NEW YORK, June 4, 1881.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES FOR BUILDING FOUR IRON BRIDGES OVER THE BRONX RIVER, BETWEEN THE CITY OF NEW YORK AND THE COUNTY OF WESTCHESTER.

SEALED ESTIMATES FOR THE ABOVE WORK, indorsed "Estimates for Building Iron Bridges over the Bronx River," also with the name of the person or persons making the same, and the date of presentation,

will be received at the office of the Department of Public Parks, No. 36 Union Square, New York City, until half past nine o'clock A. M., on Wednesday, the 22d day of June, 1881, at which place and hour the bids will be publicly opened by the Board of Commissioners of the said Department, and a Committee of the Board of Supervisors of the County of Westchester, and read, and the award of the contract or contracts will be made as soon thereafter as practicable. The adequacy and sufficiency of the security offered is subject to the approval of the Comptroller of the City of New York.

The person or persons to whom the contract or contracts may be awarded will be required to attend at the office of the said Department, with the sureties offered by him or them, and execute the contract within five days after written notice that the same has been awarded to his or their bid or estimate, and that the sureties offered by him or them have been approved by the Comptroller; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and thereupon the work will be advertised and relet, and so on until the contract be accepted and executed. The work is to commence within ten days after the signing of the contract.

N. B.—The prices must be written in the bid, and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items called for in these proposals, or which contain bids for items not called for herein. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved to reject any or all bids which may be deemed prejudicial to the public interests. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are required to state in their estimates, under oath, their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also, that such bid or estimate is made without any connection with any other person making a bid or estimate for the same purpose; and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The estimate must be verified by the oath, in writing, of the party making such estimate, that the several matters therein stated are in all respects true. When more than one person is interested in the estimate, the verification must be made by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the bid or estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as surety in good faith and with an intention to execute the bond required by law.

The engineer's estimate of work and materials by which the bids will be tested is as follows, to wit:

IRON WORK.

Williams Bridge, 75,000 lbs.
Fordham avenue, Boston road, Samuel street (each) 66,000 lbs.

TIMBER.

Williams Bridge, 4,000 B. M. sidewalk, 8,500 B. M. roadway, 190 lineal feet cornice.
Fordham avenue, Boston road, Samuel street (each) 8,500 B. M. roadway.

RAILING.

Williams Bridge, 180 lineal feet sidewalk railing, including 4 end newels and 16 intermediate newels, 180 lineal feet gas-pipe railing along trusses.
Fordham avenue, Boston road, Samuel street (each) 180 lineal feet gas-pipe railing.

MASONRY.

Williams Bridge, 145 square feet 2 inch flagging, 219 cubic feet granite coping, 340 cubic yards masonry, 70 cubic yards concrete, 250 cubic yards foundation trenching.
Fordham avenue, Boston road, Samuel street, (all together) 174 square feet 2 inch flagging, 522 cubic feet granite coping, 840 cubic yards masonry, 180 cubic yards concrete, 750 cubic yards foundation trenching.

N. B.—The above estimated quantities, though stated with as much accuracy as is possible in advance, are only approximate, and bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received.

1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate dispute or complain of such statement or estimate of the Engineer, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2. Bidders will be required to complete the entire work to the satisfaction of the Commissioners of the Department of Public Parks, and in substantial manner, in accordance with the specifications herunto annexed and the plan therein referred to. No extra compensation beyond the amount payable for the work before enumerated, which shall be actually performed, at the price therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state a price for each class of the work, as above designated, which price is to include the furnishing of all the necessary materials and labor, and the performance of the whole of the work mentioned in the specifications annexed, and shown on the plans for the work.

The bridges are to be located at the following places:

1. One at Williams Bridge.

2. One at Boston road.

3. One at Samuel street.

4. One at Fordham and Pelham avenues.

Estimates may be made for one or more of the bridges. The amount of security required is as follows:

For Bridge No. 1, above, the sum of four thousand dollars.

For Bridge No. 2, above, the sum of three thousand dollars.

For Bridge No. 3, above, the sum of three thousand dollars.

For Bridge No. 4, above, the sum of three thousand dollars.

In case the contract for more than one of the above-named bridges is awarded to the same bidder, the amount of security required will be the aggregate amount required for the several bridges awarded to him.

The time allowed for the completion of each bridge is seventy-five days from the date of the contract; but if the same person is awarded the contract for more than one of the bridges then the first bridge is to be completed within seventy-five days, and each succeeding bridge in six weeks after the completion of its predecessor.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. All such deposits, except those of the successful bidders, will be returned to the persons making the same within three days after the contract

or contracts are awarded. If the successful bidders shall refuse or neglect, within five days after notice that the contracts have been awarded to them, to execute the same, the amount of the deposits made by them shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if they shall execute the contracts within the time aforesaid, the amount of these deposits will be returned to them.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall previously have been obtained from the Engineer in charge of the work.

Blank forms of estimates can be obtained on application to the Secretary at this office.

The form of agreement, including the specification, and showing the mode of payment for the work is annexed.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

Separate estimates must be made and presented in separate envelopes for each house.

Two responsible sureties will be required with each estimate, who must each justify, prior to its presentation, in a sum not less than one-half the amount of the estimate.

For information as to the amount and kind of work to be done, bidders are referred to the specifications and drawings, which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five dollars per day.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract for forty-eight (48) hours after written notice that the same has been awarded to his or their bid or estimate, or if, after acceptance, he or they should refuse or neglect to execute the contract and give proper security within five days after notice that the contract is ready for execution, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made, and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

Separate estimates must be made for constructing and furnishing the Floating Engine complete, without the Fire Pumps, and for the Fire Pumps alone.

Bidders are requested to state, additionally, for what amount per frame they will increase or decrease length of hull and deck house from dead flat forward, in case increased or decreased length should be required.

Two responsible sureties will be required with each estimate, who must each justify, prior to its presentation, in a sum not less than one-half the amount of the estimate.

The Floating Engine and Pumps are to be completed in one hundred and sixty (160) days after the date of the contract.

For information as to the amount and kind of work to be done bidders are referred to the specifications and drawings, which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at fifty dollars per day.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract for forty-eight (48) hours after written notice that the same has been awarded to his or their bid or estimate, or if, after acceptance, he or they should refuse or neglect to execute the contract and give proper security within five days after notice that the contract is ready for execution, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The

consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be received or considered after the hour named.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement, including drawings and specifications, and showing the manner of payment for the work may be seen at the office of the Department.

NOTICE TO TAXPAYERS.

RELATING TO THE PAYMENT OF UNPAID TAXES, ASSESSMENTS, AND CROTON WATER RENTS.

THE COMPTROLLER OF THE CITY OF NEW YORK hereby gives notice to owners of real and personal estate in this city, that all unpaid taxes, assessments, and Croton water rents may now be paid with interest thereon at the rate of seven per cent. per annum, as provided by chapter 33 of the Laws of 1881, which is as follows:

CHAPTER 33.

AN ACT relative to the collection of taxes and assessments, and of arrears of taxes and assessments, and Croton water rents, in the City of New York.

(Passed March 16, 1881; three-fifths being present.)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. If any taxes of any year shall remain unpaid on the first day of November, after the assessment-rolls and the warrants to collect such taxes have been delivered to the Receiver of Taxes in the City of New York, it shall be the duty of said Receiver to give public notice, by advertisement for at least ten days in two of the daily newspapers, and in the City Record, printed and published in said city, respectively, that unless the same shall be paid to him at his office on or before the first day of December, in any such year, he will immediately thereafter proceed to collect such unpaid taxes, as provided in the following section of this act:

Section 2. If any such tax shall remain unpaid on the said first day of December, it shall be the duty of the said Receiver of Taxes in said city to charge, receive, and collect upon such tax so remaining unpaid on that day, in addition to the amount of such tax, one per centum on the amount thereof; and to charge, receive, and collect upon such tax so remaining unpaid on the first day of January thereafter, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated from the day on which said assessment-rolls and warrants shall have been delivered to the said Receiver of Taxes to the date of payment.

The same rate of interest shall be so charged and collected upon any tax levied in the year eighteen hundred and eighty, remaining unpaid at the date of the passage of this act.

Section 3. All existing provisions of law which impose a charge and require the collection of interest at the rate of twelve per centum per annum upon arrears of taxes on real and personal estate within the City of New York, upon arrears of assessments for local improvements and street openings in said city, and upon arrears of Croton water rents in said city, are hereby repealed; and in lieu of such charge of interest at the rate of twelve per centum per annum, there shall be charged and collected by the officer authorized to collect and receive any such arrears of taxes and assessments and Croton water rents, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated for the same period as interest at the rate of twelve per centum per annum is now required by law to be calculated thereon. This provision shall apply to taxes, assessments, or Croton water rents remaining unpaid and due, for the non-payment of which the lands and tenements liable therefor shall be hereafter sold at public auction as now provided by law; provided, however, that nothing in this act shall be construed to affect the rights of purchasers at sales for taxes, assessments, or Croton water rents, heretofore made, or to authorize the redemption of lands and tenements from sales heretofore made for any lesser sums than the sums collectible for such redemption under the provisions of existing laws.

Section 4. It shall be the duty of the Comptroller of the City of New York to give public notice, by advertisement, for at least ten days, in the CITY RECORD, printed and published in said city, immediately after the confirmation of any assessment for a local improvement or street opening in said city, that the same has been confirmed specifying the title of such assessment and the date of its confirmation by the Board of Revision and Correction of Assessments in proceedings for local improvements, and by the Supreme Court in proceedings for street openings, and also the date of entry in the record of titles of assessments kept in the Bureau for the Collection of Assessments, and of Arrears of Taxes and Assessments, and of Croton water rents, notifying all persons, owners of property affected by any such assessment, that, unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of any such assessment, interest shall thereafter be collected thereon as provided in the following section of this act, and all provisions of law or ordinance requiring any other or different notice of assessments and interest thereon are hereby repealed.

Section 5. If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said record of titles of assessments, it shall be the

duty of the officer authorized to collect and receive the amount of such assessment, to charge, collect, and receive legal interest thereon, at the rate of seven per centum per annum, to be calculated from the date of such entry to the date of payment.

Section 6. This act shall take effect immediately.

LAWS OF NEW YORK, 1881.

CHAPTER 171.

AN ACT to amend chapter three hundred and sixty-two of the laws of eighteen hundred and eighty, entitled "An act to provide for the formation of county co-operative insurance companies," and to amend the title thereof.

Passed April 30, 1881; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows

Section 1. Section one of chapter three hundred and sixty-two of the laws of eighteen hundred and eighty, entitled "An act to provide for the formation of county co-operative insurance companies," is hereby amended so as to read as follows:

§ 1. It shall be lawful for any number of persons not less than twenty-five residing in one or more adjoining counties, or in one or more adjoining towns in any one county in this state who collectively own property of not less than fifty thousand dollars in value, which they desire to have insured, to form themselves into an incorporated company for the purpose of co-operative insurance against loss or damage by fire or lightning, by making, signing and acknowledging before some officer by law authorized to take acknowledgments of conveyances of real estate, a certificate of their intention to form such corporation, stating the county or the counties, the town or towns, in which such company intended to do business, its corporate name, which shall embrace the county or town in which the business office of said company is located. Every person insured in said company shall sign an application for insurance as required by the articles of association and by-laws of the company, and thereby become a member thereof.

§ 2. Section two of said act is hereby amended so as to read as follows:

§ 2. Every company formed under the provisions of this act shall choose of their number not less than eleven directors, whose duty it shall be to manage the business of the said company, who shall hold their office one year and such longer term, not exceeding four years, as the by-laws of the company may prescribe, and until others are elected and qualified; and said directors shall choose from their number a president, secretary, and such other officer as their by-laws shall prescribe, who shall hold their office not less than one or more than four years, as their by-laws shall prescribe; all officers to be elected by ballot. The business and corporate powers of the companies incorporated under this act shall be transacted and exercised by said board of directors, subject to the by-laws of the company. The by-laws shall prescribe the number of directors necessary to constitute a quorum for the transaction of business, and may provide for an executive committee for such purposes as may be necessary, and may require officers to give such bonds as the interest of the company may require.

§ 3. Section three of said act is hereby amended so as to read as follows:

§ 3. It shall be the duty of the first directors of any company organized under this act, before doing any business of insurance to prepare a statement showing the names of the persons comprising the proposed company with the amount of proposed insurance to each, the name of the company, a copy of the articles and by-laws of the company, and the names of the county or counties, town or towns, comprising the territorial limits within which it is proposed to do business, the names of the directors and officers, with their post-office address, the place where the principal office for the transaction of business shall be located, and the mode and manner in which the business of said company is to be conducted, and file a copy thereof, signed by said officers and directors, in the office of the clerk of each county comprised within the territorial limits of said company and in the office of the secretary of state.

§ 4. Section six of said act is hereby amended so as to read as follows:

§ 6. The directors of any company formed under this act may issue policies of insurance, signed by the president and secretary, agreeing, in the name of said company, to pay all damages, not exceeding the amount insured, done to dwelling-houses, barns and their contents, and other property not more hazardous, and buildings not more hazardous in cities or villages detached at such distance as the by-laws of the company may prescribe, and their contents, and live stock owned on the premises, caused by fire or lightning, during the time mentioned in the policy of the insured; said company shall not issue policies for less than one year or more than five years; and they shall not insure more than seven thousand dollars in any one risk. The company may issue more than one policy to one person, firm or corporation having separate or detached buildings, that this act or the by-laws of said company do not prohibit the said company from insuring. Every policy issued shall have attached thereto a printed copy of the by-laws and regulations of the company.

§ 5. Section seven of said act is hereby amended so as to read as follows:

§ 7. Every person, firm, corporation or trustee so insured shall give his, her, its or their contract or agreement binding him, her, it or them, their heirs or assigns, to pay their pro rata share to the company of all losses or damages caused by fire or lightning, which may be sustained by any member or members thereof. He, she, it or they shall also pay such percentage in lawful money and such reasonable sum for policies and expenses, and within such time as may be required by the by-laws of said company.

§ 6. Section nine of said act is hereby amended so as to read as follows:

§ 9. The companies formed under the provisions of this act may classify the property or buildings insured therein at the time of insuring, and issuing policies under different rates, according to the risk from fire which may be attached to buildings insured. Whenever the amount of any loss or damage is ascertained which exceeds in amount the cash on hand of the company, such officer as shall be determined in the by-laws of the company shall convene the directors or executive committee, who shall make an assessment upon all the property insured, pro rata, according to its classification sufficient to pay what the cash in hand falls short of paying, or for the whole loss or damages as the directors or executive committee may decide best for the interest of the company.

§ 7. Section ten of said act is hereby amended so as to read as follows:

§ 10. It shall be the duty of the secretary, within ten days, to notify every member of said company by written or printed, or partly written and partly printed notice, signed by the secretary, that an assessment has been made, and the amount due from such member as his share of the loss or damage as determined by said directors or executive committee, and the time when and to whom such amount must be paid; such time shall not be less than thirty nor more than sixty days from the date of such notice; the cost of expense and collection to be regulated by the by-laws of the company; such notice may be served personally or by mail, and if by mail it shall be deposited in the post-office at the place where its principal office is located, or where said secretary resides, directed to each member at his place of residence or business, and the postage prepaid.

§ 8. Section eleven of said act is hereby amended so as to read as follows:

§ 11. Suits at law may be brought against any member or members of any company organized under the provisions of this act, by the president, in the name of the company, in any of the courts of this state having competent jurisdiction to recover all assessments that any member neglects or refuses to pay when made upon him or them under the provisions of this act or the by-laws of the company; and in case the president is obliged to bring suit to collect any assessment as aforesaid, he shall be permitted to recover the amount so assessed, with fifty per centum of such assessment to be added thereto in addition to lawful interest, as a penalty for such neglect and refusal to pay within the time required. Any member or members of said company who neglects or refuses to pay his or their part of any assessment, or for any other reason satisfactory to the directors or executive committee, may be excluded (by a majority of the directors or executive committee as the by-laws may prescribe) from the company, and when thus excluded the secretary shall cancel or withdraw his or their policy or policies, which shall prevent him or them recovering for any loss or damage after such exclusion by the directors or executive committee; that nothing herein contained shall prevent the collection of such assessment and the penalty aforesaid in any suit at law which may have been made prior to such exclusion. It shall be the duty of the officers of any company formed under this act to proceed to collect all assessments within thirty days after the expiration of the notice to pay the same, and any neglect or refusal on their part to endeavor to collect as aforesaid, or to perform any of the duties imposed by this act, shall render them liable in their individual capacity for the amount lost to the person or persons who lose by their refusal or neglect, and suit at law may be maintained by such party against such officers to collect such amount.

§ 9. Section twelve of said act is hereby amended so as to read as follows:

§ 12. No company organized pursuant to the provisions of this act shall insure any building or property out of the limits of the territory comprised in the articles of association adopted in the formation of the company, except when a person or member of the company, who has a farm extended beyond the line of the said limits on which he resides, has buildings or property on that part beyond, in which case such buildings and their contents may be insured, together with his other buildings, nor shall any company insure any property other than dwelling-houses, barns and their contents, other property not more hazardous, buildings in incorporated villages or cities detached such distance from any other building as the by-laws of the company may prescribe from any other building, and their contents, and live-stock owned upon such property.

§ 10. Section fourteen of said act is hereby amended so as to read as follows:

§ 14. It shall be the duty of the president and secretary of each and every company formed under the provisions of this act to make a statement under oath, showing the condition of such company on the thirty-first day of December preceding the election of officers, which shall contain the amount and kind of property insured, the number of policies issued from the time of the organization of such company up to the time of making such statement, and the whole amount of the same; the whole amount of moneys received by such company during the year, together with an itemized account of the same, including salaries of officers, all fees, commissions, and all sums paid for any purpose, and all other matters of interest to the company or members thereof; which statement or certified copy thereof shall be filed in the clerk's office of each county comprised within the territorial limits of such company, and with the secretary of state, on or before the first day of February next following.

§ 11. Section nineteen of said act is hereby amended to read as follows:

§ 12. The title of said act is hereby amended so as to read as follows: "An act to provide for the formation of county and town co-operative insurance companies."

§ 13. This act shall take effect immediately.

CHAPTER 203.

AN ACT to authorize the burial of the bodies of any honorably discharged soldier, sailor or marine, who shall hereafter die without leaving means sufficient to defray funeral expenses.

Passed May 4, 1881; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. It shall be the duty of the superintendent of the poor in the several counties of this state, or of such other officers as are charged with the duties of caring for the poor under existing laws, and by whatever other name they may be known, to cause to be interred the body of any honorably discharged soldier, sailor, or marine, who served in the army or navy of the United States, and who shall hereafter die without leaving means sufficient to defray the expenses of his funeral.

§ 2. Such interment shall be in the county where the deceased died, or in the county adjoining; if practicable, in a cemetery or plot set apart or used for the burial of soldiers and sailors, but such burial shall not be made in a cemetery, or in any cemetery or plot, used exclusively for the burial of the pauper dead. The grave of any such deceased soldier, sailor or marine shall be marked by the name of the deceased, and if possible, the organization to which he belonged or in which he served. The expense of any such burial shall not exceed thirty-five dollars; and the expense of said burial as above provided for shall be a charge upon and shall be paid by the county in which the said soldier, sailor or marine shall have died; and the board of supervisors of such county is hereby authorized and directed to audit the account and to pay the expense of such burial, in the same manner in which the accounts of the said overseer of the poor, or of such other officer as shall be charged with the performance of such duty as above provided, shall be audited and paid.

§ 3. This act shall take effect immediately.
