NOTE: For contractually funded older adult centers, senior centers, and luncheon and social clubs, NYC Aging has programmatic oversight of food and nutrition programs; the NYC Health Department inspects for food safety. For entities identified as adult day cares, NYC Aging does not retain programmatic oversight over the majority of these food and nutrition programs. The Social Adult Day Care Ombuds Office at NYC Aging audits all Social Adult Day Care locations for Local Law 9 registration compliance after receiving complaints, but does not review health code violations.
