The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract is awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in a sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each bid or estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accom-

panied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for his faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards reserves the right to reject all bids received for any particular work if he deems it for the best interests of the City.

"Section 1. All that territory comprised within the limits of the towns of Westchester, Eastchester and Pelham, which has not been annexed to the city and county of New York at the time of the passage of this act, which lies southerly of a straight line drawn from the point where the northerly line of the city of New York meets the centre line of the Bronx river, to the middle of the channel between Hunter's and Glen Islands, in Long Island Sound, and all that territory lying within the incorporated limits of the village of Wakefield which lies northerly of said line, with the inhabitants and estates therein, is hereby set off from the county of Westchester and annexed to, merged in and made part of the city and county of New York, and of the twenty-fourth ward of said city and county, and shall hereafter constitute a part of the city and county of New York, subject to the same laws, ordinances, regulations, obligations and liabilities, and entitled to the same rights, privileges, franchises and immunities, in every respect, and to the same extent as if such territory had been included within said city and county of New York at the time of the grant and adoption of the first charter and organization thereof, and had so remained up to the passage of this act, and except as may be modified by the provisions herein contained, as if such territory had been included within said twenty-fourth ward by the provisions of chapter six hundred and thirteen of the laws of eighteen hundred and seventy-three, entitled 'An act to provide for the annexation of the towns of Morrisania, West Farms and Kingsbridge, in the county of Westchester, to the city and county of New York,' and the several acts amendatory thereof, and had so remained up to the passage of this act."

Whereas, Section 3 of said act provides as follows: "All the public property of each of said towns and villages, as well as the property now vested in the boards of education of said towns and villages, and lying within the territory hereby annexed to the city and county of New York, shall be vested in and is hereby declared to be the property of the mayor, aldermen and commonality of the city and county of New York, and the mayor, aldermen and commonality of the city and county of New York shall succeed to all the rights, claims, causes of action, rights to uncollected taxes, liens, uses, trusts, duties, privileges and immunities of each of said towns and villages so far as they relate to the territory hereby annexed to the city and county of New York, except as herein otherwise provided. * * *"; and

Whereas, Under and by virtue of the ancient charters and patents of the said Towns of Westchester, Eastchester and Pelham, title to all the lands under water between high and low water-mark adjacent to the uplands of said towns, together with the lands under water in all rivers, creeks, harbors, waters, lakes, etc., was vested in said towns, and under and pursuant to the provisions of said act hereinbefore set forth, title to the same became vested in The Mayor, Aldermen and Commonality of the City of New York, except to such portions of the lands under water as may have been aliened, granted or sold by the said respective towns; and

Whereas, Under the provisions of section 711 of chapter 410 of the Laws of 1882, the Department of Docks is vested with the exclusive charge and control of all wharf property belonging to the Corporation of the City of New York, including all wharves, piers, bulkheads and structures thereon and waters adjacent thereto, and all the slips, basins, docks, water-fronts, land under water and structures thereon, and the appurtenances, easements, uses, reversions and rights belonging thereto, which are now owned or possessed by said corporation, or to which said corporation is or may become entitled, or which said corporation may acquire under the provisions hereof, or otherwise, and said Department is also vested with exclusive charge and control of the repairing, rebuilding, maintaining, altering, strengthening, leasing and protecting said property and every part thereof, and of all the cleaning, dredging, deepening necessary in and about the same. And said department is also invested with the exclusive government and regulation of all wharves, piers, bulkheads and structures thereon and waters adjacent thereto, and all the basins, slips and docks, with the land under water, in said city, not owned by said corporation; and

Whereas, It is important and necessary that the Dock Department should have and place some one in charge and control of the said lands under water as well as the property owned by private individuals in that portion of the territory annexed to the City of New York under and pursuant to the provisions of said chapter 934 of the Laws of 1895; therefore, be it

Resolved, That that portion of the Towns of Eastchester and Pelham and the Town of Westchester, annexed to the City of New York under and pursuant to the provisions of said act, be hereby declared to constitute and shall be known hereafter as wharfage district of the City and County of New York; and be it further

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the above must present the same in a sealed envelope to said Commissioner of Street Cleaning, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Commissioner of Street Cleaning reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for his faithful performance in the sum of one thousand seven hundred and fifty (\$1,750) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the sureties offered shall be approved by the Comptroller.

The price must be written in the bid or estimate, and also stated in figures. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Commissioner of Street Cleaning to reject any or all the bids, or to select the bid or bids, the acceptance of which will, in his judgment, be deemed best for the interest of the City. No bid will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of eighty-seven and fifty hundredths dollars (\$87.50). Such check or money must not be inclosed in a sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.
