**STATEMENT BY MAYOR DE BLASIO ON SENATE CONFIRMATION OF LORETTA  
LYNCH**

“I applaud the Senate for confirming the very capable Loretta Lynch as our nation’s next Attorney General. She will serve all Americans with the same distinction she served New Yorkers. As the U.S. Attorney for New York’s Eastern District, she prosecuted some of the toughest terrorism, fraud, and brutality cases we’ve ever seen and fought for fairness and against inequity at every turn. Her intelligence, character, experience, and unyielding pursuit of justice are exactly what this country needs. Congratulations Ms. Lynch!”
