ECONOMIC DEVELOPMENT CORPORATION

CONTRACTS ■ SOLICITATIONS

INDUSTRIAL SPACE MODERNIZATION RFP - Request for Proposals - PIN# 4937-00 -DUE 12-11-12 AT 4:00 P.M. - New York City Economic Development Corporation ("NYCEDC"), on behalf of the City of New York (the "City"), is seeking proposals from qualified individuals, organizations or companies ("Respondents") to renovate and reactivate, via subdivision, privately-held vacant industrial building/ space(s) in New York City that face challenges leasing to modern manufacturers and industrial companies. NYCEDC, in cooperation with the Office of Management and Budget ("OMB"), intends to disburse up to \$8 million from the City Council Small Manufacturing Investment Fund (the "Industrial Fund") to incentivize one or more property owners and developers to make capital improvements related to the subdivision and modernization of their industrial spaces. Both not-for-profit and for-profit Respondents are encouraged to submit proposals.

Goods & Services

The primary programmatic goal for the use of the funds is the subdivision of large floor plates tailored to the space needs of smaller industrial businesses throughout New York City as described above. Secondary programmatic goals for the Industrial Fund include, but are not limited to

1. Improvement of space where leasing ability has been limited due to a lack of capital investment

2. Preservation of existing industrial space at affordable rents

3. Modernization of obsolete industrial space

4. Investment in raw industrial space to make available for leasing

In addition to the Industrial Fund, the New York City Department of Environmental Protection (DEP) has allocated up to \$3,000,000 to fund eligible, cost-effective green infrastructure projects that are proposed for sites selected by NYCEDC for industrial modernization and subdivision. DEP funds will be awarded to those selected Respondents who propose green infrastructure, or stormwater source controls, to be incorporated into their capital improvement plans. Those Respondents that would like to be considered for the DEP funds must submit additional materials as described in the RFP. NYCEDC plans to select a Respondent on the basis of factors stated in the RFP which include, but are not limited to: respondent team qualifications, the compatibility of the proposed project to City goals, the level of respondent investment, and the financial feasibility of the project

Companies who have been certified with the New York City Department of Small Business Services as Minority and Women Owned Business Enterprises ("M/WBE") are strongly encouraged to apply. To learn more about M/WBE certification and NYCEDC's M/WBE program, please visit http://www.nycedc.com/opportunitymwdbe.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law \$ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pav its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038, Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.
