DEPARTMENT OF PUBLIC PARKS,  
36 UNION SQUARE,  
NEW YORK, September 25, 1882.

## POLICE UNIFORMS.

PROPOSALS, IN SEALED ENVELOPES, WILL  
be received at the office of the Department of Public  
Parks, No. 36 Union Square, New York City, until Wed-  
nesday, the 11th day of October, 1882, at the hour of  
half-past nine o'clock A. M., when they will be publicly  
opened and read, for furnishing uniforms for the Police  
Force of the Department.

The number and kind of uniforms required is as fol-  
lows:

83 uniform overcoats for winter wear.  
83 pairs of uniform pants for winter wear.  
The material to be of the best quality heavy weight  
West Point Cadet grey mixed cloth.

The time for the completion of the work of furnishing  
said uniforms will be thirty days (30) after the date of the  
contract.

The amount of security required is \$1,000.  
Each proposal must state, both in figures and in writing,  
a price for each article of uniform, and must be accom-  
panied by two samples of the cloth proposed to be  
furnished.

Bidders are required to state in their proposals their sev-  
eral names and places of residence, the names of all persons  
interested with him or them therein, and if no other person  
be so interested, they shall distinctly state that fact; also  
that the bid is made without any connection with any  
other person making any estimate for the same purpose,  
and that it is in all respects fair, and without collusion or  
fraud; and also that no member of the Common Council  
Head of a Department, Chief of a Bureau, Deputy thereof,  
or Clerk therein, or other officer of the Corporation, is  
directly or indirectly interested in said proposal or esti-  
mate, or in the work or supplies to which it relates, or in  
any portion of the profits thereof; which proposals must  
be verified by the oath, in writing, of the party or parties  
making the estimate, that the several matters stated there-  
in are in all respects true. *Where more than one person  
is interested, it is requisite that the verification be made  
and subscribed by all the parties interested.*

Each proposal or estimate shall be accompanied by the  
consent, in writing, of two householders or freeholders of the  
City of New York, with their respective places of business  
or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for its  
faithful performance; and that if he shall omit or refuse  
to execute the same, they will pay to the Corporation any  
difference between the sum to which he would be entitled  
on its completion, and that which the Corporation may be  
obliged to pay to the person or persons to whom the con-  
tract may be awarded at any subsequent letting; the  
amount in each case to be calculated upon the estimated  
amount of the work by which the bids are tested. The  
consent above-mentioned shall be accompanied by the  
oath or affirmation, in writing, of each of the persons sign-  
ing the same that he is a householder or freeholder in the  
City of New York, and is worth the amount of the security  
required for the completion of this contract, over and  
above all his debts of every nature, and over and above  
his liabilities, as bail, surety, or otherwise; and that he  
has offered himself as a surety in good faith and with the  
intention to execute the bond required by section 27 of  
chapter 8 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the person or  
persons for whom he consents to become surety. The  
adequacy and sufficiency of the security offered to be ap-  
proved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-  
panied by either a certified check upon one of the national  
banks of the City of New York, drawn to the order of the  
Comptroller, or money, to the amount of five per centum  
of the amount of the security required for the faithful  
performance of the contract. Such check or money must

MISSIONER OF PUBLIC WORKS RESERVES THE  
RIGHT TO LIMIT THE AMOUNT OF SAID WORK,  
SO THAT IN ANY CASE THE QUANTITY TO BE  
DONE SHALL NOT EXCEED ABOUT 4,700 SQUARE  
YARDS OF PAVEMENT AND 1,400 SQUARE FEET

Each estimate must contain the name and place of resi-  
dence of the person making the same, the names of all  
persons interested with him therein, and if no other person

all respects fair and without collusion or fraud. That no  
member of the Common Council, head of a department,  
chief of a bureau, deputy thereof, or clerk therein, or  
other officer of the Corporation is directly or indirectly

Each estimate must be verified by the oath, in writing,  
of the party making the same, that the several matters  
therein stated are true, and must be accompanied by the  
consent, in writing, of two householders or freeholders in  
the City of New York, to the effect that if the contract is  
awarded to the person making the estimate, they will,

the contract shall be awarded at any subsequent letting;  
the amount to be calculated upon the estimated amount  
of the work by which the bids are tested.

The consent last above mentioned must be accompanied  
by the oath or affirmation, in writing, of each of the per-  
sons signing the same, that he is a householder or free-  
holder in the City of New York, and is worth the amount  
of the security required for the completion of the con-  
tract, over and above all his debts of every nature, and  
over and above his liabilities as bail, surety, or otherwise,  
and that he has offered himself as surety in good faith,  
with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by  
either a certified check upon one of the national banks of  
the City of New York, drawn to the order of the Com-

amount of the security required for the faithful perform-

inclosed in the sealed envelope containing the estimate,  
but must be handed to the officer or clerk of the

neglect or refusal; but if he shall execute the contract  
within the time aforesaid, the amount of his deposit will  
be returned to him.

— or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9.30 o'clock a. m., of Friday, September 29, 1882. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Flour, Groceries, Dry Goods, etc.," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.  
Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated New York, September 16, 1882.

PAVING THE SAME WITH GRANITE  
BLOCKS AND LAYING CROSS-WALKS.

**ESTIMATES FOR REMOVING ALL OF THE**  
existing plank roadways, paving, earth, etc., from  
the newly-made land extending from about the southerly  
side of Pier New 38, to about fifty feet northerly of  
Pier New 41, North River, and for paving the same with gran-  
ite blocks and for laying cross-walks, will be received by  
the Board of Commissioners at the head of the Depart-  
ment of Docks, at the office of said Department, Nos.  
117 and 119 Duane street, in the City of New York,  
until 12 o'clock M. of

MONDAY, OCTOBER 2, 1882,

at which time and place the estimates will be publicly  
opened by the head of said Department. The award of  
the contract, if awarded, will be made as soon as prac-  
ticable after the opening of the bids.

Any person making an estimate for the work shall fur-  
nish the same in a sealed envelope to said Board, at said  
office, on or before the day and hour above named, which  
envelope shall be endorsed with the name or names of the  
person or persons presenting the same, the date of its  
presentation, and a statement of the work to which it  
relates.

The bidder to whom the award is made shall give se-  
curity for the faithful performance of the contract, in the  
manner prescribed and required by ordinance, in the sum  
of Twenty Thousand Dollars.

The Engineer's estimate of the quantities and extent  
of the work, is as follows:

5,300 cubic yards of dirt to be removed.  
4,000 cubic yards of clean sand to be laid.  
1,080 cubic yards of gravel for joints.  
17,400 square yards of paving to be laid.  
5,700 square feet of cross-walks to be laid.  
75,360 gallons of paving cement.  
355 cubic feet of brickwork.  
40 square feet of blue-stone, 4" thick.  
25 linear feet of 12-inch heavy cast-iron pipe.  
2,900 pounds of cast-iron for heads of silt basins.  
1,875 square feet of old paving to be removed and  
placed at the disposal of the lessee of Pier  
New 38, N. R.  
135 cubic yards of broken stone to be removed.  
39,500 square feet of plank roadway and walks to be  
removed.

N. B.—As the above-mentioned quantities, though  
stated with as much accuracy as is possible, in advance,  
are approximate only, bidders are required to submit their  
estimates upon the following express conditions, which  
shall apply to and become part of every estimate received:  
1st. Bidders must satisfy themselves, by personal ex-  
amination of the location of the proposed work, and by  
such other means as they may prefer, as to the accuracy  
of the foregoing Engineer's estimate, and shall not, at  
any time after the submission of an estimate, dispute or  
complain of the above statement of quantities, nor assert  
that there was any misunderstanding in regard to the  
nature or amount of the work to be done.

2d. Bidders will be required to complete the entire  
work to the satisfaction of the Department of Docks,  
and in substantial accordance with the specifications of  
the contract, and the plans therein referred to. No extra  
compensation beyond the amount payable for the work  
before mentioned, which shall be actually performed, at  
the price therefore to be specified by the lowest bidder,  
shall be due or payable for the entire work.

The work to be done under the contract is to be com-  
menced within five days after the date of the contract,  
and the entire work is to be fully completed on or before  
the 20th day of December, 1882, and the damages to be  
paid by the contractor for each day that the contract may  
be unfulfilled after the time fixed for the fulfillment thereof  
has expired, Sundays and holidays not to be excepted, are,  
by a clause in the contract, fixed and liquidated at Fifty  
Dollars per day.

All the old material taken from the said existing plank  
roadways, and the broken stone to be removed under  
this contract, will be relinquished to the contractor, and

the bidders must estimate the value of such material  
when considering the price for which they will do the  
work under the contract.

Bidders will state in their estimates a price for the  
whole of the work to be done, in conformity with  
the approved form of agreement, and the specifications  
therein set forth, by which price the bids will be  
tested. This price is to cover all expenses of  
every kind involved in or incidental to the fulfillment  
of the contract, including any claim that may arise  
through delay, from any cause, in the performing of the  
work thereunder.

Bidders will distinctly write out, both in words and  
in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be  
awarded will be required to attend at this office with the  
sureties offered by him or them, and execute the contract  
within five days from the date of a service of a notice to  
that effect; and in case of failure or neglect so to do, he  
or they will be considered as having abandoned it, and as  
in default to the Corporation, and the contract will be  
readvertised and relet, and so on until it be accepted and  
executed.

Bidders are required to state in their estimates their  
names and places of residence, the names of all persons  
interested with them therein; and if no other person be so  
interested, the estimate shall distinctly state the fact; also  
that the estimate is made without any connection with any  
other person making an estimate for the same work,  
and that it is in all respects fair, and without collusion or  
fraud; and also that no member of the Common Council,  
head of a department, chief of a bureau, deputy thereof,  
or clerk therein, or other officer of the Corporation, is  
directly or indirectly interested therein, or in the supplies  
or work to which it relates, or in any portion of the profits  
thereof; which estimate must be verified by the oath, in  
writing, of the party making the estimate, that the several  
matters stated therein are in all respects true. Where  
more than one person is interested, it is requisite that  
the verification be made and subscribed to by all the parties  
interested.

Each estimate shall be accompanied by the consent, in  
writing, of two householders or freeholders of the City of  
New York, with their respective places of business or  
residence, to the effect that if the contract be awarded to  
the person or persons making the estimate, they will, on  
its being so awarded, become bound as his or their sureties  
for its faithful performance; and that if said person or  
persons shall omit or refuse to execute the contract, they  
will pay to the Corporation of the City of New York, any  
difference between the sum to which said person or per-  
sons would be entitled on its completion, and that which  
said Corporation may be obliged to pay to the person or  
persons to whom the contract may be awarded at any  
subsequent letting; the amount in each case to be calcu-  
lated upon the estimated amount of the work to be done,  
by which the bids are tested. The consent above mentioned,  
shall be accompanied by the oath or affirmation, in writing,  
of each of the persons signing the same, that he is a  
householder or freeholder in the City of New York, and  
is worth the amount of the security required for the  
completion of the contract, over and above all his  
debts of every nature, and over and above his liabilities as  
debtor, surety, and otherwise; and that he has offered himself  
in good faith, and with the intention to execute the  
bond required by law. The adequacy and sufficiency  
of the security offered will be subject to approval by the  
Comptroller of the City of New York, after the award  
is made and prior to the signing of the contract.

No estimate will be received or considered unless  
accompanied by either a certified check upon one of  
the national banks of the City of New York, drawn to the  
order of the Comptroller, or money, to the amount of  
five per centum of the amount of security required  
for the faithful performance of the contract. Such check  
or money must not be included in the sealed envelope con-  
taining the estimate, but must be handed to the officer or  
clerk of the Department who has charge of the Estimate-  
box, and no estimate can be deposited in said box  
until such check or money has been examined by said  
officer or clerk and found to be correct. All such deposits,  
except that of the successful bidder, will be returned by  
the Comptroller to the persons making the same within  
three days after the contract is awarded. If the successful  
bidder shall refuse or neglect, within five days after notice  
that the contract has been awarded to him, to execute the same, the amount of the  
deposit made by him shall be forfeited to and retained  
by the City of New York as liquidated damages for such  
neglect or refusal; but if he shall execute the contract  
within the time aforesaid, the amount of his deposit will  
be returned to him by the Comptroller.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless under the written in-  
structions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded  
to, any person who is in arrears to the Corporation, upon  
debt or contract, or who is a defaulter, as surety or  
otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, it  
deemed for the interest of the Corporation of the City of  
New York.

Bidders are requested, in making their bids or estimates,  
to use the blank prepared for that purpose by the De-  
partment, a copy of which, together with the form of the  
agreement, including specifications, and showing the man-  
ner of payment for the work, can be obtained upon appli-  
cation therefor at the office of the Department.

WILLIAM LAIMBEER,  
JACOB VANDERPOEL,  
JOHN R. VOORHIS,  
Commissioners of the Department of Docks.

### NOTICE.

DEPARTMENT OF DOCKS,  
Nos. 117 AND 119 DUANE STREET,  
NEW YORK, April 22, 1882.

**RULES AND REGULATIONS ESTABLISHED**  
for the government and proper care of piers, bulk-  
heads, slips, and other wharf property, under the pro-  
visions of subdivision 7 of section 6 of chapter 574 of the  
Laws of 1871, by the Board of the Department of Docks,  
and published, to take effect on and after

MAY 1, 1882.

The said subdivision 7, among other things, provides as  
follows:

"The violation of or disobedience to any rule, regula-  
tion, or order of said Board shall be a misdemeanor,  
punishable by a fine not exceeding five hundred dollars,  
or by imprisonment not exceeding thirty days, or by both  
such fine and imprisonment, on complaint of said  
Board."

And every person guilty of a violation of or  
disobedience to any of the following rules or  
regulations, in addition to the penalties thereby  
fixed and imposed, to be recovered in civil actions,  
is liable to be prosecuted for a misdemeanor and to  
be punished by such fine and imprisonment, or by both.

No. 1.—No piles shall be driven, nor shall any platform  
be erected, nor shall any filling-in of any kind be made on  
any part of the water-front of the city, without a written  
permit therefor being first had and obtained from the  
Board, under a penalty of two hundred and fifty dollars,  
for every such offense, to be recovered from the owner,  
lessee, or occupant of any pier or bulkhead, or of any  
water-front property or right, who shall cause or permit  
any such work to be done upon his premises before such  
permit therefor has been obtained, and under the further  
penalty of fifty dollars for each and every day which  
shall elapse before any piles so driven, or platform  
so erected, or material so filled-in, without such permit  
being first obtained, shall be removed, after the expira-  
tion of the time which may be allowed for such removal,  
by a notice served upon such owner, lessee, or occupant,  
by the Corporation Wharfing for the district, to be  
also recovered from such owner, lessee, or occupant.

No. 2.—No shed, building, office, tally-house, or other  
structure shall be erected, nor shall any derrick, hoist-  
ing-mast, coal-hopper, sign, or advertising device, or  
other erection or obstruction of any kind be placed or

maintained upon any pier, bulkhead, or other wharf  
structure, nor upon any reclaimed land, without a writ-  
ten permit therefor being first had and obtained from the  
Board; and if the owner, lessee, or occupant of any such  
premises, or the owner, lessee, or agent of any such  
structure, erections, or obstructions, shall fail to comply  
with a notice served by the Corporation Wharfing for the  
district to remove any such structure, erection, or  
obstruction, after the expiration of the time allowed by  
such notice for the removal, such owner, lessee, occu-  
pant or agent, shall forfeit and pay a penalty of twenty-  
five dollars per day for each and every day, which shall  
elapse before any such structure, erection or obstruction,  
shall be removed, after the expiration of the time for the  
removal thereof specified in said notice.

No. 3.—No cargo shall be discharged from any vessel  
upon any bulkhead or wharf structure, at which such  
vessel is being unladen, after service by the Corporation  
Wharfing for the district, upon the owner, consignee,  
master, or other officer, or stevedore, of such vessel, of a  
notice that such bulkhead or structure will be endangered  
by the placing of additional cargo thereon, under a pen-  
alty of two hundred and fifty dollars for every such  
offense, and a further penalty equal in amount to the  
damages of every description which shall be caused by  
the further discharging of cargo upon such bulkhead or  
wharf structure, after the service of the said notice, both  
of such penalties to be recovered from such owner, con-  
signee, master or other officer or stevedore, severally  
and respectively.

No. 4.—All goods, merchandise, and materials of every  
kind, landed or placed on any pier, bulkhead, or other  
wharf structure, or upon reclaimed land, must be re-  
moved therefrom without unnecessary delay, and within  
twenty-four hours after the Corporation Wharfing for the  
district shall have served upon the owner, shipper or  
consignee, of such cargo, a notice to remove the same,  
under a penalty of fifty dollars per day for each and  
every day, during which any part of said cargo shall re-  
main upon such pier, bulkhead, structure, or land, after  
the expiration of the said twenty-four hours, to be re-  
covered from such owner, shipper, or consignee, severally  
and respectively.

No. 5.—All goods, merchandise and materials of every  
kind encumbering any pier, bulkhead or other wharf  
structure, or reclaimed land, after the time designated  
for the removal thereof shall have expired, will be liable  
to be removed by the Board to any warehouse or yard,  
at the sole risk and expense of the owner of any such  
property, and all expense incurred for such removal and  
storage or otherwise, shall be and become a lien thereon,  
and such goods, merchandise and materials will not be  
delivered to the owner until the expense of such removal  
and storage has been paid.

No. 6.—No person shall construct or maintain any en-  
gine-house, tally-house, or other small structure, under  
a permit of the Board, on any unshedded pier, or other  
wharf structure, unless the same be placed on wheels so  
as to admit of easy removal thereupon when required, and  
to prevent the accumulation of dirt or refuse thereunder,  
under a penalty of twenty-five dollars per day for each  
and every day which may elapse before the discontinu-  
ance of such offense.

No. 7.—No vessel of any kind shall be loaded or dis-  
charged by horse power, nor shall stones or similar  
cargo be discharged from any vessel, upon any pier,  
bulkhead or other wharf structure, unless proper plank-  
ing be provided to protect the surface of such pier, bulk-  
head or other wharf structure from injury consequent  
upon the travel of the horse, or the throwing of the  
stones or similar cargo thereupon, under a penalty of  
five dollars a day for each horse so employed, and of  
twenty-five dollars for each offense of discharging such  
stones or like cargo, upon such pier, bulkhead, or other  
wharf structure, to be recovered from the owner, con-  
signee, master or stevedore of any such vessel, severally  
and respectively; and if such penalty be recovered from  
using horses, or discharging stones or similar cargo, upon  
wharf property belonging to the Corporation, under  
lease, it shall be paid to the lessee thereof, but if such  
penalty be recovered for using horses, or discharging  
stones or similar cargo, upon wharf property not owned  
by the Corporation, it shall be paid to the owner thereof.

No. 8.—No sand shall be discharged from any vessel  
unless canvas or similar material be extended from the  
vessel's side to the bulkhead or wharf structure at which  
such vessel is being unladen, to prevent the falling of  
the sand into the water, and if the surface of any such  
wharf structure is not sufficiently tight to prevent the  
sand dumped thereon from going through into the water,  
then no sand shall be discharged thereon from any vessel,  
unless canvas or similar material be first laid thereon to  
receive the sand, under a penalty of twenty-five dollars  
for each offense, to be recovered from the owner, con-  
signee, master or stevedore of any such vessel, severally  
and respectively; and if such penalty be recovered on  
account of sand discharged upon wharf property belong-  
ing to the Corporation, under lease, it shall be paid to  
the lessee thereof, but if such penalty be recovered on  
account of sand discharged upon wharf property not  
owned by the Corporation, it shall be paid to the owner  
thereof.

No. 9.—The owners, lessees and occupants of every  
pier, wharf and bulkhead in the City of New York shall  
keep the same in good repair, and the slips adjacent  
thereto properly dredged; and whenever, in the judgment  
of the Board, it shall be necessary so to do, written notices,  
signed by the President or Secretary of said Board, shall  
be served upon the owners, lessees or occupants, or col-  
lector of wharfage of any such pier, wharf or bulkhead,  
or the slip adjoining the same, on or in which repairs or  
dredging are required by said Board, specifying the  
nature and extent of the repairs or dredging so required,  
and the time within which such repairs must be made, or  
such dredging done; and in case the owners, lessees or  
occupants so notified, fail to comply with the terms and  
requirements of such notice, they shall forfeit and pay a  
penalty of fifty dollars per day for every day which shall  
elapse before they comply with such notice.

No. 10.—No ashes, refuse, offal, fruit, vegetables or  
any other substances, shall be thrown into the waters  
surrounding or adjacent to any pier or bulkhead, or any  
other part of the water-front of the city, under a penalty  
of twenty-five dollars for every such offense, to be re-  
covered from the owner, lessee, or occupant, severally  
and respectively, of any pier, bulkhead, wharf structure,  
or other property, from which any such substance shall  
be thrown, or from the person actually throwing the  
same; or if any such substance be thrown from any  
vessel lying in waters within the jurisdiction of the De-  
partment, whether berthed or not, then such penalty to  
be recovered from the owner, consignee, or master of  
such vessel, severally and respectively.

No. 11.—No snow or ice shall be dumped into the  
waters adjacent to the water-front of the city, except from  
the piers, bulkheads and other places designated from  
time to time, by the Board, for such dumping, under a  
penalty of twenty-five dollars, for each offense, to be re-  
covered from the owner, lessee or occupant of any pier,  
bulkhead or other wharf property, from which any such  
snow and ice shall be dumped, or from the person actually  
dumping the same, severally and respectively.

No. 12.—All lumber, brick, or other material in bulk  
discharged on any bulkhead not shedded, shall be at once  
removed, or, if not so removed, shall be placed at least  
twenty feet from the edge of the bulkhead, pending re-  
moval, under a penalty of fifty dollars per day, for each  
and every day such lumber, brick or other material shall  
remain on the bulkhead, to be recovered from the owner  
or consignee of such lumber, brick or other material, or  
from the person placing, or causing the same to be placed,  
on such bulkhead, severally and respectively.

No. 13.—The charges for wharfage and dockage of all  
vessels admitted to any of the piers or bulkheads con-  
structed under the new plans adopted by the Department,  
shall be at the same rates as are now, or shall hereafter be,  
fixed and established by laws of this State, until otherwise  
ordered by the Board.

No. 14.—The term "Board," when used in the fore-  
going rules and regulations, shall be taken to mean "The  
Board of the Department of Docks of the City of New  
York," and the term "Corporation," when so used, shall  
be taken to mean "The Mayor, Aldermen and Common  
alty of the City of New York."
