Section 54-40 (DAMAGE OR DESTRUCTION IN NON-COMPLYING BUILDINGS).

(d) Vesting regulations

The provisions of Section 11-30 (BUILDING PERMITS ISSUED BEFORE EFFECTIVE DATE OF AMENDMENT) regarding the right to continue construction shall apply. As an alternative, the following provisions shall apply.

- (1) If, on or before [date of referral], an application for a #development#, #enlargement# or #conversion# to a #transient hotel# has been filed with the Department of Buildings, and if, on or before [date of adoption], the Department of Buildings has approved an application for a foundation, a new #building# or an alteration based on

a complete zoning analysis showing zoning compliance for such #transient hotel#, such application may be continued, and construction may be started or continued. The application may be revised and retain vested status, provided that the #floor area# for the #transient hotel# is not increased beyond the amount approved.

- (2) However, in the case of an application for a #development#, #enlargement# or #conversion# to a #transient hotel# that has been filed with the Department of Buildings prior to January 1, 2018 and has not received a permit contingent on zoning approval on or before [date of adoption], the provisions of paragraph (d)(1) of this Section shall not apply. In lieu thereof, the provisions of this paragraph shall apply. For such applications, if, on or before [date of adoption] a permit contingent on zoning approval was lawfully issued by the Department of Buildings, such construction may be started or continued.

In the event that a temporary or final certificate of occupancy has not been issued by [six years after date of adoption], the building permit shall automatically lapse and the right to continue construction shall terminate. An application to renew the building permit may be made to the Board of Standards and Appeals not more than 30 days after the lapse of such building permit pursuant to the applicable provisions of Section 11-332 (Extension of period to complete construction).

74-802 In M1-6D Districts

In M1-6D Districts, in areas that have not met the residential development goal set forth in paragraph (a) of Section 42-483 (Commercial uses), the City Planning Commission may permit #developments# or #enlargements# of #transient hotels# with greater than 100 sleeping units on #zoning lots# where #residential use# is permitted as-of-right, in accordance with Section 42-481 (Residential use), provided the Commission finds that:

(b) the site plan demonstrates that the proposed #street wall# location and the design and landscaping of any area of the #zoning lot# between the #street line# and all #street walls# of the #building# and their prolongations will result in a site design that does not impair the character of the existing streetscape;
(c) such #use# will not cause undue vehicular or pedestrian congestion on local #streets# or unduly inhibit vehicular or pedestrian movement or loading operations; and

81-62 Special Use Provisions

81-621 Special provisions for transient hotels

Within the East Midtown Subdistrict, as shown on Map 1 (Special Midtown District and Subdistricts) in Appendix A of this Chapter, the #development# of a #building# containing a #transient hotel#, as listed in Use Group 5, or the #conversion# or change of #use# within an existing #building# to a #transient hotel#, shall only be allowed by special permit of the City Planning Commission pursuant

to the provisions of this Section. In addition, in Subareas other than the Vanderbilt Corridor, as shown on Map 2 (Special East Midtown District and Subareas), the #enlargement# of a #building# containing a #transient hotel# shall only be allowed by special permit of the City Planning Commission pursuant to the provisions of this Section.

However, in the event a casualty damages or destroys a #building# within the East Midtown Subdistrict that was used as a #transient hotel# as of May 27, 2015, in the Vanderbilt Corridor Subarea or on August 9, 2017, in other Subareas, such #building# may be reconstructed and used as a #transient hotel# without obtaining a special permit, provided the #floor area# of such reconstructed #building#, less the #floor area# of any other #buildings# on the #zoning lot# does not exceed the applicable basic maximum #floor area ratio# for the #zoning lot# set forth in Section 81-60, inclusive. #Transient hotels# existing on May 27, 2015 within the Vanderbilt Corridor Subarea or on August 9, 2017, in other Subareas, shall be considered conforming #uses#.

To permit such a #transient hotel#, the Commission shall find that such #transient hotel# will:

- (a) be appropriate to the needs of businesses in the vicinity of the East Midtown area; and
- (b) provide on-site amenities and services that will support the area's role as an office district. Such business-oriented amenities and services shall be proportionate to the scale of the #transient hotel# being proposed, and shall include, but shall not be limited to, conference and meeting facilities, and telecommunication services.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

However, after August 9, 2017, #development# of a #building# containing a #transient hotel# shall be permitted under the regulations which were in effect prior to August 9, 2017, if a new building application for such #development# was filed at the Department of Buildings after June 9, 2016, and a partial permit for such application was issued by the Department of Buildings on or prior to July 20, 2017, and a temporary certificate of occupancy for the entire #building# has been granted prior to January 31, 2020. In the event that such temporary certificate of occupancy has not been granted prior to such date, and an application is filed prior to such date, pursuant to this Section, with the Board of Standards and Appeals, the Board may permit the new building permit to be renewed for a term of one year upon the following findings:

- (1) that the applicant has been prevented from completing such construction by hardship or circumstances beyond the applicant's control;
- (2) that the applicant has not recovered all or substantially all of the financial expenditures incurred in construction, nor is the applicant able to recover substantially all of the financial expenditures incurred through development that conforms and complies with any applicable amendment to this Resolution; and
- (3) that there are no considerations of public safety, health and welfare that have become apparent since the issuance of the permit that indicate an overriding benefit to the public in enforcement of the special permit provisions of this Section. In the event that the Board permits the renewal, the temporary certificate of occupancy shall be obtained by no later than January 31, 2021.

NOTICE

On Wednesday, July 14, 2021, a public hearing is being held by the City Planning Commission (CPC), accessible both in person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). The Proposed Action is a zoning text amendment to require a CPC special permit for new and enlarged transient hotels (Use Group 5) and motels, tourist cabins, and boatels (Use Group 7). The new CPC special permit would replace existing special permits for hotels in Special Purpose Districts. These include the Inwood, Jerome Avenue, East Harlem, Midtown, Garment Center, Hudson Square, 125th Street, Clinton, and Tribeca Special Purpose Districts. It would also require a CPC special permit citywide for new hotels and enlargements in C1 (except for C1-1, C1-2, C1-3 or C1-4 Districts), C2, C4, C5, C6, C8, Mixed Use (MX), and paired M1/R districts. This is the "Area of Applicability" for the Proposed Action. The proposed text amendment would retain existing findings and regulations for hotels in M1 districts where a special permit was adopted in December 2018. The Proposed Action would also retain provisions adopted in the 2018 text amendment to exempt hotels in M1 districts operated for a public purpose. The proposed zoning text amendment would affect every community district within the City, since all community districts contain zoning districts that currently permit as-of-right hotel development, either in the form of commercial (C) districts or mixed-use (MX) districts. In addition, since changes to discontinuance provisions described below may apply to existing commercial hotels that are closed on the date of enactment and could apply in all districts citywide, the action has the potential to affect all community districts.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through Monday, July 26, 2021.

For instructions on how to submit comments and participate remotely in the hearing, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 21DCP111Y.

PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)
 Office of the Criminal Justice Coordinator (CJC)

06821N0094-CASII TOOLS - Negotiated Acquisition/Pre-Qualified List - PIN#06821N0094 - Due 7-21-21 at 2:00 P.M.

The Administration for Children's Services (ACS) intends to enter into negotiations with AMERICAN ACADEMY OF CHILD & ADOLESCENT PSYCHIATRY to acquire the New York State-specified assessment tool. This evidence-based tool will support ACS's decisions in making appropriate Level of Care determinations. In accordance with Section 3-04(b)(2)(ii) of the Procurement Policy Board Rules, ACS intends to use the negotiated acquisition process to enter into a 35 - month contract from August 1, 2021 through June 30, 2024, with an option to renew for an additional 3-years. Organizations interested in future solicitations for these services, are invited to do so by registering the NYC Mayor's Office of Contract Services (MOCS) PASSPort system. To register with PASSPort, please go to www.nyc.gov/PASSPort. There you will find additional guides to assist you with the registration process.

In order to comply with the Federal requirements of the Family First Prevention Services Act (FFPSA) which NYS will implement on September 29, 2021, ACS sought an evidence-based assessment tool to ensure that placements are appropriately evaluated. Out of the 2 assessment tools approved by the NYS Office of Child and Family Services (OCFS), ACS selected the Child and Adolescent Services Intensity Instrument (CASII) developed by the American Academy of Child and Adolescent Psychiatry. Due to time constraints involved with having the tool in place to ensure compliance with FFPSA by the September 29 implementation date, competitive sealed bidding is not practicable. Competitive sealed bidding is also not practicable due to there only being 2 assessment tools approved by OCFS that jurisdictions can select for evaluating foster care placements (see attached NA justification).

05621Y0023-CALIFORNIA PSYCHOLOGICAL INVENTORY (CPI) EXAM AUTHORIZATIONS - Request for Information - PIN# 05621Y0023 - Due 7-20-21 at 2:00 P.M.

Pursuant to Section 3-05 of the NYC Procurement Policy Board Rules, It is the intent of the New York City Police Department ("NYPD") to enter into sole source negotiations with Johnson, Roberts and Associates, Inc., located at 2601C Blanding Avenue, #109, Alameda, CA 94501, with the expectation that they will be awarded a five-year contract with the NYPD for the provision of California Psychological Inventory (CPI) Personality Assessment Test and CPI Exam Authorization. The CPI is the California Psychological Inventory, an objective personality assessment measure used in Pre-employment suitability evaluations.

The CPI is part of the NYPD's standard written testing assessment battery that is utilized in conducting the pre-employment suitability evaluations for candidates applying to become Police Officers or Cadets with NYPD. This measure has been part of the NYPD testing battery for over a decade. The CPI exam "authorization" is the term used for generating the score reports. Basically, the process that is followed is that candidates complete the CPI via a scantron sheet using the test booklet. The scantron sheet is electronically scored using a software program which then generates an interpretive test score report. Each score report generated uses up to one authorization.

The NYPD purchases the CPI materials (test booklets, scantron sheets) and the authorization (score reports). It is the NYPD's belief that Johnson, Roberts and Associates, Inc., holds the exclusive license to sell the California Psychological Inventory (CPI) Personality Test and the Exam Authorization software. Any vendor besides Johnson, Roberts and Associate, Inc., that believes they can provide these same products for Police candidates and or other public safety positions may express interest in writing to NYPD Contract Administration Procurement Division, 90 Church Street, Room 1206, New York, NY 10007 or email at Contracts@nypd.org. INTENT TO ENTER INTO an Amendment to the Agreement between Parks, RIPA and Sportime for the construction, expansion, renovation, operation, maintenance and management of a year-round tennis facility at Randall's Island Park, Manhattan. The Amendment, among other things, extends the Construction Period Deadline, as defined in such Amendment, to complete the Phase II Capital Improvements, as defined in Exhibit D2 of the Agreement, in order to account for the effects of and delays related to Sportime's mandated closure due to the COVID-19 pandemic, as well as to address a phased construction schedule which is designed to ensure that periods during which fewer than twenty (20) courts are available to the general public for play, and other interruptions to the operation of the tennis facility, are substantially limited.

Compensation is as follows:

In the event of such election, the Termination Date, as defined in Section 3.1 of the Agreement, shall be 24 years from the Phase II Commencement Date, defined in Section 2.1 (r) of the Agreement, or upon the sooner termination of this Agreement, pursuant to its terms, and, in such case, the fees due and payable to RIPA shall be amended as follows.
