FINANCE DEPARTMENT—COMPTROLLER'S OFFICE, CITY OF NEW YORK, October 30, 1875.

To the Board of Estimate and Apportionment:

The Comptroller hereby presents his protest against the insertion of the following among other items of appropriations in the Estimate for 1876, as he considers them either illegal, or extravagant, or unnecessary, to wit:

1. The item of \$12,500 for the Bureau of Permits, Mayor's Office.
2. The item of \$30,650 for Rents, under resolutions of the Common Council, the leases of the premises not having been executed, while the rents are extravagant, the premises are not needed for the interests of the city, and there is no lawful authority for incurring the expense.
3. The item for salaries in the Department of Public Works; the salaries in that Department are, in many cases, too high, and can and should be reduced.
4. The item of salaries for the expenses of the Department of Taxes and Assessments, which is excessive.
5. The addition of \$6,000 for salaries of clerks to the Commissioners of Accounts, which is an illegal and unnecessary expense.

The Comptroller, therefore, votes now for the Estimate for 1876, not willingly, but in order only that the public service may not be embarrassed by a failure of the Board of Estimate and Apportionment to adopt and approve of it within the prescribed time, and because the concurrent vote of all the members is required by law to perfect it formally, and not because he sanctions and approves of it as a whole.

AND. H. GREEN, Comptroller.

Resolved, That the Board of Estimate and Apportionment, as provided by section 112 of chapter 335 of the Laws of 1873, and the amendments thereto, do, by the affirmative vote of all the members, hereby make the following Provisional Estimate of the amounts required to pay the expenses of conducting the public business of the City and County of New York, in each Department and branch thereof, and the Board of Education, for the next ensuing financial year, to wit, for the year eighteen hundred and seventy-six (1876); in which estimate is included such sum as is necessary for the payment of the interest on the bonds of the said city and county, which becomes due and payable within said year, and also such sum as is necessary to pay the principal of any bonds and stocks which become due and payable from taxes during the said year, and also so much as may be necessary to pay the proportion of the State tax required to be paid by the City and County of New York in said year.

On motion of Commissioner Disbecker, it was

Resolved, That the following opinion of the Counsel to the Board, relative to sidewalk obstruction in Crosby street, be entered in the minutes, and the Chief Clerk directed to transmit a copy to the Mayor, with a letter of explanation:

To GEORGE W. MATSELL, Esq.,

President of the Board of Police, Police Department, New York City:

SIR—Herewith I beg to return the communication from the Superintendent of Incumbrances, referred to the Board of Police by his Honor the Mayor, on suggestion of the Commissioner of Public Works, and wherein it is stated that “parties doing business on Crosby street have applied to this Bureau (of Street Incumbrances) for permits to allow their trucks to stand partly on the sidewalk during business hours,” and that, in the opinion of said Superintendent, “some compromise should be made in the matter by the Police Department.”

The discretionary power and duty of the Police to “prevent and regulate the movement of teams and vehicles in streets” are apparently designed to meet unforeseen exigencies, and in no manner to warrant such a virtual usurpation of the authority vested by statute in the Common Council as the compromising of premeditated violation of city ordinances.

I am, therefore, respectfully of opinion that the Board of Police should not take the action recommended by the Superintendent of Incumbrances.

I am, sir, your obedient servant,

CHARLES F. MAC LEAN, Counsel to the Board of Police.

New York, October, 1875.

JURORS.

NOTICE
IN RELATION TO JURORS FOR STATE
COURTS.OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving, who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equitize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.

THOMAS DUNLAP, Commissioner,
County Court-house, Chambers street entrance.
