The City of New York, Office of the President of the Borough of The Bronx, One Hundred and Seventy-seventh Street and Third Avenue, August 21, 1903.

In the matter of the proposed opening of Becker avenue, from White Plains road to the centre of the Bronx river, Borough of The Bronx.

The petition for the opening of Becker avenue, from White Plains road to the centre of the Bronx river, was approved by the Local Board of Chester, and was before the Board of Estimate and Apportionment on the 22d day of July, 1903, but was referred back to the Local Board for further consideration.

The opening of Becker avenue was petitioned for by W. W. Penfield and William H. Fields, probably for the purpose of obtaining a connecting street with the existing street west of the Bronx river, which was constructed by the City of Yonkers so far as the Bronx river.

I have been informed that opposition to the opening of Becker avenue was caused by a rumor that a viaduct would be built across the New York and Harlem Railroad and the New York, New Haven and Hartford Railroad, the construction of which would bring a heavy burden upon the adjoining property owners.

The grades on section 29 of the final maps show Becker avenue is to be carried under the tracks of the two railroads, as it is the case at the present time, and that the street will be lowered in order to get sufficient head room.

The question whether the opening of a 100-foot street is a public necessity at the present time seems to have been answered affirmatively by the Local Board, but I would recommend that since the matter was referred back to the Local Board, that another hearing be given.

Respectfully,

F. GREIFFENBERG, Principal Assistant Topographical Engineer.

Approved September 2, 1903.

JOSIAH A. BRIGGS, Chief Engineer of the Borough of The Bronx.

On motion of Alderman Behrmann the following preambles and resolution were presented:

Whereas, The absence of a bridge for vehicular and passenger traffic over the Bronx river, between Two Hundred and Thirty-third street and West Mount Vernon, is working untold inconvenience and hardship to the residents of the upper section of The Bronx; and

Whereas, The municipality of the City of Yonkers, through its Mayor and Common Council, have at considerable expense cut through and opened a highway known as Wakefield avenue, 60 feet in width to the Bronx river, directly opposite Becker avenue, in the Borough of The Bronx; and

Whereas, The said municipality of the City of Yonkers has an unexpended balance of about \$27,000 for the purposes of building a bridge to connect the said Wakefield avenue, in the City of Yonkers, with Becker avenue, in the Borough of The Bronx; now therefore be it

Resolved, That the Local Board of Chester, Twenty-fifth District, in the Borough of The Bronx, hereby urgently request the honorable members of the Board of Estimate and Apportionment to authorize the Comptroller to purchase the land lying between the railroad tracks and the Bronx river at the foot of Becker avenue for the purpose of a bridge approach, and also authorize the issuance of Special Revenue Bonds to an amount not exceeding \$25,000 for the completion of a suitable bridge at that point.

On motion of President Haffen the said resolution was amended so as to read as follows, and was adopted as thus amended:

Whereas, The absence of a bridge for vehicular and passenger traffic over the Bronx river, between Two Hundred and Thirty-third street and West Mount Vernon, is working untold inconvenience and hardship to the residents of the upper section of The Bronx; and

Whereas, The municipality of the City of Yonkers, through its Mayor and Common Council, have at considerable expense, cut through and opened a highway known as Wakefield avenue, 60 feet in width, to the Bronx river, directly opposite Becker avenue, in the Borough of The Bronx; and

Whereas, The said municipality of the City of Yonkers has an unexpended balance of about \$27,000 for the purposes of building a bridge to connect the said Wakefield avenue in the City of Yonkers with Becker avenue in the Borough of The Bronx; now therefore it is

Resolved, That the Local Board of Chester, Twenty-fifth District, in the Borough of The Bronx, hereby urgently request the honorable members of the Board of Estimate and Apportionment to authorize the Comptroller to purchase the land lying between the railroad tracks and the Bronx river, at the foot of Becker avenue, for the purpose of a bridge approach, and also authorize the issuance of Special Revenue Bonds to an amount not exceeding \$25,000 for the completion of a suitable bridge at that point; and be it further

Resolved, That a committee of one, consisting of Alderman Behrmann of this Local Board, be and is hereby appointed to call upon the Board of Estimate and Apportionment and urge the necessary action and request the appropriation above mentioned.

Adopted.

On motion, the Board then adjourned.

HENRY A. GUMBLETON, Secretary.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks, of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there
