

CITY PLANNING COMMISSION

July 9, 2014/Calendar No. 5

N140359 BDX

IN THE MATTER OF an application submitted by the Department of Small Business Services on behalf of the Fordham Road Business Improvement District pursuant to Section 25-405(a) of Chapter 4 of Title 25 of the Administrative Code of the City of New York, as amended, concerning the expansion of the Fordham Road Business Improvement District, Community District 6, The Bronx.

On April 3, 2014 the Mayor authorized an amended district plan for the Fordham Road Business Improvement District (BID). On April 22, 2014, on behalf of the Fordham Road District Management Association (DMA), the Department of Small Business Services (DSBS) submitted the amended district plan for the BID, located in Community Districts 6 in the Borough of The Bronx.

BACKGROUND

The Fordham Road BID was established in 2005 and is located in the northwest section of the Bronx. Spanning Community Districts 5, 6 and 7, the District is comprised of the regional commercial center for the West Bronx, a strip that runs from Jerome Avenue on the west to Third Avenue on the east, and also includes Fordham University. Fordham Road is the longest and largest retail corridor in the Bronx in terms of both sale volume and size, containing over 300 businesses in a 14 block area. Retail tenancy is characterized by a mixture of small independent shops as well as national and regional chain stores.

The proposed expansion to the Fordham BID will integrate two lots, located in Community District 6, into its security, sanitation and promotion services. The expansion area includes E. Fordham Road from Third Avenue to Washington Avenue; Washington Avenue from E. Fordham Road to 189th Street; and 189th Street from Washington Avenue to Park Avenue. One

Fordham Plaza, a 14-story office building opened in 1986, is located within the expansion area. At the time of its construction, it was the first new office building in the Bronx in 25 years and contributed to the economic rebirth of Fordham Road. Major retail tenants of One Fordham Plaza currently include Applebee's, TJ Maxx, Famous Footwear, Party City and Subway; office tenants consist of several State and City government agencies including City Planning's Bronx Borough Office, as well as Montefiore Hospital. Fordham Plaza is currently under renovation; there are plans for retail and vendor kiosks, a café building and public seating. It is the intention of the Fordham BID to enter into an agreement with the City to take over the management of the property.

The existing District contains just under 80 properties owned by 55 individuals or corporations. Currently, the retail vacancy rate in the district is less than 4%. The majority of the properties are wholly commercial, however, there is one mixed-use property in the BID containing just over 50 housing units and there are several not-for-profit and educational institutions, including Fordham University, Monroe College, CUNY on the Concourse, the health care workers union 1199, The Bronx Public Library and various healthcare facilities associated with Bronx medical facilities.

The BID proposes a budget of \$670,000 dollars, a modest increase from its present budget of \$625,000. The budget for the expanded BID projects \$245,000 for Maintenance and Sanitation services; \$75,000 for Marketing, Promotion and Holiday Lighting; \$8,000 for Economic Development/New Initiatives and \$20,000 for Security. General administration is budgeted by the BID at \$309,000, and \$13,000 is allotted for Contingency.

The individual assessment rate for each property owner is based on a complex formula comprised of three separate rates, each dependant on the total assessed value of the BID. All properties in whole or in part devoted to commercial uses, including those that are vacant, are assessed at not

more than \$23 per individual property linear front foot (FF) plus not more than 2.3 cents per one thousand dollars of assessed valuation (AV) plus not more than 5.2 cents per commercial square foot.

The BID proposes as part of its expansion that a cap be put on assessments so that the maximum amount that any individual commercial property shall pay should not exceed \$45,000 a year when the total BID assessment is \$670,000. Government and not-for-profit owned property devoted to public or not-for-profit use are exempt from district assessment.

There is a wide range of annual BID payments for the \$670,000 budget. The lowest assessment payment is projected to be just under \$700. The Amended District Plan caps the highest possible payment at \$45,000 per year. The average annual BID payment for the 71 properties that contribute to the budget is projected to be \$9,436.63 per year while the median payment is \$6,220.57. The proposed additional properties would pay a total of \$45,000 to the BID; City owned Fordham Plaza is exempt from financial contribution due to its public ownership, and One Fordham Plaza would pay the maximum amount of \$45,000 annually.

The BID conducted extensive community outreach for this expansion by hosting numerous public meetings and presentations with area stakeholders. Full support from the property owners, commercial /retail tenants, local elected officials, community boards, and other community partners within the expansion area was garnered.

ENVIRONMENTAL REVIEW

The district plan was reviewed pursuant to the New York State Environmental Quality Review Act (SEQRA) and the SEQRA regulations set forth in Volume 6 of the New York State Code of

Rules and Regulations, Section 617.00 et seq., and the New York City Environmental Quality Review (CEQR) Rules of Procedure of 1991 and Executive Order No. 91 of 1977. The designated CEQR number is 13SBS005M. The lead agency is the Department of Small Business Services.

After a study of the potential environmental impact of the proposed action, a Negative Declaration was issued on March 14, 2014.

LAND USE REVIEW

On April 22, 2014 the Department of Small Business Services submitted an amended district plan for the Fordham Road Business Improvement District (BID) to the Department of City Planning. The plan was then transmitted for review to the Office of the Mayor, Office of the Bronx Borough President, City Council Speaker, City Council Member of Council Districts 14 and 15 and Bronx Community Boards 5, 6 and 7.

Community Board Public Hearing

On May 14, 2014, Community Board 6 held a hearing and voted unanimously in favor of the expanded district plan with a comment that their continued support is contingent on the Fordham Road BID informing the Board of its plans to sponsor or authorize special events and activities within the expansion area, particularly if events are likely to require municipal resources.

City Planning Commission Public Hearing

On May 21, 2014 (Calendar No. 2), the Commission scheduled June 11, 2014 for a public hearing on the district plan. On June 11, 2014 (Calendar No. 15), the hearing was duly held.

There were two speakers in favor of the proposal and none in opposition. Those who testified in favor included the Executive Director of the BID, as well as a property owner who serves as the Chairperson of the BID. Both speakers summarized the current state of the BID and the projects it has undertaken. The Executive Director of the BID discussed the expansion area and detailed public outreach efforts and the support garnered for the amendment. The Chairperson and BID property owner discussed the positive impact of the BID on the commercial corridor.

There were no other speakers and the hearing was closed.

CONSIDERATION

The Commission believes that the proposal to expand the Fordham Road Business Improvement District in The Bronx, is appropriate.

The Commission has carefully reviewed the documents that the BID sponsor submitted regarding notification of stakeholders about the proposed BID and believes that these outreach efforts for the BID were satisfactory.

BIDs are important to the City because they promote healthy economic development for the City and help retain and attract businesses to the District.

Fordham Road is a thriving commercial street that is integral to the vitality of the West Bronx. Over the past decade, the Fordham Road Business Improvement District has been successful in contributing to the growth and management of the area. The Commission is pleased to see the District expand to include a major office building which is now becoming a major retail destination, and is hopeful that the inclusion of Fordham Plaza will attract new shoppers and visitors as well as enhance the experience of current patrons.

The Commission urges the Fordham Road District Management Association to continue to collaborate with Community Board 6 on the planning and execution of special events once a plan for the management of Fordham Plaza has been adopted.

RESOLUTION

The Commission supports the proposed BID plan and has adopted the following resolution:

RESOLVED, that the City Planning Commission certifies its unqualified approval of the amended district plan for the Fordham Road Business Improvement District.

The above resolution duly adopted by the City Planning Commission on July 9, 2014 (Calendar No. 5) is filed with the City Council and the City Clerk pursuant to Section 25-405 of the Administrative Code of the City of New York.

RE: Fordham Road District Management Association Expansion Plan.

Dear Ms. Alonso:

At its meeting of May 14, 2014 the members of Bronx Community Board #6 unanimously voted in favor of reiterating its support for the Fordham Road District Management Association's efforts to expand its boundaries to include Fordham Road from Third to Washington avenues, Washington Avenue from East Fordham Road to East 189th Street, and East 189th Street from Washington to Park avenues; and to "partner with the New York City Department of Transportation in regard to the [area's] future overall administration (operation, management and maintenance)..."

As stated in our original support letter dated October 8, 2013 the community board's continued support of the Fordham Road DMA in this matter is contingent upon it keeping us informed – in both a timely and consistent manner – of its plans to either sponsor or authorize special events and activities within the expansion area. This is particularly true if the events and activities are likely to require the deployment of our community's municipal resources, such as police, fire, sanitation and parks department personnel.

Bronx Community Board #6 continue to wish the Fordham Road DMA every success in this endeavor and looks forward to working with it in order to achieve our mutual goal of ensuring that the expansion area remains a driving force in our community's economic development.

Very truly yours,

The Mayor of the City of New York, by written authorization dated April 3, 2014 (a copy of which will be annexed as Exhibit II), has provided for the preparation of this amended plan (the "Plan") pursuant to authority granted by Chapter 4 of Title 25 of the Administrative Code of the City of New York (the "Law").

II. DISTRICT PROFILE: PRESENT USES OF DISTRICT PROPERTY

A. DISTRICT PROFILE

The District is located in the Fordham section of the northwest Bronx. It is comprised of a major commercial strip that runs from Jerome Avenue on the west to [Third Avenue] Washington Avenue on the east. The commercial corridor targeted for the Business Improvement District consists of [approximately 260 stores] over 300 businesses stretching along a [thirteen-block] fourteen-block area and is the core commercial area of a much larger commercial retail center. The core area was selected for the proposed BID because of its continuity with respect to commercial properties and the support of the [affected] included property owners and merchants. There are no [wholly] entirely residential properties and one mixed-use property in the district.

While retail is the primary use in the District, there are several commercial buildings with offices above the ground floors, mainly at the [two] three major intersections, the Grand Concourse, Webster Avenue and Third Avenue. In addition, major institutional uses include several properties belonging to Monroe College, Fordham University and CUNY on the Concourse (a branch of Lehman College) [whose campuses front on Fordham Road]. Well-known New York City cultural landmarks, including the Bronx Zoo and the New York Botanical Gardens, are located less than a mile to the east of the District. [There are no residential buildings within the District boundaries.]

The commercial corridor attracts [tens of thousands of] over 80,000 shoppers daily as well as dozens of street [peddlers] vendors, which generates a large amount of garbage [daily] and creates unsanitary conditions. Despite these conditions, the

commercial corridor remains one of the most popular in the city and is the single largest retail center in the borough.

The District is located within Bronx Community Boards 5, 6 and 7; the 46th, 48th, and 52nd Police Precincts, and the Bronx East 5, 6 and 7 Sanitation Districts.

B. PRESENT USES OF DISTRICT PROPERTY

1. ZONING

The District is primarily zoned C4-4 which allows retail and office use, except for the district's western and eastern boundaries: the west side of Jerome Avenue is zoned residential, R-6, with C1-4 and C2-4 overlays on the Fordham and Jerome frontages; and the northeast corner of Fordham and Webster, which is zoned C2-3/R-6 (Fordham University), and the southeast corner of the district, both sides of Webster Avenue from the C4-4 Fordham frontage to 188th Street, 189th Street from Webster to Park Avenues, and Park Avenue from 189 to 188th Streets, where the zoning is R7-1 with a C1-4 overlay on the west side of the street and a C2-4 overlay on the east side. (See attached map)

2. COMMERCIAL/RETAIL

The District contains a total of 74 properties, owned by 55 individuals or corporations. All of the properties are wholly commercial with ground-floor retail use. Currently, the retail vacancy rate in the district is less than [4%] 3.5%.

The Fordham Road commercial strip ranks as the Bronx's largest retail area, both in terms of sales volume and size. The District constitutes the core commercial area of the Fordham Road shopping area, consisting of [approximately] over 200 retail businesses.

There are over twenty national and regional retail chains stores concentrated in the District, including Sears, Best Buy, Walgreens, Marshall's, Children's Place, The Gap, Dr. Jay's, Duane Reade, and P.C. Richard & Son. Many banks either own/operate or have branches on the strip, including Bank of America, Capital One, Chase, Citibank, [Banco Popular, North Fork, Washington Mutual], HSBC, Popular Community Bank and Emigrant Savings Bank, among others. [The 250,000 square foot central anchor building located on Fordham Road at the Grand Concourse – long occupied by Alexander's, succeeded by Caldor and, more recently, a five-year period of vacancy – has recently been fully-renovated and tenanted with a strong mix of retail, office and nonprofit uses, including the above mentioned PC Richards and CUNY on the Concourse, along with an 1199 union training facility, a child care center, a Bally's Fitness gym, and clothing, wireless phone and other retail uses. It has brought new life to this focal point and has yielded many workers who are also consumers of the goods and services of the Fordham Road retail strip.]

The majority of properties in the district are one-story “taxpayers” and two-story buildings containing retail stores. There is a ten-story office tower set above the two-story Emigrant bank branch at 2530 Grand Concourse. [Emigrant occupies the former, grand Dollar Dry Dock Bank space and, with the office tower above it, is the district's only commercial condominium.] There is a five-story commercial elevator building at the center of the District (the Wagner Building located at 2488 Grand Concourse). [This property has eleven street-level stores and about three dozen tenants occupying offices above ground.] Additionally, there is Fordham Place, The Wagner Building, and 2 Fordham Square. Fordham Place is a LEED-certified 276,000 sq. ft. multilevel

retail/commercial office space building located at 400 East Fordham Road. The Wagner Building is a 4-story art deco building located at 2488 Grand Concourse. 2 Fordham Square is a 250,000 sq. ft. 4 and partial 5-story mixed use office/retail location on the intersection of East Fordham Road and Grand Concourse (2501 Grand Concourse).

The District is serviced by five indoor parking facilities [and one outdoor lot.] The only facility located within the District is the city-owned Municipal Garage at the District's western boundary. [The other five parking facilities are centrally located and immediately adjacent to the District.]

3. RESIDENTIAL

One mixed-use property in the proposed District contains residential tenants. However, the area surrounding the District is zoned C-4 and as such has many small to medium size multiple dwellings.

4. [NOT-FOR-PROFIT, INSTITUTIONS AND PUBLIC]

NOT-FOR-PROFIT, EDUCATIONAL, AND PUBLIC INSTITUTIONS

[The Bronx Council for Economic Development, the local development corporation serving the Fordham business community and sponsoring the BID's formation, is one of several nonprofits and institutions located within the District, including Fordham University, Monroe College, CUNY on the Concourse, 1199 and various health care facilities associated with Bronx medical facilities.] There are several nonprofit, educational, and public institutions located within the District, including: Fordham University, Monroe College, CUNY on the Concourse, 1199, The Bronx Public

Library, and various healthcare facilities associated with Bronx medical facilities. The Bronx Library Center is the largest public library in the Bronx. The \$50 million state of the art 78,000 sq. ft. facility is NYPL's first Green Building. Various City, State and Federal government agencies have branch offices located in the Fordham office buildings, particularly those providing social services. [The Fordham branch of the New York Public Library, presently located on Bainbridge Avenue just outside the District, will renovate and move into the former Con Edison facility on Kingsbridge Road.] The city-owned Municipal Garage located on Jerome Avenue just north of Fordham Road is in the District.

5. TRANSPORTATION

The District is served by MTA/Metro-North (Fordham Road and Third Avenue), by the IRT #4 line (Fordham Road and Jerome Avenue), and the IND B and D lines (Fordham Road and Grand Concourse). In addition, the following bus lines run along Fordham Road: the Bx1, Bx2, Bx9, Bx17, Bx22, Bx 32, Bx41, Bx55, Bx12, Bx 24, and Bx 34, Beeline 60/61. Fordham Road (also known as U.S.1 east of Webster Avenue) is a major east-west arterial corridor, connecting the Bronx with the north/south Major Deegan Expressway/NYS Thruway and Manhattan, west of the District, and the north/south Southern Boulevard and Bronx River Parkway, east of the District.

6. GENERAL COMMENTS

Fordham Road is the main shopping area for thousands of Bronx residents and workers. Its stores accommodate those who live and work in the Bronx.

For many years, property owners, business owners, commercial tenants, and residents have recognized the need to renew and maintain the vibrancy of Fordham Road and keep its competitive edge particularly with the development of new retail concentrations at Baychester, Westchester and 225th Street/Target, among others, by creating a cleaner, more attractive, and business-friendly environment.

The District falls within three community districts: Community Boards 5, 6 and 7, Bronx. (see attached map) CD 7 makes up the entire north side of Fordham Road from the Harlem River on the west to Webster Avenue on the east. The southern side of Fordham Road between Jerome and Webster Avenues falls within CD 5. The blocks east of Webster Avenue, including Fordham University, fall within CD 6.

III. PROPOSED SERVICES

A. DESCRIPTION OF SERVICES

The services to be provided pursuant to this Plan (the “Services”) shall include any services required for the enjoyment, protection, and general welfare of the public, the promotion, and enhancement of the District, and to meet needs identified by members of the District. The Services shall not take the place of, but supplement those services provided by the City on a citywide basis. The Services shall be performed under the direction of the Executive Director of the Fordham District Management Association (hereinafter, “DMA”).

Posters will be removed; catch basins will receive special attention. Close coordination will be maintained with the New York City Sanitation Department, the local Community Boards, and with private carters.

It is anticipated that uniformed maintenance personnel will work seven days a week with 5-6 persons per shift. The purpose of the Program is to increase business activity for all retailers and businesses within the District.

Holiday and seasonal decorations may include, but will not be limited to, the installation of ornaments and/or lighting in the District during holidays and the winter holiday season.

3. SECURITY

The Security Program may include, but shall not be limited to, unarmed patrol of the District, creation of a Neighborhood Watch and/or safety education programs. A licensed and bonded security company would work in conjunction with the local Police Precinct to provide services during weekends and holiday periods. Additionally, The Fordham Plaza reconstruction project is anticipated to be completed sometime in the 2nd half of 2016. The Fordham Road BID is considering entering into an agreement whereby the BID would provide services, which might include but would not be limited to programming, sanitation, security, or other services as permitted by law, in the plaza.

5. ADMINISTRATION

Administration of the District shall be by a salaried staff (the “Staff”) which may include an Executive Director, clerical and bookkeeper support, other special staff and/or consultants that the Board of Directors may, from time to time, deem necessary. The Executive Director will oversee District Services and Improvements (hereinafter defined) as directed by the DMA Board of Directors for the benefit of the District constituency. In addition, the Executive Director will serve as ombudsman or spokesperson for the Fordham Road owners and tenants collectively and individually, as authorized by the BID’s Board of Directors and with permission of the individual owner or tenant. Administrative expenses also may include office rental, utility services, equipment, supplies and insurance, mailings to owners and tenants, and newsletters. Legal and accounting services will be contracted on an as-needed basis. When possible, in-kind services will be used.

6. ADDITIONAL SERVICES

Subject to any approvals and controls that may be required by a City agency having jurisdiction thereof, and in addition to the approval of the Board of Directors of the DMA, in subsequent years the District may provide such additional services as are permitted by law.

B. IMPLEMENTATION

2. All Services need not be performed in every Contract Year.
3. The staff and/or subcontractors of the DMA may render such administrative services as are needed to support performance of the Services.
4. In the event that in any given Contract Year the Sources of Funding as hereinafter described do not produce revenues equal to the Total Annual Budget Amount as hereinafter described for such Contract Year, the DMA may, subject to the Contract, as hereinafter defined, forego providing one or more or all Services in order to have revenues sufficient to pay debt service required in the budget as hereinafter defined for the Contract Year.

IV. [III] PROPOSED IMPROVEMENTS

A. IMPROVEMENTS

The improvements (the “Improvements”) to be provided pursuant to this Plan may include, but are not limited to, the following, provided that any Improvements that require review and approval by an appropriate City Agency shall be submitted to that City Agency and to the affected community board(s) prior to undertaking any Improvement.
