Scope of Work
This project will reconstruct and expand the playground in Kelly Park, including play equipment, spray shower, swings, seating areas, benches, security lighting, fencing, drainage and water supply, electrical service, and plantings.
This project will reconstruct the oval at Marine Park, including new asphalt pavement, drainage and water supply, drinking fountains, and benches.
This project will reconstruct the paths in the Nethermead at Prospect Park.
This project will reconstruct the playground at John J. Carty Park.
This project will reconstruct the playground at Linden Park.
This project will reconstruct the multipurpose play area at Linden Park.
This project will reconstruct P.S. 155 Playground.
This project will reconstruct two park entrances at MacNeil Park.
This project will reconstruct 210th Street Playground at Cunningham Park.
This project will reconstruct the playground, picnic grove and basketball court at Rainey Park.
This project will reconstruct Sohncke Square.
This project will reconstruct the basketball courts at Detective Keith L. Williams Park (Liberty Park).
This project will construct park amenities, including sidewalks, seating, bike racks, fencing, game tables, drinking fountains, and landscaping along Shore Front Parkway.
This project will reconstruct Captain Dermody Triangle.
This project will reconstruct James A. Bland Playground.
This project will construct a reading garden at Bellerose Playground.
This project will reconstruct Beach 108th Street Esplanade.
This project will construct a boardwalk and outdoor classroom at Sunset Cove Park.
This project will construct Bay Breeze Park.
This project will construct a comfort station at Nameoke Park.
This project will reconstruct multipurpose play areas at Oakland Gardens, Alley Park, and Hoover-Manton Playground, and the parking lot near Springfield Boulevard and 76th Avenue in Alley Pond Park.

This project will demolish an existing play area and construct two basketball courts at Faber Park with new lighting, bleachers, a drinking fountain, benches, and plantings.

This project will construct a comfort station at Owl Hollow Fields in Freshkills Park.

This project will construct a modular comfort station at Lopez Playground.

This project will construct water service and a drinking fountain at the skate park in Bronx Park.

The project will install a curb cut and bioswale along Bronx Boulevard at East 228th Street.

This project will reconstruct two natural turf ballfields and construct sports lighting and a scoreboard in Franz Sigel Park.

This project will construct adult fitness equipment at Classic Playground in Van Cortlandt Park.

This project will reconstruct the elevator at the Citywide Services Shops.

This project will construct Davidson Park.

This project will reconstruct an existing playground in the open space at the Watson Houses, with new play equipment, adult fitness equipment, and safety surfacing, a spray shower, sitting areas, plantings, fencing, pavements, and drinking fountains.
