The balance of moneys standing to the credit of the Public Administrator and the Comptroller on the first day of January, 1884:

In the Importers and Traders' National Bank was the sum of one hundred and six thousand two hundred and seventy-two dollars and eighty-four cents (\$106,272.84), and in the Continental National Bank the sum of ninety-five thousand two hundred and five dollars and eighty-six cents (\$95,205.86), making together the sum of two hundred and one thousand four hundred and seventy-eight dollars and seventy cents (\$201,478.70), which includes interest allowed by said banks on deposits.

The total amount of moneys which came into the hands of the Public Administrator during the year 1883, was the sum of one hundred and forty-nine thousand seven hundred and one dollar and fifty-eight cents (\$149,701.58), and the amount distributed by him for expenses, payments to creditors and to next of kin, etc., was the sum of ninety-nine thousand three hundred and ninety dollars and eighty-six cents (\$99,390.86).

The total amount paid into the City Treasury during the year 1883 was the sum of twelve thousand two hundred and three dollars and sixty-seven cents (\$12,203.67), being for commissions and intestate estates.

When the undersigned took possession of his office he found that the account of the Public Administrator and Comptroller with the Guardian Savings Institution showed a balance due from that bank of fourteen thousand two hundred and thirty-three dollars and sixty cents (\$14,233.60).

The undersigned has made diligent efforts to collect the amount from the Receiver of the said institution, and has succeeded in collecting the sum of two thousand dollars (\$2,000), leaving a balance still due amounting to the sum of twelve thousand two hundred and thirty-three dollars and sixty cents (\$12,233.60), exclusive of interest.

By reason of such uncollected balance a number of estates cannot be finally closed.

Dated January 12, 1884.

ALGERNON S. SULLIVAN, Public Administrator.

PROPOSALS AND ESTIMATES FOR THE CLEANING OF THE STREETS, FOR THE REMOVAL OF SNOW AND ICE THEREFROM, AND FOR THE COLLECTION OF ASHES, GARBAGE, AND STREET SWEEPINGS, AND THE REMOVAL OF THE SAME IN THE FIRST STREET-CLEANING DISTRICT OF THE CITY OF NEW YORK.

ESTIMATES INCLOSED IN SEALED ENVELOPES, and indorsed with the name of the person or persons making the same, and the date of presentation, and a statement of the work to which they relate, will be received at the office of the Department of Street Cleaning, Nos. 31 and 32 Park Row, in the City of New York, until 12 o'clock M. of Saturday the 23d day of February, 1884, at which time and place the estimates will be publicly opened and read for the cleaning of streets, for the removal of snow and ice therefrom, and for the collection of ashes, garbage, and street sweepings, and the removal of the same in the First Street-Cleaning District of the City of New York for a period of two years from the 11th day of March, 1884, until the 10th day of March, 1886,

both days inclusive, in pursuance of authority conferred by chapter 367, Laws of 1881, upon the Commissioner of Street Cleaning to make and execute special contracts.

The First Street-Cleaning District of the City of New York hereby designated by the Commissioner of Street Cleaning pursuant to law, consists of all that portion of the City of New York bounded as follows:

On the north by the southerly line of Fourteenth street, from Broadway westerly to the North or Hudson river; on the easterly side by the westerly line of Broadway, from Fourteenth street to Battery place; on the southerly side by the southerly line of Battery place, from Broadway to the North or Hudson river, and on the westerly side by the North or Hudson river, from Battery place to Fourteenth street.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute such contract within five days from the date of the service of a notice to that effect; and, in case of failure or neglect to do so, he or they will be considered as having abandoned such contract, and as in default to the corporation, whereupon the Commissioner of Street Cleaning will either make another selection from the bids or estimates submitted, or readvertise and relet the work.

If the person or persons to whom the contract may be awarded, shall neglect or delay to commence the work or any portion thereof, on the 11th day of March, 1884, the Commissioner of Street Cleaning will perform the said work or any portion thereof for such period of neglect or delay, and charge the whole expense of the same against the said person or persons.

Bidders are required to state in their estimates, under oath, their names and places of residence, the names of all persons interested with them therein, and, if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any other person making any bid or estimate for the above work; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each estimate shall also be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that, if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance in the amount of FIFTY THOUSAND DOLLARS; and that, if he or they shall omit or refuse to execute the same, they will pay to the Mayor, Aldermen and Commonality of the City of New York, any difference between the sum to which he would be entitled on its completion and that which the Mayor, Aldermen and Commonality of the City of New York may be obliged to pay to the person or persons to whom the contract may be subsequently awarded. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the sureties offered shall be approved by the Comptroller.

The person or persons to whom the contract may be awarded, shall deposit with the Comptroller of the City of New York, on or before the execution of the contract or agreement, EIGHT THOUSAND DOLLARS, in cash or securities approved and accepted by the said Comptroller, as an additional security for the faithful performance of all the terms and conditions of the contract or agreement, and as a fund to be drawn upon by the Commissioner of Street Cleaning, to pay for any expense that may be incurred under the contract or agreement by the said Commissioner, or by the Mayor, Aldermen and Commonality of the City of New York, by reason of the failure of the party or parties to whom the contract may be awarded, to faithfully comply with the terms and conditions of the contract.

Bidders will state a price per annum for doing the work.

The price must be written in the bid or estimate and also stated in figures.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Commissioner of Street Cleaning to reject any or all bids, or to select the bid or bids the acceptance of which will, in his judgment, best secure the efficient performance of the work. No bid will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each estimate must be accompanied by a certified check on a solvent banking corporation in the City of New York payable to the order of the Comptroller of the City of New York, for five per cent. of the amount bid for the performance of all the work required by said contract to be done in any one year. On the acceptance of any bid, the checks of the unaccepted bidders will be returned to them, and upon the execution of the contract the check of the accepted bidder will be returned to him.

Any contract made by the Commissioner of Street Cleaning may be terminated on ten days' notice by the said Commissioner, with the approval of the Mayor.

All bids must be made with reference to the form of contract and the requirements thereof on file at the Department of Street Cleaning, or they will be rejected.

Blank forms of specifications and proposals may be obtained at the Department of Street Cleaning, 31 and 32 Park Row, New York City, on or after Wednesday, February 13, 1884.

## DEPARTMENT OF PUBLIC WORKS.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
No. 31 CHAMBERS STREET,  
NEW YORK, Nov. 1, 1883.

PUBLIC NOTICE IS HEREBY GIVEN TO property-owners of the City of New York that, by the New York City Consolidated Act of 1882, among other matters relating to Croton water rates and affecting all properties liable for Croton water charges, is embraced the following: "Title 2, Duties and Powers of the Department of Public Works as to Procuring and Distributing Water."

§ 350. The Commissioner of Public Works shall, from time to time, establish scales of rents.

Such rents shall be collected from the owners or occupants of all such buildings, respectively, which shall be situated upon lots adjoining any street or avenue in said city in which the distributing water-pipes are or may be laid, and from which they can be supplied with water, said rents shall become a charge and lien upon such houses and lots, respectively, as provided by law.

It becomes my duty to state that on and after the first day of April, 1883, all extra charges, such as steam-engines, bakeries, barbers, bathing-tubs, boarding-houses, boarding-schools, building purposes, horses, horse-troughs, hotels, porter-houses, taverns, etc., printing offices, stone cutting or dressing, slaughter-houses, dyeing, water-closets and urinals, laundries, restaurants, soda fountains, extra families, oyster and coffee saloons, water by meter measurement, meters and meter setting, and all other purposes for which the use of Croton water is chargeable according to law, are liens, and unless paid on or before the 30th day of April next must be returned to the Clerk of Arrears, with the amount due on each lot.

## TO THE PUBLIC.

AT 9:30 P. M. ON THURSDAY THE 15TH instant, the aqueduct had to be shut off to repair a large leak that it could not be repaired in the usual manner from the exterior. This leak had suddenly developed in the section south of Yonkers, where smaller fissures had previously occurred.

The examination showed fissures aggregating 2,000 feet in length. The repairs were finished and water was again turned on by 4 P. M., on Saturday, the 17th instant. While the flow through the aqueduct was interrupted the supply in the Central Park reservoir was drawn down five feet.

This loss of supply in the city reservoirs, occurring now, as winter is approaching, makes it necessary to take extra precautions against waste of water. Being aware of the temptation to leave faucets open in cold weather to prevent freezing in the pipes, I specially protest against that practice, and appeal to all citizens to abstain from wasteful use of water in any manner whatever. The present condition of the supply and the possibility of a recurrence of similar leaks in the aqueduct make it my duty to give this public notice that I shall hereinafter resort to the pre-emptory measure of shutting off the water in all places where persistent waste is discovered.

HUBERT O. THOMPSON,  
Commissioner of Public Works.
