

Local Law 31 of 2014

This table shows the number of TC licensed vehicles by month. Below these data, the number of TC licensed vehicles involved in these crashes are disaggregated by vehicle type. Please note that multiple TC licensed vehicles can be involved in a single crash.

Table with columns for months from Jul 2014 to Feb 2015 and rows for crash types: All crashes, Crashes involving injury of any severity, Crashes involving critical injury, Crashes involving a fatality. Includes sub-rows for vehicle types like Manhattan Park, Streetcar, and Unlicensed drivers.

\* The total number of crashes may be smaller than the total number of vehicles because there could be multiple TC licensed vehicles involved in a single crash.
