## CHILDREN'S COURT.

### SECOND DIVISION, BOROUGH OF BROOKLYN.

A Part of the Court of Special Sessions of the Second Division of The City of New York.

Annual report of James P. Sinnott, Clerk of the Children's Court, Second Division, Borough of Brooklyn, a part of the Court of Special Sessions of the Second Division of The City of New York, for the term ending December 31, 1903.

To the Honorable GEORGE B. McCLELLAN, Mayor of The City of New York:

In pursuance of the provisions of section 1408 of the Greater New York Charter, as amended by chapter 150 of the Laws of 1903, I herewith respectfully submit the following detailed report of the business transacted at the Children's Court, Second Division, Borough of Brooklyn, a part of the Court of Special Sessions of the Second Division of The City of New York, for the four months ending December 31, 1903.

The following named Justices of the Court of Special Sessions of the Second Division have officiated at this Court during said period ending December 31, 1903: Robert J. Wilkin, Thomas W. Fitzgerald, Howard J. Forker, Patrick Keady and John Fleming.

The statute under which this Court was organized took effect on the 14th day of April, 1903, and the Court was opened for the transaction of business on September 9, 1903.

Under the authority of the statute the Justice assigned to the Court, during the month of August, called a meeting of all those interested in charitable, benevolent and philanthropic work in the Borough of Brooklyn, and committees were appointed at this meeting who recommended the appointment of Patrick Mallon, agent of the St. Vincent de Paul Society, Henry Veld, superintendent of the Hebrew Educational Society, and W. R. Davenport, head worker of the Italian settlement, as Probation Officers of the Court, and they have served to the present time. The probation system, which has been established with the assistance of these gentlemen, has shown most excellent results, as will be seen from the table contained in this report.

When a child is arrested in the Borough of Brooklyn, charged with any offense, the parents are immediately notified by the police, and, if the offense be of a minor character, the child may be returned to its parents on the parent giving a written promise to have the child in court the following day. If this is not done, the child is sent to the Shelter of the Society for the Prevention of Cruelty to Children, where it is cared for gratuitously until arraigned in court. When taken to court, if the parents are unable to employ a lawyer the Court assigns one who works gratuitously.

If the child is found not guilty it is immediately returned to its parents, but if found guilty it is either permitted to go home if the circumstances will warrant such leniency, or is re-committed to the care of the Society, to appear two days later for sentence.

Before the sentence day the agents of the Society have made an investigation as to the home surroundings, character of the parents and the reputation and behavior of the child, which is written out in the form of a brief and submitted to the Court. If the sentence is but a warning or a light fine the case is immediately disposed of, but if the charge is more serious and the home surroundings or the past record of the child will not warrant it, the child is committed to one of the reformatory institutions for children, or is placed under the charge of a Probation Officer. In the latter case the child is permitted to go to its home, but if under the age of fourteen years is required to attend school regularly, to report to the Probation Officer as he may require, and at a stated time, usually one month later, reports back to the Court. If over fourteen and working, the same requirements are exacted, except that night school is substituted for day attendance. On the return day, the Probation Officer hands in to the Court a written report of his findings, the child presents his report card showing that he has regularly reported, and also a report from the school authorities, whereupon either sentence is suspended or the parole is continued for another month. The habit has been that usually the parole is extended for a term of three months before sentence is finally suspended and the child is permitted to go free.

The business of the Court in detail is hereafter presented, and special attention is called to the result of the probation system, which will be found in Table C.

Respectfully,

JAMES P. SINNOTT, Clerk.

## BOROUGH OF BROOKLYN.

### LOCAL BOARD—RED HOOK DISTRICT.

Monday, December 7, 1903.

Meeting in Borough Hall, at 2.45 p. m.

The roll was called, and the following members answered to their names:

William C. Redfield, Commissioner of Public Works, presiding; Alderman Kenney, Fifty-third Aldermanic District; Alderman Gillen, Fifty-fourth Aldermanic District.

No. 37.

Petition to open Wolcott street, as described in the following report from the Chief Engineer of the Bureau of Highways:

City of New York, Borough of Brooklyn, Office of Commissioner of Public Works, Bureau of Sewers, Chief Engineer's Office, Municipal Building, October 16, 1903.

WILLIAM C. REDFIELD, Esq., Commissioner of Public Works, Borough of Brooklyn:

Dear Sir—I return you herewith petition to alter the map of The City of New York by placing upon the same:

Lorraine street, from Dwight street to Otsego street, and to acquire title to same, and to regulate, grade and pave same with asphalt.

This matter has been examined into carefully by Mr. Bischof, and he finds that Wolcott street is on the official map, from Dwight street to Otsego street, although

not generally shown on the ordinary wall maps. I think, then, that the proper proceeding would be to open Wolcott street from Dwight street to Otsego street, as the results in either case will be the same, and it would save the proceeding of laying Lorraine street on the map, and closing Wolcott street from Dwight street to Otsego street.

I would, therefore, recommend that proceedings be made to open Wolcott street from Dwight street to Otsego street. If that is done, the proceedings for grading and paving can then be carried out.

Respectfully,  
(Signed) GEO. W. TILLSON, Chief Engineer.

Following resolution was offered:

Resolved, That the Local Board of the Red Hook District, Borough of Brooklyn, after hearing had this 7th day of December, 1903, hereby determines to initiate proceedings to open Wolcott street, between Dwight street and Otsego street, in the Borough of Brooklyn.

Resolved, That this resolution be forwarded to the Board of Estimate and Apportionment for its approval.

Which was decided in the affirmative by the following vote:

Commissioner Redfield and Aldermen Kenney and Gillen.

Approved by the Acting President of the Borough December 10, 1903.

No. 38.

Petition to flag sidewalks on the north side of Sackett street, between Third and Fourth avenues.  
Laid over.

No. 39.

Petition to fence lot on the southwest corner of Bond and President streets.  
Laid over.

No. 40.

Petition to fence vacant lot on the north side of Fourth street, between Smith and Hoyt streets, known as Lot No. 51, Block 464, Tenth Ward Map.  
Laid over.

No. 41.

Petition to fence vacant lot as described in the following report from the Chief Engineer of the Bureau of Highways:

Report No. 334.

City of New York, Borough of Brooklyn, Office of Commissioner of Public Works, Bureau of Highways, Chief Engineer's Office, Municipal Building,  
October 8, 1903.

Mr. WILLIAM C. REDFIELD, Commissioner of Public Works:

Dear Sir—In connection with the attached petition for the fencing of lot on Wyckoff street, between Nevins street and Third avenue, would say that I have had an inspection made of the lot referred to, and find that the same is unfenced, and in its present condition is being used as a dumping ground for all kinds of refuse. I would therefore recommend that the said lot be enclosed with a close board fence six (6) feet in height.

Description of property:

On the south side of Wyckoff street, between Nevins and Third avenue, Lot No. 5, Block 394, Tenth Ward Map, section 2, volume 2.

Estimated cost of fencing, \$13; assessed valuation, \$1,100.

Owner of property, Francis Frenese.

Respectfully,  
(Signed) GEO. W. TILLSON, Chief Engineer.

The following resolution was offered:

Resolved, That the Local Board of the Red Hook District, Borough of Brooklyn, after hearing had this 7th day of December, 1903, hereby directs that the lot lying on the south side of Wyckoff street, between Nevins street and Third avenue, known as Lot No. 5, Block 394, Tenth Ward Map, be enclosed with a close board fence six (6) feet high, at the expense of the owner of the said lot.

Which was decided in the affirmative by the following vote:

Commissioner Redfield and Aldermen Kenney and Gillen.

Approved by the Acting President of the Borough, December 10, 1903.

Adjournment.

JUSTIN MCCARTHY, Jr., Secretary.

## NOTICE TO CONTRACTORS.

## GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be enclosed in the envelope containing the bid or estimate, but should be either enclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
