"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three
- years

 Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system. RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/road

map.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community- based Services Agencies:

 $\begin{array}{l} {\bf Administration\ for\ Children's\ Services\ (ACS)} \\ {\bf Department\ for\ the\ Aging\ (DFTA)} \end{array}$ Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC) To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

EMPLOYMENT AND RAPID EXIT SERVICES -

 $Negotiated\ Acquisition-PIN\#\ 07114I0001-DUE\ 11\text{-}20\text{-}13$ AT 2:00 P.M. – The Department of Homeless Services (DHS) is seeking appropriately qualified providers to operate a program linking families in DHS shelters to employment and helping them use their earnings to exit the shelter system and into permanent housing. DHS is seeking up to two (2)providers that have the experience, capability and creative approach to place homeless families in jobs and housing through a combination of counseling and direct services. It is expected that the selected providers would work with certain subpopulations within the DHS family shelter populations $\frac{1}{2}$ (e.g., families in certain types of shelter facilities, families in receipt of unemployment insurance, families who are sanctioned by the Human Resource Administration, families participating in transitional jobs programs, etc.). DHS $\,$ anticipates assigning a higher number of clients to the awarded vendors during the first six months of the initial contract term.

This solicitation will be conducted via a Negotiated Acquisition method pursuant to Section 3-04 (B)(2)(ii) of the Procurement policy Board Rules.

The term of this proposed contract will be from January 1, 2014 to June 30, 2015 and may include a renewal option of up to two years. The services provided will not replace or duplicate existing services. Rather, the service provider(s) would complement currently available services and link the efforts between employment and shelter exit.

The anticipated funding for the $contract(\mathbf{s})$ awarded from this Competitive Negotiated Acquisition will not exceed \$1.2 million for the 18 month period. The payment structure for the proposed contract(s) will be based on a 100 percent performance basis.

Qualified vendors that are interested in providing these services must submit an Expression of interest (EOI), and complete the Budget Template (see attachment A) prior to the start of negotiations including contact name, phone number and e-mail address by Wednesday 2:00 P.M., November 20, 2013 to: Kayona Wall, Director, Competitive Sealed Proposals, Department of Homeless Services, 33 Beaver St., 13th Floor NY, NY 10004 or e-mail kwall@dhs.nyc.gov

FAMILY RE-ENTRY PROGRAM – Demonstration Project Testing or experimentation is required - PIN# 07114D0001 - DUE 11-22-13 AT 2:00 P.M. - The Department of Homeless Services (DHS) intends to enter into contract negotiations with the Vera Institute of Justice ("Vera") to conduct a demonstration project pursuant to Section 3-11 of the NYC Procurement Policy Board Rules (PPB) to assist formerly incarcerated individuals residing in the DHS shelter system, or otherwise referred by DHS, to reunite with their families who live in public housing operated and maintained by the New York City Housing Authority (NYCHA). The program will provide intensive case management and support to project participants and their families, with the goal that they will eventually reside in the public housing household on a permanent basis, thus remaining out of the DHS homeless shelter system. This project, known as the Family Re-entry Pilot Program, has been in the planning stages

Upon commencement of the project, DHS and Vera, working in partnership with NYCHA and the Corporation for Supportive Housing (CSH), will refer formerly incarcerated individuals to NYCHA for interviews. NYCHA will interview and assess both the referred individual and the individual's family, and will make a determination of whether that

individual can reside temporarily in NYCHA housing. To effectuate this placement, NYCHA will grant a pilot participant temporary permission to reside with his or her family while such participant is in the program, notwithstanding the participant's criminal history. Once placed with their family in public housing, Vera, through subcontracts with select social services providers, will provide intensive case management to the individual and his or her family for six months. After this six month period, successful project participants will have less-frequent contact with their case managers for an additional 12-18 months. The program is expected to serve 150 participants over the course of two years. The ultimate goal is that, at the end of the project, participants who have completed the program would join the NYCHA household on a permanent basis.

The term of the demonstration project is for two years from December 1, 2013 to November 30, 2015. The estimated amount of the demonstration project is \$447,332.00. DHS funding will be used to support personnel services and other than personnel services (OTPS). The payment structure will be a combination of a line item budget and performance based milestones. Vera will additionally be performing an evaluation of the demonstration project, and using administrative data and quasi-experimental design, in order to assess the project's impact on compliance with NYCHA's lease requirements and recidivism during the two years of the program. This evaluation will be separately-funded.

Any vendor who is interested in submitting an Expression of Interest to provide these services may submit in writing to Calvin Pitter, Deputy Chief Contracting Officer, Department Of Homeless Services at 33 Beaver St., 13 Floor NY, NY 10004, at (212) 361-8413. HOUSING RECOVERY OPERATIONS

NOTICE

FINDING OF NO SIGNIFICANT IMPACT FOR NYC BUILD IT BACK SINGLE FAMILY HOUSES

(1 TO 4 UNITS)
City of New York Office of Management and Budget (OMB) Community Development Block Grant Disaster Recovery Program

The New York City Office of Management and Budget (NYCOMB) is the Responsible Entity for environmental reviews conducted with funds allocated through the US Housing and Urban Development (HUD) for the City's Community Development Block Grant - Disaster Recovery (CDBG-DR) Program to support Hurricane Sandy recovery efforts. The NYC Build It Back: Single Family Houses (1 to 4 Units) program (NYC Houses) will distribute \$306,000,000 to specifically address unmet housing needs associated with damages to owner-occupied and year round tenant-occupied homes located across the City's five boroughs. NYC Houses will serve eligible project beneficiaries by providing various assistance types for owners of residential homes that fall into one of the following three categories of damage to housing:

- Reconstruction: Residential property that has been destroyed or is not practical to rehabilitate;
- Major Rehabilitation: Residential property that is not destroyed but has substantial damage as assessed by the NYC Houses program; and
- Moderate Rehabilitation: Residential property that was damaged, but is not destroyed and does not have substantial damage as determined by the NYC Houses program.

Reconstruction activities will largely include demolition of the original storm-damaged unit, site preparation, elevation as required, and reconstruction of a single family dwelling (up to 4 units for owner-occupied rental properties). Major and moderate rehabilitation activities may include: repair or replacement of structure elements such as roof, windows and doors, sheetrock, plumbing and electrical fixtures, mechanicals, upgrades to meet code requirements. Rehabilitation may also involve elevation, energy efficiency, storm mitigation or flood proofing and other resiliency measures.

On July 30, 2013, HUD issued guidance that additionally allows for reimbursements to eligible property owners who incurred and documented expenses to demolish, replace or

repair their homes in the aftermath of Hurricane Sandy and before the NYC CDBG-DR program award.

FINDING OF NO SIGNIFICANT IMPACT Through a tiered Environmental Broad Review process for NYC Houses, the City determined that proposed project activities on a broad scale would not have a significant impact on the environment given the subsequent site-specific scale of environmental review to be performed prior to commencing recovery activities that ensure the implementation of any required environmental mitigation measures. The City's Finding of No Significant Impact (FONSI) for NYC Houses was published in NYC on June 28, 2013 combined with a Notice of Intent to Release Funds and therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 was not required. No comments or objections were received from the public.

With the new HUD allowance to include homeowner reimbursement activities through NYC Houses, the City reevaluated activities described in the June 28, 2013 FONSI. The City has subsequently determined that the FONSI remains valid with the addition of reimbursement activities as each proposed project will be subject to the same site-specific scale of environmental review as the program's reconstruction $% \left(x\right) =\left(x\right) +\left(x\right)$ and rehabilitation activities.

Additional project information is contained in the Environmental Review Record on file with Mr. Calvin Johnson, Assistant Director, New York City Office of Management and Budget, 255 Greenwich Street, 8th Floor, New York, NY 10007 and may be examined or copied weekdays 10:00 A.M. to 5:00 P.M. This posting can be found by using the following link http://www.nyc.gov/builditback and then clicking on "Reports and Public Notices".

PUBLIC COMMENTS

Any individual, group or agencies disagreeing with this determination or wishing to comment on the project may submit written comments to NYCOMB. Comments must be received in writing by mail to the above address or submitted via email to CDBGDR-Enviro@omb.nyc.gov. The minimum 7 day calendar comment period will begin the day after the publication and end on the 8th day after publication. All comments received by November 13, 2013 will be considered.

COURT NOTICE MAP FOR NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY

COURT NOTICE MAP FOR ARCHER AVENUE STATION PLAZA, STAGE 1

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nvc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

OLB/c recycled preference

 $OLB/d \quad other: (specify)$

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
